B. No person shall remain upon any private property or business premises, after being notified by the owner or by a peace officer acting at the request of the owner to remove therefrom. The owner may make a written request for peace officer assistance in the enforcement of this Section. Such a request shall cover a period of not more than one year and shall specify specific dates, times and locations for which enforcement is requested. Furthermore, the request shall identify any individuals authorized by Owner to be on the premises. During such times and dates, a peace officer may act to remove a trespasser without the necessity of the Owner making a separate request on each occasion when peace officer assistance in dealing with a trespasser is requested.

C. No person, without permission, expressed or implied, from the Owner, shall enter upon private property or business premises after having been notified by the Owner to keep off or keep away therefrom.

D. No person shall enter or remain upon posted property without the permission, expressed or implied, of the Owner of such posted property or premises.

E. This Section shall not apply in any of the following circumstances:

1. Where its application results in or is coupled with any acts prohibited by the Unruh Civil Rights Act or any other provision of law relating to prohibited discrimination against any person on account of color, race, religion, sexual orientation, creed, ancestry or national origin;

2. Where its application results in, or is coupled with, any act prohibited by Section 356 of the California Penal Code or any other provision of law relating to duties of innkeepers and common carriers;

3. Where its application would result in an interference with or inhibition of peaceful labor picketing or other lawful labor activities;

4. Where its application would result in an interference with or inhibition of any other exercise of a constitutionally protected right of freedom of speech; or,

5. Where the person who is upon another's private property or business premises is there under claim or color of legal right."

SECTION 3. MUNICIPAL CODE AMENDED:

2.1 Chapter 11.04 of the Moreno Valley Municipal code is hereby amended by adding new Section 11.04.100 to read as follows:

"Section 11.04.100 – Trespass Upon Public Property.

A. As used in this Section, "City" shall mean the City of Moreno Valley, the Moreno Valley Redevelopment Agency, Community Service Districts and any other public agency formed and/or by the City of Moreno Valley.

MV00062475

B. No person shall remain upon any public park, playground, recreation facility, open space, library, or any other property owned, operated or maintained by the City, after having been found to have violated any City ordinance, resolution, policy, rule or regulation, where that person has been given a warning by authorized City personnel or a peace officer to cease the violation, and where that person continues the violation and has been asked to leave the premises.

B. Any person who has been found by authorized City personnel or a peace officer to have violated any ordinance, resolution, rule or regulation of the City may be banned by said personnel, or a peace officer provided that the violation relates to the facility from which the person has been banned. The violator must be personally served with a letter advising of the ban. The letter shall contain notice of the rule or regulation that was broken and state a specific location from which the individual shall be banned and state a time period, not exceeding one year that the ban will be in effect.

C. No person shall enter or remain upon any City owned or controlled public park, playground, recreation facility, open space, library, or any other property owned, operated or maintained by the City after having been banned therefrom.

D. This Section shall not apply in the following circumstances:

1. Where its application results in or is coupled with any acts prohibited by the Unruh Civil Rights Act or any other provision of law relating to prohibited discrimination against any person on account of color, race, religion, sexual orientation, creed, ancestry or national origin;

2. Where its application would result in an interference with or inhibition of peaceful labor picketing or other lawful labor activities;

3. Where its application would result in an interference with or inhibition of any other exercise of a statutory or constitutional right' or,

4. Where it is necessary for the person to enter City owned or controlled property from which that person has been banned in order to conduct City business but only for as long as necessary to conduct said City business."

SECTION 4. MUNICIPAL CODE AMENDED:

4.1 Chapter 6.04 of the Moreno Valley Municipal code is hereby amended by amending Section 6.04.080 to read as follows:

"Section 6.04.080 - Notification of nuisance.

A. When the city manager or authorized representative thereof determines that any condition on property within the city constitutes a nuisance as declared in Section 6.04.040, such person shall give written notice to abate to responsible person(s), as identified on public records or tax rolls, ordering the abatement of said nuisance.

B. The notice to abate shall contain the following information:

1. The name of the record owner of the property;

2. The date of the inspection;

3. The date of the violation(s);

4. The street address, assessor's parcel number or other definite description of the location where the violation(s) exist;

5. The code sections violated;

6. A description of the condition of the property creating the nuisance;

7. A list of necessary corrections to bring the property into compliance;

8. A reasonable time limit for correction based upon the nature of the nuisance;

9. A reference to the potential consequences for failure to abate the nuisance by the specified time period;

10. An order prohibiting the continuation or repeated occurrence of the nuisance;

11. The name and signature of the enforcement officer; and,

12. Notice of the right to appeal.

C. Notice required by this chapter may be served in any of the following manners:

1. Personal service on the responsible person;

MV00062477

2. Regular mail addressed to the responsible person, at the address shown on the last available assessment roll, or as otherwise known or posting in a conspicuous place on the premises or abutting the right-of-way;

3. Insertion of a legal advertisement at least once a week for a period of two weeks in a newspaper of general circulation in the city. The newspaper advertisement shall be a general notice that property in the city has been posted and contain a general statement of the effect of such postings.

D. Failure of any person to receive a copy of any notice issued pursuant to this chapter shall not affect the validity of any proceedings or actions taken under this chapter.

E. Nothing in this chapter shall be construed or interpreted to require the issuance of a notice to abate as a prerequisite to the issuance of an administrative citation or the filing of any civil action or criminal complaint."

SECTION 5. EFFECT OF ENACTMENT:

5.1 Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

SECTION 6. NOTICE OF ADOPTION:

6.1 Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be publicly posted in three places within the city.

SECTION 7. EFFECTIVE DATE:

7.1 This ordinance shall take effect thirty days after the date of its adoption.

12.14.010 Intent and purpose.

A. It is the intent of this chapter to prescribe the basic regulations for the operation of an official Rotational Tow Service Program in police emergency situations, removal of illegally parked, vehicles that are being operated contrary to law, and/or in the removal of vehicles which are apparently abandoned, or involved in an accident, or which constitute an obstruction to traffic because of mechanical failure.

B. The intent of this chapter is to also establish regulations and procedures for the abatement of abandoned, inoperative and dismantled vehicles as set forth in chapter 11.24 of this code.

C. It is the purpose of the City Council in enacting the ordinance codified in this chapter to provide a fair and impartial means of distributing requests for towing services among qualified firms, and to ensure that such service is prompt and reasonably priced, and in the best interests of the public as well as the interest of efficient policing operations for the removal of such vehicles from public streets.

12.14.020 Definitions.

Unless the context in which used requires otherwise, the following words and variant thereof, shall have the following meanings:

"Appeal" means the final level of review for written reprimands, suspensions, terminations, or review of a decision regarding disciplinary action.

"Area" means the corporate boundary of the City of Moreno Valley.

"Attendant" means individual responsible for staffing the storage yard facility.

"Base Services" means any service or Tow which is performed when the vehicle Operator or agent is present and the vehicle is not stored at the direction of an officer.

"City" means the City of Moreno Valley.

"Financial & Administrative Services Director" means the position in the Financial & Administrative Services Department in charge of the administration of the financial affairs of the City.

"Driver" means a trained and/or qualified licensed individual who operates/drives a Tow car or Tow Truck.

"Driver's Permit" means the driver's Permit issued to a driver that has completed an application and complied with the requirements outlined in Section 12.14.070.

"Enrollment Period" means the period of time when a Tow Operator or Business may submit an application for inclusion on the City's rotation Tow list.

"Garage or Storage Facility" means the area where a Tow Operator or Business stores or impounds vehicles in connection with the City's Rotational Tow Service Program and complied with the requirements outlined in Section 12.14.100.

"License Division" means the City Business license division of the Financial & Administrative Services Department.

"Load Salvage Operations" means any Operator or Business involving the recovery of a load which has been spilled, or the off-loading and reloading of a load from an overturned vehicle performed in order to upright the vehicle. This will be limited to operations involving Class B, C, and D Tow Trucks.

"Notice" means any notices shall be in writing and delivered to the other party in person, via facsimile, and/or by first-class U.S. Mail from a duly authorized representative of the City or Operator.

"Official Police and City of Moreno Valley Tow Service" or "Operator" means a Towing Operator or Business that has a valid agreement with the City and is selected to be used, on call, and on an alternate basis, where a Tow Truck is required.

"Permit" means the Operator's Permit issued to a Tow Operator or Business that has complied with all sections of this chapter to the satisfaction of the City Council.

"Personal Property" means items which are not permanently affixed to the vehicle.

"Rate" means the rate charged by the Tow Operator or Business to a vehicle's owner or his/her agent as approved by the City Council.

"Response Time" means the period of time between when an Operator is notified by the City or Police Department of a call to the arrival of the Tow Truck at the location requested.

"Rotational Tow Service Program" means the City's official program of selecting Tow Operators to assist the Police Department and City in removing vehicles from the public right-of-way and private property as set forth in this chapter.

"Suspension" means the removal of an Operator from the City's Tow rotation list for a specified period of time regardless of any contract period or time.

"Termination" means the permanent removal of a Tow Operator from the City's Rotation Tow List for the remainder of the term of the Tow Service Agreement and disqualification from any further participation in the City's Rotation Tow Service Program.

"Tow Car" or "Tow Truck" is a motor vehicle which has been altered or designed and equipped for and exclusively used in the business of towing vehicles by means of a crane, towbar, towline or dolly or is otherwise exclusively used to render assistance to other vehicles and in compliance with section 615 of the California Vehicle Code. Also includes slide-back carriers and wheel-lift vehicles.

"Tow Operator" or "Business" means a company approved by the City to remove, impound and store vehicles in association with the City's Rotational Tow Service Program.

"Tow Service Agreement" means a document which sets forth the terms and conditions of an agreement between the City and Operator on the tow rotation list.

"Vehicle Recovery Operation" means an operation involving the process of uprighting an overturned vehicle or returning a vehicle to a normal position on the roadway which requires the use of auxiliary equipment due to the size or location of the vehicle. This will normally be limited to operations requiring a Class B, C, or D Tow Truck(s).

12.14.030 City business license and permits required.

A. No firm may participate in the assignment of service calls on a rotational basis by the Police Department or the City unless it has a valid City business license to do business as a Tow Operator in the City as set forth in this code.

B. No person shall operate a Tow Truck as part of the City's Rotational Tow Service in the City unless he or she holds a valid Tow Truck Driver's Permit issued by the City.

MV00062484

C. Only those Tow Operators or Businesses approved by the City and possessing a valid Tow Operator's Permit and Tow Service Agreement shall be permitted to remove, tow, impound and/or store a vehicle as part the City's Rotational Tow Service Program.

12.14.040 Selection of towing services.

A. The City Manager or his/her designee shall solicit proposals from Tow Operators to participate in the City's Rotational Tow Service Program. The proposals shall be accompanied by the fee as established by resolution of the City Council. The fee is not refundable.

B. Proposals submitted by Tow Operators shall be evaluated by City staff and presented to the City Council for approval

C. The term of a Tow Service Agreement shall not exceed five (5) years. Tow Operators not participating in the process will not be eligible to participate in the City's Rotational Tow Service until the City establishes an open enrollment period. The enrollment period shall be open for at least 30 days.

D. Only those Tow Operators who enter into a contractual agreement with the City shall be permitted and be required to affix a decal or other permanent marking "Official Police and City of Moreno Valley Rotational Tow Service" to permitted Tow Trucks. Tow truck and/or other vehicles owned and operated by the Tow Operators that have not been inspected and approved by the City to participate in the City's Rotational Tow Service Program shall not, in any way, maintain a decal or other markings or advertisement that the vehicle or vehicles are part of the Program.

E. Tow Operators applying for the City's Rotational Tow Service shall have a minimum of three (3) verifiable years of for-hire towing experience, as an owner or principal, prior to the final filing date of an enrollment period in order to qualify for the program. The City shall verify that a Tow Operator meets the minimum three (3) years of experience.

F. A Tow Operator or Business not having a valid Tow Operator Permit or Tow Services Agreement shall be prohibited from participating in the City's Rotational Tow Service Program. Any tow person violating this chapter shall be guilty of a misdemeanor and shall be prosecuted either criminally or civilly pursuant to Chapter 1.10, Civil Citations, of the Moreno Valley Municipal Code.

G. Tow Operators who enter into a contractual agreement with the City shall deposit with the City the fee established by resolution of the City Council to cover its costs to administer the terms and conditions of the Tow Service Agreement and the regulations of this chapter. A Tow Operator that fails to deposit with the City the required funds as set forth in the resolution of the City Council shall be in violation of this chapter and shall be prosecuted accordingly.

12.14.050 Rotation Tow lists.

A. For operational reasons, the Police Department and City shall maintain the same rotation tow lists where practical and establish policies and procedures as to fairly distribute calls to the Tow Operators or Businesses approved by the City to participate in the Rotational Tow Service Program. Each list will include the same Tow Operators as approved by the City Council and have a valid Tow Service Agreement.

B. Nothing shall prohibit a Class B, Class C or Class D operator from maintaining a place on a lighter class rotation list. (See Section 12.14.080 for description of classifications.)

Regardless of the class of Tow Truck used in response to a call from the City, charges to the vehicle's registered owner or his/her authorized agent shall not be more than the class of vehicle towed or serviced, except when recovery operations require a larger class of truck.

C. If two or more Tow Operators are called to the same incident, distribution of the vehicles shall be at the discretion of the Police Department or City.

The Police Department may direct a Tow Operator to move vehicles to help clear a roadway or for lifesaving operations. Tow Operators shall provide the requested assistance at no cost to the City.

D. At the direct request from an owner of a vehicle or his/her authorized agent, a police officer may contact any Tow Business for services unless said request would be in violation of local, state or federal law or regulation or cause a delay in protecting the public's general health and safety. If an owner of a vehicle or his/her authorized agent request a tow service of their choosing, they assume full responsibility for any fees for service the owner's tow service may impose.

E. After any type of major collision, the Police Department shall have the authority to order any Tow Operator to tow vehicles to any location necessary for investigative purposes.

12.14.060 Official police department and city tow operator's permit.

A. In addition to having a valid City Business license to conduct Business in the City, the Tow Operator participating in the City's Rotation Tow Services Program shall also apply for and receive a Tow Operator's Permit. A Tow Operator's Permit application shall be filed with the Financial & Administrative Services Director or his/her designee, shall be verified under penalty of perjury, and shall be accompanied by the fee as established by resolution of the City Council. The fee shall not be refundable. It shall contain or be accompanied by the information and documentation specified in this section. Applications for Permits to conduct the Tow Business shall be filed with the City on a form approved by the Financial & Administrative Services Director or his/her

MV00062486

designee. Such application shall demonstrate that the applicant possesses a business license pursuant to Chapter 5.02 of this code. In addition, such application shall provide the following information:

1. Name/Description. Name and description of applicant.

2. Address. Permanent home address and full business address of applicant if an individual; of each partner if a partnership; and of each officer if a corporation.

3. Garage or Storage Facility. The place where the vehicles towed are to be stored or impounded.

4. Fingerprints and Photographs. Applicant shall be fingerprinted and photographed by the Police Department upon referral of the Financial & Administrative Services Director or his/her designee, and a record check made. The cost of the foregoing shall be established by resolution of the City Council and be borne by the applicant. The photographs taken by the Police Department will be used throughout the permit process, whenever photographs are required to be made part of the record.

5. Criminal Record. A statement as to whether or not the applicant, or any officer or partner of the applicant has been convicted of a felony within the immediately preceding ten (10) years, and the nature of each such offense and the punishment or penalty assessed, thereof.

6. Vehicle Data. The number of Tow Trucks to be operated or controlled by the applicant in the conduct of the Tow Business, and the make, body style, year, vehicle identification number, state license plate number, and the name of legal and registered owner of each vehicle.

7. Vehicle Description. A description of the proposed color scheme, insignia, trade-style and any other distinctive characteristic or design to be used to identify such vehicles.

8. Previous Licensing. A statement of whether or not the applicant has ever had any permit or franchise for a Tow Business issued to him/her that has been suspended or revoked, and, if so, the circumstances of each such suspension or revocation, whether in the City or elsewhere.

9. Insurance. A certification or policy of insurance in the manner and form required by Section 12.14.090.

10. Corporation Data. If the applicant is a corporation, a copy of the current Articles of Incorporation, certified as to being true and correct by the California Secretary of State, within sixty (60) days prior to the date of application, the most

current corporate bylaws and any applications, permits or notifications for the issuance of shares filed with or issued by the commissioner of corporations.

11. Business Office and Telephone Maintenance. A statement that the applicant will maintain at the principal place of business located in the City of Moreno Valley, and in operating order at all times, at least one telephone line. At all times there will be an attendant in charge of said telephone or telephones to dispatch Tow Trucks in response to requests therefor. After-hour answering services fulfill this requirement.

B. Prior to the issuance of a Tow Service Agreement by the City Council, the Tow Operator shall provide evidence that:

1. The application conforms in all respects to the provisions of this chapter.

2. The applicant's garage or storage facility is located within City limits.

3. The applicant is financially responsible and otherwise able to provide the service.

4. The applicant, and all officers or partners are likely to provide Tow services in a responsible and satisfactory manner. In making such determination, the Financial & Administrative Services Director or his/her designee shall consider whether the applicant or any officer or partner of the applicant;

a. Has previously provided responsible and satisfactory tow services,

b. Has not previously violated the terms of this chapter or of any similar enactment of the City or of any other jurisdiction.

C. A Tow Operator shall not have a financial interest in any other tow business participating in the City's Rotational Tow Service Program. Any violation of this section shall cause the immediate revocation of a Tow Operator's Permit for the balance of the contract period.

D. A Tow Operator's Permit is valid for one year. The failure of a Tow Operator or Business to apply for and receive approval of a subsequent permit by the City shall suspend the Tow Operator from participating in the City's Rotational Tow Service Program. At such time the Tow Operator or Business is issued a valid permit, the Tow Operator or Business shall be permitted to participate in the City's Rotational Tow Service Program.

MV00062488

12.14.070 Tow truck driver's permit.

A. The Tow Operator shall ensure that only qualified and competent Tow drivers respond to calls initiated by the Police Department or City. All Tow Truck Drivers must obtain a permit from the City's Financial & Administrative Services Director or his/her designee. Each applicant shall be required to be photographed and fingerprinted. Each Tow Truck Driver's Permit application, including renewal, replacement and duplicate applications, shall include the following information:

1. The name of the applicant, including all other names if any, by which the applicant has been known.

2. The applicant's race, color of eyes and hair.

3. Whether the applicant has been convicted or pled guilty or nolo contendere to any felony within the prior ten (10) years, and if so, the date, nature of the offense, the punishment or penalty assessed therefor, and the court in which such conviction was obtained or plea of guilty or nolo contendere was entered.

4. The class and number of the applicant's California Driver's License and restrictions thereon, if any, and whether any license of applicant to drive has ever been suspended or refused or revoked, and if so, details of the reasons therefor and the disposition of the matter, including the dates of any such suspension or revocation.

5. A statement showing each address at which the applicant has resided during the preceding year.

6. A statement of the applicant's physical condition, including a statement of whether the applicant has ever had epilepsy, blackout periods, fainting spells, or been addicted to the use of alcohol, narcotics or other dangerous drugs.

7. A current California Driver's License record listing driving violations, if any, issued by the California Department of Motor Vehicles within thirty (30) days prior to the date of application. This California Driver's License shall be valid for the class of Tow Trucks to be driven by the driver.

B. Record Check. Applicant shall be finger printed and photographed by the Police Department upon referral of the Financial & Administrative Services Director or his/her designee, and a record check made. The fee for the foregoing shall be as set by resolution of the City Council and the fee shall be paid by the applicant at the time the application is submitted. The photographs taken by the Police Department will be used in all cases where photographs are required for implementation of this chapter.

C. Employment of Qualified Drivers. Every holder of City Tow Operator Permit to do business as a Tow Operator in the City shall employ as drivers only persons who are physically and mentally fit and able to perform such duties. It shall be

the responsibility of the Tow Operator Permit holder to select and employ drivers who are familiar with the streets and addresses in the City. No Tow Operator Permit holder shall employ or retain in employment any person as a driver who violates laws governing morals, motor vehicle operations, or any provision of this chapter.

D. Nontransferable. Tow Truck Driver's Permits are not transferable, except that the holder of such a Permit may use the same Permit if he or she changes employment from one Tow Operator to another.

E. Termination. Within ten (10) days of terminating any driver, the Tow Operator shall serve notice to the Police Department and the City.

F. Tow Operators shall comply with the United States Department of Transportation regulations implementing the Federal Omnibus Transportation Employee Testing Act of 1991 and subsequent revisions.

G. Tow Operators shall be enrolled in the Employer Pull Notice program as set forth in California Vehicle Code Section 1808.1. The Tow Operator shall included mandated and non-mandated employees that are required to drive as part of his/her duties for the Tow Business.

H. A Tow Truck driver's Permit is valid for one year. The failure of a Tow Truck driver to apply for and receive approval of a subsequent Permit by the City shall suspend the driver from participating in the City's Rotational Tow Service Program. At such time the Tow Truck Driver is issued a valid Permit and is employed by a Tow Operator licensed pursuant to this chapter, he/she shall be permitted to participate in the City's Rotational Tow Service Program.

12.14.080 Tow truck classifications.

A. An Operator shall equip and maintain Tow Trucks in accordance with the provisions set forth in the California Vehicle Code (CVC), Title 13 of the California Code of Regulations and the specifications contained in this chapter, and consistent with industry standards and practices by the City.

Any and all Tow Trucks used by a Tow Operator or Business in connection with the City's Rotational Tow Service Program shall be inspected annually by the California Highway Patrol and be issued a commercial vehicle safety alliance (CVSA) decal prior to permitting a tow truck to participate in the City's Rotational Tow Service Program. A Tow Operator shall produce current California Highway Patrol forms CHP 407F, Safetynet Driver/Vehicle Inspection Report, and CHP 234B; Tow Truck Inspection Guide, at the time a Tow Operator applies for a Tow Truck Permit. If the Tow Operator or Business fails to have the Tow Truck or Trucks inspected, such Tow Truck or Trucks shall not be permitted to participate in the City's Rotational Tow Service Program. Once the City has inspected the Tow Truck or Trucks and has determined it meets the provisions of the California Vehicle Code and this Chapter, the Tow Truck or Trucks will

MV00062490

be permitted to tow vehicles in connection with the City's Rotational Tow Service Program.

B. Notwithstanding Section 615 CVC, all Tow Trucks shall have recovery capabilities, wheel lift capabilities, and a boom meeting the specifications contained in this chapter. For the purpose of this chapter, "a trailer for hire that is being used to transport a vehicle" shall not qualify as a primary Tow Truck for Tow rotation lists.

A violation of the Gross Vehicle Weight Rating (GVWR) and safe loading requirements of a Tow Truck shall be cause for immediate suspension as defined and outlined in this chapter. This includes exceeding the Tow Truck's GVWR, front axle weight rating, rear axle weight rating, maximum tire weight ratings, or not maintaining fifty (50) percent of the Tow Truck's unladen weight on the front axle when lifting/carrying a load.

C. There will be four classes of Tow Trucks covered under this chapter. If the weight rating of the class of Tow Truck changes, said weight ratings of the class of Tow Truck or Trucks shall replace those weight ratings described below.

1. Class A—Light Duty. A Tow Truck with a manufacturer's gross vehicle weight rating (GVWR) of at least 14,000 pounds with wheel-lift capability, and may have a car carrier.

a. A Tow Truck company that has a car carrier may be exempted from the wheel-lift capability requirements. However, the car carrier must be an additional unit.

b. A "trailer for hire" shall not be approved for listing as a Class A Tow Truck.

2. Class B—Medium Duty. A Tow Truck with a manufacturer's gross vehicle weight rating (GVWR) of at least 26,000 pounds. The Truck shall be capable of providing air to the towed vehicle's brakes.

a. A Tow Truck company may also have a car carrier. However, the car carrier must be an additional unit.

3. Class C—Heavy Duty. A Tow Truck with a manufacturer's gross vehicle weight rating (GVWR) of at least 48,000 pounds. The Truck shall be equipped with air brakes and must be capable of providing air to the towed vehicle's brakes.

4. Class D—Super Heavy Duty. A Tow Truck with a manufacturer's gross vehicle weight rating of at least 52,000 pounds. The Truck shall be equipped with air brakes and must be capable of providing air to the towed vehicle's brakes.

D. To properly and safely tow and service the wide variety of vehicles being operated on the highway, a Tow Operator shall equip all Tow Trucks participating in the City Rotational Tow Service Program with the appropriate equipment as required by the California Vehicle Code and other regulations governing Tow Trucks.

12.14.090 Liability insurance.

A. Insurance — Motor Vehicle Liability Policy Required. Before any Permit may be issued for a Tow company, the owner or Tow Operator shall file with the City's Risk Manager a motor vehicle liability insurance policy, or a certification of the coverage required by this section, covering each Tow Truck used in the permitted business and a California admitted corporation shall issue the liability insurance in the state of California, which policy shall conform in all respects to the requirements of this chapter.

B. Liability Amounts. The required motor vehicle liability policy shall insure the owner, the City and its officers, agents and employees as additional insured, and any other person using or responsible for the use of any such vehicle with the consent, expressed or implied of such owner, against loss from the liability imposed upon such owner or person by law for injury to, or death of any person, or damage to property growing out of the maintenance, operation or ownership of any Tow Truck, in the minimum amount set forth by the City's Risk Manager for public liability and for property damage.

C. Compliance. All motor vehicle liability policies shall be subject to the approval of the City's Risk Manager. At any time a motor vehicle liability policy is found to be insufficient for any cause, the City Manager or his/her designee will remove the affected Tow service Business from the Rotational Tow Service Program. If the owner fails to replace the motor vehicle policy or policies within ten (10) days after the City Manager gives notice of such insufficiency with good and sufficient policies approved by the Risk Manager, then the Tow Operator's Tow Service Agreement issued hereunder shall be automatically suspended until such time as a sufficient policy has been furnished. Upon direction of the City Manager, the Police Department shall enforce such suspension.

D. Policy Endorsement. Every policy and every certificate of motor vehicle liability insurance coverage filed pursuant to the provisions of this chapter shall contain the following endorsements:

1. It is hereby understood and agreed that, notwithstanding expressions or provisions consistent with or contrary thereto in this policy contained, the policy is expressly issued to cover a motor vehicle regulated by the provisions of Chapter 12.14 of the Moreno Valley Municipal Code. This policy shall inure to, and be for the benefit and protection of, each person who shall sustain any damages or injury, or to the heirs, personal representatives, administrators, executors or assigns of any such person who may be so damaged or injured or suffer death by reason of the operation of a motor vehicle covered by this policy or from the defective condition

MV00062492

thereof. Liability under this policy shall be in no manner abrogated or abated by the death of the tort-feasor or the insured.

2. This is a continuing liability for claims incurred up to the full amount hereof, notwithstanding any action or recovery thereon.

3. No cancellation or reduction in coverage of this policy for any reason whatsoever shall become effective until the expiration of thirty (30) days after written notice of such cancellation or reduction in coverage shall have been given in writing to the City Manager or his/her designee. The thirty (30) day period shall commence upon the date the notice is actually received by the City Manager if personally delivered, or, if by registered United States mail with return receipt requested, on the second business day after the notice is deposited in the United States Mail, postage prepaid or on the date of receipt shown on the return receipt, whichever is later.

12.14.100 Storage facility.

A. Storage Facility Standards. The Tow Operator shall provide for the City's Tow rotation program, storage space for a minimum of one-hundred fifty (150) vehicles of outside storage and five (5) vehicles of indoor storage. Said outdoor and indoor spaces shall be dedicated to the City's Rotational Tow Service program. The following standards of performance must be maintained:

1. Storage Facilities must be located within the City and clearly marked. Any and all signage for the facilities must be in conformance with the City's municipal code.

2. All vehicles are to be stored at a Storage Facility properly zoned for this use within the City. Vehicles that have been approved by the Department of Motor Vehicles for lien sale must be sold from a storage facility or other approved location by the City to conduct such a business within the City limits.

3. Each impounded or stored vehicle shall be a minimum of two and one-half feet from any other vehicle, structure or object.

4. All stored vehicles shall be reasonably accessible to the vehicle's owner or vehicle owner's agent and the Police Department or City for retrieval, inspection and/or identification.

5. Owners shall be able to retrieve a stored vehicle 24 hours a day, seven days a week including holidays, within one hour upon notification by the Police Department or City that the vehicle can be released to its owner or authorized agent.

6. Storage facilities shall be monitored by an electronic monitoring or security system. Said system shall be subject to review and approval by the Police

Department before the Tow Business is permitted to tow and store or impound vehicles as part of the City's Rotational Tow Service Program to said lot.

7. Storage Facilities shall be properly lighted and secured by a six (6) foot high fence as set forth in Title 9 of this code. The fence shall be installed in compliance with any applicable provision of this code and approved by the Police Department and City before the Tow Business is permitted to tow vehicles as part of the City's Rotational Tow Service Program.

8. Storage Facilities owned by a Tow Operator shall not be shared with another Tow Operator. However, a Tow Operator or Business may be permitted on the same lot as long as there is a clear separation between Tow Operators. Each Tow Operator shall fully comply with the provisions of this code.

B. Personal property may be removed from the vehicle and shall be released to the owner of a vehicle at the request of the vehicle owner or his/her agent. When a vehicle has been impounded for evidence or investigation, the Operator shall notify the Police Department or City depending on the agency directing the storage of the vehicle, prior to the removal of property from a stored vehicle and will provide a receipt, with a copy placed in the stored vehicle.

C. Vehicles ordered towed by the Police Department or City will only be released by the Tow Operator under the regulations of the Vehicle Code and the City of Moreno Valley. The City will provide Tow Operators with appropriate regulations including updates to these regulations as they occur.

D. Prior to the utilization of new storage facilities that were not listed on the Tow Operator's Permit application for the Rotation Tow Service Program, the Tow Operator shall obtain the approval of the City to ensure that the new Garage or Storage Facility meets all applicable regulations.

E. The Operator shall maintain, at a minimum, business hours at the primary place of business of the Tow Operator of Monday through Friday, eight a.m. to five p.m. except for the following recognized holidays: New Year's Day, President's Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day and the day after Thanksgiving Day, and Christmas Day.

F. Annual storage facility inspections. Tow Operators shall have its Storage Facility inspected annually. The failure of a Tow Operator or Business to have its Storage Facility inspected annually by the City shall have its Tow Permit suspend and shall not participate in the City's Rotational Tow Service Program. At such time the Storage Facility is inspected by the City and found to be in compliance with this Chapter, the Tow Operator or Business shall be permitted to participate in the City's Rotational Tow Service Program.

12.14.110 Standard rules of operation.

A. Any requests for the removal of traffic hazards shall be made through the Police Department.

B. When it becomes evident that there will be a delay in responding to a Police Department or City request for towing service, the responding Towing Operator shall advise the agency requesting the tow services if the delay will exceed the maximum response time in Section 12.14.130(A).

C. The Tow Operator or Business shall be capable of responding to Police or City requests for towing of vehicles and release a vehicle to an owner of a vehicle or his/her authorized agent twenty-four (24) hours a day, seven days a week. An answering service fulfills this requirement.

D. Removing Hazards. After being dispatched by the Police Department or City to the scene, the Tow Truck Driver shall cooperate with the police officer(s) or City official in removing hazards and illegally parked vehicles as requested. It is the duty of the police officers or City to determine when such a vehicle should be impounded or moved, and the driver shall abide by their decisions.

E. Each Towing Operator or Business shall comply with Section 27907 of the Vehicle Code of the state of California regarding signs on Tow Trucks. Only Tow Trucks bearing the name of the Tow Operator called shall be dispatched to the scene of need.

F. All Tow Operators shall conduct their business in an orderly, ethical, businesslike manner and use reasonable means to obtain and keep the confidence of the motoring public.

G. Towing Operators participating in City's Rotational Tow Service Program shall be responsible for the acts of their employees (office and field personnel) while on duty. A Tow Operator shall be responsible for damage to vehicles while in their possession.

H. A Tow Operator's records, equipment and Storage Facilities shall be subject to periodic checks by Police Department investigators and/or the City during regular Business hours. Failure to permit the periodic checks will be considered a breech of the Rotational Tow Service Agreement and shall cause the immediate suspension of the Tow Operator from the City's Rotational Tow Service Program.

I. All vehicles stored or impounded as a result of a tow ordered by the Police Department or City shall be made available to the owner of the vehicle or his representatives, an authorized insurance agent, insurance adjustor, or body shop or car dealer, for the purpose of estimating or appraising damages, with the exception of

MV00062495

vehicles with a "police hold." The Tow Operator shall keep a written record of every vehicle stored for a period longer than twelve (12) hours pursuant to section 1065(a) of the California Vehicle Code.

J. The permitted Tow Business shall record their time in and their time out on every City requested tow truck assignment. Such records shall be available and open to examination by the Police Department and/or City.

K. All permitted Tow Businesses shall submit a monthly Rotational Tow Service Program report to the Police Department and City within ten (10) Business days of the last day of each month. The report shall include the following:

1. Total Police and City impounds;

2. Number of times dispatched by Police Department or City;

3. Number of these calls resulting in impounds;

4. Number of vehicles sold on lien sale under authority of Section 3072, Civil Code, and reporting said lien sales as per authority of Section 851.2 CVC;

5. Number of vehicles sold under low value vehicles as defined by California Vehicle Code Section 22851.3;

6. Number of calls which required more than one hour's time.

L. All Tow Trucks used shall have two-way communication with the Tow Operator's communication center.

M. A Tow Operator shall not proceed with any repair work on a vehicle or place any charges against a vehicle other than those occasioned by removal from the street and storage unless authorized by the vehicle owner or his designated agent.

N. A Tow Operator, when disposing or dismantling of unclaimed vehicles, shall abide by all Civil and Vehicle Code Sections pertaining thereto.

O. All vehicles stored or impounded as a result of a tow ordered by the Police Department or City shall be towed directly to a Tow Operator's approved Storage Facility unless the Police Department, City or other person legally in charge of the vehicle requests that it be taken to some other location.

P. A Tow Operator shall not begin the lien-sale process for a minimum of five (5) days after the Tow Operator took possession of a vehicle under the City's Rotational Tow Service Program.

Q. The City shall conduct, at a minimum, one (1) annual meeting to discuss with the Tow Operators or his/her designee, the City's Rotational Tow Service Program. Attendance at the meeting is mandatory. The City shall give a 30-day written notice of the meeting.

If a Tow Operator fails to attend the meeting, said Tow Operator shall be suspended until such time that the Tow Operator can attend an alternate annual meeting with the Police Department and City to discuss the Rotational Tow Service Program. Said meeting is mandatory and will be held within sixty (60) days from the date the meeting was originally to be held.

Failure to attend a second, rescheduled mandatory meeting will lead to the termination of the Tow Rotation Service Agreement with the City for the duration of the contract period.

12.14.120 Additional services to be provided.

Any Tow Operator selected to be part of the Rotational Tow Service Program shall provide to the City, at no charge, emergency response to aid and service all City owned and Police Department vehicles within a reasonable radius of the City.

12.14.130 Response to calls.

A. The Tow Operator shall respond to Police Department or City calls twenty-four (24) hours a day, seven days a week, within the maximum response time of twenty (20) minutes. The Tow Operator will advise the Police Department dispatch or City, at the time of notification, if they are either unable to respond or unable to meet the maximum response time. If, after accepting the call, the Tow Operator is unable to respond or will be delayed in responding, the Tow Operator shall immediately notify central dispatch or the City. The Tow Operator shall not assign calls to other Tow Operators and/or Tow Truck Drivers not employed by said tow Operator.

1. A call to a Tow Operator shall constitute one turn on the list and the Tow Operator shall be moved to the bottom of the list. This includes when the Tow Operator fails to answer the phone, is unable to respond, is unable to perform the required service, refuses to respond or provide service, or is canceled due to excessive response time. The City and Police Department shall keep separate Tow rotation lists.

2. Repeated failure to respond and/or failure(s) to respond within the maximum response time requirements, on a continuous basis, shall constitute failure to comply with the terms and conditions of this chapter and the City Council Tow service agreement.

B. A Tow Operator shall not respond to a Police Department or City call assigned to another Tow Operator unless requested to do so by the Police Department or City.

1. There may be times when a driver, who was not called to a scene, comes upon a collision scene where a vehicle or vehicles are blocking a roadway and a Police officer requests his/her assistance in clearing the roadway. In such a case, the driver may be requested to move the vehicle to a safe location, as directed by the officer, and leave it. There shall be no charge for this assistance, and the assistance provided shall not change the Tow Operator's place in the rotation.

12.14.140 Rates.

A. All fees and storage rates shall be charged to a vehicle's owner or authorized agent. Said fees and storage rates charged for response calls originating from the Police Department or City shall be reviewed by the City Council and shall be reasonable and not in excess of those rates charged for similar services provided in response to request initiated by any other public agency or private person. The reasonableness of the fees charged will be determined in the following manner:

1. The rate for Towing shall be from portal to portal and may be charged at a one-hour minimum. Charges in excess of one hour may be charged in fifteen (15) minute increments. There shall be no additional charges for mileage, labor, etc. Secondary towing requested by the customer may be negotiated by the Tow Operator in accordance with his/her private business practices.

B. Rates for service calls (out of gas, lock outs, etc.) shall be from portal to the end of the service, and may be at the hourly rate with a thirty (30) minute minimum. Charges in excess of thirty (30) minutes may be charged in fifteen (15) minute increments.

C. The fees added for after business hours release of a vehicle shall be no more than one-half the hourly rate, and shall only be allowed if there is no person available at the Storage Facility for release and a call back is required.

D. Storage fees shall be charged by calendar day except that vehicles stored eight hours or less shall be charged no more than one day storage.

E. The schedule of rates shall be posted in the lobby of the Tow Business. These rates shall be displayed on an eleven (11) inch by seventeen (17) inch minimum sign in one-inch lettering. Additionally, rates shall be made available upon demand to person(s) for whom the tow services were provided or his/her agent.

12.14.150 Suspension and revocation.

A. Tow Operator and Tow Truck Driver Permits may be suspended or revoked by the City after notice and hearing with respect thereto, on the following grounds:

MV00062498

1. That the Tow Operator or Truck Driver has failed to operate in accordance with the provisions of this chapter and the Tow Service Agreement approved by the City Council.

2. That the Tow Operator has failed to maintain or secure insurance on any Tow Truck.

3. That the Tow Operator has failed to provide reasonable services to the City or the Police Department.

4. That the public safety or convenience and necessity would be best served by such revocation or suspension of the Tow Permit for any Tow Operator or Business.

5. That the Tow Permit in question was obtained on the basis of misrepresentation made or induced by or on behalf of the holder of the Tow Permit.

6. That the Tow Operator has engaged in conduct which would have constituted grounds for denial of an application for such a Tow Permit.

7 That the Tow Operator Permits a Tow Truck Driver to respond to a call by the Police Department and/or City in violation of this chapter.

8. That a Tow Operator or Business intentionally overcharges or demonstrates a pattern of overcharging customers.

9. That a Tow Operator or Business fails to maintain a Tow Truck's safety equipment, safe overloading requirements of a Tow Truck, and/or a Tow Truck's gross vehicle weight rating while towing a vehicle.

10. That a Tow Operator fails to permit the Police Department and/or City to inspect its Storage Facilities.

B. The City Council shall establish the manner in which disciplinary action will be considered and the terms for suspension and even termination of a Tow Operator from the City's Rotational Tow Service Program.

C. Nothing shall preclude the City from taking the appropriate enforcement or administrative action for any violation of law.

D. Violations of the terms and conditions of the Tow Service Agreement or this chapter may be cause for disciplinary action in the following manner:

1. First violation within a twelve (12) month period – letter of written reprimand.

2. Second violation within a twelve (12) month period – 1 to 30-day suspension.

3. Third violation within a twelve (12) month period – 60 to 90-day suspension.

4. Fourth violation within a twelve (12) month period – termination of the Tow service agreement for the current contract period.

E. A Tow Operator or Business participating in the City's Rotational Tow Service Program found guilty of a felony is prohibited from participating in the City's Rotational Tow Services program for the current contract period.

12.14.160 Summary suspension of permit pending opportunity for hearing.

Not withstanding section 12.14.170, any police officer duly acting as such within the City has the authority to temporarily suspend a Tow Truck Driver's Permit immediately if the driver thereof is arrested for conduct which jeopardizes the public health or safety.

12.14.170 Hearing and procedure.

Prior to any suspension or revocation of a Tow Permit the City Manager or his/her designee shall give the permit holder notice of intent to suspend or revoke the permit and state the proposed grounds for the suspension and revocation. A hearing shall be held within twenty (20) days on whether a Tow Permit should be suspended or revoked. Notice of hearing shall be mailed at least ten (10) days before the hearing by certified mail, with a five-day return requested, to the permittee. If any of the foregoing notices are returned undeliverable by the United States Post Office, the hearing shall be continued to a date not less than ten (10) days from the date of the return and may then be conducted on the date to which continued whether or not the party is present.

12.14.180 Hearing officer.

All hearings under this chapter shall be held before a hearing officer. The City Manager, or his/her designee, shall be the hearing officer of the City.

12.14.190 Hearing officer—Power and duties.

The hearing officer shall hear all facts and testimony which he or she deems pertinent. The hearing officer shall not be limited by the technical rules of evidence, but may consider any evidence upon which a prudent person might rely in arranging his or her own affairs. The permittee may appear in person at the hearing or present a written statement in time for consideration at the hearing.

12.14.200 Findings and determination by the hearing officer.

The hearing officer may impose such conditions and take such other action as he or she deems appropriate under the circumstances to carry out the purpose of this chapter. If an interested party makes a written presentation to the hearing officer but does not appear, he or she shall be notified in writing of the decision. The hearing officer shall have thirty (30) days in which to render a decision.

12.14.210 Notice and surrender.

No temporary suspension shall be for a period of more than twenty (20) calendar days. Notice of suspension or revocation shall be given by either personal service on the permittee or by certified mail, return receipt requested and addressed to the address of record on his or her application and, where appropriate, to the address of his or her employer.

12.14.220 Surrender of permit.

A Tow Operator's Permit issued pursuant to this chapter which have been suspended or revoked must be surrendered to the Financial & Administrative Services Director or his/her designee within ten (10) days of the giving of notice to the holder that the Permit has been suspended or revoked. The operation of any Tow Business or driver authorized by any such Permit shall cease upon receipt by the holder of the notice of suspension or revocation. Such notice shall be deemed to have been received by the holder of the Permit when personally delivered to such person or, if given by certified United States mail with return receipt requested, on the second City business day after the notice has been deposited in the United States mail.

12.14.230 Appeal to city council.

Any interested party may appeal the decision of the hearing officer pursuant to the hearing and appeal procedure set forth in Sections 2.04.100 through 2.04.130.

12.14.240 Permits in effect at the time of adoption.

Any Tow Operator Permit in effective at the time this ordinance is adopted shall be null and void unless said Tow Operator is offered a Tow Service Agreement to participate in the City's Rotational Tow Service Program. Said Permit would expire on the date noted on the Tow Operator Permit. A new Tow Operator Permit may be granted at that time if all of the terms and conditions of the City and all regulations of this code are complied with.

SECTION 3: EFFECTIVE DATE

This ordinance shall become effective thirty days after the date of its adoption.

SECTION 4: SEVERABILITY

If any provision of the ordinance or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications, and the provisions of this ordinance are declared to be severable.

SECTION 5: NOTICE OF ADOPTION

The City Clerk shall certify to the adoption of this ordinance and cause it to be posted in at least three places within the City designated for such posting by the City Council.

Approved and adopted this ____day of_____2010.

AGENDA DATE: June 22, 2010

TITLE: Approval of the Amended Employment Agreement for Interim City Manager

RECOMMENDED ACTION

Staff recommends that the City Council:

Approve the attached amended employment agreement with William L. Bopf for the position of Interim City Manager. The amendment would continue the current employment agreement on a month to month basis until a permanent City Manager is hired by the City Council. All other terms and conditions of the employment agreement will remain unchanged.

BACKGROUND

Mr. William L. Bopf's employment agreement as Interim City Manager is due to expire June 30, 2010. It is necessary to extend Mr. Bopf's current employment agreement.

DISCUSSION

Mr. Bopf has served as Interim City Manager since November 24, 2009. During this period the City has been in the process of selecting a full-time City Manager. The process is still in progress and it is unsure when a full-time City Manager will begin employment prior to June 30, 2010. Because Mr. Bopf's employment agreement is due to expire June 30, 2010, he has agreed to continue as Interim City Manager on a month to month basis. Staff is recommending his employment agreement be amended to reflect this extension until a permanent City Manager is hired by the City Council.

ALTERNATIVES

1. Approve the amendment to the employment agreement.
2. Not approve the amendment to the agreement and provide further direction to staff.

FISCAL IMPACT

The employment agreement provides for monthly compensation in the amount of $20,587.52, which amount remains unchanged with this amendment.

ADMENDMENT TO AGREEMENT

This First Amendment to (Employment Agreement) is made and entered into between the City of Moreno Valley (hereinafter referred to as "CITY"), and William L. Bopf (hereinafter referred to as "BOPF") and is effective the date the City signs this Amendment.

WHEREAS, the CITY and BOPF entered into an Employm ent Agreement dated November 23, 2009 (hereinafter "Employment Agreement").

WHEREAS, BOPF is serving as Interim City Manager and performing all functions, duties and services set forth in Section 1.5 [Duties] of the Employment Agreement.

WHEREAS, the purpose of the Employment Agreement was to employ BOPF as Interim City Manager until a permanent City Manager is hired by CITY.

WHEREAS, the Employment Agreement provides for an extension up to the employment commencement date of a permanent City Manager employed by CITY upon concurrence of both parties.

WHEREAS, the parties desire to extend the Employment Agreement on a month to month basis until a permanent City Manager is hired by CITY.

THEREFORE, CITY and BOPF do hereby agree to amend the Employment Agreement as follows:

Section 1 – Amendment to Agreement.

1.2 The Term of the Employment Agreement shall be amended to provide its continued effectiveness on a month-to-month basis until such time as a permanent City Manager is hired by CITY or is otherwise terminated as provided for in the Employment Agreement.

Section 2 – Other Terms to Remain.

2.1.1 Except as otherwise specifically provided in this Amendment, all other terms and conditions of the Employment Agreement shall remain unchanged and in full force and effect.

Report to City Council

TO: Mayor and City Council, acting in their respective capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: June 22, 2010

TITLE: **EXTENSION OF CONTRACT** - Approve First Amendment to Agreement for Contract Mowing of Parks and Easements of Community Services District Zone A and Community Facilities District #1 to DLS Landscape, Inc.

RECOMMENDED ACTION

Staff recommends that the Board of Directors:

1. Approve the First Amendment to Agreement for contract mowing of parks and easements to DLS Landscape, Inc. of Redlands, CA, in the total amount of $148,680.00; $122,760.00 for Community Services District ("CSD") Zone A and $25,920.00 for Community Facilities District ("CFD") #1, extending contract for an additional one-year period, and;

2. Authorize the President to execute the First Amendment to Agreement for contract mowing of parks and easements with DLS Landscape, Inc. of Redlands, CA, and;

3. Authorize the Purchasing and Facilities Division Manager on July 1, 2010, to issue open purchase orders to DLS Landscape, Inc., in the amounts of:

   a. ONE HUNDRED TWENTY-TWO THOUSAND SEVEN HUNDRED SIXTY AND NO/100 DOLLARS ($122,760.00) for CSD Zone A for twelve months, and;
   b. TWENTY-FIVE THOUSAND NINE HUNDRED TWENTY AND NO/100 DOLLARS ($25,920.00) for CFD #1 for twelve months.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

On May 11, 2009, the Parks Maintenance Division of the Parks and Community Services Department received valid proposals from six landscape contracting firms in response to its Request for Proposals for the contract mowing of parks and easements in CSD Zone A and CFD #1. On June 9, 2009, upon the recommendation of staff, the Board of Directors of the Moreno Valley Community Services District ("MVCSD") voted to award the contract for Contract Mowing of Parks and Easements 2009-2010 of CSD Zone A and CFD #1 to DLS Landscape, Inc., Redlands, California. The contract amount for the initial twelve-month term was $148,680.00 with the possibility of four, twelve-month extensions. Staff is recommending that DLS Landscape, Inc. be awarded the first of four possible contract extensions, as discussed below.

DISCUSSION

The current contract with DLS Landscape, Inc. expires on June 30, 2010. In May 2010, Parks Maintenance Division staff contacted DLS Landscape, Inc. representatives and discussed extending the term of the vendor's contract for an additional twelve-month term, as allowed by Subsection 11 of the Agreement, as well as Subsection V.B.3 of City Fiscal Policy 3.18. As a result, staff determined that the vendor provided a satisfactory level of service throughout the first term of the contract. Therefore, staff recommends that the Board of Directors of the MVCSD retain the services of DLS Landscape, Inc. and extend the contract for the first of four, twelve-month extensions. The contract amount for the first extension shall remain the same at $148,680.00.

ALTERNATIVES

1. Approve the First Amendment to Agreement for contract mowing of parks and easements in CSD Zone A and CFD #1 to DLS Landscape, Inc. for an additional one-year period; authorize the President of the Board of Directors of the MVCSD to execute the First Amendment to Agreement to DLS Landscape, Inc; authorize the Purchase and Facilities Division Manager to issue open purchase orders at the start of Fiscal Year 2010/2011. *Extension of this contract will ensure uninterrupted contract mowing of parks and easements in CSD Zone A and CFD #1.* **Staff recommends this alternative**.

2. Elect not to approve the First Amendment to Agreement for contract mowing of parks and easements in CSD Zone A and CFD #1 to DLS Landscape, Inc. for an additional one-year period. *Choosing this alternative may disrupt the continuity of contract mowing of parks and easements in CSD Zone A and CFD #1.* **Staff does not recommend this alternative.**

MV00062510

FISCAL IMPACT

The necessary annual purchase orders for the term of this First Amendment will obligate the CSD to pay a total of $148,680.00 for contract mowing of parks and easements of CSD Zone A and CFD #1. Funding for this project has been approved in the 2010-2011 fiscal budget accounts for CSD Zone A account 161.76310.6261 in the amount of $122,760.00; and CFD #1 account 184.18410.6 261 in the amount of $25,920.00.

City Council Goals

By approving this First Amendment to Agreement with DLS Landscape, Inc., the Board of the MVCSD will continue to promote community image, as well as neighbored pride and cleanliness, while ensuring that these public facilities are properly cared for.

SUMMARY

Staff recommends that the Board of Directors:

1. Approve the First Amendment to Agreement for contract mowing of parks and easements to DLS Landscape, Inc. of Redlands, CA, in the total amount of $148,680.00 ($122,760.00 for CSD Zone A and $25,920 .00 for CFD #1) extending contract for an additional one-year period, and;
2. Authorize the President to execute the First Amendment to Agreement for contract mowing of parks and easements with DLS Landscape, Inc. of Redlands, CA, attached hereto, and;
3. Authorize the Purchase and Facilities Division Manager on July 1, 2010 to issue purchase orders in the amounts of:

    a. ONE HUNDRED TWENTY-TWO THOUSAND SEVEN HUNDRED SIXTY AND NO/100 DOLLARS ($122,760.00) for CSD Zone A for twelve months, and;
    b. TWENTY-FIVE THOUSAND NINE HUNDRED TWENTY AND NO/100 DOLLARS ($25,920.00) for CFD #1 for twelve months.

FIRST AMENDMENT TO AGREEMENT

This First Amendment to Agreement is made and entered into between the Community Services District of the City of Moreno Valley (hereinafter referred to as "CSD"), and DLS Landscape, Inc. (hereinafter referred to as "Contractor"), and is effective the date the CSD signs this Amendment.

Whereas, the CSD and Contractor entered into an Agreement dated June 23, 2009.

Whereas, the Contractor is providing contract mowing of parks and easements in Moreno Valley, California.

Whereas, the Agreement provides for an extension for up to four additional twelve-month periods upon concurrence of both parties.

Whereas, the parties desire to enter into the first twelve-month extension.

Section 1 – Amendment to Agreement.

1.1 The extension period shall commence on July 1, 2010 and finish on June 30, 2011.

Section 2 – Other Terms to Remain.

2.1 Except as otherwise specifically provided in this Amendment, the terms and conditions of the Agreement shall remain in full force and effect.

IN WITNESS HEREOF, the parties have each caused their authorized representative to execute this Agreement.

AGREEMENT BETWEEN
THE COMMUNITY SERVICES DISTRICT
OF THE CITY OF MORENO VALLEY
AND DLS LANDSCAPE, INC.

This Agreement is made and entered into as of the date the City signs this agreement by and between the Community Services District of the City of Moreno Valley, a district organized and existing pursuant to the community services district laws of the State of California ("CSD"), and DLS Landscape, Inc., a California corporation ("Contractor").

RECITALS

WHEREAS, the CSD has determined it is in the public interest to proceed with the work hereinafter described as "Project"; and

WHEREAS, the CSD has determined the Project involves the performance of maintenance services of a temporary nature; and

WHEREAS, the CSD does not have available employees to perform the services for the Project; and

WHEREAS, the CSD has requested the Contractor to perform the services for the Project; and

WHEREAS, the Contractor is professionally qualified in California to perform the maintenance services required for the Project.

THEREFORE, the CSD and the Contractor, for consideration hereinafter described, mutually agree as follows:

1. **DESCRIPTION OF PROJECT.** The Project is described as the contract mowing of parks and easements in the City of Moreno Valley.

2. **CONSIDERATION.**
   A. As partial consideration, Contractor agrees to perform the work set forth in the attached Exhibit A, Scope of Services, attached hereto and incorporated herein by this reference.
   B. As additional consideration, the CSD's responsibility, other than payment, is described in Exhibit B, CSD Services to be Provided to Contractor, attached hereto and incorporated herein by this reference.
   C. As additional consideration, CSD agrees to pay Contractor on a monthly basis an amount set forth in the attached Exhibit C, Terms of Payment, attached hereto and incorporated herein by this reference, for Contractor's services. CSD will pay such amount according to the terms noted in Exhibit C.
   D. As additional consideration, Contractor and CSD agree to abide by the terms and conditions contained in this Agreement.

Attachment 2

3. **SCOPE OF SERVICES.**

A. Contractor will perform services listed in the attached Exhibit A.

B. Contractor will, in a workmanlike manner, furnish all of the labor, technical, administrative, professional and other personnel, all supplies and materials, equipment, printing, vehicles, transportation, office space and facilities, and all tests, testing and analyses, calculation, and all other means whatsoever, except as herein otherwise expressly specified to be furnished by CSD, necessary or proper to perform and complete the work and provide the professional services required of Contractor by this Agreement.

4. **PERFORMANCE STANDARDS.** While performing this Agreement, Contractor will use the appropriate generally accepted professional standards of practice existing at the time of performance utilized by persons engaged in providing similar services. CSD will continuously monitor Contractor's services. CSD will notify Contractor of any deficiencies and Contractor will have fifteen (15) days after such notification to cure any deficiencies to CSD's satisfaction. Costs associated with curing the deficiencies will be borne by Contractor.

5. **PREVAILING WAGES.** Prevailing wages are not required for the work described.

6. **PAYMENTS.** For CSD to pay Contractor as specified by this Agreement, Contractor must submit a detailed invoice to CSD which lists the hours worked and hourly rates for each personnel category and reimbursable costs, the tasks performed, the percentage of the task completed during the billing period, the cumulative percentage completed for each task, the total cost of that work during the preceding billing month and a cumulative cash flow curve showing projected and actual expenditures versus time to date. The CSD payment cycle is Net/30 once the invoice has been reviewed and authorized for payment by the respective contract manager. Invoices received after the cycle cutoff date will be scheduled for payment in the following payment cycle. Payment may be delayed by the contract manager should he/she require further information or verification of work performed.

7A. **CONTRACTOR'S COMPENSATION**

i. The Contractor will be paid monthly per site for work performed satisfactorily under this Agreement. By the tenth of each month the Contractor shall submit to the Parks Maintenance Supervisor detailed reports of: 1) maintenance performed; 2) complaints received; 3) hazards noted; and greenwaste reports (if applicable). These documents shall be accompanied by a billing in accordance with the Agreement price for the work performed and shall become the basis for payment. No payment(s) shall be made until aforesaid reports have been submitted and approved.

MV00062516

ii. Except where additional compensation is specifically provided for in this Agreement, the CSD will pay the Contractor for all work (labor, material, supplies, equipment, etc.) performed under this Agreement the total amount of **Twelve Thousand Three Hundred Ninety and No/100 Dollars ($12,390.00) per month.**

The total contract amount for twelve (12) months shall not exceed **One Hundred Forty-Eight Thousand Six Hundred Eighty and No/100 Dollars ($148,680.00).**

iii. Should this Agreement commence or terminate on other than the first day of a calendar month, the Contractor's compensation for that partial calendar month shall be prorated at the rate of 1/30 of the full month rate per day for the number of days during which the Agreement is effective.

iv. During the term of this Agreement the CSD, may, at its discretion, authorize the Contractor to perform certain work in addition to that set forth herein as Contractor's Scope of Work. Said Additional Work *shall* include: Section 7A, paragraph v below.

If the CSD determines it to be in their best interest, said Additional work *may* include repair or replacement of turf damaged or destroyed due to Acts of God (e.g., earthquake damage, storm damage), vandalism, theft, and acts or omissions by third parties.

Compensation for all such Additional Work shall be calculated at a price based on the Contractor's written estimate (lump sum, time and materials, or cost plus basis), as determined by the Parks Maintenance Supervisor. Except as set forth in Section 7A, paragraph v below, the Contractor shall not perform any such Additional Work without first obtaining express authorization from the CSD.

v. Notwithstanding the above requirement for prior authorization, when a condition exists wherein there is imminent danger of injury to the public or damage to property, the Parks and Community Services Department ("Department") may verbally authorize the work to be performed upon receiving a verbal estimate from the Contractor. However, within twenty-four (24) hours after receiving a verbal authorization, the Contractor shall submit a written estimate to the Department for approval. Whenever immediate action is required to prevent impending injury, death, or property damage to the facilities being maintained, the Department may, after reasonable attempt to notify the Contractor, cause such action to be taken by the Department or City's work force.

vi. The Contractor shall maintain as Additional Work, at a unit price comparable to turf areas described herein, additional turf areas that the Department may add to this Agreement. In the event that notification is made of a new installation at other

MV00062517

than the beginning of a monthly period, the unit cost as shall be pro-rated from the day the Contractor commences work on the additional areas.

vii. Repairs to area turf shall be considered Additional Work to the extent that the Contractor shall charge only for materials used to perform said repairs at Contractor's cost, plus a reasonable percentage of that cost, as determined by the Parks Maintenance Supervisor. For purposes of this Agreement, turf repairs must be authorized by the Parks Maintenance Supervisor or his designee prior to the Contractor commencing any repair.

viii. Except as specifically approved by subsequent action of the Department, the Parks Maintenance Supervisor may not authorize Additional Work pursuant to paragraphs iv, v, vi, and vii above in excess of the cumulative total of $148,680.00 for each contract year during the term of this Agreement.

ix. The Department shall deduct from the Contractor's monthly progress payment amounts sufficient to protect the Department from loss due to:

1. Work required under the Agreement which is: 1) not performed; 2) not performed to the standards set forth in the General or Special Provisions; or 3) is incomplete.

2. Work required under the Agreement which is not performed at or within the time(s) specified in the Exhibit A, including but not limited to the monthly work schedule, or if not so specified, within seven (7) calendar days of Contractor's receiving a Notice To Perform from the Parks Maintenance Supervisor.

3. Claims filed or reasonable evidence indicating probable filing of claims by laborers, material men, subcontractors, or third parties.

7B. NON-PERFORMANCE PENALTIES

The Contractor may become liable for payment of non-performance penalties for failure to: provide adequate communications; provide adequate work area safety; complete "specialty" operations in a timely manner as set forth in the General Provisions; submit notifications or reports required by the Agreement, or General or Special Provisions at the intervals and/or frequencies set forth therein, or; perform work required by the General or Special Provisions at the intervals and/or frequencies as set forth therein, or as set forth in Contractor's approved work schedule, or as directed by the Department. For each of the categories set forth hereinabove, the penal sum of $100 per working day will be assessed for each working day the deficiencies remain uncorrected.

If non-performance penalties are to be assessed, the Contractor will be notified immediately by facsimile transmission, or in writing, or by telephone.

MV00062518

The Contractor will not be assessed non-performance penalties for delay occasioned by the failure of the Department or of the owner of a utility to provide for the removal or relocation of utility facilities.

8. **NON-APPROPRIATION OF FUNDS.** Payments due and payable to Contractor for current services are within the current budget and within an available, unexhausted and unencumbered appropriation of the CSD. In the event the CSD has not appropriated sufficient funds for payment of Contractor services beyond the current fiscal year, this Agreement will cover only those costs incurred up to the conclusion of the current fiscal year and shall not be considered a breach of this Agreement.

9. **ADDITIONAL WORK/CHANGE ORDERS.**

A. If Contractor believes Additional Work is needed to complete the Scope of Services, Contractor will provide the CSD with written notification that contains a specific description of the proposed Additional Work, reasons for such additional work, and a detailed proposal regarding cost.

B. CSD may order changes in the services within the general scope of this Agreement, consisting of additions, deletions, or other revisions, and the contract sum and the contract time will be adjusted accordingly. All such changes must be authorized in writing, executed by Contractor and CSD. The cost or credit to CSD resulting from changes in the services will be determined in accordance with written agreement between the parties.

10. **FAMILIARITY WITH WORK.**

A. By executing this Agreement, Contractor represents that Contractor has:

i. Carefully investigated and considered the scope of services to be performed.

ii. Carefully considered how the services should be performed.

iii. Understands the facilities, difficulties, and restrictions attending performance of the services under this Agreement.

iv. Contractor is entering into Agreement under Contractor's own free will and volition.

v. If services involve work upon any site, Contractor warrants that Contractor has or will investigate the site and is or will be fully acquainted with the existing site conditions before commencing the services hereunder. Should Contractor discover any latent or unknown conditions that may materially affect the performance of the services, Contractor will

immediately inform CSD of such fact and will not proceed except at Contractor's own risk until written instructions are received from CSD.

11. TERMS. The CSD operates on a fiscal year basis, running from July 1st through June 30th of the following calendar year. It is the intent of the CSD to have a fully executed contract in place by July 1, 2009. The initial Contract shall be in effect through June 30, 2010 and then renewed, per agreement by both parties, for the next fiscal year starting July 1st. The agreement may be renewed at the expiration of its term, by agreement of both parties, in one-year increments at the end of each fiscal year. Renewal of the Agreement shall be accomplished through a written letter of understanding that is signed by both parties and shall extend the agreement for one year. The Contract shall remain in full force and effect for a total period of five (5) years from the date of fully executed Agreement, unless terminated by either party as stated in Section 17.

12. TIME FOR PERFORMANCE. Contractor will not perform any work under this Agreement until:

A. Contractor furnishes proof of insurance as required under Section 25 of this Agreement; and

B. CSD gives Contractor a written Notice to Proceed.

C. Should Contractor begin work in advance of receiving written authorization to proceed, any such professional services are at Contractor's own risk.

13. TIME EXTENSIONS. Should Contractor be delayed by causes beyond Contractor's control, CSD may grant a time extension for the completion of the contracted services. If delay occurs, Contractor must notify the CSD within forty-eight hours (48 hours), in writing, of the cause and the extent of the delay and how such delay interferes with the Agreement's schedule. The CSD will extend the completion time, when appropriate, for the completion of the contracted services, but there will be no increase in the amount payable to Contractor under this Agreement unless a Contract Change Order has been authorized.

14. TAXPAYER IDENTIFICATION NUMBER. Contractor will provide CSD with a Taxpayer Identification Number.

15. PERMITS AND LICENSES. Contractor, at its sole expense, will obtain and maintain during the term of this Agreement, all necessary permits, licenses, and certificates that may be required in connection with the performance of services under this Agreement, including a City of Moreno Valley business license, if required.

16. WAIVER. CSD's review or acceptance of, or payment for, work product prepared by Contractor under this Agreement will not be construed to operate as a waiver of any rights CSD may have under this Agreement or of any cause of action arising from Contractor's performance. A waiver by CSD of any breach of any term, covenant, or condition contained in this Agreement

MV00062520

will not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition contained in this Agreement, whether of the same or different character.

17. TERMINATION.

A. Either party may terminate this Agreement at any time with thirty (30) days written notice.

B. Upon receiving a termination notice, Contractor will immediately cease performance under this Agreement unless otherwise provided in the termination notice. Except as otherwise provided in the termination notice, any additional work performed by Contractor after receiving a termination notice will be performed at Contractor's own cost; CSD will not be obligated to compensate Contractor for such work.

C. Should termination occur, all work product of the Contractor, including but not limited to documents, data, studies, surveys, drawings, maps, reports and all other materials prepared by Contractor will, at CSD's option, become CSD's property, and Contractor will receive just and equitable compensation for any work satisfactorily completed up to the effective date of notice of termination, not to exceed the total costs under Section 2C. Such work product will be delivered to the CSD within thirty (30) days of notice of termination.

D. By executing this Agreement, Contractor waives any and all claims for damages that might otherwise arise from CSD's termination under this Section.

18. OWNERSHIP OF DOCUMENTS. All documents, data, studies, drawings, maps, models, photographs, reports or any other item prepared by Contractor under this Agreement are CSD'S property. Contractor may retain copies of said documents and materials as desired, but will deliver all original materials to CSD upon CSD's written notice. CSD agrees that use of Contractor's completed work product for purposes other than identified in this Agreement, or use of incomplete work product, without the prior written consent of the CONTRACTOR is at the CSD's own risk and CSD agrees to indemnity Contractor for same.

19. PUBLICATION OF DOCUMENTS. Except as necessary for performance under this Agreement, no copies, sketches or graphs of materials, including graphic art work, prepared pursuant to this Agreement, will be released by Contractor to any other person or entity without CSD's prior written consent. All press releases, including graphic display information to be published in newspapers or magazines, will be approved and distributed solely by CSD, unless otherwise provided for by written agreement between the parties.

20. INDEMNIFICATION. Contractor agrees to indemnify, save, defend, and hold harmless the CSD, the City of Moreno Valley, and the Community Redevelopment Agency of the City of Moreno Valley and their officers, agents and employees (collectively referred to in this provision as "CSD"), from and against any claim, action, damages, costs (including, without limitation, all attorney's fees and litigation costs), injuries, or liability, (collectively referred to in

this provision as "Claims), arising out of the performance of any action contemplated by this Agreement by Contractor. Should CSD be named in any suit, or should any claim be brought against it by suit or otherwise, arising out of performance by Contractor of services rendered pursuant to this Agreement, Contractor will defend CSD (at CSD's request and with counsel satisfactory to CSD) and will indemnify CSD for any judgment rendered against it or any sums paid out in settlement or costs incurred in defense otherwise; provided, however, that this indemnification and hold harmless shall not include any Claims arising from the sole negligence or willful misconduct of the CSD.

CSD agrees to indemnify, save, defend and hold harmless the Contractor and their officers, agents and employees from any and all liability, claims, damages or injuries to any person, including injury to the CSD's employees and all claims which arise from or are connected with the negligent performance or failure to perform the services or other obligations of the CSD under this Agreement, or are caused or claim to be caused by the negligent acts of the CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the CSD or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any Claims arising from the negligence or willful misconduct of the Contractor, its officers, agents or employees.

21. PUBLIC RECORDS ACT. The City of Moreno Valley is a public agency and subject to the Public Records Act under California State law. This Agreement is public record and "public records are open to inspection at all times during the office hours of the agency and every person has a right to inspect any public record, except as provided (and to receive) an exact copy" of an identifiable record unless impracticable. (Government Code § 6253).

22. ASSIGNABILITY. This Agreement is for Contractor's maintenance services. Contractor's attempts to assign the benefits or burdens of this Agreement without CSD's prior written approval are prohibited and will be null and void.

23. INDEPENDENT CONTRACTOR. The CSD and the Contractor agree that Contractor will act as an independent contractor and will have control of all work and the manner in which it is performed. Contractor will be free to contract for similar service to be performed for other employers while under contract with CSD. Contractor is not an agent or employee of CSD and is not entitled to participate in any pension plan, insurance, bonus or similar benefits CSD provides for its employees. Any provision in this Agreement that may appear to give CSD the right to direct Contractor as to the details of doing the work or to exercise a measure of control over the work means that Contractor will follow the direction of the CSD as to end results of the work only. Should any of Contractor's employees attempt to make a claim or bring a legal action against the CSD as an employee of the CSD, Contractor agrees to indemnify, save, defend, and hold harmless the CSD for any such claim or action.

24. AUDIT OF RECORDS. Contractor will maintain full and accurate records with respect to all services and matters covered under this Agreement. CSD will have free access at all reasonable times to such records, and the right to examine and audit the same and to make transcript therefrom, and to inspect all program data, documents, proceedings and activities.

MV00062522

Contractor will retain such financial and program service records for at least three (3) years after termination or final payment under this Agreement.

Audit will occur at location of Contractor and Contractor will allow access to all necessary records.

25. INSURANCE.

A. Before commencing performance under this Agreement, and at all other times this Agreement is effective, Contractor will procure and maintain the following types of insurance with coverage limits complying, at a minimum, with the limits set forth below:

Type of Insurance	Limits (combined single)
Commercial general liability:	$1,000,000 per occurrence $ 500,000 Property Damage $2,000,000 aggregate
Business automobile liability	$1,000,000
Workers' compensation	Statutory requirement.

B. Endorsement. Commercial general liability insurance will meet or exceed the requirements of ISO-CGL Form No. CG 00 01 11 85 or 88. The amount of insurance set forth above will be a combined single limit per occurrence for bodily injury, personal injury, and property damage for the policy coverage. Liability policies will be endorsed to name CSD, City of Moreno Valley, and the Community Redevelopment Agency of the City of Moreno Valley, its officials, and employees as "additional insured" under said insurance coverage and to state that such insurance will be deemed "primary" such that any other insurance that may be carried by CSD will be excess thereto. Such insurance will be on an "occurrence," not a "claims made," basis and will not be cancelable or subject to reduction except upon thirty (30) days prior written notice to CSD.

C. Professional liability coverage will be on an "occurrence basis" if such coverage is available, or on a "claims made" basis if not available. When coverage is provided on a "claims made" basis, Contractor will continue to renew the insurance for a period of three (3) years after this Agreement expires or is terminated. Such insurance will have the same coverage and limits as the policy that was in effect during the term of this Agreement, and will cover Contractor for all claims made by CSD arising out of any errors or omissions of Contractor, or its officers, employees or agents during the time this Agreement was in effect.

D. Automobile coverage will be written on ISO Business Auto Coverage Form CA 00 01 06 92, including symbol 1 (Any Auto).

E. The CSD, the City of Moreno Valley, and the Community Redevelopment Agency of the City of Moreno Valley, their officers, employees and agents shall be named as additional insured on all policies of insurance except errors and omissions and workers' compensation.

F. Contractor will furnish to CSD duly authenticated Certificates of Insurance evidencing maintenance of the insurance required under this Agreement, endorsements as required herein, and such other evidence of insurance or copies of policies as may be reasonably required by CSD from time to time. Insurance must be placed with insurers with a current A.M. Best Company Rating equivalent to at least a Rating of "A-:VII." Certificate(s) must reflect that the insurer will provide thirty (30) day notice of any cancellation of coverage.

G. Should Contractor, for any reason, fail to obtain and maintain the insurance required by this Agreement, CSD may obtain such coverage at Contractor's expense and deduct the cost of such insurance from payments due to Contractor under this Agreement or terminate.

26. USE OF SUB-CONTRACTORS. Contractor will obtain CSD's prior written approval to use any subcontractors while performing any portion of this Agreement. Such approval by CSD will not be unreasonably withheld.

27. INCIDENTAL TASKS. Contractor will meet with CSD monthly to provide status on the project, which will include a schedule update and a short narrative description of progress during the past month for each major task, a description of the work remaining and a description of the work to be done before the next schedule update.

28. NOTICES. All communications to either party by the other party will be deemed made when received by such party at its respective name and address as follows:

If to Contractor:
DLS Landscape, Inc.
1652 Plum Lane, Suite 104
Redlands, CA 92374
Attention: Daniel Sanchez

If to CSD:
Community Services District of the
City of Moreno Valley
15670 Perris Boulevard
Moreno Valley, CA 92551
Attention: Steve Kupsak

Any such written communications by mail will be conclusively deemed to have been received by the addressee upon deposit thereof in the United States Mail, postage prepaid and properly addressed as noted above. In all other instances, notices will be deemed given at the time of actual delivery. Changes may be made in the names or addresses of persons to whom notices are to be given by giving notice in the manner prescribed in this paragraph.

29. CONFLICT OF INTEREST. Contractor will comply with all conflict of interest laws and regulations including, without limitation, City of Moreno Valley's Conflict of Interest.

Code (on file in the City Clerk's Office). It is incumbent upon the Contractor to notify the CSD pursuant to Section 28 of any staff changes relating to this Agreement.

A. In accomplishing the scope of services of this Agreement, the range of duties of officers, employees and/or agents of Contractor are limited in scope; thus Contractor is not required to fully comply with the conflict of interest disclosure requirements. No disclosures are required by any officers, employees, and/or agents of Contractor, except as indicated in Subsection B.

B. In accomplishing the scope of services of this Agreement, Contractor will be performing a specialized or general service for the CSD, and there is substantial likelihood that the Contractor's work product will be presented, either written or orally, for the purpose of influencing a governmental decision. As a result, the following Contractor shall be subject to the Disclosure Category "1" of the CSD's Conflict of Interest Code:

30. SOLICITATION. Contractor maintains and warrants that it has not employed nor retained any company or person, other than Contractor's bona fide employee, to solicit or secure this Agreement. Further, Contractor warrants that it has not paid nor has it agreed to pay any company or person, other than Contractor's bona fide employee, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. Should Contractor breach or violate this warranty, CSD may rescind this Agreement without liability.

31. THIRD PARTY BENEFICIARIES. This Agreement and every provision herein is generally for the exclusive benefit of Contractor and CSD and not for the benefit of any other party. There will be no incidental or other beneficiaries of any of Contractor's or CSD's obligations under this Agreement.

32. INTERPRETATION. This Agreement was drafted in, and will be construed in accordance with the laws of the State of California.

33. JURISDICTION/VENUE. Jurisdiction shall lie exclusively in the State of California and venue shall lie exclusively in the Superior Court in and for the County of Riverside, California.

34. COMPLIANCE WITH LAW. Contractor agrees to comply with all federal, state, and local laws applicable to this Agreement.

35. RULES OF CONSTRUCTION. Each party had the opportunity to independently review this Agreement with legal counsel. Accordingly, this Agreement will be construed simply, as a whole, and in accordance with its fair meaning; it will not be interpreted strictly for or against either party.

36. SEVERABILITY. If any portion of this Agreement is declared by a court of competent jurisdiction to be invalid or unenforceable, then such portion will be deemed modified to the

extent necessary in the opinion of the court to render such portion enforceable and, as so modified, such portion and the balance of this Agreement will continue in full force and effect.

37. **AUTHORITY/MODIFICATION.** The parties represent and warrant that all necessary action has been taken by the parties to authorize the undersigned to execute this Agreement and to engage in the actions described herein. This Agreement may be modified by written amendment. CSD's executive manager, or designee, may execute any such amendment on behalf of CSD.

38. **ACCEPTANCE OF FACSIMILE SIGNATURES.** The parties agree that this Agreement, agreements ancillary to this Agreement, and related documents to be entered into in connection with this Agreement will be considered signed when the signature of party is delivered by facsimile transmission. Such facsimile signature will be treated in all respects as having the same effect as an original signature.

39. **CAPTIONS.** The captions of the paragraphs of this Agreement are for convenience of reference only and will not affect the interpretation of this Agreement.

40. **TIME IS OF ESSENCE.** Time is of the essence for each and every provision of this Agreement.

41. **FORCE MAJEURE.** Should performance of this Agreement be prevented due to fire, flood, explosion, acts of terrorism, war, embargo, government action, civil or military authority, the natural elements, or other similar causes beyond the parties' reasonable control, then the Agreement will immediately terminate without obligation of either party to the other.

42. **STATEMENT OF EXPERIENCE.** By executing this Agreement, Contractor represents that it has demonstrated trustworthiness and possesses the quality, fitness and capacity to perform the Agreement in a manner satisfactory to CSD. Contractor represents that its financial resources, surety and insurance experience, service experience, completion ability, personnel, current workload, experience in dealing with private consultants, and experience in dealing with public agencies all suggest that Contractor is capable of performing the proposed contract and has a demonstrated capacity to deal fairly and effectively with and to satisfy a public agency.

43. **PROTECTION OF RESIDENT WORKERS.** The City of Moreno Valley actively supports the Immigration and Nationality Act (INA) which includes provisions addressing employment eligibility, employment verification, and nondiscrimination. Under the INA, employers may hire only persons who may legally work in the United States (i.e., citizens and nationals of the U.S.) and aliens authorized to work in the U.S. The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verification Form (I-9). The Contractor shall establish appropriate procedures and controls so no services or products under the Contract Documents will be performed or manufactured by any worker who is not legally eligible to perform such services or employment.

MV00062526

44. ENTIRE AGREEMENT. This Agreement, and its Attachments, sets forth the entire understanding of the parties. There are no other understandings, terms or other agreements expressed or implied, oral or written. There are Attachments to this Agreement. This Agreement will bind and insure to the benefit of the parties to this Agreement and any subsequent successors and assigns.

EXHIBIT A
SCOPE OF SERVICES

GENERAL PROVISIONS

SCOPE OF WORK - The work to be performed under this Agreement shall include the furnishing of all labor and equipment necessary for the provision of contract mowing services within the boundaries of the various parks of the Department as determined in the resolutions of the City Council establishing said parks, and as said boundaries may have been heretofore or may be hereafter altered, and as more particularly shown on the Description of Park Locations contained in this Exhibit A.

The Contractor shall have the duty to mow, edge turf, and blow off hardscapes and gutters.

AREAS TO BE MAINTAINED - There may be medians, parkway panels, adjacent roadway slopes, open space lots and other areas of turf besides parks included within a park's boundaries.

CONTRACT SUPERVISION - The Agreement shall be administered on behalf of the Director of the Parks and Community Services Department of the City of Moreno Valley, or his designated representative(s), hereinafter referred to as "Director."

FUNCTIONS AND RESPONSIBILITIES - All work shall be performed in accordance with usual and customary horticultural practices to achieve and maintain healthy, viable turf. The Director or his designee will periodically inspect all the operations and approve or reject the work performed, and methods or materials used, and make changes in work scheduling.

The Director or his designee will decide all questions which may arise as to the manner of performance and completion per schedule, acceptable fulfillment of the Agreement by the Contractor, interpretation of the Specifications, and compensation to include completion of work by alternate sources. The Department shall manage the operation of all irrigation systems. The Department will pay the costs of water and electricity used in the sites covered by this Agreement. The Contractor shall be responsible for carefully reviewing the site(s) and verifying that all areas include the square footage noted for each location of proposed work. The Contractor shall not be relieved of his or her liability under this Agreement, nor the Department or City be held liable for any loss sustained by the Contractor as a result of any variance between conditions as referred to in the Specifications and the actual conditions revealed during the examination of the locations of the proposed work.

The Director or his designee and the Contractor shall conduct an inspection of all sites covered under this Agreement as soon as practicable after its execution, and prior to commencement of Contractor's operations. Following said inspection, the Contractor shall submit to the Director a written affidavit certifying the actual condition of the site(s) relative to Department Specifications, including but not limited to the nature and extent of any deficiencies noted by the Contractor and acknowledged by the Director. The Contractor is hereby advised that this affidavit shall serve as the benchmark for the Director's evaluation of Contractor's performance

under this Agreement. Failure to maintain site(s) up to this established standard may result in the Department deducting payment of all or part of the Contractor's compensation, as further described in Section 7A, paragraph ix, of the Agreement.

The Contractor shall adhere to the facilities, equipment and staffing schedule, and monthly and annual work schedules submitted as a part of Contractor's proposal, and made a part of this Agreement. These schedules, and any approved revisions thereto, shall be used by the Department as a basis for determining Contractor's satisfactory performance. In the absence of any specified time(s) for performance of work required under the Agreement, the Director may issue a written Notice to perform to the Contractor. The Contractor shall perform the required work within seven (7) calendar days of receipt of said Notice to Perform. Revisions to facilities, equipment, staffing, or monthly and annual work schedules shall not be implemented without the prior written approval of the Director. The Contractor shall submit proposed revisions to equipment and staffing, or the monthly work schedule in writing to the Department at the address as set forth in Section 28 of the Agreement, at least ten (10) working days prior to commencing work per the proposed revisions. Failure to submit proposed revisions to equipment, staffing, or work schedules by the time limits established hereinabove may result in the Contractor becoming liable to the Department for non-performance penalties per Section 7B of the Agreement. The above provisions shall not be construed to eliminate the Contractor's responsibility for complying with the requirement to notify the Director for Specialty type maintenance as set forth immediately hereinafter.

The Contractor shall maintain on an ongoing basis a monthly log that records all work performed by Contractor. Said log shall be in a form and content acceptable to the Director and shall be submitted to the Director monthly, along with the submission of the monthly invoice. The monthly payment for the work so requested will not be authorized until such report is received and approved by the Director or his designee. The Contractor shall perform at least one maintenance inspection weekly during daylight hours of all sites. Additionally, the Director or his designee may require Contractor to attend meetings with Department field staff at some fixed interval to review Contractor's operations and schedule such future work as may be ordered by the Director or his designee. Failure to conduct said weekly inspections or attend regularly scheduled meetings may result in the assessment of non-performance penalties per Section 7B of the Agreement. The Contractor shall maintain an office at some fixed place, and shall maintain an operable telephone thereat, listed in the telephone directory in Contractor's own name or in Contractor's firm name, and shall, at all times, employ some responsible person(s) to take the necessary action regarding all inquiries, complaints, and/or emergency calls that may be received from the Director or other authorized individuals or agencies. This person(s) shall be reachable 24 hours per day, seven days a week. During normal working hours, the Contractor's supervisor or employee designated as being responsible for providing maintenance services to the Department shall be directly available for immediate notification through some type of reliable electronic means, including, but not limited to, two-way radio, pager, or cell phone. The Contractor or his designated employee shall confirm said notification within one (1) hour of receipt. An answering service will be considered an acceptable substitute for coverage <u>only</u> during periods outside of normal working hours, provided Contractor is advised of emergency calls within one (1) hour of receipt of the call by the answering service and within 24 hours after receipt of non-emergency calls by the answering service. The above provision for Contractor's

MV00062530

communication with the Department is the minimum acceptable standard under this agreement. Failure to regularly provide said communication capability may result in the Contractor being assessed non-performance penalties, per Section 7B of the Agreement.

The Contractor shall respond to an emergency call from any of the parties listed below no later than two hours following first notification by facsimile transmission, or in writing, or by telephone. In situations involving emergency repair work after normal working hours, the Contractor shall dispatch qualified personnel and equipment to reach the site within two (2) hours of first notification. An emergency may be called by the following individuals or agencies at any time: City Manager, Director of Parks and Community Services, Parks Maintenance Supervisor, Parks Maintenance Division Manager, Police Department, or Fire Department.

Contractor's emergency response and any necessary corrective work shall be considered Additional Work as defined in Section 9 of the Agreement, unless said emergency is determined to have been caused by an act or omission attributable to Contractor.

When inclement weather renders performance per approved schedule unsafe, impractical, or liable to damage turf, the Contractor shall adjust his work force in order to accomplish those work items and shall contact Department field staff to inform them of said alternate work assignments. Failure to so advise the Department may be cause for assessment of non-performance penalties, per Section 7B of the Agreement.

For the purposes of this Agreement, "working days" shall be Monday through Friday. The hours of maintenance service shall be 7:00 a.m. to 4:30 p.m. on those days maintenance is to be provided, pursuant to the work schedule approved by the Director or his designee. Any work the Contractor proposes to perform outside of the days and hours set forth hereinabove, as well as on legal City holidays, shall not be undertaken without the prior approval of the Director or his designee.

CONTRACTOR'S STAFF - The Contractor shall provide sufficient personnel to perform all work in accordance with the Specifications set forth herein. All of the Contractor's maintenance personnel shall be supervised at the work site(s) by a qualified supervisor in the employ of the Contractor. Work site supervisors must be able to demonstrate to the satisfaction of the Director that they possess adequate technical background and communication skills. Adequate and competent supervision shall be provided for all work done by the Contractor's employees to ensure accomplishment of high quality work which will be acceptable to the Director. Any order or communication given to the work site supervisor shall be deemed to have been delivered to the Contractor. The Contractor and his employees and subcontractors, if any, shall conduct themselves in a proper and efficient manner at all times and shall cause the least possible inconvenience to the public. The Director may require the Contractor to remove from the work site any employee(s) deemed careless, incompetent, or otherwise objectionable, whose continued employment on the job is considered to be contrary to the best interest of the CSD or the City. The Contractor shall require each employee performing work under the Agreement to adhere to basic Public Works standards of working attire, including but not limited to proper shoes, other gear required by applicable safety regulations. Shirts shall be worn at all times and shall be buttoned. Approved safety vests shall be worn by Contractor's employees when working in

MV00062531

parks and other high traffic-hazard areas as determined by the Director. Failure to comply with the above requirements may make the Contractor liable for assessment of non-performance penalties, per Section 7B of the Agreement.

The Contractor shall establish an identification system for his personnel which clearly indicates to the public the name of the Contractor. The identification system shall be furnished at the Contractor's expense and may include appropriate attire and/or name badges as specified by the Director.

EMPLOYMENT OF APPRENTICES - The provisions of Sections 1777.5, 1777.6, and 1777.7 of the California Labor Code regarding the employment of properly registered apprentices may apply to this contract if the Contractor, or any subcontractors thereunder, employs workers in any apprenticeable craft or trade. It is the Contractor's sole responsibility to comply with the Labor Code sections cited above. Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, *ex-officio* the Administrator of Apprenticeship, San Francisco, California, or from the Division of Apprenticeship Standards and its branch offices.

COMPLAINTS - All complaints shall be responded to as soon as possible after notification; but in all cases within 24 hours, to the satisfaction of the Director or his designee. If any complaint is not satisfactorily responded to within 24 hours, the Director shall be notified immediately of the reason for not remedying the complaint followed by a written report to the Director within five (5) days. If the complaints are not remedied within the time specified and to the satisfaction of the Director or his designee, the Director or his designee may correct the specific complaint by using an alternative source. The total cost incurred by the Department to effect necessary remedies will be deducted from the payments owing to the Contractor from the Department. The Contractor shall maintain a written log of all complaints, the date and time thereof and the action taken pursuant thereto, or the reason for non-action. Said log shall be submitted to the Director as set forth above. In addition to the provisions above, in the event of a failure by the Contractor to satisfactorily remedy a complaint in a timely manner or for any other breach of this Agreement by Contractor, the Department may immediately upon written notice to the Contractor terminate this Agreement.

SAFETY - The Contractor agrees to perform all work outlined in these Specifications in such a manner as to meet all accepted standards for safe practices and to safely maintain equipment, machines, and materials and prescribe and employ all precautions and safety procedures related to other hazards consequential to the work; and accepts additionally the sole responsibility for complying with all local, State, Federal and other legal requirements including but not limited to, full compliance with the terms of any and all applicable OSHA and Cal/OSHA Safety Orders at all times so as to protect all persons, including Contractor's employees and subcontractors, agents of the Department, City, materialmen, vendors, members of the public and others from foreseeable injury, or damage to their property. The Contractor's operations shall be conducted in such a manner as to cause the least possible obstruction and inconvenience to public traffic. The Contractor shall furnish, erect, and maintain such fences, barriers, lights and warning signs as may be deemed necessary by the Director, or any duly constituted public safety official. Contractor's work area traffic control, including but not limited to type and placement of signs,

MV00062532

barricades, and delineators, shall be in accordance with the most current edition of Caltrans' *"Traffic Manual, Chapter 5, Traffic Controls."*

Contractor's work should not encroach into open lanes of traffic between the hours of 7:00 a.m. and 8:30 a.m. or between 3:30 p.m. and 6:00 p.m.

The Contractor shall maintain all work sites free of hazards to persons or property resulting from Contractor's operations. The Contractor shall inspect all potential hazards at said areas under maintenance and keep a log indicating date inspected and action taken. Said log shall be submitted monthly to the Director or his designee as set forth above. Any hazardous condition noted by the Contractor, which is not a result of Contractor's operations, shall be immediately reported to the Director or his designee. The Contractor shall be responsible for making minor corrections including but not limited to filling holes in turf areas and replacing valve box covers, so as to protect members of the public or others from injury. The Contractor shall cooperate fully with the CSD or City in the investigation of any accidental injury or death occurring on the site, including a complete written report thereof to the Director or his designee within five (5) days following the occurrence.

Failure to comply with this section of the General Provisions may result in deduction of payment per Section 7A, paragraph ix, of the Agreement or assessment of non-performance penalties per Section 7B of the Agreement. Repeated failure to comply with this section of the General Provisions may result in contract termination, per Section 17 of the Agreement.

LICENSES AND PERMITS - The Contractor shall, without additional expense to the CSD or City, possess all licenses and permits, including but not limited to a valid City Business License, required for the performance of the work under this Agreement.

COMPLIANCE WITH THE LAW - Under the Agreement, the Contractor's performance shall comply with all applicable laws of the United States of America, the State of California, the County of Riverside, the City of Moreno Valley, and all other entities of competent jurisdiction.

CONTRACTOR'S LIABILITY - The Contractor shall be responsible for all damages to people and/or property that occur as a result of the fault or negligence attributable to Contractor in connection with the performance under this Agreement. Any and all restitution or repairs deemed necessary by the Director to remedy such damages shall be furnished and performed at the Contractor's sole expense, and shall be completed within the time limits established by the Director or his designee. Repairs made to sites and site appurtenances that are damaged as a result of Acts of God, vandalism, theft, and acts or omissions by third parties or any other occurrence not attributable to the Contractor's operations shall be repaired by the Contractor as Additional Work and compensated as defined in Section 7A, paragraphs iv, v, vii of the Agreement.

SPECIAL PROVISIONS

TURF MAINTENANCE SPECIFICATIONS

1. TURF CARE

a. All turf areas shall be mowed, edged, and trimmed every seven days, weather and site conditions permitting. Any prolonged deviation from this schedule shall require the approval of the Director or his designee. Failure to adhere to this specification without approval may result in assessment of non-performance penalties, per Section 7B of the Agreement.

b. At the discretion of the Director or his designee, turf areas may be mowed with mulching-type mowers of a type acceptable to the CSD.

c. All mowing and edging equipment shall be in proper working order; have blades properly sharpened and aligned; be thoroughly cleaned of all excess clippings, soil, and debris prior to working at each site.

d. All clippings, soil, and debris generated by mowing and edging operations shall be immediately collected, removed from the site, and disposed of in a legal manner. For the purposes of this specification, the term "site" shall include, but is not limited to hardscapes, sidewalks, curbs, and gutters.

e. Machines operating on turf known to have a disease, fungus, or insect infestation shall be sterilized with a ten percent (10%) chlorine bleach and water solution prior to working on any site.

f. Mowing height for cool season grasses shall not exceed three inches maximum, or two inches minimum, and shall be adjusted within these parameters on a seasonal basis.

g. Mowing height for warm season grasses shall not exceed 1½ inches maximum, or three-quarters of an inch minimum, and shall be adjusted within these parameters on a seasonal basis.

h. All turf borders shall be cut with a vertical blade edger. Use of string trimmers to perform this task is not acceptable.

i. Trimming around turf appurtenances (e.g., valve and meter boxes, backflow devices and controller enclosures, sprinklers) may be accomplished through the use of string trimmers.

j. Whenever trees occur in turf areas, a six-inch ring of grass shall be removed from around the trunks in order to protect the crowns from mechanical damage. These rings shall be maintained in a clean, weed free condition.

k. Renovation/thatching operations are to be considered Additional Work, per Agreement, Section 7A, paragraph iv.
   1. Have no more than one-third of living branches removed annually.
   2. Be fertilized only as directed by the Director of his designee.

MV00062534

2. DEBRIS/LITTER

a. The Contractor shall remove immediately after pruning, trimming, weeding, edging or other work required under this Agreement, all debris generated by his or her performance of the work.

b. Contractor shall make a minimum of one visitation every seven days of all sites covered under this Agreement for the express purpose of removing from both planted areas and adjacent hardscapes/walks the following items, including but not limited to: Bottles, cans, paper/plastic, cardboard, dog litter, tumbleweeds/windblown plant litter, automobile tires, or metallic items. Sites that are, in the opinion of the Director or his designee, exceptionally littered shall be cleared by Contractor before the close of business the working day following notification of the condition.

c. All hardscape areas, including but not limited to sidewalks, curbs, and gutters shall be continuously maintained in a "broom clean" condition.

d. From time to time, the Director or his designee may require Contractor to perform special clean-ups on a site-specific basis. Said special clean-ups shall be considered Additional Work per Agreement, Section 7A, paragraphs iv and v.

e. The Contractor shall dispose of all debris and litter as described in paragraphs a and b above off-site, and in a legal manner.

f. Failure to adhere to the specifications of this section of the Special Provisions may result in the assessment of non-performance penalties, per Section 7B of the Agreement.

3. GREENWASTE RECYCLING

a. The Public Resources Code (PRC), Division 30, Sections 4000 through 42055 requires that the City of Moreno Valley divert from landfills fifty percent (50%) of the solid waste, including greenwaste, generated within its jurisdiction.

b. For the purposes of this contract, materials defined as "greenwaste" shall include all plant parts (e.g., trimmings, prunings, grass clippings, etc.) removed from contract sites by the Contractor or any subcontractors thereunder, in performance of contract's Scope of Work.

c. Contractor, or any subcontractor thereunder, shall deposit all greenwaste generated in performance of contract's Scope of Work at a landscape material recycling center, or reuse said greenwaste in some manner. Contractor or any subcontractor thereunder, shall be solely responsible for all costs incurred in complying with this requirement.

d. The Contractor shall submit a Monthly Greenwaste Report as an element of Contractor's Monthly Report. The Contractor shall provide responses to all information requested therein and shall include, on a separate Monthly Greenwaste Report form, any greenwaste generated through the operations of any subcontractors performing under Contractor's Scope of Work.

e. Failure to adhere to the specifications of this section of the Special Provisions may result in the assessment of non-performance penalties, per Section 7B of the Agreement.

Report to City Council

TO: Mayor and City Council, and the Mayor and City Council, acting in their capacity as President and Board of Directors for the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: June 22, 2010

TITLE: Authorization to Close Public Streets for the Independence Day Festivities on Saturday, July 3, 2010 and Sunday, July 4, 2010.

RECOMMENDED ACTION

Staff recommends that the City Council and the Mayor and the President and Board of Directors for the Moreno Valley Community Services District:

1. Authorize the closure of the following streets between the hours of 7:00 a.m. and 12:00 noon for the purpose of conducting the Fourth of July Parade scheduled to take place on July 3, 2010.

    a. TownGate Boulevard between Frederick Street, Eucalyptus Avenue and Memorial Way;
    b. Frederick Street between Centerpointe Drive and Cactus Avenue;
    c. Cottonwood Avenue between Pan Am Boulevard and Dunhill Drive;
    d. Eucalyptus Avenue between Pan Am Boulevard and Kochi Drive;
    e. Dracaea Avenue between Pan Am Boulevard and Kochi Drive;
    f. Atlantic Circle east of Frederick Street;
    g. Brabham Street between Frederick Street and Andretti Street;
    h. TownGate Boulevard between Frederick Street and Heritage Way;
    i. Bay Avenue between Kristina Court and Courage Street;
    j. Alessandro Boulevard between Chagall Court and Elsworth Street;
    k. Alessandro Boulevard between Joy Street and Cactus Avenue;
    l. Resource Way between Frederick Street and Corporate Way;
    m. Corporate Way between Calle San Juan de Los Lagos and Resource Way;

n. Calle San Juan de Los Lagos between Frederick Street and Veterans Way;
o. Veterans Way between Cactus Avenue and Alessandro Boulevard;
p. New Hope between Veterans Way and Elsworth; and
q. Heritage Way between TownGate Boulevard and Town Circle.

2. Authorize the closure of the following streets to through traffic, to remain open only to residents, between the hours of 11:00 a.m. and 9:00 p.m. for the purpose of conducting the Fourth of July Festival and Fireworks Program scheduled to take place on July 4, 2010.

a. Petaluma Avenue between Napa Valley and Morrison Street;
b. Napa Valley between Dracaea Avenue and Petaluma Avenue;
c. Lakeport Drive at Cottonwood Avenue;
d. Burney Pass Drive between Cottonwood Avenue and Dracaea Avenue;
e. Rockport Drive between Yuba Pass Road and Morrison Street;
f. Dracaea Avenue between Morrison Street and Nason Street;
g. Letterman Street at Cottonwood Avenue;
h. Athletics Drive at Cottonwood Avenue; and
i. Mascot Lane at Dracaea Avenue.

The streets closed to through traffic are to prevent overflow parking from the fireworks program into residential areas. Also, for a short period and immediately following the fireworks display, staff recommends that the City Council authorize one-way traffic on various streets in the vicinity of Morrison Park as directed by the Moreno Valley Police Department.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

For the past 24 years, the City has sponsored the Independence Day Celebration, which includes the parade, festivities, and fireworks program. Last year's parade was a success with more than 100 entries comprised largely of local businesses, church groups, youth groups, and other non-profit organizations. The proposed parade route is similar to last year's parade route. The parade street closures are similar to the street closures for the 2009 parade route. Approximately 7,000 spectators attended the 2009 Independence Day Parade.

The Independence Day Festival and Fireworks Display were also successful in attracting an estimated 20,000 spectators to Morrison Park and Mountain View Middle School. Those in attendance enjoyed the festival atmosphere throughout the day and the excitement of the fireworks display that evening.

DISCUSSION

The 2010 Independence Day festivities this year will be a two-day celebration. Detailed below is the discussion of the events planned and street closures for the Independence Day Program activities:

1. Parade Discussion

The parade this year will take place on July 3, 2010. Similar to the 2009 parade route, staff is recommending utilizing the parking lot at Gateway Commercial Center (south of City Hall) as parade parking. Parade participants will enter north onto Veterans Way from Golden Crest or Cactus Avenue and check in near San Juan De Los Lagos. Staging for the parade will take place on Calle San Juan de Los Lagos, Corporate Way and Resource Way. The parade route will begin on Frederick Street at Alessandro Boulevard and go north on Frederick Street to TownGate Boulevard, turn west on TownGate Boulevard, turn north onto Heritage Way and disband into the parking lot located between the rear of the Mervyns store and the theater in the TownGate Shopping Center. The parade will begin promptly at 9:30 a.m. and conclude prior to 12:00 noon.

The street closures being requested will allow sufficient time for safe passage during the event for all event participants and spectators. Traffic entering and/or leaving commercial establishments will be restricted during the parade. All barricades at intersections will be removed no later than 12:00 noon. Police officers will be stationed at the following major intersections for safety purposes.

- Cactus Avenue and Frederick Street
- Alessandro Boulevard and Frederick Street
- Cottonwood Avenue and Frederick Street
- Frederick Street and TownGate Boulevard
- TownGate Boulevard and Heritage Way
- Veterans Way and Alessandro Boulevard
- Heritage Way and Town Circle

2. Festival and Fireworks Display Discussion

The second day of the festivities will continue on July 4, 2010 from 2 p.m. - 10:00 p.m. with the Family Fun Fest activities at Mountain View Middle School/Morrison Park. Similar to last year's 2009 festival, the afternoon activities will be held at Mountain View Middle School and Morrison Park. Staff is anticipating approximately 20,000 spectators to attend the festivities. The concert headliner this year is "The Beach Toys" who promises to bring back great memories with "A Tribute to the Beach Boys" and "Paperback Writer who promises to bring back great memories with "A Tribute to the Beatles". The afternoon festivities begin at 2:00 p.m., and will conclude at approximately 9:30 p.m. with the fireworks

display. Activities at the festival also include food, arts and crafts, and non-profit information booths.

Based on past years, the Moreno Valley Police Department and the Transportation Division are recommending closure of the previously mentioned streets to allow sufficient time for safe passage before, during and after the event for all event participants and spectators. All barricades at intersections will be removed no later than 10:00 p.m. Police officers will be stationed at major intersections as directed by the Moreno Valley Police Department.

As part of the Fourth of July planning process, businesses and residents that are potentially affected by the street closures will receive written notification of the street closures scheduled to take place on July 3, 2010 and July 4, 2010.

ALTERNATIVES

1. Approve street closures as outlined above.

2. Provide direction to staff on alternate parade route and/or street closures.

FISCAL IMPACT

The planning and coordinating of this event begin prior to the FY 2010/2011. Funds proposed for the Independence Day Celebration are partially allocated in the Moreno Valley Community Services District Zone A fund FY 2009/2010 and partially allocated in the proposed Moreno Valley Community Services District Zone A fund FY 2010/2011. In an effort to offset expenditures staff has been soliciting sponsors for this event.

CITY COUNCIL GOALS

Not applicable.

SUMMARY

The 2010 Independence Day festivities this year will be a two-day celebration. Staff is requesting that City Council authorize the street closures outlined above for the City's Independence Day Celebration. The parade street closures are similar to the street closures for the 2009 parade route. The parade will take place on Saturday, July 3, 2010 and will step off at 9:30 a.m. from Frederick Street, south of Alessandro Boulevard. The festival will take place on Sunday, July 4, 2010,street closures are similar to the 2009 street closures adjacent to the festival.

AGENDA DATE: June 22, 2010

TITLE: AUTHORIZATION TO AWARD THE CONSTRUCTION CONTRACT FOR AUTO MALL FREEWAY PYLON SIGN PROJECT
PROJECT NO. 08-89791725

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder.

2. Authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency.

3. Authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City Attorney.

Staff recommends that the Community Redevelopment Agency:

1. Accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto.

2. Authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency.

3. Authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725)

BACKGROUND

The preliminary engineering and conceptual design plan for the Auto Mall Improvements was awarded to VA Consulting, Inc. by the City Council at its meeting on September 23, 2008. On January 13, 2009, the City Council approved the Auto Mall Improvements Project as part of the reprioritization of Capital Projects to be funded by 2007 RDA Bonds. A final conceptual plan to rejuvenate the mall was presented to the City Council Study Session on March 17, 2009 and was approved for final design. VA Consulting, Inc. was authorized to proceed with the final design plans and specifications by the City Council at its meeting on April 28, 2009. The major elements of the plan consist of sign monuments, vehicle display areas and landscaping enhancement of Auto Mall Drive. The pylon sign is the first improvement in the two-phase conceptual improvement plan.

DISCUSSION

The Moreno Valley Auto Mall is currently comprised of five (5) auto dealerships and six (6) vacant parcels. The City and the Redevelopment Agency have been working with the Auto Mall dealers to explore various ways to increase business advantages by creating attractive visual displays of dealer products and other aesthetic elements. The goal is to help provide increased awareness and interaction between prospective customers and business owners. The increase in Auto Mall business has the potential to increase additional opportunities for employment and enhance other long term related business benefits for the local community.

The pylon sign is an integral element of the conceptual plan. The sign is located on the south side of the SR60 freeway, east of Moreno Beach Drive. This project will replace the existing aged and worn freeway sign with a new up-to-date high-tech two- (2) sided sign that includes a larger video display. The sign will be, in conformance with the "Specific Plan #5 Sign", 31 feet wide and stand approximately 85 feet in height, as seen from the freeway.

The new pylon sign will enhance awareness of the Auto Mall's location from both directions of the freeway with its highly visible color video display, which measures approximately 21 feet high by 29 feet wide. To augment awareness of the Auto Mall dealers, there will be eight (8) large dealership panels below the video display.

MV00062556

This project was determined to be "Categorical Exemption" (CE) pursuant to Section 15311, "Accessory Structures" and Section 15301, "Existing Facilities", of the State CEQA Guidelines.

The project was advertised for bids on April 22, 2010. Formal bidding procedures were followed in conformance with the Public Contract Code (PCC) and the City Clerk opened bids at 2:00 p.m., on May 25, 2010, for the subject project.

Six (6) valid bids received are as follows:

	CONTRACTORS	Bid Amount
1.	**San Pedro Sign Company**	**$706, 716.00**
2.	National Sign & Marketing Corp.	$719,814.00
3.	Sign Industries, Inc.	$756,898.65
4.	YESCO	$777,915.00
5.	Flouresco Lighting & Signs	$948,769. 00
6.	Ad Art, Inc.	$1,146,180.00
	Engineer's Estimate	$1,218,200.00

Staff has reviewed the bid by San Pedro Sign Company and finds it to be the lowest responsible bidder in possession of a valid license and bid bond. No outstanding issues were identified through the review of the references submitted by San Pedro Sign Company.

The project was bid on the basis of a Base Bid and one (1) Additive Alternate "A" Bid. The Base Bid includes the design, manufacturing, and installation of the pylon sign. Additive Alternate Bid "A" includes a stone veneer base and extended sign programming maintenance warranty and service agreement. The bid documents stipulated that the low bidder would be determined on the basis of the total of the Base Bid and the Additive Alternate Bid. Staff recommends, and this Report reflects, the award of the Contract to cover the Base Bid plus the Additive Alternate Bid "A" option.

The requested subsequent assignment of the contract from the City to the Community Redevelopment Agency will obligate the RDA funds and not the General Fund.

ALTERNATIVES

1. Award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder; authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency; authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City

Attorney; accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto; authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency; authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725) *This alternative will allow for much needed improvements*.

2. Do not award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder; do not authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency; do not authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City Attorney; do not accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto; do not authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency; do not authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725) *This alternative will delay the completion of much needed improvements.*

FISCAL IMPACT

The Moreno Valley Auto Mall Improvements construction phase of this project is included in Fiscal Year 2009-2010 Budget and is funded by Fund 897 (RDA 2007 Tax Allocation Bonds). **These funds have been allocated for the Moreno Valley Auto Mall Improvements project and cannot be utilized for operational activities.** There is no impact on the General Fund.

SUMMARY

The proposed project constructs a new pylon sign for the Moreno Valley Auto Mall. The sign will enhance awareness of the Auto Mall's location from both directions of the freeway and will provide the opportunity for increased business by creating attractive aesthetic elements. The City Council is requested to approve the award of the construction to San Pedro Sign Company and the Community Redevelopment Agency is requested to accept the assignment of the construction contract to San Pedro Sign Company and to issue a Purchase Order in the amount of $812,724.

NOTIFICATION

Adjacent property owners, law enforcement, fire department and other emergency services responders in the area will be notified of the proposed construction.

Agreement No._____

AGREEMENT

PROJECT NO. ED-09-89791725

CITY OF MORENO VALLEY AUTO MALL
FREEWAY PYLON SIGN PROJECT

THIS Contract Agreement, made and entered into as of the date signed by the City Manager of the City of Moreno Valley, by and between the City of Moreno Valley, a municipal corporation, County of Riverside, State of California, hereinafter called the "City" and **San Pedro Sign Company** hereinafter called the "Contractor."

That the City and the Contractor for the consideration hereinafter named, agree as follows:

1. The written Agreement includes all of the following:
   a. Any and all Contract Change Orders issued after execution of this Agreement
   b. Addenda Nos. 2 inclusive, issued prior to the opening of the Bids
   c. The bound Bid Documents
   d. The Special Provisions which include the General Provisions and Technical Provisions, all of which are parts of this Agreement
   e. The project Plans
   f. The Standard Plans
   g. The Standard Specifications
   h. Reference Specifications, all of which are essential parts of this Agreement
   i. The Bidder's Proposal which includes the Bidder's Bond and Noncollusion Affidavit

In the event of any conflict in the provisions thereof, the terms of said Bid Documents as set forth above shall control, each over the other, in the order provided. The above items are incorporated in this Agreement as though set forth in full.

2. The Contractor shall furnish all materials, tools, equipment and labor, except as otherwise provided in the Plans or Special Provisions, and will perform all the work which is necessary to complete in a good, workmanlike and substantial manner the above said project in accordance with the Contract documents for this project, the Contract documents which are hereby specifically referred to and by such reference made a part hereof.

3. The City will pay the Contractor and the Contractor agrees to receive and accept the prices set forth in the Bid Schedule as full compensation for the work required under the bid items awarded by the City, to wit, the Base Bid Item(s) and Additive Bid Item(s) in the sum total amount of **$706,716.00,** subject to additions or reductions of the quantities of the various bid items at the unit prices bid, for furnishing all materials and for doing all the work contemplated and embraced under this Contract Agreement; for all loss or damages arising out of the nature of the work aforesaid, or from the action of the elements, or from any unforeseen difficulties or obstructions which may arise or be encountered in the prosecution of the work, until the work is accepted by the City Council; for all expenses incurred by or in consequence of the suspension or discontinuance of work; and for well and faithfully completing the work, the whole thereof, in the manner and in accordance with the Contract documents therefore and the requirements of the Engineer under them.

4. The Contractor hereby agrees to commence work pursuant to this Contract within fourteen (14) calendar days after the date of authorization specified in the Notice to Proceed. The Contractor agrees to diligently prosecute the contracted work, including corrective items of work, day to day thereafter, to completion, within **ONE HUNDRED SIXTY-FIVE (165) working days** after said date in the first "Notice to Proceed," except as adjusted by subsequent Contract Change Order(s).

5. The City and Contractor hereby agree that in case all construction called for under the Contract is

not completed within the time hereinabove specified, including City caused delays or extensions, damages will be sustained by the City and that, it is and will be impracticable or extremely difficult to ascertain and determine the actual amount of damages the City will sustain in the event of, and by reason of, such delay.

It is, therefore, agreed that such damages shall be presumed to be in the amount of $600.00 per calendar day, and that the Contractor will pay to the City, or City may retain from amounts otherwise payable to Contractor, said amount for each calendar day by which the Contractor fails to complete the work, including corrective items of work, under this Contract Agreement within the time hereinabove specified and as adjusted by Contract Change Order(s). The Contractor will not be assessed liquidated damages for delay(s) occasioned by the failure of the City or of the owner of a utility to provide for the removal or relocation of utility facilities.

6. The Contractor shall name as additional insured, the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), and shall furnish the City with a certificate of insurance evidencing liability insurance policy or policies which shall provide coverage for owned and non-owned automobiles; manufacturers and Contractor's liability; broad form property damage in any case where the Contractor has any property belonging to the City in his care, custody or control; owners and Contractor's protective liability; blanket contractual liability; products and completed operations coverage; coverage for collapse, explosion, and where any excavation, digging or trenching is done with power equipment; and shall bear an endorsement containing the following Provisions:

> Solely as respect to work done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), its officers, employees and agents, are added as additional insured under this policy and the coverage provided hereunder shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, California, the Community Redevelopment Agency of the City of Moreno Valley, and the Moreno Valley Community Services District, its officers, employees and agents; under any third party liability policy.
>
> It is further agreed that the other insurance provision(s) of the policy are amended to conform therewith.

The endorsements shall be signed by a person authorized by the insurer to bind coverage on its behalf. Insurance companies providing insurance here under shall be rated (A minus: VII - Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

The terms of the insurance policy or policies issued to provide the below insurance coverage(s) shall not be amended or canceled by the carrier without thirty (60) days prior written notice by certified or registered mail of amendments or cancellation to the City. In the event the said insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the City Clerk new evidence of insurance in the amounts established.

All liability insurance policies shall bear an endorsement or shall have an attached rider which provides that the City of Moreno Valley will be notified by certified or registered mail at least 60 days prior to the effective date of cancellation, non-renewal, or material alteration of such policy.

All liability insurance shall cover comprehensive general liability for both bodily injury (including death) and property damage, including but not limited to aggregate products, aggregate operations, aggregate

protective and aggregate contractual with the following minimum limits:

	Each Person	Each Occurrence	Aggregate
Bodily Injury	$500,000.00	$2,000,000.00	$2,000,000.00
Property Damage	---	$2,000,000.00	$2,000,000.00

A combined single limit for Bodily Injury Liability and Property Damage Liability of $2,000,000.00 for each occurrence will be considered equivalent to the above minimum limits for Comprehensive General Liability.

Property Damage Insurance shall cover full replacement value for damages to any property caused directly or indirectly by or from acts or activities of the Contractor or its sub-contractors or any person acting for the Contractor or under its control or direction.

The Contractor shall procure and maintain, at its sole expense, and throughout the term of this Contract Agreement and any extension thereof, Public Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated. Such coverage limits shall not be less than $1,000,000 combined single limit.

Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City, its officers, officials, employees and volunteers; or the contractor shall procure a bond guaranteeing payment of losses and related investigation, claim administration, and defense expenses.

The Contractor shall also furnish the City with a certificate evidencing Worker's Compensation Insurance with limits as established by the State of California.

The Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

7. The Contractor hereby agrees to provide and maintain in effect two (2) good and sufficient Surety Bonds for one hundred percent (100%) each of the contract price. The bonds shall be a "Faithful Performance Bond" which shall guarantee the faithful performance of all work and a "Labor and Materials Payment Bond" which shall secure the payment of the claims of labor, mechanics, or material for all work under the Contract pursuant to Section 3247 of the Civil Code.

8. The Contractor, the Contractor's heirs, executors, administrators, successors, or assigns guarantee that all work performed under this Contract fully meets the requirements thereof as to quality of workmanship and materials furnished. If any defects in materials or workmanship become evident within a period of one year from the date of the acceptance of the work by the City Council, the Contractor shall, at his or her own expense, make any repair(s) or replacement(s) necessary to restore the work to full compliance with the Plans and Specifications.

9. The Contractor and any agents or subcontractors of the Contractor shall pay the prevailing rates of per diem wages established by the California Department of Industrial Relations. The Contractor and any agents or subcontractors of the Contractor shall also adhere to the California Labor Code, Division 2, Part 7, "Public Works and Public Agencies," and the California Administrative Code, Title 8, Group 3, "Payment of Prevailing Wages upon Public Works," all of which are made a part of the Contract documents.

10. The Contractor agrees that he or she and its subcontractors shall maintain and keep books, payrolls, invoices of materials, records on a current basis, and recording all transactions pertaining to this Agreement in a form in accordance with generally acceptable accounting principles. Said books and records shall be made available to the City of Moreno Valley, County, the State of California, the Federal Government and to any authorized representative thereof for purposes of audit and inspection at all reasonable times and places. All such books, payrolls, invoices of materials, and records shall be retained for such periods of time as required by law, provided, however, notwithstanding any shorter period of retention, all books, records, and supporting detail shall be retained for a period of at least three years after expiration of the term of this Agreement.

11. Pursuant to California Public Contract Code Section 22300, the Contractor will be permitted the substitution of securities for any monies withheld by the City of Moreno Valley to ensure performance under Contract. At the request and expense of the Contractor, securities equivalent to the amount withheld shall be deposited with the City of Moreno Valley, or with a state or federally chartered bank as the escrow agent, who shall pay such monies to the Contractor. Securities eligible for substitution under this section shall include those listed in Section 16430 of the Government Code, bank or savings and loan certificates of deposit, interest-bearing demand deposit accounts, and standby letters of credit. The Contractor shall be the beneficial owner of any securities substituted for monies withheld and shall receive any dividends or interest thereon. The Contractor shall give the City written notice within thirty (30) days after the Contract is awarded that it desires to substitute securities for money that would ordinarily be withheld. If the substituted securities are deposited into an escrow, the escrow shall be governed by a written escrow Contract Agreement in a form which is substantially similar to the Contract Agreement set forth in Section 22300, of the Public Contract Code.

12. The Contractor agrees to indemnify, defend, and save the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), the Moreno Valley Community Services District (CSD), its officers, agents, employees, representatives and consultants harmless from any and all liability, claims, damages or injuries to any person, including injury to the Contractor's employees and all claims which arise from or are connected with the negligent performance of or failure to perform the work or other obligations of this Contract Agreement, or are caused or claimed to be caused by the negligent acts of the Contractor its officers, agents, employees, sub-contractors or suppliers, and all expenses of investigating and defending against the same; provided, however, that this indemnification and hold harmless shall not include any claims arising from the sole negligence or willful misconduct of the City, RDA, and CSD, its officers, agents, or employees.

The obligation to indemnify, defend and hold harmless set forth herein shall include, without limitation, any and all attorney's fees incurred by the party to be indemnified, defended, or held harmless, whether in a judicial or administrative action or in arbitration, and whether the issue is between the parties or involves one or more third parties.

13. The parties do for themselves, their heirs, executors, administrators, successors and assigns agree to the full performance of all of the provisions herein contained. The Contractor may not, either voluntarily or by action of law, assign any obligation assumed by the Contractor hereunder without prior written consent of the City.

14. Should either party bring any legal or equitable action for the purpose of protecting or enforcing its rights under this Contract Agreement, the prevailing party in such action shall recover in addition to all other relief, its reasonable attorney's fees and court costs to be fixed by the court.

In addition to the foregoing award of attorney's fees, the prevailing party shall be entitled to its attorneys' fees incurred in any post judgment proceedings to enforce any judgments in connection with this Contract Agreement. The Provision is separate and several and shall survive the merge of this Provision into any judgment.

15. By my signature hereunder, as Contractor, I certify that I am aware of the Provisions of Section 3700, of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the Provisions of that code, and I will comply with such Provisions before commencing the performance of the work of this Contract.

16. The effective date of this Contract Agreement shall be the date of the Award of Contract by the City of Moreno Valley.

17. Contractors are required by law to be licensed and regulated by the Contractors' State License Board. Any questions concerning a Contractor may be referred to the Registrar, Contractors' State License Board, 3132 Bradshaw Road, Sacramento, CA 95826. Mailing address: P.O. Box 26000, Sacramento, CA 95826.

Report to City Council

TO: Mayor and City Council, and Acting in their Respective Capacities as President and Members of the Board of Directors of the Moreno Valley Community Services District

FROM: Chris A. Vogt, P.E., Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: NOTICE OF COMPLETION AND ACCEPTANCE OF THE PATRIOT PARK IMPROVEMENTS PROJECT
PROJECT NO. 08-28268628

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211.

2. Direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code.

3. Authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project.

Staff recommends that the Board of Directors:

4. Authorize the President of the Board of Directors of the Community Services District (CSD) to accept the improvements into the CSD's maintained system.

BACKGROUND

On November 10, 2009, the City Council awarded the construction contract in the amount of $246,001.41 to Desert Concepts Construction, Inc., for the Patriot Park

Improvements Project. A Purchase Order in the amount of $282,901.62 (the bid amount plus 15% contingency) was issued to the Contractor.

DISCUSSION

The project involved the construction of the Patriot Park improvements on a vacant (approximate) one-half acre CSD property located at the southeast corner of Perris Boulevard and Filaree Avenue. The park improvements included play apparatus, a decomposed granite walking path, natural turf play area, picnic tables and benches together with landscaping, irrigation, area lighting, and perimeter fencing.

There was one Contract Change Order for this project. Contract Change Order No. 1 (Final) extended the construction completion date by 4 days but there was no change in the contract amount. The improvements were completed within the extended contract time of April 27, 2010, within budget, and in accordance with the approved contract documents.

ALTERNATIVES

1. Accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211, direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., within thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project, and authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system. *This alternative will result in payment to the Contractor and acceptance of the improvements into the CSD's maintained system.*

2. Do not accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211, do not direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, do not authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., within thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project, and do not authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system. *This alternative will result in delaying payment to the Contractor, delaying acceptance of the improvements into the CSD's maintained system, and incurring extra cost to the City.*

MV00062578

FISCAL IMPACT

This project is included in the Fiscal Year 2009-2010 Capital Improvement Project Budget and is funded with Community Development Block Grant (CDBG) funds (Fund 282). Funding for maintenance is included in the Parks and Community Services District's Fiscal Year 2009/2010 budget, and proposed for the Fiscal Year 2010/2011 budget.

AVAILABLE BUDGETED FUNDS:

Fiscal Year 2009/2010 Funds (Account 282.68628)	$397,297

CONSTRUCTION RELATED COSTS:

Construction	$246,000
City Purchased Equipment and Play Apparatus for Contractor Installation	$56,000
Construction Geotechnical Services	$6,000
Construction Survey Services	$16,000
Project Administration*	$70,000
Total Construction Related Costs	$394,000

* Including: project construction management, reproduction, bid, award, and project closeout efforts

CITY COUNCIL GOALS

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

COMMUNITY IMAGE, NEIGHBORHOOD PRIDE AND CLEANLINESS:
Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts (including home rehabilitation) and neighborhood restoration.

SUMMARY

Desert Concepts Construction, Inc. has completed the Patriot Park Improvements Project. The City Council is requested to accept the work as complete, direct the City Clerk to record the Notice of Completion, authorize the release of retention to Desert Concepts Construction, Inc., and authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system.

AGENDA DATE: June 22, 2010

TITLE: PUBLIC HEARING AND ADOPTION OF RESOLUTION ESTABLISHING APPROPRIATIONS ("GANN") LIMIT FOR THE CITY OF MORENO VALLEY FOR FISCAL YEAR 2010-11

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Conduct a Public Hearing to receive public comments on the City's appropriations limit for Fiscal Year 2010-11; and

2. Adopt Resolution No. 2010-60 establishing the appropriations limit at $84,193,306 for the City of Moreno Valley for Fiscal Year 2010-11.

BACKGROUND

On November 6, 1979, California voters approved the Gann Spending Limitation Initiative (Proposition 4) establishing Article XIIIB of the State Constitution. Article XIIIB sets limits on the amount of tax revenues that the State and most local governments can appropriate within a given fiscal year. Its basic provisions are as follows:

- Each year, the State and local governments must adopt a resolution establishing an appropriations limit, also known as the "Gann Limit". Fiscal Year 1984-85 appropriations serve as the base for this limit, with adjustments being made annually to reflect increases in population, the cost of living, and financial responsibility transfers.

- Only tax proceeds are subject to the limit. Charges for services, regulatory fees, grants, loans, donations and other non-tax proceeds are not subject to the limit. Exemptions are also made for voter-approved debt, debt that existed prior to January 1, 1979, and for the cost of compliance with court or Federal government mandates.

- All tax revenues received in excess of the appropriations limit must be refunded to taxpayers within a two-year period.

- The voters may approve an increase in the appropriations limit. For the increase to remain in effect, however, it must be re-approved by voters at four-year intervals.

On June 5, 1990, California voters approved the Traffic Congestion Relief and Spending Limitation Act (Proposition 111), which made various amendments to Article XIIIB of the State Constitution. The major changes, which became effective July 1, 1990, are as follows:

- The change in the cost of living is defined to be either the change in California per capita personal income or the change in assessed valuation due to the addition of non-residential new construction. Previously, the change in the cost of living was defined as the lesser of the change in the U.S. Consumer Price Index or the change in California per capita personal income.

- The change in population is defined as either a change in the City's population or a change in the County's population, whichever is greater.

- "Qualified capital outlay projects" were added to the items exempted from the appropriations limit. Qualified capital outlay projects must have a useful life of ten or more years and a cost that equals or exceeds $100,000.

- Tax revenues received in excess of the appropriations limit must be refunded to taxpayers only if the limit is exceeded over a two-year period.

- The annual calculation of the appropriations limit must be reviewed as part of the City's annual financial audit.

DISCUSSION

The information used to calculate the City's Fiscal Year 2010-11 appropriations limit is presented in Exhibit A, Proceeds of Tax Calculation and Exhibit B, Appropriations (Gann) Limit Calculation. The City's appropriations limit for Fiscal Year 2009-10 was $85,198,650. The change factor allowed by Proposition 111 due to population and cost of living changes is 0.9882. This results in a Fiscal Year 2010-11 appropriations limit of $84,193,306.

MV00062586

As previously indicated, Proposition 111 provides several options for calculating increases in the appropriations limit. With respect to the change in population, the increase in County population was used since it was greater than the City's (+1.40% vs. +1.08%).

With respect to the change in the cost-of-living criterion, the change in California per capita personal income (-2.54%) was used, as the change in non-residential assessed valuation information is not yet available from the County.

The City's total projected revenue proceeds from the General Fund are $67,754,400. Of this amount, $50,777,288 is identified as coming from tax proceeds, while $16,977,112 is identified as coming from non-tax proceeds. Exhibit A provides a breakdown of budgeted revenues and their classification as tax proceeds or non-tax proceeds.

The Fiscal Year 2010-11 Preliminary Base Operating Budget contains appropriations subject to the limitation of $50,777,288. This amount is $33,416,018 below the City's legal appropriations limit of $84,193,306.

ALTERNATIVES

The following alternatives are available to the City Council:

1. Adopt Resolution No. 2010-60 establishing the City's Fiscal Year 2010-11 appropriations limit at $84,193,306;

2. Provide staff with further direction.

Staff recommends Alternative No. 1.

SUMMARY

Each year the City is required to adopt a resolution establishing a limit on its appropriations of tax proceeds. The Traffic Congestion Relief and Spending Limitation Act (Proposition 111), approved by the voters on June 5, 1990, changed some of the factors used in the calculation of this limit. For Fiscal Year 2010-11, the City's appropriations limit is calculated to be $84,193,306. The City's Preliminary Base Operating Budget contains appropriations subject to the limit totaling $50,777,288. Therefore, the portion of the Fiscal Year 2010-11 Preliminary Base Operating Budget subject to the limit is $33,416,018 less than the City's Fiscal Year 2010-11 appropriations limit.

RESOLUTION NO. 2010-60

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, ESTABLISHING THE APPROPRIATIONS LIMIT FOR FISCAL YEAR 2010-11

WHEREAS, Article XIIIB of the California Constitution and Section 7910 of the California Government Code require that each year the City of Moreno Valley shall by resolution, establish an appropriations limit for the City for the following fiscal year; and

WHEREAS, the City Council has received the Preliminary Base Operating Budget for Fiscal Year 2010-11, a copy of which is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said budget contains the estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the City; and

WHEREAS, the City's Financial & Administrative Services Department has heretofore prepared and submitted data and documentation required for and to be used in the determination of certain matters and for the establishment of an appropriations limit for the City for Fiscal Year 2010-11 and such data and documentation has been available to the public for at least fifteen days prior to adoption of this Resolution; and

WHEREAS, the City Council has considered pertinent data and documentation and made such determinations as may be required by law, and has adopted this Resolution at a regularly scheduled meeting of the City Council; and

WHEREAS, the appropriations limit for the City of Moreno Valley for Fiscal Year 2010-11 is hereby established at $84,193,306, and the total annual appropriations subject to such limitation for Fiscal Year 2010-11 is estimated to be $50,777,288.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. That $84,193,306 is hereby established as the appropriations limit for the City of Moreno Valley for Fiscal Year 2010-11.

2. The City Council hereby adopts the findings and methods of calculations set forth in Exhibit A, the Proceeds of Tax Calculation, Exhibit B, the Appropriations (Gann) Limit Calculation, and Exhibit C, the Summary of Annual Appropriation (Gann) Limits. To the extent permitted by applicable law, the City of Moreno Valley reserves the right to change or revise any gross factors associated with the calculation of the limit established pursuant to Article XIIIB of the California Constitution if such changes or revisions would result in a more advantageous appropriation limit in the present or future.

3. Pursuant to Section 53901 of the California Government Code, by no later than August 30, 2010, the City Clerk shall file a copy of this Resolution with the Auditor of the County of Riverside.

4. Within fifteen days after the adoption of this Resolution, the City Clerk shall certify to the adoption thereof and, as so certified, cause a copy to be posted in at least three public places within the City.

BE IT FURTHER RESOLVED that this Resolution shall take effect immediately upon the date of its adoption.

APPROVED AND ADOPTED this 22nd day of June, 2010.

AGENDA DATE: June 22, 2010

TITLE: PUBLIC HEARING AND ADOPTION OF RESOLUTION ESTABLISHING APPROPRIATIONS ("GANN") LIMIT FOR THE MORENO VALLEY COMMUNITY SERVICES DISTRICT FOR FISCAL YEAR 2010-11

RECOMMENDED ACTION

Staff recommends that the Board:

1. Conduct a Public Hearing to receive public comments on the Moreno Valley Community Services District's appropriations limit for Fiscal Year 2010-11; and

2. Adopt Resolution No. CSD 2010-19 establishing the appropriations limit at $13,567,175 for the Moreno Valley Community Services District for Fiscal Year 2010-11.

BACKGROUND

On November 6, 1979, California voters approved the Gann Spending Limitation Initiative (Proposition 4) establishing Article XIIIB of the State Constitution. Article XIIIB sets limits on the amount of tax revenues that the State and most local governments can appropriate within a given fiscal year. Its basic provisions are as follows:

- Each year, the State and local governments must adopt a resolution establishing an appropriations limit, also known as the "Gann Limit". Fiscal Year 1984-85

appropriations serve as the base for this limit, with adjustments being made annually to reflect increases in population, the cost of living, and financial responsibility transfers.

- Only tax proceeds are subject to the limit. Charges for services, regulatory fees, grants, loans, donations and other non-tax proceeds are not subject to the limit. Exemptions are also made for voter-approved debt, debt that existed prior to January 1, 1979, and for the cost of compliance with court or Federal government mandates.

- All tax revenues received in excess of the appropriations limit must be refunded to taxpayers within a two-year period.

- The voters may approve an increase in the appropriations limit. For the increase to remain in effect, however, it must be re-approved by voters at four-year intervals.

On June 5, 1990, California voters approved the Traffic Congestion Relief and Spending Limitation Act (Proposition 111), which made various amendments to Article XIIIB of the State Constitution. The major changes, which became effective July 1, 1990, are as follows:

- The change in the cost of living is defined to be either the change in California per capita personal income or the change in assessed valuation due to the addition of non-residential new construction. Previously, the change in the cost of living was defined as the lesser of the change in the U.S. Consumer Price Index or the change in California per capita personal income.

- The change in population is defined as either a change in the City's population or a change in the County's population, whichever is greater.

- "Qualified capital outlay projects" were added to the items exempted from the appropriations limit. Qualified capital outlay projects must have a useful life of ten or more years and a cost that equals or exceeds $100,000.

- Tax revenues received in excess of the appropriations limit must be refunded to taxpayers only if the limit is exceeded over a two-year period.

- The annual calculation of the appropriations limit must be reviewed as part of the City's annual financial audit.

DISCUSSION

The information used to calculate the Fiscal Year 2010-11 appropriations limit for the Moreno Valley Community Services District (District) is presented in Exhibit A, Proceeds

MV00062600

of Tax Calculation and Exhibit B, Appropriations (Gann) Limit Calculation. The District's appropriations limit for Fiscal Year 2009-10 was $13,729,179. The change factor allowed by Proposition 111 due to population and cost of living changes is 0.9882. This results in a Fiscal Year 2010-11 appropriations limit of $13,567,175.

As previously indicated, Proposition 111 provides several options for calculating increases in the appropriations limit. With respect to the change in population, the increase in County population was used since it was greater than the City's (+1.40% vs. +1.08%).

With respect to the change in the cost-of-living criterion, the change in California per capita personal income (-2.54%) was used, as the change in non-residential assessed valuation information is not yet available from the County.

The total projected revenue proceeds from the District are $15,383,789. Of this amount, $3,059,579 is identified as coming from tax proceeds, while $12,324,210 is identified as coming from non-tax proceeds. Exhibit A provides a breakdown of budgeted revenues and their classification as tax proceeds or non-tax proceeds.

The Fiscal Year 2010-11 Preliminary Base Operating Budget contains appropriations subject to the limitation of $3,059,579. This amount is $10,507,595 below the District's legal appropriations limit of $13,567,175.

ALTERNATIVES

The following alternatives are available to the Board:

1. Adopt Resolution No. CSD 2010-19 establishing the District's Fiscal Year 2010-11 appropriations limit at $13,567,175.

2. Provide staff with further direction.

Staff recommends Alternative No. 1.

FISCAL IMPACT

There is no fiscal impact. The District is safely within its legal appropriations limit for Fiscal Year 2010-11.

A RESOLUTION OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ESTABLISHING THE APPROPRIATIONS LIMIT FOR FISCAL YEAR 2010-11

WHEREAS, Article XIIIB of the California Constitution and Section 7910 of the California Government Code require that each year the Moreno Valley Community Services District (District) shall by resolution, establish an appropriations limit for the District for the following fiscal year; and

WHEREAS, the City Council, acting in its capacity as the Board of Directors of the District, has received the Preliminary Base Operating Budget for Fiscal Year 2010-11, a copy of which is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said budget contains the estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the District; and

WHEREAS, the District's Financial & Administrative Services Department has heretofore prepared and submitted data and documentation required for and to be used in the determination of certain matters and for the establishment of an appropriations limit for the District for Fiscal Year 2010-11 and such data and documentation has been available to the public for at least fifteen days prior to adoption of this Resolution; and

WHEREAS, the City Council, acting in its capacity as the Board of Directors of the District, has considered pertinent data and documentation and made such determinations as may be required by law, and has adopted this Resolution at a regularly scheduled meeting of the Board of Directors of the District; and

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT DOES HEREBY RESOLVE AS FOLLOWS:

1. That $13,567,175 is hereby established as the appropriations limit for the Moreno Valley Community Services District for Fiscal Year 2010-11.

2. The District's Board of Directors hereby adopts the findings and methods of calculations set forth in Exhibit A, the Proceeds of Tax Calculation, Exhibit B, the Appropriation (Gann) Limit Calculation, and Exhibit C, the Summary of Annual Appropriation (Gann) Limits. To the extent permitted by applicable law, the

District reserves the right to change or revise any gross factors associated with the calculation of the limit established pursuant to Article XIIIB of the California Constitution if such changes or revisions would result in a more advantageous appropriations limit in the present or future.

3. Pursuant to Section 53901 of the California Government Code, by no later than August 30, 2010, the City Clerk, acting in the capacity of Secretary of the Moreno Valley Community Services District, shall file a copy of this Resolution with the Auditor of the County of Riverside.

4. Within fifteen days after the adoption of this Resolution, the City Clerk, acting in the capacity of Secretary of the Moreno Valley Community Services District, shall certify to the adoption thereof and, as so certified, cause a copy to be posted in at least three public places within the City.

BE IT FURTHER RESOLVED that this Resolution shall take effect immediately upon the date of its adoption.

APPROVED AND ADOPTED this 22nd day of June, 2010.

Report to City Council

TO: Mayor and City Council

FROM: Chris A. Vogt, P.E., Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: Public Hearing for Delinquent Residential Solid Waste Accounts

RECOMMENDED ACTION

Staff recommends that the City Council, after conducting the public hearing:

1. Approve placing the submitted list of delinquent solid waste accounts, available in the City Clerk's office, on the Fiscal Year (FY) 2010/2011 Riverside County property tax roll for collection; and

2. Direct the City Clerk to file with the Riverside County Auditor a certified copy of Resolution 2007-72 and the list of delinquent solid waste accounts as required by Section 5473.4 of the California Health and Safety Code and Section 6.02.030 of the City of Moreno Valley Municipal Code.

BACKGROUND

Waste Management of the Inland Empire bills residential customers quarterly for solid waste services. Payments are made directly to Waste Management in advance for the following quarter. When a customer fails to make payment and the bill becomes more than sixty (60) days past due, the collection of the delinquent account is placed on the Riverside County property tax roll. This procedure was authorized by prior enactments of the City Council as reflected in Section 6.02.030 of the Moreno Valley Municipal Code. The option to collect delinquent payments was negotiated as part of the franchise agreement.

DISCUSSION

The City Council approved the collection of delinquent solid waste accounts through the property tax roll process on March 1, 1993. Since that time, delinquent charges have been placed on property tax bills annually in June.

Waste Management of the Inland Empire has submitted a preliminary list of approximately 7,215 delinquent accounts. This delinquent list is to be placed on the FY 2010/2011 tax roll if approved by Council. An official copy of the list is available in the City Clerk's office for public viewing. The maximum charge to be placed on the tax roll is $1,529,722,86. Although Waste Management accepted payment on delinquent accounts until June 18, 2010, there may be some additional deletions to the list or minor adjustments to the amounts prior to final submittal to the Riverside County Auditor.

As part of the notification process, Waste Management has mailed a "Notice of Delinquent Account" to the affected property owners and account holders, informing them of the intent to place all delinquent charges on the tax roll. These notifications are mailed on a quarterly basis which is over and above the minimum notification requirements as per Section 5470 of the California Health and Safety Code and the Moreno Valley Municipal Code Section 6.02.030. A public posting of the Council's action, in accordance with Section 6066 of the Government Code, is all that is required by law.

Procedurally, in order to collect these delinquent charges on the County tax roll, the City must file with the County Auditor a certified copy of Resolution 2007-72 along with the report as specified in California Health and Safety Code Section 5473.4 and Section 6.02.030 of the Moreno Valley Municipal Code.

ALTERNATIVES

1. Approve placing the submitted list of delinquent solid waste accounts, available in the City Clerk's office, on the Fiscal Year (FY) 2010/2011 Riverside County property tax roll for collection and direct the City Clerk to file with the Riverside County Auditor a certified copy of Resolution 2007-72 and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code.

2. Do not approve placing the submitted list of delinquent solid waste accounts, available in the City Clerk's office, on the Fiscal Year (FY) 2010/2011 Riverside County property tax roll for collection and do not direct the City Clerk to file with the Riverside County Auditor a certified copy of the proposed resolution and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code. *If Council does not approve the placement of the delinquent solid waste accounts on the tax roll, it could result in a net loss of revenue to the City of approximately $185,555 in franchise fees.*

FISCAL IMPACT

The City receives a 12.13% franchise fee for revenue generated from the collection of delinquent accounts at the time of collection. Placement of these delinquent charges on the County property tax roll will ensure the City receives the revenues due from this

MV00062614

source which would be approximately $185,555. This amount is deposited into the general fund. **There would be a potential increase in revenues that could impact the general fund.**

Solid waste services are exempt from Proposition 218, as stated in Section 6(c) Property Related Fees and charges. This is because the obligation to pay does not arise due to the customer owning the property, it arises because the property is used in a way which generates trash, and the customer did not choose to legally self-haul. Furthermore, the fee is not an encumbrance on the property, although delinquent fees can become the subject of a judgment lien.

CITY COUNCIL GOALS

Revenue Diversification and Preservation - Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness - Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

NOTIFICATION

A "Notice of Public Hearing" was published on June 8, 2010 and June 15, 2010, in The Press Enterprise in accordance with Section 6066 of the Government Code. A public posting of Council's action will also be done in accordance with section 6066 of the Government Code. In addition, Waste Management mailed payment requests to the attached accounts through a separate notice sent to property owners where the property could be identified as non-owner occupied. An official list of the submitted delinquent accounts is available in the City Clerk's office. This list represents the maximum charges which can be placed on the property tax roll for FY 2010/2011.

RESOLUTION NO. 2007-72

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, REPEALING, REVISING AND REENACTING THE PROVISIONS OF RESOLUTION 2005-53, AND AUTHORIZING THE COLLECTION OF DELINQUENT AND UNPAID TAXES AND CHARGES FOR SOLID WASTE COLLECTION ON THE TAX ROLL.

WHEREAS, the City Council has heretofore adopted Chapter 6.02 of Title 6 of the City of Moreno Valley Municipal Code relating to refuse collection, transfer and disposal services; and

WHEREAS, Section 6.02.030 of Chapter 6.02 provides for the collection of delinquent and unpaid fees and charges on the tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Section 5473 of the California Health and Safety Code; and

WHEREAS, said delinquent and unpaid fees and charges are those fees and charges for which services have been rendered but which have not been paid for more than sixty (60) days after the billing date; and

WHEREAS, Section 5473.10 of the Health and Safety Code provides that in addition to delinquent fees and charges, the amount collected on the tax roll may also include a 10% basic penalty for nonpayment of those fees and charges and, in addition, a penalty of 1½% per month for nonpayment of those fees, charges and the basic penalty; and

WHEREAS, it is in the best interests of the City that delinquent and unpaid fees and charges for refuse collection be collected on the tax roll; and

WHEREAS, the City Council has heretofore caused a report to be prepared, a copy of which is on file in the office of the City Clerk, which identifies each parcel of real property (without consideration of the value of said property) receiving such refuse collection services and facilities and the amount of the delinquent fees and charges for each parcel for the year which remain outstanding, computed in conformity with the charges prescribed by Chapter 6.02, and has caused notice of said report and of a public hearing thereon to be duly given; and

WHEREAS, the City Council has held said hearing, at which all persons wishing to be heard were heard, and at which hearing the City Council heard and considered all objections and protests, if any;

EXHIBIT A

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. Resolution No. 2005-53, as adopted by the City Council on June 28, 2005, is hereby repealed, the repeal to be effective only upon the date of adoption of this resolution. No action commenced pursuant to the authority granted by Resolution No. 2005-53 shall be invalidated or otherwise affected by the repeal thereof.

2. Delinquent and unpaid fees and charges for solid waste collection as set forth in said report, and herein confirmed, shall be collected on the tax roll in the same manner, by the same persons as, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Chapter 6.02 of the City of Moreno Valley Municipal Code and Section 5473 of the California Health and Safety Code.

3. On or before August 10th of each year following the final determination of the delinquent charges, the City Clerk shall file with the auditor of the County of Riverside a certified copy of this resolution together with a certified copy of said report endorsed with a statement over her signature that the report has been finally adopted by the City Council.

4. The auditor shall enter the amounts of the charges against the respective lots of parcels of land as they appear on the current assessment roll.

5. Said election to collect delinquent and unpaid fees and charges shall remain in effect until December 31, 2012, unless otherwise repealed or amended by the City Council.

APPROVED AND ADOPTED this 26th day of June, 2007.

Report to City Council

TO: Mayor and City Council

FROM: William Bopf, Interim City Manager

AGENDA DATE: June 22, 2010

TITLE: CONSIDERATION OF A REQUEST TO RECORD A COVENANT TO HOLD NINE SEPARATE PARCELS AS ONE TO ALLOW THE CITY OF MORENO VALLEY TO ISSUE A BUILDING PERMIT TO CONSTRUCT THE FOUNDATION AND SLAB FOR A 1.8 MILLION SQUARE FOOT WAREHOUSE/DISTRIBUTION CENTER BUILDING (SKECHERS) IN THE GENERAL AREA BETWEEN REDLANDS BOULEVARD AND THEODORE STREET ON THE NORTH SIDE OF EUCALYPTUS AVENUE. (PROPERTY OWNER: HIGHLAND FAIRVIEW PROPERTIES)

RECOMMENDED ACTION

Staff recommends that the City Council deny a request from Highland Fairview for a covenant to hold nine parcels as one to allow the City to issue a building permit for the Skechers warehouse/distribution center building.

ADVISORY BOARD/COMMISSION RECOMMENDATION

None.

BACKGROUND

In February 2009, the City Council approved a tentative parcel map to subdivide a 158 gross acre site (265.3 acres including offsite improvements and drainage facilities) consisting of thirteen (13) legal parcels into four (4) buildable parcels and two (2) parcels dedicated for future freeway improvements to construct a warehouse/distribution center building approximately 1.8 million square feet in floor area and related ancillary improvements. The proposed building and improvements will house a new Skechers facility.

Highland Fairview has been working toward approval and recordation of the final parcel map to allow the City to issue a building permit to begin construction on the Skechers warehouse/distribution center building. There have been a number of complications and delays outside of the control of the City and Highland Fairview which have caused the recordation of the final parcel map to take longer than anticipated.

Highland Fairview is requesting the City Council approve and accept a covenant to hold nine (9) existing parcels as one (1) and obligate the City to issue a building permit while the final parcel map is working it's way through the review and approval process and eventual recordation by Riverside County. Highland Fairview has prepared the aforementioned "Covenant and Agreement to Hold Parcels as One" instrument for the City Council's consideration and approval leading to the issuance of a building permit by the City (See Exhibit "A").

DISCUSSION

City Staff has spent a considerable amount of time evaluating Highland Fairview's request to hold the various parcels as one for the issuance of a building permit to begin construction of the Skechers warehouse/distribution center building (see Exhibit "B"). This development is subject to the Subdivision Map Act of the State of California and is required to record a final parcel map. The Subdivision Map Act provides that no person shall commence construction of any building for sale or lease for which a final map is required until the final map in full compliance with the Act and any local ordinance has been filed for recording by the county recorder of the county in which the project is located. (Government Code Section 66499.30). The City may accept a covenant such as proposed here. However, acceptance of such a covenant does not permit the City to issue a building permit allowing construction to begin prior to recordation of a final parcel map. The Moreno Valley Municipal Code expressly prohibits issuance of a building permit that is inconsistent with state or local law. (MVMC §8.14.040). The Subdivision Map Act requires that a parcel map be prepared and recorded to accomplish the proposed merger of lots requested here and the City's ordinances require that approval of a tentative and final parcel map process be followed. Therefore, a strict interpretation of the Map Act would prohibit the issuance of any building permit until a final parcel map is recorded.

The risks to the City of issuing a building permit that allows construction to begin prior to recordation of a final parcel map include both practical and legal considerations. When a building permit is issued and construction begins on a project, the developer may claim that he has obtained a vested right to complete construction regardless of whether he completes work necessary to meet the conditions of approval for the tentative parcel map. This puts the City in a very difficult position in the event that any dispute might arise regarding compliance with the conditions of approval and invites litigation to resolve the question.

MV00062622

Attorneys for Highland Fairview submitted written opinions to the City contending that the Subdivision Map Act does not apply and that through the covenant a building permit can be issued. One of those opinions contends that Highland Fairview can covenant to hold the 13 parcels that will be merged and resubdivided by the final parcel map as one parcel for purposes of issuing a building permit. The attorney cites law from the City of San Diego Municipal Code in support of this theory. Those citations are taken from San Diego's lot merger ordinance (San Diego Municipal Code Section 125.0701 *et seq*.) which tracks precisely the standards set forth in California Government Code Section 66451.11, which provides a method for local governments to compel or permit merger of **substandard** lots that were legally created in the past but that no longer meet development standards. Because this provision of law only applies to substandard lot mergers rather than to situations where a merger is being effectuated under the provisions of Government Code Section 66499.201/2, it has no relevance to the current project.

A second attorney for Highland Fairview is of the opinion that neither the Subdivision Map Act nor the California Building Code prohibits construction of a building across property lines and that the lot-tie agreement they propose is a legally permissible alternative to the parcel merger provisions of the Subdivision Map Act. In essence, the opinion is that the Subdivision Map Act is intended to prevent multiple buildings on one parcel being sold off separately and shouldn't be read to apply to situations where one building is built across multiple parcels and are bound by recorded covenant to only be sold as a whole. The attorney also opines that the provisions in the California Building Code requiring firewall protection where property lines bisect buildings are meant to apply only where the spaces on either side of the property line are intended to be separate buildings, not where they are intended to be one building. The attorney acknowledges, however, that neither the Subdivision Map Act, nor any case law, specifically authorizes a lot-tie agreement procedure for issuance of a building permit before final parcel map recordation. The attorney opines that since there are no cases finding such a procedure illegal and that both the City of Los Angeles and the City of San Diego have policies permitting such a procedure, it therefore should be considered legal and acceptable.

Generally, issuance of a building permit is the last discretionary approval prior to commencement of construction and sets the final conditions, including development fees, necessary to be met before construction begins. Where, as here, construction cannot begin until a final parcel map is recorded, in order to comply with applicable law, any building permit that is issued would necessarily have to be conditioned on first filing the final parcel map. In that Highland Fairview wants to obtain a building permit for the express purpose of beginning construction, any building permit issued permitting such construction to commence could violate provisions of both the Subdivision Map Act and the City's Municipal Code.

However, due to the complications and delays in getting the final parcel map approved and recorded, which delays are outside of the control of the City and Highland Fairview, delay in issuing a building permit may cause an economic hardship to Highland Fairview

and perhaps delay completion of construction of the Skechers warehouse/distribution center building. Therefore, staff has contacted other cities to determine alternative approaches that might accommodate Highland Fairview's request. Highland Fairview suggested that we contact the City of San Diego because they allow what Highland Fairview is requesting. After discussing this matter with the Director of Community Development Services for the City of San Diego, staff has learned that the City of San Diego allows issuance of a building permit for projects subject to the Subdivision Map Act where construction will cross property lines and easements before a final map is recorded if the following requirements have been met: (1) all lots are owned by the same entity; (2) the project has approved building plans; (3) the developer has complied with all conditions of approval for the issuance of a building permit; (4) the developer has complied with all requirements for approval of the final map except for approval and recordation; (5) the final lot configuration is shown on the map that is being processed; (6) there is in place a lot-tie agreement (covenant to hold property as one parcel); (7) all Public Improvement Agreements have been executed and the required security has been posted; (8) the holders of all easements across which construction will occur have either abandoned their easements, or give written permission for construction across their easements; and (9) the developer executes an encroachment and removal agreement.

When asked as to the legal authorization for San Diego to proceed in this manner staff was told that it is San Diego's view that if all requirements for issuance of a building permit have been complied with, and the requirements for filing a final map have been met except for the actual approval and filing, then San Diego believes that the spirit of the Subdivision Map Act has been met and the public has been protected and that a building permit can be issued. San Diego is a charter city exempt from certain state laws and has adopted a policy with procedures to implement this process. The City of Moreno Valley is a general law city subject to all state laws and has not adopted ordinances, policies or procedures to accomplish what is being requested.

Therefore, if the City Council determines that it is in the best interests of the City to accept the covenant and issue a building permit, staff recommends the following: (1) the covenant be amended to reflect issuance of a limited purpose building permit for foundation and slab construction only; (2) Highland Fairview be required to comply with the same requirements as those of the City of San Diego, namely: (a) all lots be owned by the same entity, (b) approval of separate foundation and slab only building plans, (c) compliance with all conditions of approval for the issuance of a building permit except recording of the final map, (d) compliance with all requirements for recording the final map except for actual final map approval and recordation; (e) the final lot configuration be shown on the map that is being processed, (f) there be in place a lot-tie agreement (covenant to hold property as one parcel), (g) all Public Improvement Agreements have been executed and the required security has been posted, (h) the holders of all easements across which construction will occur have either abandoned or given written permission for construction across their easements, and (i) the developer executes an encroachment and removal agreement; (3) Highland Fairview execute a written agreement accepting and committing to the requirements as outlined herein; (4)

MV00062624

Highland Fairview agrees in writing that the City is only issuing a limited purpose building permit for foundation and slab construction only; (5) Highland Fairview agrees in writing that the permit shall only be valid for one hundred twenty (120) days and that it shall automatically expire on the one hundred twenty- first (121 st) day; (6) Highland Fairview agrees in writing that the final parcel map shall be recorded before expiration of the one hundred twenty (120) days; (7) Highland Fairview agrees in writing that if the final map is not recorded within the one hundred twenty (120) days that all construction pursuant to the limited purpose building permit shall cease until the final parcel map is recorded; (8) Highland Fairview agrees in writing that if any of the installed improvements are ordered to be removed that Highland Fairview will bare sole responsibility for same without recourse against the City; (9) Highland Fairview agrees in writing that said agreement shall not be extended beyond its original term; and (10) Highland Fairview in writing to defend and indemnify the City for all costs and legal fees which may be incurred as a result of said agreement or the issuance of a limited purpose building permit for the foundation and slab only.

As submitted, staff cannot recommend that the draft Proposed Covenant to Hold Property as One (attached hereto as Exhibit A) be accepted by the City.

ALTERNATIVES

1. Deny Highland Fairview's request for a covenant to hold nine (9) parcels as one (1) for the purpose of obtaining a building permit. Staff recommends this action.
2. Take no action.
3. If the City Council determines that it is in the best interests of the City to accept the covenant and issue a building permit, the following conditions be placed on acceptance of the covenant and issuance of a building permit: (1) the covenant be amended to reflect issuance of a limited purpose building permit for foundation and slab construction only; (2) Highland Fairview be required to comply with the following requirements as a condition of acceptance of the covenant and prior to issuing a limited building permit for foundation and slab construction only: (a) proof that all lots are owned by the same entity, (b) approval of separate foundation and slab only building plans, (c) compliance with all conditions of approval for the issuance of a building permit except recording of the final map, (d) compliance with all requirements for recording the final map except for actual final map approval and recordation; (e) the final lot configuration be shown on the map that is being processed, (f) there be in place a lot-tie agreement (covenant to hold property as one parcel), (g) all Public Improvement Agreements have been executed and the required security has been posted, (h) the holders of all easements across which construction will occur have either abandoned or given written permission for construction across their easements, and (i) Highland Fairview executes an encroachment and removal agreement; (3) Highland Fairview execute a written agreement accepting and committing to the requirements as outlined herein; (4) Highland Fairview agrees in writing that the City is only issuing a limited purpose building permit for foundation and slab construction only; (5) Highland Fairview agrees in writing that the permit shall

MV00062625

only be valid for one hundred twenty (120) days and that it shall automatically expire on the one hundred twenty-first (121st) day; (6) Highland Fairview agrees in writing that the final parcel map shall be recorde d before expiration of the one hundred twenty (120) days; (7) Highland Fairview agrees in writing that if the final map is not recorded within the one hundred twenty (120) days that all construction pursuant to the limited purpose building permit shall cease until the final parcel map is recorded; (8) Highland Fairview agrees in writing that if any of the installed improvements are ordered to be removed that Highland Fairview will bare sole responsibility for same without recourse again st the City; (9) Highland Fairview agrees in writing that said agreement shall not be extended beyond its original term; and (10) Highland Fairview in writin g to defend and indemnify the City for all costs and legal fees which may be incurred as a result of said agreement or the issuance of a limited purpose building permit for the foundation and slab only.

FISCAL IMPACT

None.

NOTIFICATION

Staff has notified Highland Fairview that the City Council will discuss the subject matter at its June 22 meeting.

COVENANT AND AGREEMENT TO HOLD PROPERTY AS ONE PARCEL

The undersigned ("Owner") hereby certifies to the City of Moreno Valley (the "City") that it is the lawful owner of the real property described in **Exhibit "A"** attached hereto (the "Property"), which Property is located in the City, County of Riverside, State of California.

Owner does hereby covenant and agree with the City that the Property shall be held as one parcel and no portion less than the whole thereof will be sold, disposed of, or in any way divided or hypothecated for any purpose whatsoever other than in accordance with the California Subdivision Map Act, any other applicable State law, and the Municipal Code of the City. As a result, the Property will remain as nine (9) separate legal parcels until released as provided below.

Owner further covenants that the final map (No. 35629) covering the Property will be recorded in the office of the Riverside County Recorder no later than December 21, 2010.

This covenant and agreement shall run with the land and shall be binding upon Owner, any future owners or encumbrancers of the Property, and their respective successors, heirs and assigns. This covenant and agreement shall continue in effect until such time that the City releases the Property from the effect hereof by a written and recorded instrument, upon request of Owner and evidence that this covenant and agreement is no longer required by law.

The purpose of this covenant and agreement is to enable Owner to obtain building permits and to commence construction of buildings and other improvements on the Property.

Report to City Council

TO: Mayor and City Council Acting in their Capacity as the President and Members of the Board of Directors of the Moreno Valley Community Services District (CSD)

FROM: Chris A. Vogt, P.E., Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: PUBLIC MEETING TO CONSIDER PUBLIC COMMENTS REGARDING THE MAIL BALLOT PROCEEDINGS FOR SELECTED TRACTS FOR A PROPOSED INCREASE IN THE CSD ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE

RECOMMENDED ACTION

Staff recommends that the Mayor and City Council, acting in their capacity as President and Members of the Board of Directors of the CSD ("CSD Board"), accept public comments regarding the mail ballot proceedings for a proposed increase in the CSD Zone D annual parcel charge for Tracts 12773, 19210, 19937, 20404, 20579, 20718, 21113, 21333, 21597, 22889, 28882, 31257, 31269-1, and 32018.

ADVISORY BOARD/COMMISSION RECOMMENDATION

N/A

BACKGROUND

The Moreno Valley CSD was formed simultaneously with City incorporation in 1984. The designation of zones within the CSD was established to allocate the cost of special services to those parcels receiving the service. Each zone provides specific services to designated areas. The Zone D program provides parkway landscape maintenance at the entry of a tract, around its perimeter, or in the median adjacent to the tract.

The Moreno Valley CSD provides services through full-cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility

charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

DISCUSSION

Every year, the CSD compares the cost to provide the service to the revenue received from each tract. Higher costs for electricity, water, and labor rates have impacted the overall program costs. The CSD has determined that the annual expenditures for Tracts 12773, 19210, 19937, 20404, 20579, 20718, 21113, 21333, 21597, 22889, 28882, 31257, 31269-1, and 32018 exceed the annual parcel charge paid by the property owners. The CSD Board was informed at the April 20 Study Session of the necessity to ballot these tracts for an increase in the CSD Zone D annual charge in order to maintain services at the current standard service level.

In compliance with Proposition 218, which requires that any new or proposed increase in property-related assessments, fees, or charges be submitted to property owners for approval, mail ballot proceedings are being conducted to allow property owners within Tracts 12773, 19210, 19937, 20404, 20579, 20718, 21113, 21333, 21597, 22889, 28882, 31257, 31269-1, and 32018 the opportunity to approve or oppose the proposed increase in the CSD Zone D annual parcel charge. The proposed CSD Zone D parcel charge for each tract is listed below.

Tract	Current CSD Zone D Annual Parcel Charge*	Proposed CSD Zone D Annual Parcel Charge*
12773	$80.00	$121.00
19210	$68.00	$112.00
19937	$107.10	$157.00
20404	$97.00	$178.00
20579	$57/$106.10/$158 .10	$144.00
20718	$139.10	$234.00
21113	$57.00	$89.00
21333	$208.20	$345.00
21597	$295.20	$473.00
22889	$186.00	$313.00
28882	$103.10	$179.00
31257	$1,050.00	$1,414.00
31269-1	$295.20	$355.00
32018	$68.00	$160.00

*The CSD Zone D annual charge may be subject to an annual inflation adjustment in subsequent years based on the annual percentage change calculated for the previous calendar year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

MV00062638

Property owners are given two opportunities to address the legislative body. These two opportunities are the Public Meeting on June 22, 2010 and the Public Hearing on July 13, 2010.

If a tract approves the proposed increase by a simple majority (50%+1) of the returned valid ballots, the proposed CSD Zone D parcel charge will be levied on the 2010/11 Riverside County property tax bill. If a tract opposes the proposed increase by a simple majority of the returned valid ballots, the existing CSD Zone D parcel charge shall continue to be levied on the property tax bill, which may include an annual inflation adjustment. The CSD will evaluate the level of landscape service to be provided based on the City Council/CSD Board approved Zone D (Parkway Landscape Maintenance) Service Plan, General Management Policy #2.30.

If revenues from a tract do not support the lowest level of reduced landscape maintenance service, the property owners will be notified that the CSD is unable to provide the landscape maintenance service. Property owners may consider the option of forming a homeowners association, or other method, to continue the landscape maintenance.

ALTERNATIVES

1. **Accept public comments** regarding the mail ballot proceedings for the selected tracts for the proposed increase in the CSD Zone D annual parcel charge. *By accepting public comment, the City complies with Proposition 218 state statutes for providing public comment in a mail ballot proceeding.*

2. **Do not accept public comments** regarding the mail ballot proceedings for the selected tracts for the proposed increase in the CSD Zone D annual parcel charge. *This alternative would be contrary to state statutes.*

FISCAL IMPACT

The CSD provides services through various zones, such as Zone D (Parkway Landscape Maintenance), which are full-cost recovery programs. **The collection of the CSD Zone D annual charge is restricted for landscape maintenance services and administration of the CSD Zone D program. There is no impact on the General Fund for the operation of the CSD Zone D program.**

CITY COUNCIL GOALS

Community Image, Neighborhood Pride, and Cleanliness
Continuation of the Zone D services in the landscaped areas of the selected tracts shall allow the CSD to maintain the current appearance of the area.

Revenue Diversification and Preservation
The proposed CSD Zone D parcel charge for the selected tracts is based upon actual costs, which include maintenance and administration.

SUMMARY

The action before the CSD Board is to accept public comments regarding the mail ballot proceedings for the selected Zone D tracts.

NOTIFICATION

On May 28, 2010, a ballot packet was mailed to each property owner within the affected tracts. The packet included a cover letter, notice to property owner, 2010/11 budget, history of charges, map, CSD Zone D service levels, official mail ballot, and a postage-paid envelope for returning the ballot. A sample mail ballot packet for each tract is included as Attachments 1 through 14.

Newspaper advertising for the June 22, 2010, Public Meeting and July 13, 2010, Public Hearing was published in The Press-Enterprise on June 3, 2010. Additionally, the Public Hearing notification will be published on June 24 and again on July 1, 2010.

Subject: Mail Ballot Proceeding for Tract 12773 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 12773 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $41.00 annual increase per parcel, which is equivalent to a $3.42 increase per month. The increase will adjust the annual charge from $80.00 to $121.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 12773 at the current standard service level. The total approved charge of $121.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A. Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 12773

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 12773, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 12773:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 12773 is $121.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

2 **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

MV00062644

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $80.00 to $121.00 for FY 2010/11. The parcel charge is subject to an annual inflation adjustment.

If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

BALLOT MARKS

Appropriate ballot markings include any one of the following for either the YES/ Approved or NO/ Not Approved blank box:

A check mark substantially inside a box;

An X mark substantially inside a box;

A dot or oval mark substantially inside a box;

A completely shaded or filled mark substantially inside a box;

A line, single or dashed, or combination of lines, through the box area. Lines may be any **one of the following marks:** horizontal, vertical, or diagonal. The mark may either run from side to side or corner to corner. All valid lines must be substantially within the box area and not marking any part of another blank box on the ballot;

A circle around the box **and/ or** associated clause; or

A square or rectangle around the box **and/ or** associated clause.

Balloting marks shall not extend past one box area into any portion of another nor surround the perimeter or any portion of more than one box area. Markings that extend past one box area into any portion of another or surround the perimeter or any portion of more than one box area shall be considered invalid and not counted.

Ballot Mark Revisions (Changes)

An error or desire to revise (change) a selection made on the ballot may be completed and returned any time **prior** to the conclusion of public testimony at the Public Hearing. **The revision must be initialed by the record owner(s) of property. Initials must be clearly printed and placed at the right top corner of the revised selection.**

Subject: Mail Ballot Proceeding for Tract 19210 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 19210 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $44.00 annual increase per parcel, which is equivalent to a $3.67 increase per month. The increase will adjust the annual charge from $68.00 to $112.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 19210 at the current standard service level. The total approved charge of $112.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 19210

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 19210, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 19210:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 19210 is $112.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% +1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $68.00 to $112.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 19287 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 19287 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $49.90 annual increase per parcel, which is equivalent to a $4.16 increase per month. The increase will adjust the annual charge from $107.10 to $157.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 19287 at the current standard service level. The total approved charge of $157.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 19937

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 19937, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL** **COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 19937:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 19937 is $157.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062664

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% +1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $107.10 to $157.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

BALLOT MARKS

Appropriate ballot markings include any one of the following for either the YES/ Approved or NO/ Not Approved blank box:

A check mark substantially inside a box;

An X mark substantially inside a box;

A dot or oval mark substantially inside a box;

A completely shaded or filled mark substantially inside a box;

A line, single or dashed, or combination of lines, through the box area. Lines may be any **one of the following marks:** horizontal, vertical, or diagonal. The mark may either run from side to side or corner to corner. All valid lines must be substantially within the box area and not marking any part of another blank box on the ballot;

A circle around the box **and/ or** associated clause; or

A square or rectangle around the box **and/ or** associated clause.

Balloting marks shall not extend past one box area into any portion of another nor surround the perimeter or any portion of more than one box area. Markings that extend past one box area into any portion of another or surround the perimeter or any portion of more than one box area shall be considered invalid and not counted.

Ballot Mark Revisions (Changes)

An error or desire to revise (change) a selection made on the ballot may be completed and returned any time **prior** to the conclusion of public testimony at the Public Hearing. **The revision must be initialed by the record owner(s) of property. Initials must be clearly printed and placed at the right top corner of the revised selection.**

Subject: Mail Ballot Proceeding for Tract 20404 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 20404 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance. Every year, the CSD compares the cost to provide the service to the revenue received for each tract. Higher costs for electricity, water, and maintenance costs have impacted the overall program costs. The CSD has determined that the annual expenses for Tract 20404 exceed the annual parcel charge paid by the property owners.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing an $81.00 increase per parcel, which is equivalent to a $6.75 increase per month. The increase will adjust the annual charge from $97.00 to $178.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 20404 at the current standard service level. The total approved charge of $178.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 20404

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 20404, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 20404:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 20404 is $178.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $97.00 to $178.00 for FY 2010/11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 20579 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 20579 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing an $87.00 increase per parcel, which is equivalent to a $7.25 increase per month. The increase will adjust the annual charge from $57.00 to $144.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 20579 at the current standard service level. The total approved charge of $144.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 20579

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 20579, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 20579:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 20579 is $144.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951.413.3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of the Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062684

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $57.00 to $144.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 20718 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 20718 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $94.90 increase per parcel, which is equivalent to a $7.91 increase per month. The increase will adjust the annual charge from $139.10 to $234.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 20718 at the current standard service level. The total approved charge of $234.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 20718

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 20718, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 20718:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 20718 is $234.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062694

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $139.10 to $284.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

BALLOT MARKS

Appropriate ballot markings include any one of the following for either the YES/ Approved or NO/ Not Approved blank box:

A check mark substantially inside a box;

An X mark substantially inside a box;

A dot or oval mark substantially inside a box;

A completely shaded or filled mark substantially inside a box;

A line, single or dashed, or combination of lines, through the box area. Lines may be any **one of the following marks:** horizontal, vertical, or diagonal. The mark may either run from side to side or corner to corner. All valid lines must be substantially within the box area and not marking any part of another blank box on the ballot;

A circle around the box **and/ or** associated clause; or

A square or rectangle around the box **and/ or** associated clause .

Balloting marks shall not extend past one box area into any portion of another nor surround the perimeter or any portion of more than one box area. Markings that extend past one box area into any portion of another or surround the perimeter or any portion of more than one box area shall be considered invalid and not counted.

Ballot Mark Revisions (Changes)

An error or desire to revise (change) a selection made on the ballot may be completed and returned any time **prior** to the conclusion of public testimony at the Public Hearing. **The revision must be initialed by the record owner(s) of property. Initials must be clearly printed and placed at the right top corner of the revised selection.**

Subject: Mail Ballot Proceeding for Tract 21113 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 21113 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $32.00 increase per parcel, which is equivalent to a $2.67 increase per month. The increase will adjust the annual charge from $57.00 to $89.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 21113 at the current standard service level. The total approved charge of $89.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 21113

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 21113, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 21113:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 21113 is $89.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $57.00 to $89.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 21333 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 21333 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $136.80 increase per parcel, which is equivalent to an $11.40 increase per month. The increase will adjust the annual charge from $208.20 to $345.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 21333 at the current standard service level. The total approved charge of $345.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 21333

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 21333, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 21333:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 21333 is $345.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. Adiminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062714

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $208.20 to $345.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

BALLOT MARKS

Appropriate ballot markings include any one of the following for either the YES/ Approved or NO/ Not Approved blank box:

A check mark substantially inside a box;

An X mark substantially inside a box;

A dot or oval mark substantially inside a box;

A completely shaded or filled mark substantially inside a box ;

A line, single or dashed, or combination of lines, through the box area. Lines may be any **one of the following marks:** horizontal, vertical, or diagonal. The mark may either run from side to side or corner to corner. All valid lines must be substantially within the box area and not marking any part of another blank box on the ballot;

A circle around the box **and/ or** associated clause; or

A square or rectangle around the box **and/ or** associated clause.

Balloting marks shall not extend past one box area into any portion of another nor surround the perimeter or any portion of more than one box area. Markings that extend past one box area into any portion of another or surround the perimeter or any portion of more than one box area shall be considered invalid and not counted.

Ballot Mark Revisions (Changes)

An error or desire to revise (change) a selection made on the ballot may be completed and returned any time **prior** to the conclusion of public testimony at the Public Hearing. **The revision must be initialed by the record owner(s) of property. Initials must be clearly printed and placed at the right top corner of the revised selection.**

Subject: Mail Ballot Proceeding for Tract 21597 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 21597 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $177.80 increase per parcel, which is equivalent to a $14.82 increase per month. The increase will adjust the annual charge from $295.20 to $473.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 21597 at the current standard service level. The total approved charge of $473.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062724

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $325.20 to $473.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 28889 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 28889 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $127.00 increase per parcel, which is equivalent to a $10.58 increase per month. The increase will adjust the annual charge from $186.00 to $313.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 28889 at the current standard service level. The total approved charge of $313.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 22889

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 22889, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 22889:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 22889 is $313.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062734

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $186.00 to $313.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 28882 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 28882 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $75.90 increase per parcel, which is equivalent to a $6.33 increase per month. The increase will adjust the annual charge from $103.10 to $179.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 28882 at the current standard service level. The total approved charge of $179.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 28882

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 28882, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 28882:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 28882 is $179.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of the Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062744

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $103.10 to $179.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 31257 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 31257 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $364 increase per parcel, which is equivalent to a $30.33 increase per month. The increase will adjust the annual charge from $1,050 to $1,414 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 31257 at the current standard service level. The total approved charge of $1,414 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 31257

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 31257, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 31257:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 31257 is $1,414 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951.413.3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Property owners may submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062754

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $1,050 to $1,414 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 31269-1 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 31269-1 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $59.80 increase per parcel, which is equivalent to a $4.98 increase per month. The increase will adjust the annual charge from $295.20 to $355.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 31269-1 at the current standard service level. The total approved charge of $355.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062764

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $285.20 to $355.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 32018 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 32018 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $92.00 annual increase per parcel, which is equivalent to a $7.67 increase per month. The increase will adjust the annual charge from $68.00 to $160.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 32018 at the current standard service level. The total approved charge of $160.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 32018

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 32018, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 32018:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 32018 is $160.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951.413.3480 para obtener información verbal en Español

The annual parcel charge may be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which may include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the Board of the CSD.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00062774

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary to the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary to the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $168.00 to $160.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Report to City Council

TO: Mayor and City Council

FROM: Jane Halstead, City Clerk, CMC

AGENDA DATE: June 22, 2010

TITLE: APPOINTMENTS TO THE CITY COUNCIL ADVISORY BOARDS AND COMMISSIONS

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Review the ballots for appointments to various City Council Boards and Commissions (to be provided by the City Clerk) and mark your choices where appropriate; or

2. If appointments are not made, declare the positions vacant and authorize the City Clerk to re-notice the positions as vacant.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

Applications were accepted by the City Clerk's Office to fill vacancies for the various City Council Boards and Commissions, with certain terms expiring June 30, 2010.

Members with expiring terms were notified and advised of the need to submit a new application to be considered for reappointment. Appropriate time frames with respect to posting notices of vacancies were followed.

As provided in the City's Municipal Code, the appointees will serve without compensation for designated terms.

Pursuant to Municipal Code Subsection 2.06.010(e), "Unless otherwise specifically provided by the action establishing the body or appointing its initial members, no person shall be at the same time a member of more than one citizens' advisory body created by ordinance or resolution of the City Council." This section of the code is waived for members of the Accessibility Appeals Board. George W. Brummer applied for the Parks and Recreation Commission Traffic Safety Commission.

Per the Council-adopted policy, prospective applicants are required to attend at least one meeting of their desired board or commission prior to appointment. Marie Hyte, an applicant to the Parks and Recreation Commission, is planning to attend a meeting in May.

The commissions, boards, applicants, and vacancies to be filled are as follows:

ALTERNATIVES

Members of the Council appointed boards and commissions serve in an advisory capacity to the City Council. Choosing not to appoint members to the above-mentioned boards and commissions would result in decreased participation from residents. This option is not consistent with the City Council goal of creating a positive environment for the development of Moreno Valley's future. Therefore, staff recommends that the City Council make the recommended appointments.

FROM: Barry Foster, Economic Development Director

AGENDA DATE: June 22, 2010

TITLE: RESOLUTIONS TO PLACE A MEASURE RELATING TO THE TRANSIENT OCCUPANCY TAX ON THE NOVEMBER 2, 2010 GENERAL MUNICIPAL ELECTION BALLOT

RECOMMENDED ACTION

1. That the City Council consider whether to place on the ballot for the November 2, 2010 election the proposed Initiative Ordinance, "An Initiative Ordinance of the Voters of the City of Moreno Valley Amending Section 3.24.030 of the Moreno Valley Municipal Code to increase the existing transient occupancy tax rate from 8% to 11%."

2. That, if the Council decides to place such initiative on the ballot, the City Council adopt the following resolutions:

   Resolution No. 2010-61, calling and giving notice of a general municipal election on Tuesday, November 2, 2010, for the submission to the voters of the City a proposed ordinance amending the City's transient occupancy tax and requesting the County of Riverside to consolidate the City's general municipal election with the special and general municipal elections held within Riverside County on that date.

   Resolution No. 2010-62, directing the City Attorney to prepare an impartial analysis, setting priorities for filing written arguments, and providing for rebuttal arguments regarding the Moreno Valley transient occupancy tax measure.

BACKGROUND

California Revenue and Taxation Code authorizes the legislative body of any city or county in the State to levy a tax on the privilege of occupying a hotel room or other

lodging establishment for a period of 30 days or less. This tax is commonly referred to as a "transient occupancy tax" or "hotel tax" and is collected to offset costs incurred by the City to provide services such as street maintenance, traffic control, public safety, and parks to transient occupants.

The City of Moreno Valley's Transient Occupancy Tax (TOT) Ordinance was adopted by the City Council upon incorporation in 1984 and is codified as Chapter 3.24 of the Moreno Valley Municipal Code. The TOT was established at the rate of 8% and has not changed in the past 26 years.

DISCUSSION

The City's declining General Fund revenues have prompted significant staffing reductions and other expenditure reductions since the economic recession began in late 2007. Staff continues to look for ways to generate additional revenue to continue to provide essential services to the residents of Moreno Valley. Two years ago, the City Council received information from Staff regarding the merits and process of asking voters to increase the TOT rate for Moreno Valley. However, it was determined that a ballot measure to modernize the Utility Users Tax was a more pressing need for the City at that time and that an increase of the TOT would be better pursued in a later election period. Staff is now recommending a ballot measure to amend the TOT ordinance in the November 2010 election to increase the City's TOT rate and enhance general fund revenues, while keeping pace with other nearby cities' TOT rates.

The City is projected to collect approximately $400,000 in TOT revenue in FY 2009-10. Please note this is down from the $593,000 collected in FY 2007-08, which was the City's highest TOT revenue producing period. This represents just one half of one percent of the total General Fund revenues expected for the fiscal year. On average before the economic downturn—TOT revenues have typically been just slightly below 1% of total General Fund revenues. The proposed TOT increase from 8% to 11% is expected to enhance General Fund revenues by $150,000 to $250,000 per year (depending on the economy). Most importantly, the TOT revenue can be used to fund a variety of purposes to support City services including public safety, job creation, library services, and much more.

TOT is only imposed on people who occupy hotel/motel rooms in the City; it is collected by the hotels and transmitted to the City. Therefore, the proposed increase would impact only those who stay in Moreno Valley's hotels, typically travelers and visitors. There is no really impact on Moreno Valley residents unless they stay in a local hotel. The TOT is imposed on the room only; it is not applied to any other services offered by hotels such as banquet facilities, catering, food, spa, etc.

The benefits of considering an increase in the City's TOT rate include placement of greater share of tax burden in providing City services on transient travelers and visitors to the community. Using the TOT to spread out the cost of City services over a larger tax base (including visitors to Moreno Valley) actually reduces the cost of services to the

MV00062786

residents and businesses of Moreno Valley. If approved by Moreno Valley voters, the proposed increase would generate additional funds for services and operations and keep the City on pace and competitive with the TOT rates of other cities in Riverside County and Southern California:

City	TOT rate (%)
Anaheim	15
Los Angeles	14
Palm Springs	13.5
Banning	12
Ontario	11.8
Riverside	11
Norco	11
Beaumont	10
Corona	10
Hemet	10
Murrieta	10
Perris	10
Rancho Cucamonga	10
San Bernardino	10
Moreno Valley	**8**

The City currently has 11 hotels/motels ; including the recently opened Ayres Suites, along with two other hotels that have opened within the past 15 months—the Hampton Inn and LaQuinta Inn. Together, the three new hotels have added 320 additional hotel rooms—increasing the City's total rooms to 931 (a 53% increase in total rooms).

The hotel industry nationwide has not been immune to the recession and hotel occupancy rates are down along with hotel room revenues. Nationally as well as locally, both leisure and business travel is down. However, Moreno Valley has been identified as a positive location for new hotel development as evidenced by the three new hotels and several more planned projects looking to develop once the economy improves.

The City's TOT is a general tax and cannot be increased without a vote of the people pursuant to State law. If the City Council approves the proposed resolutions, a majority vote of Moreno Valley voters is required to increase the tax. The proposed ordinance amending the TOT rate is included in the attached resolution and the question submitted to the voters on the ballot would be as follows:

> "Shall the Transient Occupancy Tax assessed by the City for persons occupying hotel/motel rooms in the City of Moreno Valley be increased from eight percent (8%) to eleven percent (11%)?"

TOT ballot measures typically have a relatively high success rate. On the November, 2009 ballot, 11 California cities considered increasing their TOT and 9 of those passed. Two Riverside County cities were successful in increasing their TOT in that election –

the voters in Banning approved an increase from 6% to 12% and Norco increased their TOT rate from 8% to 11%.

ALTERNATIVES

1. Place a measure on the November 2, 2010 ballot to increase the City's TOT from 8% to 11% by adopting:

   Resolution No. 2010-61, calling and giving notice of a general municipal election on Tuesday, November, 2, 2010 for the submission to the voters of the City a proposed ordinance amending the City's transient occupancy tax and requesting the County of Riverside to consolidate the City's general municipal election with the special and general municipal elections held within Riverside County on that date; and

   Resolution No. 2010-62, directing the City Attorney to prepare an impartial analysis, setting priorities for filing written arguments, and providing for rebuttal arguments regarding the Moreno Valley transient occupancy tax measure.

2. Not place a measure on the November 2, 2010 ballot to increase the TOT.

FISCAL IMPACT

The proposed TOT increase from 8% to 11% is expected to increase General Fund revenues by $150,000 to $250,000 per year—depending on the economy. The cost to place a measure on the ballot is $5,000 and shall be funded by City Clerk's election budget.

CITY COUNCIL GOALS

Revenue Diversification and Preservation.
Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

SUMMARY

The City of Moreno Valley's Transient Occupancy Tax rate of 8% was established upon incorporation in 1984 and has not changed since that time. By approving the proposed resolutions, the City Council will place a measure on the November 2, 2010 general municipal election ballot for Moreno Valley voters to consider increasing the TOT rate to 11%.

NOTIFICATION

Staff has met with representatives from the existing hotels and motels in Moreno Valley to discuss the proposed TOT increase.

RESOLUTION NO. 2010-61

A PROPOSED RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, CALLING AND GIVING NOTICE OF A GENERAL MUNICIPAL ELECTION ON TUESDAY, NOVEMBER 2, 2010, FOR THE SUBMISSION TO THE VOTERS OF THE CITY A PROPOSED INITIATIVE ORDINANCE AMENDING THE CITY'S TRANSIENT OCCUPANCY TAX; AND REQUESTING THE COUNTY OF RIVERSIDE TO CONSOLIDATE THE CITY'S GENERAL MUNICIPAL ELECTION WITH THE GENERAL MUNICIPAL ELECTION HELD WITHIN RIVERSIDE COUNTY ON THAT DATE

WHEREAS, the City Council has determined at its regular meeting on June 22, 2010, that it should present to City voters the question of whether to amend its current Transient Occupancy Tax for the purpose of raising general fund revenue to provide essential City services for residents; and

WHEREAS, the voters of the State of California approved Proposition 218 (Article XIII C, section 2 of the California Constitution and Government Code section 53723), which authorizes the City to impose, extend or increase a general tax upon a majority of the population; and

WHEREAS, Revenue and Taxation Code section 7280 authorizes the City to levy a tax on hotels, inns, tourist homes, motels, or other lodging for the privilege of occupying a room or rooms; and

WHEREAS, in 1984 the City levied upon those occupying a room or rooms in the aforementioned hotels, inns, tourist homes, motels, or other lodging, an eight percent Transient Occupancy Tax, which has remained at the same level for over twenty-five years; and

WHEREAS, Section 2(b) of Article XIIIC of the California Constitution requires that a general tax submitted to the voters for approval shall be consolidated with the regularly scheduled general municipal election for members of the City Council.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Pursuant to the requirement of the laws of the State of California relating to general law cities, there is called and ordered to be held in the City of Moreno Valley, California on Tuesday, November 2, 2010, a General Municipal Election for the purpose of submitting to the voters of the City of Moreno Valley, a ballot measure for the purpose of approving an ordinance amending Chapter 3.24, Section 3.24.030 of the Moreno Valley Municipal Code to increase the Transient Occupancy Tax from eight percent to eleven percent. Pursuant to Government Code Section 53724(d) and

Elections Code Section 9222, it is the intent of the City Council that the measure be submitted to the voters of Moreno Valley at the afore mentioned General Municipal Election.

Section 2. The proposed ordinance is attached hereto as Exhibit "A" and incorporated herein by this reference and such ordinance shall be printed in the voter pamphlet. The question to be submitted to the voters on the ballot shall be as follows:

Shall the Transient Occupancy Tax assessed by the City for persons occupying hotel/motel rooms in the City of Moreno Valley be increased from eight percent (8%) to eleven percent (11%)?	YES
	NO

Section 3. Upon approval of the voters of the City of Moreno Valley, the Moreno Valley Municipal Code, Chapter 3.24, Section 3.24.030 shall be amended to increase the Transient Occupancy Tax from eight percent to eleven percent.

Section 4. The City Council of the City of Moreno Valley further does resolve, declare and order:

(a) That notice of time and place of holding said election is hereby given and the City Clerk is hereby authorized, instructed and directed to give such further or additional notice of said election in the time, form and manner as required by California law.

(b) That pursuant to Sections 10402 and 10403 of the Elections Code, the Riverside County Board of Supervisors is hereby requested to consent and agree to the consolidation of the General Municipal Election with the election conducted by Riverside County to be held on Tuesday, November 2, 2010.

(c) That the Riverside County Election Department is authorized to canvass the returns of the General Municipal Election. The election shall be held in all respects as if there were only one election.

(d) That the Riverside County Board of Supervisors is requested to issue instructions to the County Election Department to take any and all necessary steps for holding of this consolidated election.

(e) That the City of Moreno Valley recognizes that additional costs will be incurred by Riverside County by reason of this consolidation and agrees to reimburse Riverside County for those costs.

(f) That the City Clerk is directed to file a certified copy of this resolution with the Riverside County Board of Supervisors and with the Riverside County Election Department.

(g) That the City Council authorizes the City Clerk to administer said

election, including but not limited to, contracting with the County of Riverside to assist with conducting the election, and otherwise take all reasonably necessary steps to ensure the proper handling and conduct of the general municipal election authorized by this resolution, and all reasonable and actual election expenses shall be paid by the City upon presentation of a properly submitted bill.

(h) That this resolution shall be effective immediately upon passage and adoption.

APPROVED AND ADOPTED this 22nd day of June, 2010.

EXHIBIT "A" PROPOSED INITIATIVE ORDINANCE

ORDINANCE NO.

AN INITIATIVE ORDINANCE OF THE VOTERS OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING SECTION 3.24.030 OF THE MORENO VALLEY MUNICIPAL CODE TO INCREASE THE EXISTING TRANSIENT OCCUPANCY TAX RATE FROM 8% TO 11%

The People of the City of Moreno Valley do ordain as follows:

SECTION 1. Tax Imposed. The Moreno Valley Municipal Code, Chapter 3.24, Section 3.24.030 is hereby amended as follows:

"Chapter 3.24: TRANSIENT OCCUPANCY TAX

Section 3.24.030. Tax imposed.

For the privilege of occupancy in any hotel, each transient is subject to, and shall pay a tax in the amount of eleven percent of the rent charged by the operator or otherwise payable by the transient. Insofar as the transient is concerned, the tax constitutes a debt owed by the transient to the operator or to the city. For the purposes of this section, the rent deemed payable on account of time-share occupancy by a transient shall be the rental value of the unit or room(s) which accommodated such occupancy, which rental value shall be computed by determining the pro rata share of the total purchase price of the time-share right or entitlement (whether or not involving an estate or any ownership in real property), which share is allocable to the period of transient occupancy currently involved, and adding thereto the total applicable operating costs including, but not limited to, the applicable real and personal property taxes, plus the total amount of any and all fees, assessments, charges and expenses (not including the previously referred to taxes) charged by the operator as attributable to the timeshare occupancy of the transient by whatever name such fees, assessments, charges or expenses may be denominated, whether "occupying fee," "maintenance or operations charge," "per diem fee," "management fee" or like name or otherwise. In making the computation referred to above of the pro rata share of the total purchase price, in any case wherein the time-share right or entitlement is in perpetuity or for life or otherwise not for a definite or ascertainable term, such proration shall be made upon an assumed term of forty (40) years."

SECTION 2. EFFECTIVE DATE: This ordinance shall be considered as adopted upon the date that the vote is declared by the City Council, and shall go into effect ten (10) days after that date, pursuant to Elections Code Section 9217.

PASSED AND ADOPTED by the voters at the municipal election of November 2, 2010.

RESOLUTION NO. 2010-62

A PROPOSED RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DIRECTING THE CITY ATTORNEY TO PREPARE AN IMPARTIAL ANALYSIS, SETTING PRIORITIES FOR FILING WRITTEN ARGUMENTS, AND PROVIDING FOR REBUTTAL ARGUMENTS REGARDING THE MORENO VALLEY TRANSIENT OCCUPANCY TAX MEASURE

WHEREAS, an election shall be held in the City of Moreno Valley, California, on November 2, 2010, at which there will be submitted to the voters a ballot measure to consider increasing the Transient Occupancy Tax for the purpose of raising general fund revenue to provide basic City services for residents; and

WHEREAS, whenever a municipal ballot measure is authorized, State law provides that the City Council may direct the City Attorney to prepare an impartial analysis and provide for the filing of written arguments for and against a measure and for rebuttal arguments to be filed with the City elections official.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The City Council directs the City Attorney to prepare an impartial analysis of the measure which would amend the current Transient Occupancy Tax ordinance by increasing the rate from eight percent (8%) to eleven percent (11%) for the aforementioned purposes. The impartial analysis shall be filed within fifteen (15) days of the adoption of this Resolution or by the date set by the City Clerk for the filing of primary arguments, whichever is later.

Section 2. The City Council authorizes members of that body, collectively or individually, to file written arguments in favor of the Transient Occupancy Tax measure specified above, accompanied by the printed name(s) and signature(s) of the author(s), and to change the argument until and including the date fixed by the City Clerk after which no arguments for or against the City measure may be submitted to the City Clerk. The City Clerk shall follow Elections Code sections 9281 through 9287 in determining the printing of all arguments in favor and against.

Section 3. If no member of the City Council files written arguments in favor of said Measure, then any voter of the City may submit an argument in favor to the City Clerk for consideration in accordance with State law.

Section 4. That the Council Members authorized to file such arguments are:

Section 5. Any argument filed for or against said Measure shall be filed with the City Clerk, signed, with the printed name(s) and signature(s) of the author(s) submitting it, or if submitted on behalf of an organization, the name of the organization, and the printed name and signature of at least one of its principal officers who is author of the argument.

Section 6. The City Clerk shall make the selection of arguments in accordance with the Elections code and local procedure. When the City Clerk has selected the arguments for and against the Measure which will be printed and distributed to the voters, the City Clerk shall send a copy of an argument in favor of the Measure to the authors of any argument against the measure and a copy of the argument against the measure to the authors of any argument in favor of the measure.

Section 7. The author or a majority of the authors of an argument relating to the Measure may prepare and submit a rebuttal argument not exceeding 250 words or may authorize in writing any other person or persons to prepare, submit, or sign the rebuttal. A rebuttal argument may not be signed by more than five persons. The rebuttal arguments shall be filed with the City Clerk, signed, with the printed name(s) and signature(s) of the author(s) submitting it, or if submitted on behalf of an organization, the name of the organization, and the printed name and signature of at least one of its principal officers. Any rebuttal argument must be filed within 10 days after the final date for filing direct arguments.

Section 8. Rebuttal arguments shall be printed in the same manner as the direct arguments. Each rebuttal argument shall immediately follow the direct argument which it seeks to rebut.

Section 9. The City Clerk shall cause the City Attorney's Impartial Analysis, and duly selected arguments and rebuttals, to be printed and distributed to voters in accordance with State law regarding same.

Section 10. The City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original Resolutions.

Report to City Council

TO: Redevelopment Agency Chairperson and Board of Directors

FROM: Barry Foster, Economic Development Director

AGENDA DATE: June 22, 2010

TITLE: PALM DESERT DEVELOPMENT COMPANY'S RANCHO DORADO APARTMENTS, PHASE II FINANCIAL ASSISTANCE REQUEST AND RESOLUTION FOR TAX CREDIT APPLICATION

RECOMMENDED ACTION

Staff recommends that the Redevelopment Agency Board adopts Resolution RDA 2010-03, a resolution of the Community Redevelopment Agency of the City of Moreno Valley regarding assistance to the Rancho Dorado Apartments, Phase II, proposed by Palm Desert Development Company, Inc.

BACKGROUND

Palm Desert Development Company's (PDDC) Rancho Dorado Project includes a first phase of the project which is currently under construction, of 70 units (plus one unit for the property manager), along with a second phase with 79 units. The first phase of the Rancho Dorado project also contains a community center, manager's office, computer room, laundry facilities, tot lot, pool and splash park, barbeque and other recreational areas. All major amenities, roads and landscaping for the entire project will be developed with the first phase. A unique component of the project that will come in the first phase is that 15 units will be used as Permanent Supportive Housing. These units would be reserved for formerly homeless individuals that have mental disabilities, but have demonstrated the ability to live independently. The second phase of Rancho Dorado will be comprised of fifty-four (54) two-bedroom units and twenty-four (24) three-bedroom units and one manager's unit.

In 2008, the Redevelopment Agency (RDA) adopted resolutions affirming its intention to provide financial assistance for the project. Palm Desert Development Company (PDDC) submitted applications for the additional financing necessary to complete the project to the California Tax Credit Allocation Committee (TCAC). An allocation of tax

credit financing was secured for the first phase of Rancho Dorado. The existing conditions in the financial markets make competition for TCAC funding very competitive. As a result, PDDC has not been able to attain high enough scoring for the second phase of this project- despite three attempts.

DISCUSSION

After a thorough analysis of the four projects that secured TCAC support in the previous application rounds, PDDC has determined that Rancho Dorado II would have a better chance of attaining a future allocation if the amount of the public or RDA (Agency) contribution was increased and the amount of additional financing from tax credit equity for the project is reduced. Therefore, PDDC has requested that the Agency increase its monetary funding from $4.75 million to $6.75 million. TCAC may also recognize the contributions benefiting the project through off-site electric utilities improvements recently constructed as a Capital Improvement Project through the City's Electric Utility Program, as well as the fee reductions granted for the creation of affordable housing, per the Development Impact Fee Program. These contributions will also be included on the next TCAC application further enhancing the project's scoring and thereby improving the chances to secure an allocation of tax credit financing. Submission of a Resolution outlining the RDA's conditional support (Attachment A) is required by California Tax Credit Allocation Committee to accompany the application.

PDDC will be using several types of financing for the Phase II project costs including Low- and Moderate- Income Housing Set-aside funds loan from the Moreno Valley Community Redevelopment Agency, Low-income Housing Tax Credit Equity, general partner equity, a conventional loan together with the Agency funded off-site improvements and the affordable housing fee reductions. PDDC is in the process of securing financial commitments from all of the prospective lenders for the development of Phase II of the project. The type and amount of the proposed financing attributed to the second phase of the project is shown below:

Project Financing		
Conventional Financing	**$1,829,606**	**10%**
9% Tax Credit Equity	**$9,242,933**	**49%**
RDA Funds	**$6,750,000**	**36%**
Affordable Housing Fee Reductions-City	**$991,608**	**5%**
Affordable Housing Fee Reductions-County	**$79,632**	**<1%**
General Partner Equity	**$99,029**	**<1%**
Total	**$18,992,808**	**100%**

When PDDC has secured all necessary financing for the project, an Affordable Housing Agreement which establishes and defines the responsibilities of all parties including the loan terms, occupancy requirements, allowable rents, and future maintenance and management requirements will be drafted. The drafted Agreement will be consistent

MV00062802

with past documents used for other similar affordable housing projects in Moreno Valley.

The RDA's financial assistance for Phase II of the project will include a Promissory Note secured by a deed of trust recorded against the project. The terms of the note include an interest rate of one percent per annum with a 54 year amortization. The loan structure allows for the deferral of payments under certain conditions. Annual payments will be due and payable on July 1st of each calendar year. In the event the net cash flow is insufficient to cover the payment, the shortfall amount will be deferred. When the annual cash flow increases to an amount above the required payment, the loan will be re-amortized to include the previously deferred amount. This loan structure is quite common with affordable housing projects utilizing this type of financing and has been used in Moreno Valley on a number of other RDA assisted projects including the Cottonwood Place Apartments (PDDC), Bay Family Apartments (Global Premier Development) and the Oakwood Apartments (Macfarlane Costa Housing Partners).

Affordable Housing Goals

State Redevelopment Law (Health and Safety Code Section 33413) requires that the RDA ensure that a portion of the housing developed and rehabilitated in the Redevelopment Project Area is available to households with incomes in the low and moderate income categories. The second phase of the Rancho Dorado Apartments will provide 78 units of affordable housing with recorded covenants maintaining rent affordability for 55 years. Upon completion of the second phase, the entire project will be complete and will provide a total of 150 units, or which 148 will be affordable. Because the project is situated within the Redevelopment Project Area, the RDA would get full credit for the affordable housing units created. Thus, the units would be credited toward the RDA's State-mandated affordable housing requirements. These requirements are outlined in the code section cited above which require the RDA to assist affordable housing projects within the Redevelopment Project Area. The project and its apartment units would also be applied toward the RDA's goal to assist in the development of 274 affordable housing units identified in the adopted Implementation Plan for the period of July 1, 2005 through June 30, 2010.

ALTERNATIVES

1. Adopt RDA Resolution 2010-03 which ratifies certain findings and determinations made under Resolutions 2008-11 regarding conditional financial assistance to the second phase of the Rancho Dorado Apartments known as Rancho Dorado South, and appropriate $6,750,000 from the RDA's 20% Housing Set Aside fund balance for fiscal year 2009/10. *Staff recommends this alternative because it will assist in the development of the project and the creation of additional affordable housing opportunities.*

2. Decline to adopt RDA Resolution 2010-03 which ratifies certain findings and determinations made under Resolutions 2008-11 regarding conditional financial

assistance to the second phase of the Rancho Dorado Apartments known as Rancho Dorado South, and appropriate $6,750,000 from the RDA's 20% Housing Set Aside fund balance for fiscal year 2009/10. *Staff does not recommend this alternative because declining to adopt the resolution and appropriate the funding it will prevent the Developer from applying for tax credits and jeopardize the development of the project and the creation of additional affordable housing opportunities.*

FISCAL IMPACT

PDDC has requested RDA assistance in the amount of $6,750,000. Staff proposes adoption of resolution that commits the RDA to providing assistance from the RDA's 20% Housing Set Aside funds. If approved, the funds will be appropriated in the budget for FY 2009/10 using the RDA-Housing Set Aside Fund. Please note that there will be no assistance from the City's General Fund.

Fund	Business Unit	Amount
894	RDA Affordable Housing Fund	$6,750,000

Under state law, RDA Housing Set-Aside funds are restricted for uses that only support affordable housing.

CITY COUNCIL GOALS

Community Image, Neighborhood Pride, and Cleanliness
The Rancho Dorado Apartments will promote community pride and foster an excellent image for Moreno Valley through the investment in the neighborhood and the creation of affordable housing units.

SUMMARY

In 2008, the Redevelopment Agency adopted resolutions that offered conditional financial assistance for the development of the Rancho Dorado Apartments developed by Palm Desert Development Company. The project is located near the southeast corner of John F. Kennedy Drive and Perris Boulevard. Rancho Dorado was originally proposed as a 150-unit single phase project, but changes in the financial markets made it necessary to divide the project into two phases. Phasing construction allows each phase of the project to better compete for 9% tax credit equity financing. Staff requests that the City Council and the Board of Directors of the Community Redevelopment Agency reaffirm its intention to support the project and adopt the attached resolution approving the conditional financing structure between the RDA and MV Rancho Dorado LP in providing up to $6,750,000 in gap financing assistance for the second phase of Rancho Dorado, using the RDA's 20% affordable housing set-aside funds.

RESOLUTION NO. RDA 2010-03

A RESOLUTION OF THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY SUPPORTING THE RANCHO DORADO SOUTH APARTMENTS HOUSING DEVELOPMENT, RATIFYING CERTAIN FINDINGS AND DETERMINATIONS MADE UNDER RESOLUTION NO. 2008-11 AND AFFIRMING ITS INTENTION TO PROVIDE ASSISTANCE TO MV RANCHO DORADO LIMITED PARTNERSHIP, A SUBSIDIARY OF PALM DESERT DEVELOPMENT COMPANY, INC.

WHEREAS, the California Tax Allocation Committee administers the Federal and State Tax Credits Allocation, a competitive allocation for tax credits to providers of housing units for low income households; and

WHEREAS, the California Tax Allocation Committee seeks affirmation from local Redevelopment Agencies that proposed projects will receive additional financial assistance and that they meet specific housing objectives; and

WHEREAS, Palm Desert Development Company, Inc. ("PDDC") proposed development of affordable rental units on a portion of the vacant property located generally at the southeast corner of Perris Boulevard and John F. Kennedy Boulevard; and

WHEREAS, MV Rancho Dorado Limited Partnership, a subsidiary of Palm Desert Development Company, Inc. to MV Rancho Dorado Limited Partnership, a California Limited Partnership, proposes to submit an application to develop (54) two-bedroom units and (24) three-bedroom affordable rental units and a manager's unit at the Site (the "South Project"); and

WHEREAS, the Agency has previously expressed its support for the South Project as part of and pursuant to its Resolution No. RDA 2008-11; and

WHEREAS, Agency analysis of the proposal indicates that the development would meet specified housing objectives.

NOW, THEREFORE, THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AND DETERMINE AS FOLLOWS:

Section 1. The Agency ratifies and approves its findings and determinations under Resolution No. RDA 2008-11 concerning the South Project. The Agency instructs and directs Agency staff to reserve moneys equal to the requested amount of up to $6,750,000 to MV Rancho Dorado Limited Partnership, subject to applicable legal requirements and negotiation of an Affordable Housing Agreement ("AHA") satisfactory to the Agency, for the development of (54) two-bedroom units and (24) three-bedroom units of

ATTACHMENT A

affordable multi-family rental housing on the Site, each of which shall be made available solely to very low income and low income households.

Section 2. The Agency will negotiate an AHA which complies with all requirements of the California Redevelopment Law, conditioned on the receipt by MV Rancho Dorado Limited Partnership, of low income housing tax credits for the proposed development.

The adoption of this Resolution terminates Resolution RDA 2010-01 which shall hereafter have no force or effect.

This Resolution terminates on December 31, 2010, and shall thereafter have no force or effect, unless an AHA has theretofore been approved and executed by the Agency and the MV Rancho Dorado Limited Partnership, with respect to the Site.

APPROVED AND ADOPTED this 22nd day of June, 2010.

Report to City Council

TO: Mayor and City Council

FROM: Steve Elam, Interim Financial & Administrative Services Director

AGENDA DATE: June 22, 2010

TITLE: ADOPTION OF FISCAL YEAR 2010-11 OPERATING BUDGET

RECOMMENDED ACTION

Staff recommends that the City Council take the following actions:

1. Approve the Revised General Fund Budget Balancing Plan for Fiscal Year (FY) 2010-11, as shown in Table 1 (page 3) of this staff report;

2. Adopt Resolution No. 2010-64, approving the Operating Budget for the City of Moreno Valley for FY 2010-11, including all applicable adjustments to the Preliminary Base Operating Budget pursuant to the Schedule of Budget Appropriations (Attachment "A");

3. Acting in its capacity as the President and Board of Directors of the Moreno Valley Community Services District, adopt Resolution No. CSD 2010-20, approving the Operating Budget for the Moreno Valley Community Services District for FY 2010-11, including all applicable adjustments to the Preliminary Base Operating Budget pursuant to the Schedule of Budget Appropriations (Attachment "A");

4. Acting in its capacity as the Chairperson and Agency Members of the Community Redevelopment Agency of the City of Moreno Valley, adopt Resolution No. RDA 2010-04, approving the Operating Budget for the Community Redevelopment Agency of the City of Moreno Valley for FY 2010-11, including all applicable adjustments to the Preliminary Base Operating Budget pursuant to the Schedule of Budget Appropriations (Attachment "A").

BACKGROUND

On May 18, 2010, the FY 2010-11 Preliminary Base Operating Budget was presented to City Council, reflecting a projected General Fund deficit of over $17.8 million as shown below:

• Projected General Fund Operating Revenues & Other Sources	$67,754,400
• Projected General Fund Operating Expenditures	85,630,700
• Projected General Fund Operating Deficit	$17,876,300

Through the use of anticipated current year savings and a number of one-time transfers from other funds (representing a return of previous General Fund subsidies or other funding), the above deficit was reduced to approximately $11 million, after allowing for three recommended budget additions (Budget Issues).

Options for closing this remaining $11 million gap were incorporated in the FY 2010-11 Deficit Reduction Plan and summarized below:

• Potential Revenue Enhancements:	$288,400
• Potential Expenditure Reductions (net of Offsets):	13,845,734
• Potential Use of General Fund Reserves:	6,000,000
• Total Potential Solutions:	$20,134,134

Although the majority of Deficit Reduction Options (DROs) included in the Deficit Reduction Plan relate to the General Fund, the Deficit Reduction Plan also included DROs totaling $5.2 million outside of the General Fund to help offset projected operating deficits for FY 2010-11.

On May 25, 2010, the City Council provided direction to staff regarding a number of DROs to be implemented in an effort to balance the FY 2010-11 Operating Budget. On June 8, 2010, these Council-approved DROs were incorporated in a proposed Budget Balancing Plan, which was submitted for the City Council's consideration with the support of all Department Heads and the recommendation of the Interim City Manager.

DISCUSSION

On June 8, 2010, the City Council continued deliberations on the FY 2010-11 Operating Budget and Deficit Reduction Plan, giving specific consideration to the Interim City Manager's proposed Budget Balancing Plan. The Council approved the Budget Balancing Plan, after directing staff to return funding in the amount of $15,000 for the Neighborhood Clean-up Program in Districts 2 and 3. The Revised General Fund Budget Balancing Plan reflecting the City Council's direction on June 8, 2010 is summarized in Table 1 on the following page.

Table 1 - Revised General Fund Budget Balancing Plan – Fiscal Year 2010-11

Description	Item Total	Category Total	Remaining (Deficit) Surplus
Projected FY 2010-11 General Fund Operating Deficit			($17,876,300)
Budgetary Adjustments:			
- Current year savings to be carried over to FY 2010-11 (revised)	$1,020,800		
- Transfers to return previous General Fund subsidies	1,639,100		
- Other transfers	3,979,100		
		6,639,000	(11,237,300)
Budget Issues:			
- Re-establish funding for Budget Officer	(98,700)		
- Supplement Emergency Operations Grant	(43,100)		
- Increase in NPDES Regulatory Fee	(76,000)		
		(217,800)	(11,455,100)
Proceeds from Settlement of ENCO Litigation			
- Repayment of MVU start-up loan from General Fund	747,041		
- Reimbursement of General Fund legal expenses	225, 192		
		972,233	(10,482,867)
DROs approved by City Council on May 25, 2010		3,160,445	(7,322,422)
Additional staff-proposed DROs without use of reserves		2,343,740	(4,978,682)
Proposed use of reserves		5,000,000	21,318
Funding for Neighborhood Clean-up Program in Districts 2 and 3		(15,000)	6,318
Net Operating Surplus			**$6,318**

Despite the challenges that have been faced in balancing the FY 2010-11 General Fund Operating Budget, the above Budget Balancing Plan addresses these challenges in a positive manner as summarized below:

- Preserves public safety, with only minimal budgetary reductions (Police budget still increasing due to contract rate increase);
- Maintains essential City services;
- Maintains City staffing, with no lay-offs;

- Addresses the General Fund structural deficit by reducing expenditures by $5 million;
- Provides a balance between General Fund expenditure reductions ($5 million) and use of reserves ($5 million);
- Maintains General Fund contingency reserve policy at 12% of budgeted expenditures;
- Addresses operating deficits in non General Funds by implementing $5.2 million in budgetary reductions in the respective funds;
- Eliminates need to redeem RDA Bonds at the present time.

Budget Adoption Actions

Schedule of Budget Appropriations - FY 2010-11 (Attachment "A") - This schedule identifies the revenue and expenditure appropriations to be included in the FY 2010-11 Adopted Budget, identifying the adjustments to the FY 2010-11 Preliminary Base Operating Budget as presented to the City Council on May 18, 2010, based on the Council Council's direction from previous budget discussions. These adjustments coincide with the Revised Budget Balancing Plan and will enable adoption of a balanced budget for FY 2010-11.

Resolutions Adopting the FY 2010-11 Budget (Attachments "B", "C" and "D") - As a long-standing practice, each of the City's primary entities--the City, Community Services District (CSD), and Redevelopment Agency (RDA)--will adopt separate resolutions to approve their respective operating budgets.

ALTERNATIVES

1. Approve the Fiscal Year 2010-11 Operating Budget.
2. Provide staff with further direction.

Staff recommends Alternative 1.

FISCAL IMPACT

The FY 2010-11 Operating Budget provides the funding and expenditure plan for all operating funds. As such, it serves as the City's financial plan for the upcoming fiscal year. The City Council will be kept apprised regarding actual operating results through First Quarter and Mid-Year Budget Reviews occurring in November 2010 and February 2011 respectively.

Report to City Council

TO: Mayor and City Council

FROM: Steve Elam, Interim Financial & Administrative Services Director

AGENDA DATE: June 22, 2010

TITLE: APPROVAL OF CHECK REGISTER FOR APRIL, 2010

RECOMMENDED ACTION

Staff recommends that the City Council adopt Resolution No. 2010-57, approving the Check Register for the month of April, 2010 in the amount of $12,644,433.01.

DISCUSSION

To facilitate Council's review, the Check Register lists in alphabetical order all checks in the amount of $25,000 or greater, followed by a listing in alphabetical order of all checks less than $25,000. The Check Register also includes wire transfers, thus eliminating the need for a separate wire transfer register, as well as the fiscal year-to-date (FYTD) amount paid to each vendor.

FISCAL IMPACT

The disbursements itemized in the attached Check Register are reflected in the adopted FY 2009-10 budget. Therefore, there is no fiscal impact other than the expenditure of budgeted funds.

Report to City Council

TO: Mayor and City Council

FROM: Chris A. Vogt, Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: Waste Management of the Inland Empire FY 2010/2011 Rate Adjustment

RECOMMENDED ACTION

Staff recommends that the City Council approve the Waste Management of the Inland Empire proposed Fiscal Year (FY) 2010/2011 Rate Adjustment.

BACKGROUND

Waste Management of the Inland Empire has had an exclusive agreement with the City of Moreno Valley for the collection, transportation, recycling, and disposal of solid waste since April of 1991. The terms and conditions of the original contract were renegotiated and adopted on July 1, 2008. As part of this agreement, the Contractor Service Rates are to be adjusted annually to reflect changes in the Consumer Price Index (CPI), disposal (e.g. tipping fees or tonnage increases), changes in service, and extraordinary costs. The City Council has the authority to approve these annual rate adjustments.

DISCUSSION

The franchise agreement with Waste Management of the Inland Empire stipulates that annual CPI adjustment shall be made effective the first day of July of each calendar year and other adjustments such as tipping fees, service costs, and extraordinary costs, shall be made effective as they occur. The agreement with Waste Management states that the CPI shall be derived by multiplying the service component (Waste Management's cost to provide service to Moreno Valley) by the percentage increased or decreased in the CPI for March of the immediate preceding year. The CPI adjustment for FY 2010/2011 of 1.855% and the decrease in household disposal results in a residential service component rate increase of $0.28 per month, per home. The average

pounds per household decreased by 4% for refuse and decreased by 6% for green waste

Due to changes in the County's handling of green waste at landfills for use as alternate daily cover, Waste Management began to diversify the processing of green waste to ensure the most beneficial outcome. As such, Waste Management, Inc. now takes green waste to be processed to BP John and ultimately Colmac to be processed as transformation, the El Sobrante landfill to be used as alternative daily cover, or Synagro to be used as transformation. As a result of this shift, the cost for processing green waste resulted in an annual increase. However, Waste Management has indicated that they will absorb this additional cost and not seek adjustments to the rates for this additional expense this year.

Additionally, an additional decrease of $0.03 has been applied to the disposal component to account for the 2010 estimated annual rebate amount for the bulky item program. This rebate is administered by the Riverside County Waste Management Department under a program initiated in 1999 that provides a rebate for waste services program that include bulky item pick-up services. The net effect of the decreased pounds per household and bulky item rebate is a disposal component rate decrease of $0.30 per month, per home.

Accordingly, with a decrease in the disposal component of $0.30 and an increase in the residential service component of $0.28 per month, the new monthly residential rate reflects a total change of a decrease of $0.02 and the new rate is $21.11.

Additionally, although there has been a decrease in the total tons of commercial waste from 28,851 tons to 26,751 tons, the commercial rates have increased this year due to the increase in CPI. The attached exhibit shows details of the proposed new fees for FY 2010/2011 for all classifications.

ALTERNATIVES

1. Approve the Waste Management of the Inland Empire proposed Fiscal Year (FY) 2010/2011 Rate Adjustment.

2. Do not approve the Waste Management of the Inland Empire proposed FY 2010/2011 Rate Adjustment. *This could result in Waste Management's inability to continue to perform their service as per the contract specifications and would jeopardize the City's agreement with Waste Management.*

FISCAL IMPACT

The City receives a 12.13% franchise fee on all monies collected by Waste Management of the Inland Empire. Any increase or decrease in rates has a proportionate effect on revenues received by the City. Any decrease in the current rates would negatively affect the general fund.

CITY COUNCIL GOALS

Revenue Diversification and Preservation - Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness - Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

NOTIFICATION

Publication of the City Council Agenda.

Report to City Council

TO: Mayor and City Council, and Acting in their Respective Capacities as President and Members of the Board of Directors of the Moreno Valley Community Services District

FROM: Chris A. Vogt, P.E., Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: NOTICE OF COMPLETION AND ACCEPTANCE OF THE PATRIOT PARK IMPROVEMENTS PROJECT
PROJECT NO. 08-28268628

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211.

2. Direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code.

3. Authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project.

Staff recommends that the Board of Directors:

4. Authorize the President of the Board of Directors of the Community Services District (CSD) to accept the improvements into the CSD's maintained system.

BACKGROUND

On November 10, 2009, the City Council awarded the construction contract in the amount of $246,001.41 to Desert Concepts Construction, Inc., for the Patriot Park

Improvements Project. A Purchase Order in the amount of $282,901.62 (the bid amount plus 15% contingency) was issued to the Contractor.

DISCUSSION

The project involved the construction of the Patriot Park improvements on a vacant (approximate) one-half acre CSD property located at the southeast corner of Perris Boulevard and Filaree Avenue. The park improvements included play apparatus, a decomposed granite walking path, natural turf play area, picnic tables and benches together with landscaping, irrigation, area lighting, and perimeter fencing.

There was one Contract Change Order for this project. Contract Change Order No. 1 (Final) extended the construction completion date by 4 days but there was no change in the contract amount. The improvements were completed within the extended contract time of April 27, 2010, within budget, and in accordance with the approved contract documents.

ALTERNATIVES

1. Accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211, direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., within thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project, and authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system. *This alternative will result in payment to the Contractor and acceptance of the improvements into the CSD's maintained system.*

2. Do not accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211, do not direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, do not authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., within thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project, and do not authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system. *This alternative will result in delaying payment to the Contractor, delaying acceptance of the improvements into the CSD's maintained system, and incurring extra cost to the City.*

FISCAL IMPACT

This project is included in the Fiscal Year 2009-2010 Capital Improvement Project Budget and is funded with Community Development Block Grant (CDBG) funds (Fund 282). Funding for maintenance is included in the Parks and Community Services District's Fiscal Year 2009/2010 budget, and proposed for the Fiscal Year 2010/2011 budget.

AVAILABLE BUDGETED FUNDS:

Fiscal Year 2009/2010 Funds (Account 282.68628)	$397,297

CONSTRUCTION RELATED COSTS:

Construction	$246,000
City Purchased Equipment and Play Apparatus for Contractor Installation	$56,000
Construction Geotechnical Services	$6,000
Construction Survey Services	$16,000
Project Administration*	$70,000
Total Construction Related Costs	$394,000

* Including: project construction management, reproduction, bid, award, and project closeout efforts

CITY COUNCIL GOALS

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

COMMUNITY IMAGE, NEIGHBORHOOD PRIDE AND CLEANLINESS:
Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts (including home rehabilitation) and neighborhood restoration.

SUMMARY

Desert Concepts Construction, Inc. has completed the Patriot Park Improvements Project. The City Council is requested to accept the work as complete, direct the City Clerk to record the Notice of Completion, authorize the release of retention to Desert Concepts Construction, Inc., and authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system.

AGENDA DATE: June 22, 2010

TITLE: 2010 MORENO VALLEY ELECTRIC UTILITY TEN (10) YEAR ENERGY EFFICIENCY PORTFOLIO PLAN AS REQUIRED BY ASSEMBLY BILL 2021 (AB 2021)

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Adopt the 2010 Moreno Valley Utility 10-Year Energy Efficiency Portfolio Plan as Required by AB 2021.

2. Approve Resolution 2010-58 adopting the 2010 the Moreno Valley Utility Energy Efficiency Targets.

BACKGROUND

California Assembly Bill 2021 (AB 2021) (Levine, Chapter 734, Statutes of 2006) was signed into law in September 2006. The statute requires that the California Energy Commission (CEC), in conjunction with the California Public Utility Commission (CPUC), and local publicly-owned utilities (POUs), develop statewide estimates for energy efficiency targets in a public process. AB 2021 applies to all POUs in California. Pursuant to the statute, POUs must: 1) Identify all potentially achievable, cost-effective energy efficiency savings; 2) Establish annual targets for energy efficiency savings and demand reduction over 10 years; and 3) Report targets, programs, expenditures, results and cost-effectiveness (including methodologies and independent evaluation) to governing members and to the California Energy Commission every three (3) years. POUs are mandated to consider energy efficiency as a preferred resource, estimate energy efficiency potential, and establish targets for achieving that potential.

In response to AB 2021, the members of California Municipal Utility Association (CMUA), Northern California Power Agency (NCPA), and Southern California Public Power Authority (SCPPA) joined together to collaborate on the development of individual utility energy efficiency and demand reduction targets. Initially in 2007, a total of 35 POUs, including MVU, participated in the development of the report. The collaboration included retaining Rocky Mountain Institute (RMI), an independent organization with well-accepted energy efficiency expertise in the energy industry. RMI's role was to establish a common, transparent tool used to determine utility specific energy efficiency projections. RMI's work provided the participating utilities with an independent, defensible methodology for analyzing energy efficiency potentials.

The members of CMUA, NCPA and SCPPA selected Summit Blue Consulting, LLC (now part of Navigant Consulting) as the independent consultant for developing the energy efficiency models for 2010 updates. Workshops were held in late 2009 to help individual POUs update their individual targets for energy efficiency savings. The data for all participating utilities and summaries will be included in a report presented to the CEC from the CMUA in June 2010.

DISCUSSION

The City of Moreno Valley Electric Utility (Moreno Valley Utility or MVU) was established in 2001 and began providing service to customers in 2004. Currently, MVU provides service to over 5,400 customers.

The analytical tool provided by Summit Blue Consulting, LLC was adjusted to the age of the utility and utilized various methods to update the calculations of potential energy savings. The consortium of POUs and two Joint Power Authorities, together with Summit Blue Consulting, LLC, updated methodology, and identified both potential energy efficiency targets and demand reduction targets for each of the participating agencies.

Summit Blue Consulting modified the methodology from the previous report, the 10-year targets are reported at a more specific level. To summarize, MVU's Market Energy Potential averages 26.5 MWh per year, and MVU's Market Demand Potential averages 70.9 kW per year. MVU will pursue the most cost-effective programs and target the loads with the largest potential for reductions. When compared to other established electric utilities, MVU's market potential will be lower because all the buildings in MVU service area meet Title 24 energy requirements.

ALTERNATIVES

1. Adopt 2010 MVU 10-year energy efficiency portfolio plan as required by AB 2021 and approve the proposed resolution accepting the Energy Efficiency Targets developed through a collaboration of the City of Moreno Valley Electric Utility, Summit Blue Consulting LLC, CMUA, NCPA and SCPPA. *The approval of the resolution will have no direct monetary impact to the City.*

MV00063016

2. Do not adopt 2010 MVU 10-year energy efficiency portfolio plan as required by AB 2021 and do not approve the proposed resolution accepting the Energy Efficiency Targets developed through a collaboration of the City of Moreno Valley Electric Utility, Summit Blue Consulting LLC, CMUA, NCPA and SCPPA. *This would result in the city paying an independent consultant for a study to develop energy efficiency targets completely independent of all the other Publicly-Owned Utilities in the State of California.*

FISCAL IMPACT

There is no direct fiscal impact. The cost of the CMUA report is included in the fees MVU pays for membership.

Create a positive environment for the economic development within the community.

RESOLUTION NO. 2010-58

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, TO APPROVE THE UPDATED ENERGY EFFICIENCY TARGETS FOR THE MORENO VALLEY ELECTRIC UTILITY MANDATED BY ASSEMBLY BILL 2021.

WHEREAS, the City of Moreno Valley (the "City"), a municipal corporation, is authorized pursuant to Article XI, Section 9(a) of the California Constitution to establish, purchase, and operate public works to furnish its inhabitants with light, water, power, heat, transportation, or means of communication; and

WHEREAS, on June 26, 2001, the City Council of the City of Moreno Valley approved Resolution No. 2001-33 and, as amended by Resolution 2002-46, authorized the formation of a municipally owned utility for the purpose of providing electrical power, storm water, telephone telecommunications, cable TV, water, natural gas, and sanitary sewer; and

WHEREAS, on September 26, 2006, California Assembly Bill 2021 (Levine) was signed into law which requires Publicly-Owned Utilities (POU) to identify all potentially achievable cost-effective electricity efficiency savings every three (3) years and establish annual targets for energy efficiency demand reduction for the next 10-year period; and

WHEREAS, the California Municipal Utilities Association (CMUA) in partnership with the Northern California Power Agency (NCPA) and the Southern California Public Power Authority (SCPPA) collaborated in the development of individual utility energy efficiency and demand reduction targets and submitted the initial report in 2007; and

WHEREAS, analytical methodology developed originally by Rocky Mountain Institute and followed this year by Summit Blue Consulting (Navigant Consulting) was used by the majority of POU's in California to develop individual targets of reduction and peak demand; and

WHEREAS, the City of Moreno Valley Electric Utility updated the targets set for energy efficiency savings and set achievable goals for reducing peak demand.

TO: Mayor and City Council

FROM: John Ruiz, Interim Human Resources Director

AGENDA DATE: June 22, 2010

TITLE: APPROVAL OF A POLICY TO ESTABLISH GUIDELINES FOR THE ETHICAL STANDARDS OF CONDUCT FOR CITY OF MORENO VALLEY OFFICIALS AND EMPLOYEES

RECOMMENDED ACTION

Staff recommends that the City Council approve the Standards of Ethics Policy regarding the conduct of City officials and employees.

BACKGROUND

At the conclusion of the fiscal year 2007-08 comprehensive audit, the City's independent auditor recommended the City adopt and implement an "ethics policy" to guide the conduct of City Officials and employees. The proposed policy was to ensure better internal control of the City's financial transactions.

DISCUSSION

The proposed "Standards of Ethics" Policy (see Exhibit "A" attached) is intended to provide general guidelines for ethical conduct, by setting forth those acts or actions that are incompatible with the best interests of the City and provide positive direction in order to prevent potential conflicts of interests and breach of ethical standards. The guiding principle to be observed is that conflicts of interests are to be avoided in the first place.

The proposed "Standards of Ethics" Policy (the "Policy") defines those individuals affected by the Policy and certain key terms and phrases as well as responsibilities of City offices, specific guidelines, conflicts of interests, procedures (i.e. here to seek advice, what to do if uncertain, how to declare a possible conflict of interest, etc.), and accountability. A number of State of California local government agencies have adopted such a policy since State legislators passed AB 1234.

ALTERNATIVES

1. Approve the proposed "Standards of Ethics" Policy (***Staff recommended action***).

2. Refer the matter back to Staff to explore other options to the proposed "Standards of Ethics" Policy.

3. Take no action. This alternative would be contrary to auditor's recommendation.

FISCAL IMPACT

The proposed Policy will have no fiscal impact on the City's budget.

SUMMARY

The City of Moreno Valley is proposing to adopt a "Standards of Ethics" Policy for the conduct of City officials and employees. The proposed Policy is a guideline to ensure those covered by the Policy minimize conflicts of interests and to recognize when such conduct is contrary to good government and practice.

STANDARDS OF ETHICS

PURPOSE: The purpose of this Administrative Policy is to establish guidelines for ethical standards of conduct which shall govern City of Moreno Valley officials and employees.

This policy is intended to provide general guidelines for ethical conduct, by setting forth those acts or actions that are incompatible with the best interests of the City and provide positive direction in order to prevent potential conflicts of interest and breach of ethical standards. The guiding principle to be observed is that conflicts of interest are to be avoided in the first instance.

DEFINITIONS: City Official : Any person holding a position by election in the service of the City, whether paid or unpaid, and members of any board, committee, or commission thereof.

Employee: Any person, other than a City official, holding a position by appointment or employment in the service of the City, whether paid or unpaid and whether full-time or part-time, career or temporary.

Conflict of Interest: A situation in which an employee or City official makes a decision, participates in making a decision, or uses his or her position to influence the outcome of a decision when it is reasonably likely that the decision will materially affect the financial interest of the employee or City official or a member of their immediate family in a manner different from the way the decision affects the public generally, whether positively or negatively.

Disclosure: Revealing and making known information and/or interest.

Financial interest: As the meaning set out in Section 87103 of the Government Code.

Official Act or Action: Refers to any legislative, administrative, appointive or discretionary act of any City employee or official performed as part of his or her City duties in the course of work performed for the City.

POLICY:

I **Organizations Affected:**

A. All City officials and employees and all other City of Moreno Valley entities including commissions, Redevelopment Agency and Community Services District.

II **Responsibilities of City Office:**

A. The policy of the City is that City officials and employees shall observe the highest standards of ethics and discharge faithfully the duties of their offices regardless of personal considerations, recognizing that the public interest must be their primary concern.

B. City officials or employees shall conduct themselves with honesty and integrity so as to maintain public confidence in their performance and public trust in the government they represent. City officials and employees should avoid any participation in transactions or services involving their City duties that could reasonably be

---

perceived to place their personal financial interests in conflict with the City's interests or result in personal financial gain or loss. They shall avoid any appearance of conflict between their City duties and their personal interests.

III **Policy Guidelines:**

A. Officials and employees of a public entity are vested with a public trust to which such individuals owe the highest degree of fidelity. The ethical operation of democratic government requires that public officials and employees be independent, impartial and responsible to the citizens. All decisions and policies must be made in the proper channels of the government structure, and public office may not be used for personal gain.

B. City officials and employees shall not perform, participate in or advise regarding any official act or action in which they know or have reason to know that they have a personal financial interest, including, but not limited to any such act that would be a conflict of interest under the California Fair Political Practices Act and/or any regulation adopted pursuant thereto. A City official or employee will excuse themselves from participating in decisions when their personal or immediate family's financial interests may be affected by their decision.

C. City officials and employees shall request, use, permit the use of City property or resources, including the work of City officials or employees, only to carry out the duties of their City employment or position, or as authorized by City ordinances, resolutions or written policies.

D. City officials and employees will treat each other and the public with patience, courtesy and civility, even when there are disagreements on what is best for the community.

E. All individuals and organizations shall receive fair and equal treatment. A City official or employee shall not grant to any member of the public or any other organization any consideration, treatment or advantage that is not available to any other member of the public or other organization except in accordance with City policies regarding partnerships, joint ventures and/or sponsorships officially recognized by the City. This provision shall not be construed to prohibit City officials and employees from responding to requests from colleagues as a matter of professional courtesy.

F. City officials and employees will promote full participation and public involvement in the City's decision-making processes and will obey and encourage compliance with all laws and regulations relating to open meetings and access to public records. All persons will be treated in a fair and equitable manner and decisions will be based on the merits of the issue. All substantive information that is relevant to a matter under consideration from sources outside the public decision-making process will be shared with all governing board members and staff. City officials and employees will contribute to a strong organization that exemplifies transparency and open communication.

G. City officials and employees will not knowingly use false or inaccurate information to support any position or opinion. All will safeguard the ability to make independent, objective, fair and impartial judgments by avoiding financial relationships and transactions that may compromise or give the appearance of compromising objectivity, independence and honesty.

H. City officials and employees should act reasonably to avoid either the actuality or the appearance of undue influence, conflicts of interest, nepotism or favoritism.

STANDARDS OF ETHICS

IV. Conflicts of Interests:

A. Specific conflicts of interest are enumerated below for the guidance of employees and City officials. This list is merely illustrative and not exclusive:

1. **Gifts and Favors.** City officials and employees shall not take special advantage of services or opportunities for personal gain, by virtue of their position with the City, which is not available to the public in general. They shall refrain from accepting any gifts, favors or promises of future benefits that would violate the law or might compromise their independence of judgment or action to give the impression of being compromised.

2. **Confidential or Privileged Information**. City officials and employees shall respect the confidentiality of information and shall refrain from disclosing confidential or privileged information without legal authority, nor use such information to advance their financial or other private interests. (Gov. Code Section 1098)

3. **Outside or Incompatible Employment**. City officials and employees are expected to devote their best efforts to the interests of the work of the City. Therefore, City officials and employees who are paid in whole or in part by the City shall not engage in or accept other employment or render services to other interests when such employment or service would be incompatible with or would create a conflict of loyalties with regard to the proper discharge of his or her official City duties.

4. **Use of Public Resources**. City officials and employees will not use public resources such as staff time, equipment, supplies or facilities for private gain or personal purposes. All will demonstrate concern for the proper use of City assets and follow established procedures for their use.

5. **Future Employment**. A former City official or employee shall not, within one year after termination of service or employment, appear before any board, commission, committee, or agency of the City in relation to any case, proceeding, application or contact in which he or she personally participated during the period of his or her service or employment, except in representation or furtherance of the interests of the City.

6. **Political Activity**. A City official or employee shall not promise an appointment to any position with the City as a reward for any political activity. No official or employee shall solicit or participate in soliciting any assessment, subscription or contribution to any political party during working hours or on the premises of any governmental property owned by the City and shall at all times conform to the provisions of all applicable state and federal laws regarding political activities.

7. **Contracts with the City**. City officials and employees cannot be involved in any way, with any contract or sale in which they have a financial interest. This means that officials and employees shall not exercise any decision-making authority over, nor make any recommendations on behalf of or to the City, or otherwise participate in or attempt to influence any City decision with respect to any contract or sale involving the City if that employee is directly or indirectly financially interested in the contract or sale.

8. **Personal Investments**. It shall be improper to make personal investments which could reasonably be expected to create a conflict between private interests and public interests. If a City official or employee has a financial interest in a matter coming before him or her, or before the department in which he or she is employed, the person should disqualify themselves from any participation in the matter.

9. **Representing the Interest of Others**. City officials or employees shall not appear before any agency of the City on behalf of other interests for pay.

10. **Use of Public Resources**. Officials and employees shall not use public resources not available to the public in general, for private or political purposes. Officials and employees will use their title(s) only when conducting official City business. Public resources should only be used for a community event or activity when authorized by the City Council and/or City Manager or his or her designee and only when there is a benefit to the City for the use of such resources.

11. **Cost Control**. To effectively conserve City resources, officials and employees will attempt to use the most economical and cost efficient transportation, lodging, meals, telecommunication, and parking when traveling to conduct City business for which the City may reimburse them.

V **Procedures:**

A. Where to seek advice:

1. City officials or employees who have questions about the ethics of an action or situation should discuss the matter with their supervisors, Human Resources staff, City Manager, Assistant City Manager, Deputy City Manager or City Attorney.

B. What To Do If Uncertain:

1. An ethical issue may not arise until a situation is underway. In such cases, there may not be time to contact someone for advice. Rather than risk a violation of the ethics policy, the safest course of action for the City official or employee is simply to declare that a conflict may exist that prevents him or her from participating, then follow the procedures of this policy to receive guidance on the proper course of action.

C. How To Declare a Possible Conflict of Interest:

1. Officials or Employees who believe they may have a conflict of interest should immediately advise their supervisor, Human Resources staff, City Manager, Assistant City Manager, Deputy City Manager or City Attorney.

2. City officials or employees who believe they may have a conflict of interest should immediately announce the possible conflict in the official records of the City and refrain from any further participation in the matter.

D. How To Handle or Report a Possible Conflict of Interest:

STANDARDS OF ETHICS

1. City officials and employees have a duty to prevent and report possibly unethical or illegal action. City officials and employees who know of such action and do nothing also act unethically. Therefore, City officials and employees are obligated to counsel an official or employee who is engaged or is about to engage in unethical behavior. If counseling is not effective, City officials and employees are obligated to report the unethical behavior.

   a. City employees should notify their supervisor or other management staff within the department, Human Resources staff, City Manager, Assistant City Manager, Deputy City Manager or City Attorney. City officials should notify the City Manager, Assistant City Manager, Deputy City Manager or City Attorney.

   b. City Officials and employees shall never attempt to use their authority or influence for the purpose of intimidating, threatening, or influencing any person with the intent of interfering with the individual's duty to disclose unethical or illegal actions. Further, City officials or employees shall not attempt to use their authority or influence for the purpose of retaliation against another City official or employee who reports unethical or illegal behavior.

   c. All attempts will be made to keep confidential the identity of a City official or employee who reports unethical behavior, however, there can be no guarantees in the event of administrative, criminal or civil proceedings and/or investigations.

VI **Accountability:**

A. Adherence to the standards of ethics:

1. Will be considered in evaluating the job performance of City employees and those City officials who are subjected to performance reviews. Violations of the standards of this policy will be measured against a "reasonable person" standard. Violations of this policy may subject City officials and employees to a variety of penalties, including employee discipline or termination of employment, depending on the specifics of the situation.

Report to City Council

TO: Mayor and City Council

FROM: Kyle Kollar, Interim Community Development Director

AGENDA DATE: June 22, 2010

TITLE: Resolution to ratify the application for the Edward Byrne Memorial Justice Assistance Grant and to accept the $110,266 allocation to the City.

RECOMMENDED ACTION

Staff recommends that the City Council approve Resolution 2010-59 to ratify the application by the Code & Neighborhood Services Division for the Edward Byrne Memorial Justice Assistance Grant and to accept the $110,266 allocated to the City.

BACKGROUND

The U.S. Department of Justice, through the Office of Justice Programs, provides federal leadership for the development of the nation's ability to prevent and control crime. This is carried out through the formation of partnerships with other federal, state and local agencies. Additionally, the Office of Justice administers grants that assist states, tribes and local governments to focus on programs that address youth crime, substance abuse, family violence and other enforcement programs. The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows jurisdictions to support activities that prevent and control crime. This includes support for programs that address various enforcement needs, the prosecution of offenders, crime prevention and education of the community.

In 2010, the JAG program has allocated $110,266 to the City of Moreno Valley for programs with an emphasis on crime prevention through enforcement efforts. The Code and Neighborhood Services Division is proposing to apply for these funds to hire part time code enforcement personnel whose efforts would be primarily focused on foreclosure enforcement activities and also for the continuation of the Graffiti Tracker contract services.

DISCUSSION

The City of Moreno Valley has been heavily impacted by the foreclosure crisis for the last two years. In response to this, the City Council directed the Code and Neighborhood Services Division to assemble a proactive team of inspectors to address unmaintained foreclosed properties. The team was composed of two Building Inspectors and two Code Compliance Officers responsible for addressing property maintenance issues at affected properties.

However, the City's budget challenges have led to reduced staffing within the Division. These reductions have challenged staff's ability to pursue foreclosure compliance activities as vigilantly as before.

Therefore, staff is proposing to utilize a portion of the 2010 JAG grant funds to augment current staffing levels. Staff is recommending funds be utilized to hire two part-time officers who would be deployed to conduct proactive inspections of foreclosed properties citywide.

In addition, staff is proposing to apply the remainder of funds to continue contract services with Graffiti Tracker Incorporated (GTI).

(GTI) utilizes the combination of GPS technology and web based software to provide superior graffiti data retention services. GTI's staff analyzes photographs provided by City staff, identifies the gang moniker, categorizes, determines abatement cost and stores photographic images on their website for reference.

City personnel are able to search the organized database to determine patterns of graffiti vandalism. Determining these patterns can assist law enforcement to concentrate their resources accordingly and ultimately result in more targeted police efforts and enhanced restitution.

ALTERNATIVES

Not applicable

FISCAL IMPACT

The grant funding will provide for the hiring of part time code enforcement personnel. Grant funding would cover all costs associated with these part time personnel and/or contract services; there would be no impact on the City general fund. The grant funds would be deposited in a separate account and identified with a separate expenditure number.

STAFF RECOMMENDATION

Staff recommends that the City Council approve Resolution 2010-59 to authorize the submission of a code enforcement grant application to the U.S. Department of Justice, Bureau of Justice Assistance.

RESOLUTION NO. 2010-59

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING THE GRANT APPLICATION SUBMITTED BY THE CODE & NEIGHBORHOOD SERVICES DIVISION TO THE OFFICE OF JUSTICE PROGRAMS FOR THE EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT AND ACCEPT THE $110,266 ALLOCATION

WHEREAS, The City of Moreno Valley, a city within the State of California, has applied for the Edward Byrne Memorial Justice Assistance Grant

WHEREAS, the Office of Justice notified the City of Moreno Valley that $110,266 was allocated to the City for preventing and controlling crime

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. The City Council approves the grant application submitted by the Code & Neighborhood Services Division for the Edward Byrne Memorial Justice Assistance Grant.

2. The City Council accepts the $110,266 allocation from the grant and hereby directs the Finance Department to establish a separate account identified with a separate unique expenditure activity number.

3. The City of Moreno Valley hereby agrees to use the funds in the manner presented in the grant application and in accordance with the application package. It also may execute any and all instruments required by the Office of Justice for participation in the Edward Byrne Memorial Justice Assistance Grant Program.

4. The City of Moreno Valley authorizes the City Manager to execute in the name of the City of Moreno Valley the grant application, and all other documents required by the Office of Justice for participation in the Edward Byrne Memorial Justice Assistance Grant Program.

Program Narrative

The City of Moreno Valley Code and Neighborhood Services Division is responsible for the enforcement of City's municipal codes relating to neighborhood nuisances, health and safety, substandard housing, vehicle abatement, zoning/land use, illegal signs, parking control, business licenses, illegal vendors and graffiti restitution. Blight and nuisances can devalue, detract and degrade the quality of any neighborhood. The City has adopted codes that govern the use and maintenance of private property in order to enhance and protect the quality of life for all who work, live and play in Moreno Valley.

The City of Moreno Valley has been heavily impacted by the foreclosure crisis for the last two years. In response to this, the City Council directed the Code and Neighborhood Services Division to assemble a proactive team of inspectors to address unmaintained foreclosed properties. The team was composed of two Building Inspectors and two Code Compliance Officers responsible for addressing property maintenance issues at affected properties.

However, the City's budget challenges have led to reduced staffing within the Division. These reductions have challenged staff's ability to pursue foreclosure compliance activities as vigilantly as before.

Therefore, staff is proposing to utilize a portion of the 2010 JAG grant funds to augment current staffing levels. Staff is recommending funds be utilized to hire two part-time officers who would be deployed to conduct proactive inspections of foreclosed properties citywide.

In addition, staff is proposing to apply the remainder of funds to continue contract services with Graffiti Tracker Incorporated (GTI).

Budget Review

The City of Moreno Valley's Code and Neighborhood Services Division is proposing to use JAG funds for two City programs; the foreclosure enforcement program and the graffiti abatement program.

Staff plans to utilize JAG funds to augment current staffing levels of the City's proactive foreclosure program. Code staff has researched the approximate cost for staffing and additional costs. Staff has attached all related costs such as standard equipment for field personnel and supplementary costs such as gasoline and vehicle maintenance within the Budget Detail Worksheet as per JAG requirements.

In addition, Staff is proposing to utilize funding to continue contract services with Graffiti Tracker Incorporated (GTI) for a term of seventeen (17) months. The monthly costs to GTI are constant and based upon the number of graffiti occurrences categorized and stored within their database monthly.

Abstract

Applicant's Name: City of Moreno Valley, CA

Title of Project: Foreclosure Enforcement and Graffiti Abatement Program

The City of Moreno Valley's Code and Neighborhood Services Division is proposing to utilize JAG grant funds for the purpose hiring part time staff for foreclosure enforcement. The new staff members would improve code's ability to respond to unmaintained foreclosed properties. Staff is also proposing to direct funds towards the continued financial support of the City's contract graffiti retention database. The continuation of this contract is essential to the success of the City's graffiti abatement program in regards to the apprehension of graffiti vandals and restitution efforts.

Goals and Objectives:

- Create a trust fund to deposit allocated funds.
- Conduct recruitments for two part time Code Enforcement Officer I positions with an approximate start date of January 2011.
- The enforcement program implemented will focus on foreclosure enforcement activities described above in effort to reduce blight.
- Augment existing staff and better direct division focus towards property maintenance efforts in blighted residential areas.
- Utilize the graffiti categorization efforts to increase the arrest and conviction rates of graffiti vandals.
- Conduct quarterly programmatic and financial reports to assess grant objectives,and verify that grant funds are being utilized appropriately and efficiently.
- Complete the dispersing of funds in a timely manner within the four year allocation.

AGENDA DATE: June 22, 2010

TITLE: AUTHORIZATION TO AWARD THE CONSTRUCTION CONTRACT FOR AUTO MALL FREEWAY PYLON SIGN PROJECT
PROJECT NO. 08-89791725

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder.

2. Authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency.

3. Authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City Attorney.

Staff recommends that the Community Redevelopment Agency:

1. Accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto.

2. Authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency.

3. Authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725)

BACKGROUND

The preliminary engineering and conceptual design plan for the Auto Mall Improvements was awarded to VA Consulting, Inc. by the City Council at its meeting on September 23, 2008. On January 13, 2009, the City Council approved the Auto Mall Improvements Project as part of the reprioritization of Capital Projects to be funded by 2007 RDA Bonds. A final conceptual plan to rejuvenate the mall was presented to the City Council Study Session on March 17, 2009 and was approved for final design. VA Consulting, Inc. was authorized to proceed with the final design plans and specifications by the City Council at its meeting on April 28, 2009. The major elements of the plan consist of sign monuments, vehicle display areas and landscaping enhancement of Auto Mall Drive. The pylon sign is the first improvement in the two-phase conceptual improvement plan.

DISCUSSION

The Moreno Valley Auto Mall is currently comprised of five (5) auto dealerships and six (6) vacant parcels. The City and the Redevelopment Agency have been working with the Auto Mall dealers to explore various ways to increase business advantages by creating attractive visual displays of dealer products and other aesthetic elements. The goal is to help provide increased awareness and interaction between prospective customers and business owners. The increase in Auto Mall business has the potential to increase additional opportunities for employment and enhance other long term related business benefits for the local community.

The pylon sign is an integral element of the conceptual plan. The sign is located on the south side of the SR60 freeway, east of Moreno Beach Drive. This project will replace the existing aged and worn freeway sign with a new up-to-date high-tech two- (2) sided sign that includes a larger video display. The sign will be, in conformance with the "Specific Plan #5 Sign", 31 feet wide and stand approximately 85 feet in height, as seen from the freeway.

The new pylon sign will enhance awareness of the Auto Mall's location from both directions of the freeway with its highly visible color video display, which measures approximately 21 feet high by 29 feet wide. To augment awareness of the Auto Mall dealers, there will be eight (8) large dealership panels below the video display.

MV00063052

This project was determined to be "Categorical Exemption" (CE) pursuant to Section 15311, "Accessory Structures" and Section 15301, "Existing Facilities", of the State CEQA Guidelines.

The project was advertised for bids on April 22, 2010. Formal bidding procedures were followed in conformance with the Public Contract Code (PCC) and the City Clerk opened bids at 2:00 p.m., on May 25, 2010, for the subject project.

Six (6) valid bids received are as follows:

	CONTRACTORS	Bid Amount
1.	**San Pedro Sign Company**	**$706, 716.00**
2.	National Sign & Marketing Corp.	$719,814.00
3.	Sign Industries, Inc.	$756,898.65
4.	YESCO	$777,915.00
5.	Flouresco Lighting & Signs	$948,769. 00
6.	Ad Art, Inc.	$1,146,180.00
	Engineer's Estimate	$1,218,200.00

Staff has reviewed the bid by San Pedro Sign Company and finds it to be the lowest responsible bidder in possession of a valid license and bid bond. No outstanding issues were identified through the review of the references submitted by San Pedro Sign Company.

The project was bid on the basis of a Base Bid and one (1) Additive Alternate "A" Bid. The Base Bid includes the design, manufacturing, and installation of the pylon sign. Additive Alternate Bid "A" includes a stone veneer base and extended sign programming maintenance warranty and service agreement. The bid documents stipulated that the low bidder would be determined on the basis of the total of the Base Bid and the Additive Alternate Bid. Staff recommends, and this Report reflects, the award of the Contract to cover the Base Bid plus the Additive Alternate Bid "A" option.

The requested subsequent assignment of the contract from the City to the Community Redevelopment Agency will obligate the RDA funds and not the General Fund.

ALTERNATIVES

1. Award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder; authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency; authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City

MV00063053

Attorney; accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto; authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency; authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725) *This alternative will allow for much needed improvements*.

2. AGREEMENT

PROJECT NO. ED-09-89791725

CITY OF MORENO VALLEY AUTO MALL
FREEWAY PYLON SIGN PROJECT

THIS Contract Agreement, made and entered into as of the date signed by the City Manager of the City of Moreno Valley, by and between the City of Moreno Valley, a municipal corporation, County of Riverside, State of California, hereinafter called the "City" and **San Pedro Sign Company** hereinafter called the "Contractor."

That the City and the Contractor for the consideration hereinafter named, agree as follows:

1. The written Agreement includes all of the following:
   a. Any and all Contract Change Orders issued after execution of this Agreement
   b. Addenda Nos. **2** inclusive, issued prior to the opening of the Bids
   c. The bound Bid Documents
   d. The Special Provisions which include the General Provisions and Technical Provisions, all of which are parts of this Agreement
   e. The project Plans
   f. The Standard Plans
   g. The Standard Specifications
   h. Reference Specifications, all of which are essential parts of this Agreement
   i. The Bidder's Proposal which includes the Bidder's Bond and Noncollusion Affidavit

In the event of any conflict in the provisions thereof, the terms of said Bid Documents as set forth above shall control, each over the other, in the order provided. The above items are incorporated in this Agreement as though set forth in full.

2. The Contractor shall furnish all materials, tools, equipment and labor, except as otherwise provided in the Plans or Special Provisions, and will perform all the work which is necessary to complete in a good, workmanlike and substantial manner the above said project in accordance with the Contract documents for this project, the Contract documents which are hereby specifically referred to and by such reference made a part hereof.

3. The City will pay the Contractor and the Contractor agrees to receive and accept the prices set forth in the Bid Schedule as full compensation for the work required under the bid items awarded by the City, to wit, the Base Bid Item(s) and Additive Bid Item(s) in the sum total amount of **$706,716.00,** subject to additions or reductions of the quantities of the various bid items at the unit prices bid, for furnishing all materials and for doing all the work contemplated and embraced under this Contract Agreement; for all loss or damages arising out of the nature of the work aforesaid, or from the action of the elements, or from any unforeseen difficulties or obstructions which may arise or be encountered in the prosecution of the work, until the work is accepted by the City Council; for all expenses incurred by or in consequence of the suspension or discontinuance of work; and for well and faithfully completing the work, the whole thereof, in the manner and in accordance with the Contract documents therefore and the requirements of the Engineer under them.

4. The Contractor hereby agrees to commence work pursuant to this Contract within fourteen (14) calendar days after the date of authorization specified in the Notice to Proceed. The Contractor agrees to diligently prosecute the contracted work, including corrective items of work, day to day thereafter, to completion, within **ONE HUNDRED SIXTY-FIVE (165) working days** after said date in the first "Notice to Proceed," except as adjusted by subsequent Contract Change Order(s).

5. The City and Contractor hereby agree that in case all construction called for under the Contract is

not completed within the time hereinabove specified, including City caused delays or extensions, damages will be sustained by the City and that, it is and will be impracticable or extremely difficult to ascertain and determine the actual amount of damages the City will sustain in the event of, and by reason of, such delay.

It is, therefore, agreed that such damages shall be presumed to be in the amount of $600.00 per calendar day, and that the Contractor will pay to the City, or City may retain from amounts otherwise payable to Contractor, said amount for each calendar day by which the Contractor fails to complete the work, including corrective items of work, under this Contract Agreement within the time hereinabove specified and as adjusted by Contract Change Order(s). The Contractor will not be assessed liquidated damages for delay(s) occasioned by the failure of the City or of the owner of a utility to provide for the removal or relocation of utility facilities.

6. The Contractor shall name as additional insured, the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), and shall furnish the City with a certificate of insurance evidencing liability insurance policy or policies which shall provide coverage for owned and non-owned automobiles; manufacturers and Contractor's liability; broad form property damage in any case where the Contractor has any property belonging to the City in his care, custody or control; owners and Contractor's protective liability; blanket contractual liability; products and completed operations coverage; coverage for collapse, explosion, and where any excavation, digging or trenching is done with power equipment; and shall bear an endorsement containing the following Provisions:

> Solely as respect to work done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), its officers, employees and agents, are added as additional insured under this policy and the coverage provided hereunder shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, California, the Community Redevelopment Agency of the City of Moreno Valley, and the Moreno Valley Community Services District, its officers, employees and agents; under any third party liability policy.
>
> It is further agreed that the other insurance provision(s) of the policy are amended to conform therewith.

The endorsements shall be signed by a person authorized by the insurer to bind coverage on its behalf. Insurance companies providing insurance here under shall be rated (A minus: VII - Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

The terms of the insurance policy or policies issued to provide the below insurance coverage(s) shall not be amended or canceled by the carrier without thirty (60) days prior written notice by certified or registered mail of amendments or cancellation to the City. In the event the said insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the City Clerk new evidence of insurance in the amounts established.

All liability insurance policies shall bear an endorsement or shall have an attached rider which provides that the City of Moreno Valley will be notified by certified or registered mail at least 60 days prior to the effective date of cancellation, non-renewal, or material alteration of such policy.

All liability insurance shall cover comprehensive general liability for both bodily injury (including death) and property damage, including but not limited to aggregate products, aggregate operations, aggregate

protective and aggregate contractual with the following minimum limits:

	Each Person	Each Occurrence	Aggregate
Bodily Injury	$500,000.00	$2,000,000.00	$2,000,000.00
Property Damage	---	$2,000,000.00	$2,000,000.00

A combined single limit for Bodily Injury Liability and Property Damage Liability of $2,000,000.00 for each occurrence will be considered equivalent to the above minimum limits for Comprehensive General Liability.

Property Damage Insurance shall cover full replacement value for damages to any property caused directly or indirectly by or from acts or activities of the Contractor or its sub-contractors or any person acting for the Contractor or under its control or direction.

The Contractor shall procure and maintain, at its sole expense, and throughout the term of this Contract Agreement and any extension thereof, Public Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated. Such coverage limits shall not be less than $1,000,000 combined single limit.

Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City, its officers, officials, employees and volunteers; or the contractor shall procure a bond guaranteeing payment of losses and related investigation, claim administration, and defense expenses.

The Contractor shall also furnish the City with a certificate evidencing Worker's Compensation Insurance with limits as established by the State of California.

The Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

7. The Contractor hereby agrees to provide and maintain in effect two (2) good and sufficient Surety Bonds for one hundred percent (100%) each of the contract price. The bonds shall be a "Faithful Performance Bond" which shall guarantee the faithful performance of all work and a "Labor and Materials Payment Bond" which shall secure the payment of the claims of labor, mechanics, or material for all work under the Contract pursuant to Section 3247 of the Civil Code.

8. The Contractor, the Contractor's heirs, executors, administrators, successors, or assigns guarantee that all work performed under this Contract fully meets the requirements thereof as to quality of workmanship and materials furnished. If any defects in materials or workmanship become evident within a period of one year from the date of the acceptance of the work by the City Council, the Contractor shall, at his or her own expense, make any repair(s) or replacement(s) necessary to restore the work to full compliance with the Plans and Specifications.

9. The Contractor and any agents or subcontractors of the Contractor shall pay the prevailing rates of per diem wages established by the California Department of Industrial Relations. The Contractor and any agents or subcontractors of the Contractor shall also adhere to the California Labor Code, Division 2, Part 7, "Public Works and Public Agencies," and the California Administrative Code, Title 8, Group 3, "Payment of Prevailing Wages upon Public Works," all of which are made a part of the Contract documents.

10. The Contractor agrees that he or she and its subcontractors shall maintain and keep books, payrolls, invoices of materials, records on a current basis, and recording all transactions pertaining to this Agreement in a form in accordance with generally acceptable accounting principles. Said books and records shall be made available to the City of Moreno Valley, County, the State of California, the Federal Government and to any authorized representative thereof for purposes of audit and inspection at all reasonable times and places. All such books, payrolls, invoices of materials, and records shall be retained for such periods of time as required by law, provided, however, notwithstanding any shorter period of retention, all books, records, and supporting detail shall be retained for a period of at least three years after expiration of the term of this Agreement.

11. Pursuant to California Public Contract Code Section 22300, the Contractor will be permitted the substitution of securities for any monies withheld by the City of Moreno Valley to ensure performance under Contract. At the request and expense of the Contractor, securities equivalent to the amount withheld shall be deposited with the City of Moreno Valley, or with a state or federally chartered bank as the escrow agent, who shall pay such monies to the Contractor. Securities eligible for substitution under this section shall include those listed in Section 16430 of the Government Code, bank or savings and loan certificates of deposit, interest-bearing demand deposit accounts, and standby letters of credit. The Contractor shall be the beneficial owner of any securities substituted for monies withheld and shall receive any dividends or interest thereon. The Contractor shall give the City written notice within thirty (30) days after the Contract is awarded that it desires to substitute securities for money that would ordinarily be withheld. If the substituted securities are deposited into an escrow, the escrow shall be governed by a written escrow Contract Agreement in a form which is substantially similar to the Contract Agreement set forth in Section 22300, of the Public Contract Code.

12. The Contractor agrees to indemnify, defend, and save the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), the Moreno Valley Community Services District (CSD), its officers, agents, employees, representatives and consultants harmless from any and all liability, claims, damages or injuries to any person, including injury to the Contractor's employees and all claims which arise from or are connected with the negligent performance of or failure to perform the work or other obligations of this Contract Agreement, or are caused or claimed to be caused by the negligent acts of the Contractor its officers, agents, employees, sub-contractors or suppliers, and all expenses of investigating and defending against the same; provided, however, that this indemnification and hold harmless shall not include any claims arising from the sole negligence or willful misconduct of the City, RDA, and CSD, its officers, agents, or employees.

The obligation to indemnify, defend and hold harmless set forth herein shall include, without limitation, any and all attorney's fees incurred by the party to be indemnified, defended, or held harmless, whether in a judicial or administrative action or in arbitration, and whether the issue is between the parties or involves one or more third parties.

13. The parties do for themselves, their heirs, executors, administrators, successors and assigns agree to the full performance of all of the provisions herein contained. The Contractor may not, either voluntarily or by action of law, assign any obligation assumed by the Contractor hereunder without prior written consent of the City.

14. Should either party bring any legal or equitable action for the purpose of protecting or enforcing its rights under this Contract Agreement, the prevailing party in such action shall recover in addition to all other relief, its reasonable attorney's fees and court costs to be fixed by the court.

In addition to the foregoing award of attorney's fees, the prevailing party shall be entitled to its attorneys' fees incurred in any post judgment proceedings to enforce any judgments in connection with this Contract Agreement. The Provision is separate and several and shall survive the merge of this Provision into any judgment.

15. By my signature hereunder, as Contractor, I certify that I am aware of the Provisions of Section 3700, of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the Provisions of that code, and I will comply with such Provisions before commencing the performance of the work of this Contract.

16. The effective date of this Contract Agreement shall be the date of the Award of Contract by the City of Moreno Valley.

17. Contractors are required by law to be licensed and regulated by the Contractors' State License Board. Any questions concerning a Contractor may be referred to the Registrar, Contractors' State License Board, 3132 Bradshaw Road, Sacramento, CA 95826. Mailing address: P.O. Box 26000, Sacramento, CA 95826.

Report to City Council

TO: Mayor and City Council, and the Mayor and City Council, acting in their capacity as President and Board of Directors for the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: June 22, 2010

TITLE: Authorization to Close Public Streets for the Independence Day Festivities on Saturday, July 3, 2010 and Sunday, July 4, 2010.

RECOMMENDED ACTION

Staff recommends that the City Council and the Mayor and the President and Board of Directors for the Moreno Valley Community Services District:

1. Authorize the closure of the following streets between the hours of 7:00 a.m. and 12:00 noon for the purpose of conducting the Fourth of July Parade scheduled to take place on July 3, 2010.

    a. TownGate Boulevard between Frederick Street, Eucalyptus Avenue and Memorial Way;
    b. Frederick Street between Centerpointe Drive and Cactus Avenue;
    c. Cottonwood Avenue between Pan Am Boulevard and Dunhill Drive;
    d. Eucalyptus Avenue between Pan Am Boulevard and Kochi Drive;
    e. Dracaea Avenue between Pan Am Boulevard and Kochi Drive;
    f. Atlantic Circle east of Frederick Street;
    g. Brabham Street between Frederick Street and Andretti Street;
    h. TownGate Boulevard between Frederick Street and Heritage Way;
    i. Bay Avenue between Kristina Court and Courage Street;
    j. Alessandro Boulevard between Chagall Court and Elsworth Street;
    k. Alessandro Boulevard between Joy Street and Cactus Avenue;
    l. Resource Way between Frederick Street and Corporate Way;
    m. Corporate Way between Calle San Juan de Los Lagos and Resource Way;

n. Calle San Juan de Los Lagos between Frederick Street and Veterans Way;
o. Veterans Way between Cactus Avenue and Alessandro Boulevard;
p. New Hope between Veterans Way and Elsworth; and
q. Heritage Way between TownGate Boulevard and Town Circle.

2. Authorize the closure of the following streets to through traffic, to remain open only to residents, between the hours of 11:00 a.m. and 9:00 p.m. for the purpose of conducting the Fourth of July Festival and Fireworks Program scheduled to take place on July 4, 2010.

a. Petaluma Avenue between Napa Valley and Morrison Street;
b. Napa Valley between Dracaea Avenue and Petaluma Avenue;
c. Lakeport Drive at Cottonwood Avenue;
d. Burney Pass Drive between Cottonwood Avenue and Dracaea Avenue;
e. Rockport Drive between Yuba Pass Road and Morrison Street;
f. Dracaea Avenue between Morrison Street and Nason Street;
g. Letterman Street at Cottonwood Avenue;
h. Athletics Drive at Cottonwood Avenue; and
i. Mascot Lane at Dracaea Avenue.

The streets closed to through traffic are to prevent overflow parking from the fireworks program into residential areas. Also, for a short period and immediately following the fireworks display, staff recommends that the City Council authorize one-way traffic on various streets in the vicinity of Morrison Park as directed by the Moreno Valley Police Department.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

For the past 24 years, the City has sponsored the Independence Day Celebration, which includes the parade, festivities, and fireworks program. Last year's parade was a success with more than 100 entries comprised largely of local businesses, church groups, youth groups, and other non-profit organizations. The proposed parade route is similar to last year's parade route. The parade street closures are similar to the street closures for the 2009 parade route. Approximately 7,000 spectators attended the 2009 Independence Day Parade.

The Independence Day Festival and Fireworks Display were also successful in attracting an estimated 20,000 spectators to Morrison Park and Mountain View Middle School. Those in attendance enjoyed the festival atmosphere throughout the day and the excitement of the fireworks display that evening.

MV00063076

DISCUSSION

The 2010 Independence Day festivities this year will be a two-day celebration. Detailed below is the discussion of the events planned and street closures for the Independence Day Program activities:

1. Parade Discussion

The parade this year will take place on July 3, 2010. Similar to the 2009 parade route, staff is recommending utilizing the parking lot at Gateway Commercial Center (south of City Hall) as parade parking. Parade participants will enter north onto Veterans Way from Golden Crest or Cactus Avenue and check in near San Juan De Los Lagos. Staging for the parade will take place on Calle San Juan de Los Lagos, Corporate Way and Resource Way. The parade route will begin on Frederick Street at Alessandro Boulevard and go north on Frederick Street to TownGate Boulevard, turn west on TownGate Boulevard, turn north onto Heritage Way and disband into the parking lot located between the rear of the Mervyns store and the theater in the TownGate Shopping Center. The parade will begin promptly at 9:30 a.m. and conclude prior to 12:00 noon.

The street closures being requested will allow sufficient time for safe passage during the event for all event participants and spectators. Traffic entering and/or leaving commercial establishments will be restricted during the parade. All barricades at intersections will be removed no later than 12:00 noon. Police officers will be stationed at the following major intersections for safety purposes.

- Cactus Avenue and Frederick Street
- Alessandro Boulevard and Frederick Street
- Cottonwood Avenue and Frederick Street
- Frederick Street and TownGate Boulevard
- TownGate Boulevard and Heritage Way
- Veterans Way and Alessandro Boulevard
- Heritage Way and Town Circle

2. Festival and Fireworks Display Discussion

The second day of the festivities will continue on July 4, 2010 from 2 p.m. - 10:00 p.m. with the Family Fun Fest activities at Mountain View Middle School/Morrison Park. Similar to last year's 2009 festival, the afternoon activities will be held at Mountain View Middle School and Morrison Park. Staff is anticipating approximately 20,000 spectators to attend the festivities. The concert headliner this year is "The Beach Toys" who promises to bring back great memories with "A Tribute to the Beach Boys" and "Paperback Writer who promises to bring back great memories with "A Tribute to the Beatles". The afternoon festivities begin at 2:00 p.m., and will conclude at approximately 9:30 p.m. with the fireworks

MV00063077

display. Activities at the festival also include food, arts and crafts, and non-profit information booths.

Based on past years, the Moreno Valley Police Department and the Transportation Division are recommending closure of the previously mentioned streets to allow sufficient time for safe passage before, during and after the event for all event participants and spectators. All barricades at intersections will be removed no later than 10:00 p.m. Police officers will be stationed at major intersections as directed by the Moreno Valley Police Department.

As part of the Fourth of July planning process, businesses and residents that are potentially affected by the street closures will receive written notification of the street closures scheduled to take place on July 3, 2010 and July 4, 2010.

ALTERNATIVES

1. Approve street closures as outlined above.

2. Provide direction to staff on alternate parade route and/or street closures.

FISCAL IMPACT

The planning and coordinating of this event begin prior to the FY 2010/2011. Funds proposed for the Independence Day Celebration are partially allocated in the Moreno Valley Community Services District Zone A fund FY 2009/2010 and partially allocated in the proposed Moreno Valley Community Services District Zone A fund FY 2010/2011. In an effort to offset expenditures staff has been soliciting sponsors for this event.

CITY COUNCIL GOALS

Not applicable.

SUMMARY

The 2010 Independence Day festivities this year will be a two-day celebration. Staff is requesting that City Council authorize the street closures outlined above for the City's Independence Day Celebration. The parade street closures are similar to the street closures for the 2009 parade route. The parade will take place on Saturday, July 3, 2010 and will step off at 9:30 a.m. from Frederick Street, south of Alessandro Boulevard. The festival will take place on Sunday, July 4, 2010,street closures are similar to the 2009 street closures adjacent to the festival.

TITLE: APPROVE AND AUTHORIZE EXECUTION OF AMENDMENT TO LAKE OR STREAMBED ALTERATION AGREEMENT WITH THE CALIFORNIA DEPARTMENT OF FISH & GAME AND AUTHORIZE PURCHASE ORDER FOR SR-60/NASON STREET INTERCHANGE IMPROVEMENT PROJECT -- PROJECT NO. 98-25897

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Adopt Resolution No. 2010-63, which approves and authorizes the execution of an Amendment to Lake or Streambed Alteration Agreement with the California Department of Fish and Game (CDFG).

2. Authorize the issuance of a purchase order to the Santa Ana Watershed Association (SAWA) for $250,125 ($217,500 plus 15% contingency) for environmental mitigation associated with the SR-60/Nason Street Interchange Improvement Project (Account No. 125.89720).

3. Authorize the Public Works Director/City Engineer to execute the amendment regarding the Lake or Streambed Alteration Agreement.

BACKGROUND

The overall purpose of the Route 60/Nason Street Interchange Improvement Project is to improve the Route 60/Nason Street interchange ramps through reconstruction and realignment, while providing a design that will accommodate future ultimate bridge widening improvements needed to serve anticipated future traffic demand.

On October 30, 2003, Caltrans and the Federal Highway Administration (FHWA) approved a Categorical Exception/Categorical Exclusion (CE/CE) requiring the City to mitigate the permanent impact to 0.58 acres of California Department of Fish and Game (CDFG) jurisdictional drainages and habitat due to the proposed construction.

On April 11, 2006, the City Council adopted Resolution No. 2006-40, approving and authorizing execution of an "Agreement Regarding Proposed Stream or Lake Alteration" with the California Department of Fish and Game (CDFG). The agreement is required as part of the environmental mitigation for the Route 60/Nason Street Interchange Improvement project. Additionally the City Council authorized the Public Works Director to execute the "Agreement Regarding Proposed Stream or Lake Alteration," including any minor amendments. The Council further authorized the Public Works Director to execute a conservation easement deed at a future date.

On December 8, 2009, the City Council authorized the issuance of a purchase order to the San Jacinto Basin Resource Conservation District (SJBRCD) to develop a conservation easement deed agreement and to fund an endowment to maintain and monitor the mitigation area to be constructed by the City for the project. The issuance of a purchase order not to exceed $345,000 was authorized for this purpose. Negotiations were initiated between the City and SJBRCD.

Project plans are 100% complete. Environmental permits for construction have been submitted to and/or received by the appropriate agencies. Utility relocation that must be completed in advance of the interchange construction has been completed. Right-of-way acquisition has also been completed.

DISCUSSION

According to the April 11, 2006 Agreement, the City was required to mitigate permanent impacts resulting from the project by creating a wetland and riparian habitat mitigation area with native riparian plant species and by removing all non-native plants in a designated area of 0.58 acres located north of State Route 60 and east of Nason Street. The area is designated as Open Space/Park area and is owned by the City. The City was required to construct the mitigation area during project construction. Plans and specifications have been completed and are contained within the 100% plans.

Once the mitigation area was to have been constructed and the construction warranty period was completed, the City was required to ensure long-term maintenance to protect the riparian habitat on the site in perpetuity. The City was required to place a conservation easement on the site. The area was to be restricted to habitat protection only and was not allowable as a park or recreation site. The SJBRCD was designated as the appropriate entity to hold the easement and maintain the area. However, during negotiations, it became apparent that the City and SJBRCD would not be able to reach agreement on terms for the proposed Conservation Easement Deed (agreement), including complete, exclusive, cost-effective, long-term maintenance of the area by

MV00063086

SJBRCD. After several months of negotiations, the City approached CDFG and the other resource agencies to evaluate more viable options.

As a result, a new, more viable opportunity for mitigation became available. The City will pay mitigation fees to SAWA to remove tamarisk and invasive plants necessary to enhance wetlands and wildlife habitats at an offsite location in the Badlands area of the San Jacinto Basin. SAWA, a CDFG-sanctioned entity, conducts an in-lieu fee program associated with environmental mitigation efforts. The benefits to the City in paying a fee to SAWA are the elimination of the long-term maintenance burden on the City for the on-site riparian area, the contribution of funds to an established conservation program, and a substantial reduction in the project mitigation cost. Upon payment of the mitigation fee, the resource agencies' concurrence to proceed with construction is achieved. CDFG is expected to issue an amendment that stipulates use of the in-lieu fee program for off-site mitigation. The City Council is requested to authorize the Public Works Director to execute the Amendment to Lake or Streambed Alteration Agreement.

SAWA has provided an estimate of $217,500 based upon the acreage of impacts and a pre-set fee structure. A contingency of up to 15% is included in the event of adjustments. The City Council previously authorized the issuance of a purchase order not to exceed $345,000 for the establishment of the SJBRCD endowment and associated set-up costs. A new purchase order in the amount of $250,125 is requested using the funds released by closing the purchase order with SJBRCD. This action represents a cost savings of approximately $100,000 as well as relief from additional long-term maintenance responsibilities and costs.

ALTERNATIVES

1. Adopt Resolution No. 2010-63, which approves and authorizes the execution of an Amendment to Lake or Streambed Alteration Agreement with the California Department of Fish and Game (CDFG), authorize the issuance of a purchase order to the Santa Ana Watershed Association (SAWA) for $250,125 ($217,500 plus 15% contingency) for environmental mitigation associated with the SR-60/Nason Street Interchange Improvement Project (Account No. 125.89720), and authorize the Public Works Director/City Engineer to execute the amendment regarding the Lake or Streambed Alteration Agreement. *This alternative will enable the City to amend the "Agreement Regarding Proposed Stream or Lake Alteration" with CDFG.*

2. Do not adopt Resolution No. 2010-63, which approves and authorizes the execution of an Amendment to Lake or Streambed Alteration Agreement with the California Department of Fish and Game (CDFG), do not authorize the issuance of a purchase order to the Santa Ana Watershed Association (SAWA) for $250,125 ($217,500 plus 15% contingency) for environmental mitigation associated with the SR-60/Nason Street Interchange Improvement Project (Account No. 125.89720), and do not authorize the Public Works Director/City Engineer to execute the amendment regarding the Lake or Streambed Alteration

Agreement. *This alternative would not allow the City to amend its "Agreement Regarding Proposed Stream or Lake Alteration" with CDFG.*

FISCAL IMPACT

The project is currently funded using federal funds and matching Measure "A" funds (Fund 125). The City has successfully obtained approximately $7.4 million of federal funds, portions of which have been used for design and right-of-way. Remaining construction funding consists of Surface Transportation Program funds, Transportation Efficiency Act of the 21st Century demonstration funds and DIF Interchange funds. It is anticipated the balance of construction will be funded using Measure "A" funds.

All funding sources for this project (Measure "A," Surface Transportation Program, Transportation Efficiency Act, and DIF Interchange funds) are restricted for capital improvements related to transportation projects or for the SR-60/Nason Interchange and cannot be utilized for operational activities. The allocated amounts below are specifically designated for the SR-60/Nason Interchange Improvements Project. There is no impact to the General Fund.

CITY COUNCIL GOALS

ADVOCACY:

Develop cooperative intergovernmental relationships and be a forceful advocate of City policies, objectives and goals to appropriate external governments, agencies and corporations.

MV00063088

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

SUMMARY

The City is amending the Lake or Streambed Alteration Agreement entered into with the California Department of Fish and Game. The amendment will allow the City to participate in an in-lieu fee program administered by the Santa Ana Watershed Association. The Council is asked to adopt a resolution authorizing the Public Works Director/City Engineer to execute the Amendment to Lake or Streambed Alteration Agreement and authorize the payment of in-lieu mitigation fees. This action represents a cost savings of approximately $100,000 to the project as well as relief from additional long-term maintenance responsibilities.

RESOLUTION NO. 2010-63

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING AND AUTHORIZING EXECUTION OF THE AMENDMENT TO LAKE OR STREAMBED ALTERATION AGREEMENT BETWEEN THE STATE OF CALIFORNIA, ACTING BY AND THROUGH THE DEPARTMENT OF FISH & GAME, AND THE CITY OF MORENO VALLEY FOR PROJECT NO. 98-25897

WHEREAS, the environmental document for the State Route 60/Nason Street Interchange Improvements requires mitigation for the permanent impact to 0.58 acres of CDFG jurisdictional drainages and habitat by onsite creation of a minimum of 0.58 acres of wetland and riparian habitat within the City of Moreno Valley Open Space/Park area adjacent to the project site, located north of State Route 60 off ramp and east of Nason Street;

WHEREAS, ensuring compliance with the environmental document is made available through an agreement between the State of California and the City of Moreno Valley; and

WHEREAS, the City desires to amend the Lake or Streambed Alteration Agreement entered into on April 11, 2006, Notification No. 6-2003-015 (Revision 6), by submitting an application to participate in an in-lieu fee program instead of constructing a mitigation area adjacent to the project site, located north of State Route 60 off ramp and east of Nason Street.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS: The Amendment to Lake or Streambed Alteration Agreement, Notification No. 6-2003-015 (Revision 6), between the State of California, acting by and through the Department of Fish and Game, and the City of Moreno Valley, for Project No. 98-25897, provides compliance with the environmental document for individual project and said Amendment to Lake or Streambed Alteration Agreement, Notification No. 6-2003-015 (Revision 6) is hereby approved and the Public Works Director shall execute the same on behalf of the City.

ORDINANCE NO. 811

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING CHAPTER 11.04 OF THE CITY OF MORENO VALLEY MUNICIPAL CODE, RELATING TO DRINKING IN PUBLIC AND TRESPASSING OFFENSES AND AMENDING SECTION 6.04.080 RELATING TO NOTICE OF NUISANCE VIOLATIONS

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1. MUNICIPAL CODE AMENDED:

1.1 Chapter 11.04 of the Moreno Valley Municipal code is hereby amended by adding new Section 11.04.065 to read as follows:

"Section 11.04.062 – Drinking in Public.

A. No person shall drink any beverage containing an alcoholic content in excess of one percent by volume upon any public street, sidewalk, alley, park, playground, recreation area or other public place within the City where such premises have not been licensed by the Alcohol, Beverage and Control Department of the State of California, for sale of alcoholic beverages to be consumed on the premises; or upon any private property which is open to the public view without the consent of the owner or person in lawful possession or control of said property.

B. Pursuant to California Business and Professions Code Section 25620, no person shall be in possession of any bottle, can or other receptacle containing an alcoholic beverage which has been opened, or a seal broken, or the contents of which have been partially removed upon any public street, sidewalk, alley, park, playground, recreation area or other public place within the City where such premises have not been licensed by the Alcohol, Beverage and Control Department of the State of California, for sale of alcoholic beverages to be consumed on the premises; or upon any private property which is open to the public view without the consent of the owner or person in lawful possession or control of said property. A violation of this section shall be an infraction.

C. Pursuant to California Penal Code Section 647e, no person shall be in possession of any bottle, can or other receptacle containing an alcoholic beverage

MV00063095

which has been opened, or a seal broken, or the contents of which have been partially removed upon the posted premises of, including the posted parking lot immediately adjacent to, any retail package off-sale alcoholic beverage licensee licensed pursuant to Division 9 of the California Business and Professions Code, or upon any public sidewalk immediately adjacent to the licensed and posted premises. A violation of this section shall be an infraction.

D. A violation of this section may be enforced by the filing of a criminal misdemeanor or infraction citation, or through the issuance of civil citations pursuant to Chapter 1.10 of this Code."

SECTION 2. MUNICIPAL CODE AMENDED:

2.1 Chapter 11.04 of the Moreno Valley Municipal code is hereby amended by adding new Section 11.04.090 to read as follows:

"Section 11.04.090 – Trespass Upon Private Property.

A. Definitions.

1. As used in this Section, "Posted Property" means any property at each corner of which, and at each identifiable road, trail or driveway entering the property, and at intervals of not less than three per mile, a sign of not less than 1 square foot in size is posted and visible containing in legible print not less than two inches in height, the words "PRIVATE PROPERTY – NO TRESPASSING" or words of similar meaning or effect.

2. As used in this Section, "Owner" shall mean the owner of record, the owner's agent, or a lessee or tenant in lawful possession.

B. No person shall remain upon any private property or business premises, after being notified by the owner or by a peace officer acting at the request of the owner to remove therefrom. The owner may make a written request for peace officer assistance in the enforcement of this Section. Such a request shall cover a period of not more than one year and shall specify specific dates, times and locations for which enforcement is requested. Furthermore, the request shall identify any individuals authorized by Owner to be on the premises. During such times and dates, a peace officer may act to remove a trespasser without the necessity of the Owner making a separate request on each occasion when peace officer assistance in dealing with a trespasser is requested.

C. No person, without permission, expressed or implied, from the Owner, shall enter upon private property or business premises after having been notified by the Owner to keep off or keep away therefrom.

D. No person shall enter or remain upon posted property without the permission, expressed or implied, of the Owner of such posted property or premises.

E. This Section shall not apply in any of the following circumstances:

1. Where its application results in or is coupled with any acts prohibited by the Unruh Civil Rights Act or any other provision of law relating to prohibited discrimination against any person on account of color, race, religion, sexual orientation, creed, ancestry or national origin;

2. Where its application results in, or is coupled with, any act prohibited by Section 356 of the California Penal Code or any other provision of law relating to duties of innkeepers and common carriers;

3. Where its application would result in an interference with or inhibition of peaceful labor picketing or other lawful labor activities;

4. Where its application would result in an interference with or inhibition of any other exercise of a constitutionally protected right of freedom of speech; or,

5. Where the person who is upon another's private property or business premises is there under claim or color of legal right."

SECTION 3. MUNICIPAL CODE AMENDED:

2.1 Chapter 11.04 of the Moreno Valley Municipal code is hereby amended by adding new Section 11.04.100 to read as follows:

"Section 11.04.100 – Trespass Upon Public Property.

A. As used in this Section, "City" shall mean the City of Moreno Valley, the Moreno Valley Redevelopment Agency, Community Service Districts and any other public agency formed and/or by the City of Moreno Valley.

MV00063097

B. No person shall remain upon any public park, playground, recreation facility, open space, library, or any other property owned, operated or maintained by the City, after having been found to have violated any City ordinance, resolution, policy, rule or regulation, where that person has been given a warning by authorized City personnel or a peace officer to cease the violation, and where that person continues the violation and has been asked to leave the premises.

B. Any person who has been found by authorized City personnel or a peace officer to have violated any ordinance, resolution, rule or regulation of the City may be banned by said personnel, or a peace officer provided that the violation relates to the facility from which the person has been banned. The violator must be personally served with a letter advising of the ban. The letter shall contain notice of the rule or regulation that was broken and state a specific location from which the individual shall be banned and state a time period, not exceeding one year that the ban will be in effect.

C. No person shall enter or remain upon any City owned or controlled public park, playground, recreation facility, open space, library, or any other property owned, operated or maintained by the City after having been banned therefrom.

D. This Section shall not apply in the following circumstances:

1. Where its application results in or is coupled with any acts prohibited by the Unruh Civil Rights Act or any other provision of law relating to prohibited discrimination against any person on account of color, race, religion, sexual orientation, creed, ancestry or national origin;

2. Where its application would result in an interference with or inhibition of peaceful labor picketing or other lawful labor activities;

3. Where its application would result in an interference with or inhibition of any other exercise of a statutory or constitutional right' or,

4. Where it is necessary for the person to enter City owned or controlled property from which that person has been banned in order to conduct City business but only for as long as necessary to conduct said City business."

SECTION 4. MUNICIPAL CODE AMENDED:

4.1 Chapter 6.04 of the Moreno Valley Municipal code is hereby amended by amending Section 6.04.080 to read as follows:

"Section 6.04.080 - Notification of nuisance.

A. When the city manager or authorized representative thereof determines that any condition on property within the city constitutes a nuisance as declared in Section 6.04.040, such person shall give written notice to abate to responsible person(s), as identified on public records or tax rolls, ordering the abatement of said nuisance.

B. The notice to abate shall contain the following information:

1. The name of the record owner of the property;

2. The date of the inspection;

3. The date of the violation(s);

4. The street address, assessor's parcel number or other definite description of the location where the violation(s) exist;

5. The code sections violated;

6. A description of the condition of the property creating the nuisance;

7. A list of necessary corrections to bring the property into compliance;

8. A reasonable time limit for correction based upon the nature of the nuisance;

9. A reference to the potential consequences for failure to abate the nuisance by the specified time period;

10. An order prohibiting the continuation or repeated occurrence of the nuisance;

11. The name and signature of the enforcement officer; and,

12. Notice of the right to appeal.

C. Notice required by this chapter may be served in any of the following manners:

1. Personal service on the responsible person;

MV00063099

2. Regular mail addressed to the responsible person, at the address shown on the last available assessment roll, or as otherwise known or posting in a conspicuous place on the premises or abutting the right-of-way;

3. Insertion of a legal advertisement at least once a week for a period of two weeks in a newspaper of general circulation in the city. The newspaper advertisement shall be a general notice that property in the city has been posted and contain a general statement of the effect of such postings.

D. Failure of any person to receive a copy of any notice issued pursuant to this chapter shall not affect the validity of any proceedings or actions taken under this chapter.

E. Nothing in this chapter shall be construed or interpreted to require the issuance of a notice to abate as a prerequisite to the issuance of an administrative citation or the filing of any civil action or criminal complaint."

SECTION 5. EFFECT OF ENACTMENT:

5.1 Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

SECTION 6. NOTICE OF ADOPTION:

6.1 Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be publicly posted in three places within the city.

SECTION 7. EFFECTIVE DATE:

7.1 This ordinance shall take effect thirty days after the date of its adoption.

12.14.010 Intent and purpose.

A. It is the intent of this chapter to prescribe the basic regulations for the operation of an official Rotational Tow Service Program in police emergency situations, removal of illegally parked, vehicles that are being operated contrary to law, and/or in the removal of vehicles which are apparently abandoned, or involved in an accident, or which constitute an obstruction to traffic because of mechanical failure.

B. The intent of this chapter is to also establish regulations and procedures for the abatement of abandoned, inoperative and dismantled vehicles as set forth in chapter 11.24 of this code.

C. It is the purpose of the City Council in enacting the ordinance codified in this chapter to provide a fair and impartial means of distributing requests for towing services among qualified firms, and to ensure that such service is prompt and reasonably priced, and in the best interests of the public as well as the interest of efficient policing operations for the removal of such vehicles from public streets.

12.14.020 Definitions.

Unless the context in which used requires otherwise, the following words and variant thereof, shall have the following meanings:

"Appeal" means the final level of review for written reprimands, suspensions, terminations, or review of a decision regarding disciplinary action.

"Area" means the corporate boundary of the City of Moreno Valley.

"Attendant" means individual responsible for staffing the storage yard facility.

"Base Services" means any service or Tow which is performed when the vehicle Operator or agent is present and the vehicle is not stored at the direction of an officer.

"City" means the City of Moreno Valley.

"Financial & Administrative Services Director" means the position in the Financial & Administrative Services Department in charge of the administration of the financial affairs of the City.

"Driver" means a trained and/or qualified licensed individual who operates/drives a Tow car or Tow Truck.

"Driver's Permit" means the driver's Permit issued to a driver that has completed an application and complied with the requirements outlined in Section 12.14.070.

"Enrollment Period" means the period of time when a Tow Operator or Business may submit an application for inclusion on the City's rotation Tow list.

"Garage or Storage Facility" means the area where a Tow Operator or Business stores or impounds vehicles in connection with the City's Rotational Tow Service Program and complied with the requirements outlined in Section 12.14.100.

"License Division" means the City Business license division of the Financial & Administrative Services Department.

"Load Salvage Operations" means any Operator or Business involving the recovery of a load which has been spilled, or the off-loading and reloading of a load from an overturned vehicle performed in order to upright the vehicle. This will be limited to operations involving Class B, C, and D Tow Trucks.

"Notice" means any notices shall be in writing and delivered to the other party in person, via facsimile, and/or by first-class U.S. Mail from a duly authorized representative of the City or Operator.

"Official Police and City of Moreno Valley Tow Service" or "Operator" means a Towing Operator or Business that has a valid agreement with the City and is selected to be used, on call, and on an alternate basis, where a Tow Truck is required.

"Permit" means the Operator's Permit issued to a Tow Operator or Business that has complied with all sections of this chapter to the satisfaction of the City Council.

"Personal Property" means items which are not permanently affixed to the vehicle.

"Rate" means the rate charged by the Tow Operator or Business to a vehicle's owner or his/her agent as approved by the City Council.

"Response Time" means the period of time between when an Operator is notified by the City or Police Department of a call to the arrival of the Tow Truck at the location requested.

"Rotational Tow Service Program" means the City's official program of selecting Tow Operators to assist the Police Department and City in removing vehicles from the public right-of-way and private property as set forth in this chapter.

"Suspension" means the removal of an Operator from the City's Tow rotation list for a specified period of time regardless of any contract period or time.

"Termination" means the permanent removal of a Tow Operator from the City's Rotation Tow List for the remainder of the term of the Tow Service Agreement and disqualification from any further participation in the City's Rotation Tow Service Program.

"Tow Car" or "Tow Truck" is a motor vehicle which has been altered or designed and equipped for and exclusively used in the business of towing vehicles by means of a crane, towbar, towline or dolly or is otherwise exclusively used to render assistance to other vehicles and in compliance with section 615 of the California Vehicle Code. Also includes slide-back carriers and wheel-lift vehicles.

"Tow Operator" or "Business" means a company approved by the City to remove, impound and store vehicles in association with the City's Rotational Tow Service Program.

"Tow Service Agreement" means a document which sets forth the terms and conditions of an agreement between the City and Operator on the tow rotation list.

"Vehicle Recovery Operation" means an operation involving the process of uprighting an overturned vehicle or returning a vehicle to a normal position on the roadway which requires the use of auxiliary equipment due to the size or location of the vehicle. This will normally be limited to operations requiring a Class B, C, or D Tow Truck(s).

12.14.030 City business license and permits required.

A. No firm may participate in the assignment of service calls on a rotational basis by the Police Department or the City unless it has a valid City business license to do business as a Tow Operator in the City as set forth in this code.

B. No person shall operate a Tow Truck as part of the City's Rotational Tow Service in the City unless he or she holds a valid Tow Truck Driver's Permit issued by the City.

C. Only those Tow Operators or Businesses approved by the City and possessing a valid Tow Operator's Permit and Tow Service Agreement shall be permitted to remove, tow, impound and/or store a vehicle as part the City's Rotational Tow Service Program.

12.14.040 Selection of towing services.

A. The City Manager or his/her designee shall solicit proposals from Tow Operators to participate in the City's Rotational Tow Service Program. The proposals shall be accompanied by the fee as established by resolution of the City Council. The fee is not refundable.

B. Proposals submitted by Tow Operators shall be evaluated by City staff and presented to the City Council for approval

C. The term of a Tow Service Agreement shall not exceed five (5) years. Tow Operators not participating in the process will not be eligible to participate in the City's Rotational Tow Service until the City establishes an open enrollment period. The enrollment period shall be open for at least 30 days.

D. Only those Tow Operators who enter into a contractual agreement with the City shall be permitted and be required to affix a decal or other permanent marking "Official Police and City of Moreno Valley Rotational Tow Service" to permitted Tow Trucks. Tow truck and/or other vehicles owned and operated by the Tow Operators that have not been inspected and approved by the City to participate in the City's Rotational Tow Service Program shall not, in any way, maintain a decal or other markings or advertisement that the vehicle or vehicles are part of the Program.

E. Tow Operators applying for the City's Rotational Tow Service shall have a minimum of three (3) verifiable years of for-hire towing experience, as an owner or principal, prior to the final filing date of an enrollment period in order to qualify for the program. The City shall verify that a Tow Operator meets the minimum three (3) years of experience.

F. A Tow Operator or Business not having a valid Tow Operator Permit or Tow Services Agreement shall be prohibited from participating in the City's Rotational Tow Service Program. Any tow person violating this chapter shall be guilty of a misdemeanor and shall be prosecuted either criminally or civilly pursuant to Chapter 1.10, Civil Citations, of the Moreno Valley Municipal Code.

G. Tow Operators who enter into a contractual agreement with the City shall deposit with the City the fee established by resolution of the City Council to cover its costs to administer the terms and conditions of the Tow Service Agreement and the regulations of this chapter. A Tow Operator that fails to deposit with the City the required funds as set forth in the resolution of the City Council shall be in violation of this chapter and shall be prosecuted accordingly.

12.14.050 Rotation Tow lists.

A. For operational reasons, the Police Department and City shall maintain the same rotation tow lists where practical and establish policies and procedures as to fairly distribute calls to the Tow Operators or Businesses approved by the City to participate in the Rotational Tow Service Program. Each list will include the same Tow Operators as approved by the City Council and have a valid Tow Service Agreement.

B. Nothing shall prohibit a Class B, Class C or Class D operator from maintaining a place on a lighter class rotation list. (See Section 12.14.080 for description of classifications.)

Regardless of the class of Tow Truck used in response to a call from the City, charges to the vehicle's registered owner or his/her authorized agent shall not be more than the class of vehicle towed or serviced, except when recovery operations require a larger class of truck.

C. If two or more Tow Operators are called to the same incident, distribution of the vehicles shall be at the discretion of the Police Department or City.

The Police Department may direct a Tow Operator to move vehicles to help clear a roadway or for lifesaving operations. Tow Operators shall provide the requested assistance at no cost to the City.

D. At the direct request from an owner of a vehicle or his/her authorized agent, a police officer may contact any Tow Business for services unless said request would be in violation of local, state or federal law or regulation or cause a delay in protecting the public's general health and safety. If an owner of a vehicle or his/her authorized agent request a tow service of their choosing, they assume full responsibility for any fees for service the owner's tow service may impose.

E. After any type of major collision, the Police Department shall have the authority to order any Tow Operator to tow vehicles to any location necessary for investigative purposes.

12.14.060 Official police department and city tow operator's permit.

A. In addition to having a valid City Business license to conduct Business in the City, the Tow Operator participating in the City's Rotation Tow Services Program shall also apply for and receive a Tow Operator's Permit. A Tow Operator's Permit application shall be filed with the Financial & Administrative Services Director or his/her designee, shall be verified under penalty of perjury, and shall be accompanied by the fee as established by resolution of the City Council. The fee shall not be refundable. It shall contain or be accompanied by the information and documentation specified in this section. Applications for Permits to conduct the Tow Business shall be filed with the City on a form approved by the Financial & Administrative Services Director or his/her

MV00063108

designee. Such application shall demonstrate that the applicant possesses a business license pursuant to Chapter 5.02 of this code. In addition, such application shall provide the following information:

1. Name/Description. Name and description of applicant.

2. Address. Permanent home address and full business address of applicant if an individual; of each partner if a partnership; and of each officer if a corporation.

3. Garage or Storage Facility. The place where the vehicles towed are to be stored or impounded.

4. Fingerprints and Photographs. Applicant shall be fingerprinted and photographed by the Police Department upon referral of the Financial & Administrative Services Director or his/her designee, and a record check made. The cost of the foregoing shall be established by resolution of the City Council and be borne by the applicant. The photographs taken by the Police Department will be used throughout the permit process, whenever photographs are required to be made part of the record.

5. Criminal Record. A statement as to whether or not the applicant, or any officer or partner of the applicant has been convicted of a felony within the immediately preceding ten (10) years, and the nature of each such offense and the punishment or penalty assessed, thereof.

6. Vehicle Data. The number of Tow Trucks to be operated or controlled by the applicant in the conduct of the Tow Business, and the make, body style, year, vehicle identification number, state license plate number, and the name of legal and registered owner of each vehicle.

7. Vehicle Description. A description of the proposed color scheme, insignia, trade-style and any other distinctive characteristic or design to be used to identify such vehicles.

8. Previous Licensing. A statement of whether or not the applicant has ever had any permit or franchise for a Tow Business issued to him/her that has been suspended or revoked, and, if so, the circumstances of each such suspension or revocation, whether in the City or elsewhere.

9. Insurance. A certification or policy of insurance in the manner and form required by Section 12.14.090.

10. Corporation Data. If the applicant is a corporation, a copy of the current Articles of Incorporation, certified as to being true and correct by the California Secretary of State, within sixty (60) days prior to the date of application, the most

current corporate bylaws and any applications, permits or notifications for the issuance of shares filed with or issued by the commissioner of corporations.

11. Business Office and Telephone Maintenance. A statement that the applicant will maintain at the principal place of business located in the City of Moreno Valley, and in operating order at all times, at least one telephone line. At all times there will be an attendant in charge of said telephone or telephones to dispatch Tow Trucks in response to requests therefor. After-hour answering services fulfill this requirement.

B. Prior to the issuance of a Tow Service Agreement by the City Council, the Tow Operator shall provide evidence that:

1. The application conforms in all respects to the provisions of this chapter.

2. The applicant's garage or storage facility is located within City limits.

3. The applicant is financially responsible and otherwise able to provide the service.

4. The applicant, and all officers or partners are likely to provide Tow services in a responsible and satisfactory manner. In making such determination, the Financial & Administrative Services Director or his/her designee shall consider whether the applicant or any officer or partner of the applicant;

a. Has previously provided responsible and satisfactory tow services,

b. Has not previously violated the terms of this chapter or of any similar enactment of the City or of any other jurisdiction.

C. A Tow Operator shall not have a financial interest in any other tow business participating in the City's Rotational Tow Service Program. Any violation of this section shall cause the immediate revocation of a Tow Operator's Permit for the balance of the contract period.

D. A Tow Operator's Permit is valid for one year. The failure of a Tow Operator or Business to apply for and receive approval of a subsequent permit by the City shall suspend the Tow Operator from participating in the City's Rotational Tow Service Program. At such time the Tow Operator or Business is issued a valid permit, the Tow Operator or Business shall be permitted to participate in the City's Rotational Tow Service Program.

12.14.070 Tow truck driver's permit.

A. The Tow Operator shall ensure that only qualified and competent Tow drivers respond to calls initiated by the Police Department or City. All Tow Truck Drivers must obtain a permit from the City's Financial & Administrative Services Director or his/her designee. Each applicant shall be required to be photographed and fingerprinted. Each Tow Truck Driver's Permit application, including renewal, replacement and duplicate applications, shall include the following information:

1. The name of the applicant, including all other names if any, by which the applicant has been known.

2. The applicant's race, color of eyes and hair.

3. Whether the applicant has been convicted or pled guilty or nolo contendere to any felony within the prior ten (10) years, and if so, the date, nature of the offense, the punishment or penalty assessed therefor, and the court in which such conviction was obtained or plea of guilty or nolo contendere was entered.

4. The class and number of the applicant's California Driver's License and restrictions thereon, if any, and whether any license of applicant to drive has ever been suspended or refused or revoked, and if so, details of the reasons therefor and the disposition of the matter, including the dates of any such suspension or revocation.

5. A statement showing each address at which the applicant has resided during the preceding year.

6. A statement of the applicant's physical condition, including a statement of whether the applicant has ever had epilepsy, blackout periods, fainting spells, or been addicted to the use of alcohol, narcotics or other dangerous drugs.

7. A current California Driver's License record listing driving violations, if any, issued by the California Department of Motor Vehicles within thirty (30) days prior to the date of application. This California Driver's License shall be valid for the class of Tow Trucks to be driven by the driver.

B. Record Check. Applicant shall be finger printed and photographed by the Police Department upon referral of the Financial & Administrative Services Director or his/her designee, and a record check made. The fee for the foregoing shall be as set by resolution of the City Council and the fee shall be paid by the applicant at the time the application is submitted. The photographs taken by the Police Department will be used in all cases where photographs are required for implementation of this chapter.

C. Employment of Qualified Drivers. Every holder of City Tow Operator Permit to do business as a Tow Operator in the City shall employ as drivers only persons who are physically and mentally fit and able to perform such duties. It shall be

the responsibility of the Tow Operator Permit holder to select and employ drivers who are familiar with the streets and addresses in the City. No Tow Operator Permit holder shall employ or retain in employment any person as a driver who violates laws governing morals, motor vehicle operations, or any provision of this chapter.

D. Nontransferable. Tow Truck Driver's Permits are not transferable, except that the holder of such a Permit may use the same Permit if he or she changes employment from one Tow Operator to another.

E. Termination. Within ten (10) days of terminating any driver, the Tow Operator shall serve notice to the Police Department and the City.

F. Tow Operators shall comply with the United States Department of Transportation regulations implementing the Federal Omnibus Transportation Employee Testing Act of 1991 and subsequent revisions.

G. Tow Operators shall be enrolled in the Employer Pull Notice program as set forth in California Vehicle Code Section 1808.1. The Tow Operator shall included mandated and non-mandated employees that are required to drive as part of his/her duties for the Tow Business.

H. A Tow Truck driver's Permit is valid for one year. The failure of a Tow Truck driver to apply for and receive approval of a subsequent Permit by the City shall suspend the driver from participating in the City's Rotational Tow Service Program. At such time the Tow Truck Driver is issued a valid Permit and is employed by a Tow Operator licensed pursuant to this chapter, he/she shall be permitted to participate in the City's Rotational Tow Service Program.

12.14.080 Tow truck classifications.

A. An Operator shall equip and maintain Tow Trucks in accordance with the provisions set forth in the California Vehicle Code (CVC), Title 13 of the California Code of Regulations and the specifications contained in this chapter, and consistent with industry standards and practices by the City.

Any and all Tow Trucks used by a Tow Operator or Business in connection with the City's Rotational Tow Service Program shall be inspected annually by the California Highway Patrol and be issued a commercial vehicle safety alliance (CVSA) decal prior to permitting a tow truck to participate in the City's Rotational Tow Service Program. A Tow Operator shall produce current California Highway Patrol forms CHP 407F, Safetynet Driver/Vehicle Inspection Report, and CHP 234B; Tow Truck Inspection Guide, at the time a Tow Operator applies for a Tow Truck Permit. If the Tow Operator or Business fails to have the Tow Truck or Trucks inspected, such Tow Truck or Trucks shall not be permitted to participate in the City's Rotational Tow Service Program. Once the City has inspected the Tow Truck or Trucks and has determined it meets the provisions of the California Vehicle Code and this Chapter, the Tow Truck or Trucks will

be permitted to tow vehicles in connection with the City's Rotational Tow Service Program.

B. Notwithstanding Section 615 CVC, all Tow Trucks shall have recovery capabilities, wheel lift capabilities, and a boom meeting the specifications contained in this chapter. For the purpose of this chapter, "a trailer for hire that is being used to transport a vehicle" shall not qualify as a primary Tow Truck for Tow rotation lists.

A violation of the Gross Vehicle Weight Rating (GVWR) and safe loading requirements of a Tow Truck shall be cause for immediate suspension as defined and outlined in this chapter. This includes exceeding the Tow Truck's GVWR, front axle weight rating, rear axle weight rating, maximum tire weight ratings, or not maintaining fifty (50) percent of the Tow Truck's unladen weight on the front axle when lifting/carrying a load.

C. There will be four classes of Tow Trucks covered under this chapter. If the weight rating of the class of Tow Truck changes, said weight ratings of the class of Tow Truck or Trucks shall replace those weight ratings described below.

1. Class A—Light Duty. A Tow Truck with a manufacturer's gross vehicle weight rating (GVWR) of at least 14,000 pounds with wheel-lift capability, and may have a car carrier.

a. A Tow Truck company that has a car carrier may be exempted from the wheel-lift capability requirements. However, the car carrier must be an additional unit.

b. A "trailer for hire" shall not be approved for listing as a Class A Tow Truck.

2. Class B—Medium Duty. A Tow Truck with a manufacturer's gross vehicle weight rating (GVWR) of at least 26,000 pounds. The Truck shall be capable of providing air to the towed vehicle's brakes.

a. A Tow Truck company may also have a car carrier. However, the car carrier must be an additional unit.

3. Class C—Heavy Duty. A Tow Truck with a manufacturer's gross vehicle weight rating (GVWR) of at least 48,000 pounds. The Truck shall be equipped with air brakes and must be capable of providing air to the towed vehicle's brakes.

4. Class D—Super Heavy Duty. A Tow Truck with a manufacturer's gross vehicle weight rating of at least 52,000 pounds. The Truck shall be equipped with air brakes and must be capable of providing air to the towed vehicle's brakes.

D. To properly and safely tow and service the wide variety of vehicles being operated on the highway, a Tow Operator shall equip all Tow Trucks participating in the City Rotational Tow Service Program with the appropriate equipment as required by the California Vehicle Code and other regulations governing Tow Trucks.

12.14.090 Liability insurance.

A. Insurance — Motor Vehicle Liability Policy Required . Before any Permit may be issued for a Tow company, the owner or Tow Operator shall file with the City's Risk Manager a motor vehicle liability insurance policy, or a certification of the coverage required by this section, covering each Tow Truck used in the permitted business and a California admitted corporation shall issue the liability insurance in the state of California, which policy shall conform in all respects to the requirements of this chapter.

B. Liability Amounts. The required motor vehicle liability policy shall insure the owner, the City and its officers, agents and employees as additional insured, and any other person using or responsible for the use of any such vehicle with the consent, expressed or implied of such owner, against loss from the liability imposed upon such owner or person by law for injury to, or death of any person, or damage to property growing out of the maintenance, operation or ownership of any Tow Truck, in the minimum amount set forth by the City's Risk Manager for public liability and for property damage.

C. Compliance. All motor vehicle liability policies shall be subject to the approval of the City's Risk Manager. At any time a motor vehicle liability policy is found to be insufficient for any cause, the City Manager or his/her designee will remove the affected Tow service Business from the Rotational Tow Service Program. If the owner fails to replace the motor vehicle policy or policies within ten (10) days after the City Manager gives notice of such insufficiency with good and sufficient policies approved by the Risk Manager, then the Tow Operator's Tow Service Agreement issued hereunder shall be automatically suspended until such time as a sufficient policy has been furnished. Upon direction of the City Manager, the Police Department shall enforce such suspension.

D. Policy Endorsement. Every policy and every certificate of motor vehicle liability insurance coverage filed pursuant to the provisions of this chapter shall contain the following endorsements:

1. It is hereby understood and agreed that, notwithstanding expressions or provisions consistent with or contrary thereto in this policy contained, the policy is expressly issued to cover a motor vehicle regulated by the provisions of Chapter 12.14 of the Moreno Valley Municipal Code. This policy shall inure to, and be for the benefit and protection of, each person who shall sustain any damages or injury, or to the heirs, personal representatives, administrators, executors or assigns of any such person who may be so damaged or injured or suffer death by reason of the operation of a motor vehicle covered by this policy or from the defective condition

MV00063114

thereof. Liability under this policy shall be in no manner abrogated or abated by the death of the tort-feasor or the insured.

2. This is a continuing liability for claims incurred up to the full amount hereof, notwithstanding any action or recovery thereon.

3. No cancellation or reduction in coverage of this policy for any reason whatsoever shall become effective until the expiration of thirty (30) days after written notice of such cancellation or reduction in coverage shall have been given in writing to the City Manager or his/her designee. The thirty (30) day period shall commence upon the date the notice is actually received by the City Manager if personally delivered, or, if by registered United States mail with return receipt requested, on the second business day after the notice is deposited in the United States Mail, postage prepaid or on the date of receipt shown on the return receipt, whichever is later.

12.14.100 Storage facility.

A. Storage Facility Standards. The Tow Operator shall provide for the City's Tow rotation program, storage space for a minimum of one-hundred fifty (150) vehicles of outside storage and five (5) vehicles of indoor storage. Said outdoor and indoor spaces shall be dedicated to the City's Rotational Tow Service program. The following standards of performance must be maintained:

1. Storage Facilities must be located within the City and clearly marked. Any and all signage for the facilities must be in conformance with the City's municipal code.

2. All vehicles are to be stored at a Storage Facility properly zoned for this use within the City. Vehicles that have been approved by the Department of Motor Vehicles for lien sale must be sold from a storage facility or other approved location by the City to conduct such a business within the City limits.

3. Each impounded or stored vehicle shall be a minimum of two and one-half feet from any other vehicle, structure or object.

4. All stored vehicles shall be reasonably accessible to the vehicle's owner or vehicle owner's agent and the Police Department or City for retrieval, inspection and/or identification.

5. Owners shall be able to retrieve a stored vehicle 24 hours a day, seven days a week including holidays, within one hour upon notification by the Police Department or City that the vehicle can be released to its owner or authorized agent.

6. Storage facilities shall be monitored by an electronic monitoring or security system. Said system shall be subject to review and approval by the Police

Department before the Tow Business is permitted to tow and store or impound vehicles as part of the City's Rotational Tow Service Program to said lot.

7. Storage Facilities shall be properly lighted and secured by a six (6) foot high fence as set forth in Title 9 of this code. The fence shall be installed in compliance with any applicable provision of this code and approved by the Police Department and City before the Tow Business is permitted to tow vehicles as part of the City's Rotational Tow Service Program.

8. Storage Facilities owned by a Tow Operator shall not be shared with another Tow Operator. However, a Tow Operator or Business may be permitted on the same lot as long as there is a clear separation between Tow Operators. Each Tow Operator shall fully comply with the provisions of this code.

B. Personal property may be removed from the vehicle and shall be released to the owner of a vehicle at the request of the vehicle owner or his/her agent. When a vehicle has been impounded for evidence or investigation, the Operator shall notify the Police Department or City depending on the agency directing the storage of the vehicle, prior to the removal of property from a stored vehicle and will provide a receipt, with a copy placed in the stored vehicle.

C. Vehicles ordered towed by the Police Department or City will only be released by the Tow Operator under the regulations of the Vehicle Code and the City of Moreno Valley. The City will provide Tow Operators with appropriate regulations including updates to these regulations as they occur.

D. Prior to the utilization of new storage facilities that were not listed on the Tow Operator's Permit application for the Rotation Tow Service Program, the Tow Operator shall obtain the approval of the City to ensure that the new Garage or Storage Facility meets all applicable regulations.

E. The Operator shall maintain, at a minimum, business hours at the primary place of business of the Tow Operator of Monday through Friday, eight a.m. to five p.m. except for the following recognized holidays: New Year's Day, President's Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day and the day after Thanksgiving Day, and Christmas Day.

F. Annual storage facility inspections. Tow Operators shall have its Storage Facility inspected annually. The failure of a Tow Operator or Business to have its Storage Facility inspected annually by the City shall have its Tow Permit suspend and shall not participate in the City's Rotational Tow Service Program. At such time the Storage Facility is inspected by the City and found to be in compliance with this Chapter, the Tow Operator or Business shall be permitted to participate in the City's Rotational Tow Service Program.

12.14.110 Standard rules of operation.

A. Any requests for the removal of traffic hazards shall be made through the Police Department.

B. When it becomes evident that there will be a delay in responding to a Police Department or City request for towing service, the responding Towing Operator shall advise the agency requesting the tow services if the delay will exceed the maximum response time in Section 12.14.130(A).

C. The Tow Operator or Business shall be capable of responding to Police or City requests for towing of vehicles and release a vehicle to an owner of a vehicle or his/her authorized agent twenty-four (24) hours a day, seven days a week. An answering service fulfills this requirement.

D. Removing Hazards. After being dispatched by the Police Department or City to the scene, the Tow Truck Driver shall cooperate with the police officer(s) or City official in removing hazards and illegally parked vehicles as requested. It is the duty of the police officers or City to determine when such a vehicle should be impounded or moved, and the driver shall abide by their decisions.

E. Each Towing Operator or Business shall comply with Section 27907 of the Vehicle Code of the state of California regarding signs on Tow Trucks. Only Tow Trucks bearing the name of the Tow Operator called shall be dispatched to the scene of need.

F. All Tow Operators shall conduct their business in an orderly, ethical, businesslike manner and use reasonable means to obtain and keep the confidence of the motoring public.

G. Towing Operators participating in City's Rotational Tow Service Program shall be responsible for the acts of their employees (office and field personnel) while on duty. A Tow Operator shall be responsible for damage to vehicles while in their possession.

H. A Tow Operator's records, equipment and Storage Facilities shall be subject to periodic checks by Police Department investigators and/or the City during regular Business hours. Failure to permit the periodic checks will be considered a breech of the Rotational Tow Service Agreement and shall cause the immediate suspension of the Tow Operator from the City's Rotational Tow Service Program.

I. All vehicles stored or impounded as a result of a tow ordered by the Police Department or City shall be made available to the owner of the vehicle or his representatives, an authorized insurance agent, insurance adjustor, or body shop or car dealer, for the purpose of estimating or appraising damages, with the exception of

vehicles with a "police hold." The Tow Operator shall keep a written record of every vehicle stored for a period longer than twelve (12) hours pursuant to section 1065(a) of the California Vehicle Code.

J. The permitted Tow Business shall record their time in and their time out on every City requested tow truck assignment. Such records shall be available and open to examination by the Police Department and/or City.

K. All permitted Tow Businesses shall submit a monthly Rotational Tow Service Program report to the Police Department and City within ten (10) Business days of the last day of each month. The report shall include the following:

1. Total Police and City impounds;

2. Number of times dispatched by Police Department or City;

3. Number of these calls resulting in impounds;

4. Number of vehicles sold on lien sale under authority of Section 3072, Civil Code, and reporting said lien sales as per authority of Section 851.2 CVC;

5. Number of vehicles sold under low value vehicles as defined by California Vehicle Code Section 22851.3;

6. Number of calls which required more than one hour's time.

L. All Tow Trucks used shall have two-way communication with the Tow Operator's communication center.

M. A Tow Operator shall not proceed with any repair work on a vehicle or place any charges against a vehicle other than those occasioned by removal from the street and storage unless authorized by the vehicle owner or his designated agent.

N. A Tow Operator, when disposing or dismantling of unclaimed vehicles, shall abide by all Civil and Vehicle Code Sections pertaining thereto.

O. All vehicles stored or impounded as a result of a tow ordered by the Police Department or City shall be towed directly to a Tow Operator's approved Storage Facility unless the Police Department, City or other person legally in charge of the vehicle requests that it be taken to some other location.

P. A Tow Operator shall not begin the lien-sale process for a minimum of five (5) days after the Tow Operator took possession of a vehicle under the City's Rotational Tow Service Program.

Q. The City shall conduct, at a minimum, one (1) annual meeting to discuss with the Tow Operators or his/her designee, the City's Rotational Tow Service Program. Attendance at the meeting is mandatory. The City shall give a 30-day written notice of the meeting.

If a Tow Operator fails to attend the meeting, said Tow Operator shall be suspended until such time that the Tow Operator can attend an alternate annual meeting with the Police Department and City to discuss the Rotational Tow Service Program. Said meeting is mandatory and will be held within sixty (60) days from the date the meeting was originally to be held.

Failure to attend a second, rescheduled mandatory meeting will lead to the termination of the Tow Rotation Service Agreement with the City for the duration of the contract period.

12.14.120 Additional services to be provided.

Any Tow Operator selected to be part of the Rotational Tow Service Program shall provide to the City, at no charge, emergency response to aid and service all City owned and Police Department vehicles within a reasonable radius of the City.

12.14.130 Response to calls.

A. The Tow Operator shall respond to Police Department or City calls twenty-four (24) hours a day, seven days a week, within the maximum response time of twenty (20) minutes. The Tow Operator will advise the Police Department dispatch or City, at the time of notification, if they are either unable to respond or unable to meet the maximum response time. If, after accepting the call, the Tow Operator is unable to respond or will be delayed in responding, the Tow Operator shall immediately notify central dispatch or the City. The Tow Operator shall not assign calls to other Tow Operators and/or Tow Truck Drivers not employed by said tow Operator.

1. A call to a Tow Operator shall constitute one turn on the list and the Tow Operator shall be moved to the bottom of the list. This includes when the Tow Operator fails to answer the phone, is unable to respond, is unable to perform the required service, refuses to respond or provide service, or is canceled due to excessive response time. The City and Police Department shall keep separate Tow rotation lists.

2. Repeated failure to respond and/or failure(s) to respond within the maximum response time requirements, on a continuous basis, shall constitute failure to comply with the terms and conditions of this chapter and the City Council Tow service agreement.

B. A Tow Operator shall not respond to a Police Department or City call assigned to another Tow Operator unless requested to do so by the Police Department or City.

1. There may be times when a driver, who was not called to a scene, comes upon a collision scene where a vehicle or vehicles are blocking a roadway and a Police officer requests his/her assistance in clearing the roadway. In such a case, the driver may be requested to move the vehicle to a safe location, as directed by the officer, and leave it. There shall be no charge for this assistance, and the assistance provided shall not change the Tow Operator's place in the rotation.

12.14.140 Rates.

A. All fees and storage rates shall be charged to a vehicle's owner or authorized agent. Said fees and storage rates charged for response calls originating from the Police Department or City shall be reviewed by the City Council and shall be reasonable and not in excess of those rates charged for similar services provided in response to request initiated by any other public agency or private person. The reasonableness of the fees charged will be determined in the following manner:

1. The rate for Towing shall be from portal to portal and may be charged at a one-hour minimum. Charges in excess of one hour may be charged in fifteen (15) minute increments. There shall be no additional charges for mileage, labor, etc. Secondary towing requested by the customer may be negotiated by the Tow Operator in accordance with his/her private business practices.

B. Rates for service calls (out of gas, lock outs, etc.) shall be from portal to the end of the service, and may be at the hourly rate with a thirty (30) minute minimum. Charges in excess of thirty (30) minutes may be charged in fifteen (15) minute increments.

C. The fees added for after business hours release of a vehicle shall be no more than one-half the hourly rate, and shall only be allowed if there is no person available at the Storage Facility for release and a call back is required.

D. Storage fees shall be charged by calendar day except that vehicles stored eight hours or less shall be charged no more than one day storage.

E. The schedule of rates shall be posted in the lobby of the Tow Business. These rates shall be displayed on an eleven (11) inch by seventeen (17) inch minimum sign in one-inch lettering. Additionally, rates shall be made available upon demand to person(s) for whom the tow services were provided or his/her agent.

12.14.150 Suspension and revocation.

A. Tow Operator and Tow Truck Driver Permits may be suspended or revoked by the City after notice and hearing with respect thereto, on the following grounds:

1. That the Tow Operator or Truck Driver has failed to operate in accordance with the provisions of this chapter and the Tow Service Agreement approved by the City Council.

2. That the Tow Operator has failed to maintain or secure insurance on any Tow Truck.

3. That the Tow Operator has failed to provide reasonable services to the City or the Police Department.

4. That the public safety or convenience and necessity would be best served by such revocation or suspension of the Tow Permit for any Tow Operator or Business.

5. That the Tow Permit in question was obtained on the basis of misrepresentation made or induced by or on behalf of the holder of the Tow Permit.

6. That the Tow Operator has engaged in conduct which would have constituted grounds for denial of an application for such a Tow Permit.

7 That the Tow Operator Permits a Tow Truck Driver to respond to a call by the Police Department and/or City in violation of this chapter.

8. That a Tow Operator or Business intentionally overcharges or demonstrates a pattern of overcharging customers.

9. That a Tow Operator or Business fails to maintain a Tow Truck's safety equipment, safe overloading requirements of a Tow Truck, and/or a Tow Truck's gross vehicle weight rating while towing a vehicle.

10. That a Tow Operator fails to permit the Police Department and/or City to inspect its Storage Facilities.

B. The City Council shall establish the manner in which disciplinary action will be considered and the terms for suspension and even termination of a Tow Operator from the City's Rotational Tow Service Program.

C. Nothing shall preclude the City from taking the appropriate enforcement or administrative action for any violation of law.

D. Violations of the terms and conditions of the Tow Service Agreement or this chapter may be cause for disciplinary action in the following manner:

1. First violation within a twelve (12) month period – letter of written reprimand.

2. Second violation within a twelve (12) month period – 1 to 30-day suspension.

3. Third violation within a twelve (12) month period – 60 to 90-day suspension.

4. Fourth violation within a twelve (12) month period – termination of the Tow service agreement for the current contract period.

E. A Tow Operator or Business participating in the City's Rotational Tow Service Program found guilty of a felony is prohibited from participating in the City's Rotational Tow Services program for the current contract period.

12.14.160 Summary suspension of permit pending opportunity for hearing.

Not withstanding section 12.14.170, any police officer duly acting as such within the City has the authority to temporarily suspend a Tow Truck Driver's Permit immediately if the driver thereof is arrested for conduct which jeopardizes the public health or safety.

12.14.170 Hearing and procedure.

Prior to any suspension or revocation of a Tow Permit the City Manager or his/her designee shall give the permit holder notice of intent to suspend or revoke the permit and state the proposed grounds for the suspension and revocation. A hearing shall be held within twenty (20) days on whether a Tow Permit should be suspended or revoked. Notice of hearing shall be mailed at least ten (10) days before the hearing by certified mail, with a five-day return requested, to the permittee. If any of the foregoing notices are returned undeliverable by the United States Post Office, the hearing shall be continued to a date not less than ten (10) days from the date of the return and may then be conducted on the date to which continued whether or not the party is present.

12.14.180 Hearing officer.

All hearings under this chapter shall be held before a hearing officer. The City Manager, or his/her designee, shall be the hearing officer of the City.

12.14.190 Hearing officer—Power and duties.

The hearing officer shall hear all facts and testimony which he or she deems pertinent. The hearing officer shall not be limited by the technical rules of evidence, but may consider any evidence upon which a prudent person might rely in arranging his or her own affairs. The permittee may appear in person at the hearing or present a written statement in time for consideration at the hearing.

12.14.200 Findings and determination by the hearing officer.

The hearing officer may impose such conditions and take such other action as he or she deems appropriate under the circumstances to carry out the purpose of this chapter. If an interested party makes a written presentation to the hearing officer but does not appear, he or she shall be notified in writing of the decision. The hearing officer shall have thirty (30) days in which to render a decision.

12.14.210 Notice and surrender.

No temporary suspension shall be for a period of more than twenty (20) calendar days. Notice of suspension or revocation shall be given by either personal service on the permittee or by certified mail, return receipt requested and addressed to the address of record on his or her application and, where appropriate, to the address of his or her employer.

12.14.220 Surrender of permit.

A Tow Operator's Permit issued pursuant to this chapter which have been suspended or revoked must be surrendered to the Financial & Administrative Services Director or his/her designee within ten (10) days of the giving of notice to the holder that the Permit has been suspended or revoked. The operation of any Tow Business or driver authorized by any such Permit shall cease upon receipt by the holder of the notice of suspension or revocation. Such notice shall be deemed to have been received by the holder of the Permit when personally delivered to such person or, if given by certified United States mail with return receipt requested, on the second City business day after the notice has been deposited in the United States mail.

12.14.230 Appeal to city council.

Any interested party may appeal the decision of the hearing officer pursuant to the hearing and appeal procedure set forth in Sections 2.04.100 through 2.04.130.

12.14.240 Permits in effect at the time of adoption.

Any Tow Operator Permit in effective at the time this ordinance is adopted shall be null and void unless said Tow Operator is offered a Tow Service Agreement to participate in the City's Rotational Tow Service Program. Said Permit would expire on the date noted on the Tow Operator Permit. A new Tow Operator Permit may be granted at that time if all of the terms and conditions of the City and all regulations of this code are complied with.

SECTION 3: EFFECTIVE DATE

This ordinance shall become effective thirty days after the date of its adoption.

SECTION 4: SEVERABILITY

If any provision of the ordinance or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications, and the provisions of this ordinance are declared to be severable.

SECTION 5: NOTICE OF ADOPTION

The City Clerk shall certify to the adoption of this ordinance and cause it to be posted in at least three places within the City designated for such posting by the City Council.

Approved and adopted this ____day of_____2010.

Report to City Council

TO: Mayor and City Council

FROM: John Ruiz, Interim Human Resources Director

AGENDA DATE: June 22, 2010

TITLE: Approval of the Amended Employment Agreement for Interim City Manager

RECOMMENDED ACTION

Staff recommends that the City Council:

Approve the attached amended employment agreement with William L. Bopf for the position of Interim City Manager. The amendment would continue the current employment agreement on a month to month basis until a permanent City Manager is hired by the City Council. All other terms and conditions of the employment agreement will remain unchanged.

BACKGROUND

Mr. William L. Bopf's employment agreement as Interim City Manager is due to expire June 30, 2010. It is necessary to extend Mr. Bopf's current employment agreement.

DISCUSSION

Mr. Bopf has served as Interim City Manager since November 24, 2009. During this period the City has been in the process of selecting a full-time City Manager. The process is still in progress and it is unsure when a full-time City Manager will begin employment prior to June 30, 2010. Because Mr. Bopf's employment agreement is due to expire June 30, 2010, he has agreed to continue as Interim City Manager on a month to month basis. Staff is recommending his employment agreement be amended to reflect this extension until a permanent City Manager is hired by the City Council.

ALTERNATIVES

1. Approve the amendment to the employment agreement.
2. Not approve the amendment to the agreement and provide further direction to staff.

FISCAL IMPACT

The employment agreement provides for monthly compensation in the amount of $20,587.52, which amount remains unchanged with this amendment.

ADMENDMENT TO AGREEMENT

This First Amendment to (Employment Agreement) is made and entered into between the City of Moreno Valley (hereinafter referred to as "CITY"), and William L. Bopf (hereinafter referred to as "BOPF") and is effective the date the City signs this Amendment.

WHEREAS, the CITY and BOPF entered into an Employm ent Agreement dated November 23, 2009 (hereinafter "Employment Agreement").

WHEREAS, BOPF is serving as Interim City Manager and performing all functions, duties and services set forth in Section 1.5 [Duties] of the Employment Agreement.

WHEREAS, the purpose of the Employment Agreement was to employ BOPF as Interim City Manager until a permanent City Manager is hired by CITY.

WHEREAS, the Employment Agreement provides for an extension up to the employment commencement date of a permanent City Manager employed by CITY upon concurrence of both parties.

WHEREAS, the parties desire to extend the Employment Agreement on a month to month basis until a permanent City Manager is hired by CITY.

THEREFORE, CITY and BOPF do hereby agree to amend the Employment Agreement as follows:

Section 1 – Amendment to Agreement.

1.2 The Term of the Employment Agreement shall be amended to provide its continued effectiveness on a month-to-month basis until such time as a permanent City Manager is hired by CITY or is otherwise terminated as provided for in the Employment Agreement.

Section 2 – Other Terms to Remain.

2.1.1 Except as otherwise specifically provided in this Amendment, all other terms and conditions of the Employment Agreement shall remain unchanged and in full force and effect.

Report to City Council

TO: Mayor and City Council, acting in their respective capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: June 22, 2010

TITLE: **EXTENSION OF CONTRACT** - Approve First Amendment to Agreement for Contract Mowing of Parks and Easements of Community Services District Zone A and Community Facilities District #1 to DLS Landscape, Inc.

RECOMMENDED ACTION

Staff recommends that the Board of Directors:

1. Approve the First Amendment to Agreement for contract mowing of parks and easements to DLS Landscape, Inc. of Redlands, CA, in the total amount of $148,680.00; $122,760.00 for Community Services District ("CSD") Zone A and $25,920.00 for Community Facilities District ("CFD") #1, extending contract for an additional one-year period, and;

2. Authorize the President to execute the First Amendment to Agreement for contract mowing of parks and easements with DLS Landscape, Inc. of Redlands, CA, and;

3. Authorize the Purchasing and Facilities Division Manager on July 1, 2010, to issue open purchase orders to DLS Landscape, Inc., in the amounts of:

   a. ONE HUNDRED TWENTY-TWO THOUSAND SEVEN HUNDRED SIXTY AND NO/100 DOLLARS ($122,760.00) for CSD Zone A for twelve months, and;
   b. TWENTY-FIVE THOUSAND NINE HUNDRED TWENTY AND NO/100 DOLLARS ($25,920.00) for CFD #1 for twelve months.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

On May 11, 2009, the Parks Maintenance Division of the Parks and Community Services Department received valid proposals from six landscape contracting firms in response to its Request for Proposals for the contract mowing of parks and easements in CSD Zone A and CFD #1. On June 9, 2009, upon the recommendation of staff, the Board of Directors of the Moreno Valley Community Services District ("MVCSD") voted to award the contract for Contract Mowing of Parks and Easements 2009-2010 of CSD Zone A and CFD #1 to DLS Landscape, Inc., Redlands, California. The contract amount for the initial twelve-month term was $148,680.00 with the possibility of four, twelve-month extensions. Staff is recommending that DLS Landscape, Inc. be awarded the first of four possible contract extensions, as discussed below.

DISCUSSION

The current contract with DLS Landscape, Inc. expires on June 30, 2010. In May 2010, Parks Maintenance Division staff contacted DLS Landscape, Inc. representatives and discussed extending the term of the vendor's contract for an additional twelve-month term, as allowed by Subsection 11 of the Agreement, as well as Subsection V.B.3 of City Fiscal Policy 3.18. As a result, staff determined that the vendor provided a satisfactory level of service throughout the first term of the contract. Therefore, staff recommends that the Board of Directors of the MVCSD retain the services of DLS Landscape, Inc. and extend the contract for the first of four, twelve-month extensions. The contract amount for the first extension shall remain the same at $148,680.00.

ALTERNATIVES

1. Approve the First Amendment to Agreement for contract mowing of parks and easements in CSD Zone A and CFD #1 to DLS Landscape, Inc. for an additional one-year period; authorize the President of the Board of Directors of the MVCSD to execute the First Amendment to Agreement to DLS Landscape, Inc; authorize the Purchase and Facilities Division Manager to issue open purchase orders at the start of Fiscal Year 2010/2011. *Extension of this contract will ensure uninterrupted contract mowing of parks and easements in CSD Zone A and CFD #1.* **Staff recommends this alternative**.

2. Elect not to approve the First Amendment to Agreement for contract mowing of parks and easements in CSD Zone A and CFD #1 to DLS Landscape, Inc. for an additional one-year period. *Choosing this alternative may disrupt the continuity of contract mowing of parks and easements in CSD Zone A and CFD #1.* **Staff does not recommend this alternative.**

MV00063132

FISCAL IMPACT

The necessary annual purchase orders for the term of this First Amendment will obligate the CSD to pay a total of $148,680.00 for contract mowing of parks and easements of CSD Zone A and CFD #1. Funding for this project has been approved in the 2010-2011 fiscal budget accounts for CSD Zone A account 161.76310.6261 in the amount of $122,760.00; and CFD #1 account 184.18410.6 261 in the amount of $25,920.00.

City Council Goals

By approving this First Amendment to Agreement with DLS Landscape, Inc., the Board of the MVCSD will continue to promote community image, as well as neighbored pride and cleanliness, while ensuring that these public facilities are properly cared for.

SUMMARY

Staff recommends that the Board of Directors:

1. Approve the First Amendment to Agreement for contract mowing of parks and easements to DLS Landscape, Inc. of Redlands, CA, in the total amount of $148,680.00 ($122,760.00 for CSD Zone A and $25,920 .00 for CFD #1) extending contract for an additional one-year period, and;
2. Authorize the President to execute the First Amendment to Agreement for contract mowing of parks and easements with DLS Landscape, Inc. of Redlands, CA, attached hereto, and;
3. Authorize the Purchase and Facilities Division Manager on July 1, 2010 to issue purchase orders in the amounts of:

    a. ONE HUNDRED TWENTY-TWO THOUSAND SEVEN HUNDRED SIXTY AND NO/100 DOLLARS ($122,760.00) for CSD Zone A for twelve months, and;
    b. TWENTY-FIVE THOUSAND NINE HUNDRED TWENTY AND NO/100 DOLLARS ($25,920.00) for CFD #1 for twelve months.

AGREEMENT BETWEEN
THE COMMUNITY SERVICES DISTRICT
OF THE CITY OF MORENO VALLEY
AND DLS LANDSCAPE, INC.

This Agreement is made and entered into as of the date the City signs this agreement by and between the Community Services District of the City of Moreno Valley, a district organized and existing pursuant to the community services district laws of the State of California ("CSD"), and DLS Landscape, Inc., a California corporation ("Contractor").

RECITALS

WHEREAS, the CSD has determined it is in the public interest to proceed with the work hereinafter described as "Project"; and

WHEREAS, the CSD has determined the Project involves the performance of maintenance services of a temporary nature; and

WHEREAS, the CSD does not have available employees to perform the services for the Project; and

WHEREAS, the CSD has requested the Contractor to perform the services for the Project; and

WHEREAS, the Contractor is professionally qualified in California to perform the maintenance services required for the Project.

THEREFORE, the CSD and the Contractor, for consideration hereinafter described, mutually agree as follows:

1. **DESCRIPTION OF PROJECT.** The Project is described as the contract mowing of parks and easements in the City of Moreno Valley.

2. **CONSIDERATION.**
   A. As partial consideration, Contractor agrees to perform the work set forth in the attached Exhibit A, Scope of Services, attached hereto and incorporated herein by this reference.
   B. As additional consideration, the CSD's responsibility, other than payment, is described in Exhibit B, CSD Services to be Provided to Contractor, attached hereto and incorporated herein by this reference.
   C. As additional consideration, CSD agrees to pay Contractor on a monthly basis an amount set forth in the attached Exhibit C, Terms of Payment, attached hereto and incorporated herein by this reference, for Contractor's services. CSD will pay such amount according to the terms noted in Exhibit C.
   D. As additional consideration, Contractor and CSD agree to abide by the terms and conditions contained in this Agreement.

Attachment 2

3. **SCOPE OF SERVICES.**

A. Contractor will perform services listed in the attached Exhibit A.

B. Contractor will, in a workmanlike manner, furnish all of the labor, technical, administrative, professional and other personnel, all supplies and materials, equipment, printing, vehicles, transportation, office space and facilities, and all tests, testing and analyses, calculation, and all other means whatsoever, except as herein otherwise expressly specified to be furnished by CSD, necessary or proper to perform and complete the work and provide the professional services required of Contractor by this Agreement.

4. **PERFORMANCE STANDARDS.** While performing this Agreement, Contractor will use the appropriate generally accepted professional standards of practice existing at the time of performance utilized by persons engaged in providing similar services. CSD will continuously monitor Contractor's services. CSD will notify Contractor of any deficiencies and Contractor will have fifteen (15) days after such notification to cure any deficiencies to CSD's satisfaction. Costs associated with curing the deficiencies will be borne by Contractor.

5. **PREVAILING WAGES.** Prevailing wages are not required for the work described.

6. **PAYMENTS.** For CSD to pay Contractor as specified by this Agreement, Contractor must submit a detailed invoice to CSD which lists the hours worked and hourly rates for each personnel category and reimbursable costs, the tasks performed, the percentage of the task completed during the billing period, the cumulative percentage completed for each task, the total cost of that work during the preceding billing month and a cumulative cash flow curve showing projected and actual expenditures versus time to date. The CSD payment cycle is Net/30 once the invoice has been reviewed and authorized for payment by the respective contract manager. Invoices received after the cycle cutoff date will be scheduled for payment in the following payment cycle. Payment may be delayed by the contract manager should he/she require further information or verification of work performed.

7A. **CONTRACTOR'S COMPENSATION**

i. The Contractor will be paid monthly per site for work performed satisfactorily under this Agreement. By the tenth of each month the Contractor shall submit to the Parks Maintenance Supervisor detailed reports of: 1) maintenance performed; 2) complaints received; 3) hazards noted; and greenwaste reports (if applicable). These documents shall be accompanied by a billing in accordance with the Agreement price for the work performed and shall become the basis for payment. No payment(s) shall be made until aforesaid reports have been submitted and approved.

MV00063138

ii. Except where additional compensation is specifically provided for in this Agreement, the CSD will pay the Contractor for all work (labor, material, supplies, equipment, etc.) performed under this Agreement the total amount of **Twelve Thousand Three Hundred Ninety and No/100 Dollars ($12,390.00) per month.**

The total contract amount for twelve (12) months shall not exceed **One Hundred Forty-Eight Thousand Six Hundred Eighty and No/100 Dollars ($148,680.00).**

iii. Should this Agreement commence or terminate on other than the first day of a calendar month, the Contractor's compensation for that partial calendar month shall be prorated at the rate of 1/30 of the full month rate per day for the number of days during which the Agreement is effective.

iv. During the term of this Agreement the CSD, may, at its discretion, authorize the Contractor to perform certain work in addition to that set forth herein as Contractor's Scope of Work. Said Additional Work *shall* include: Section 7A, paragraph v below.

If the CSD determines it to be in their best interest, said Additional work *may* include repair or replacement of turf damaged or destroyed due to Acts of God (e.g., earthquake damage, storm damage), vandalism, theft, and acts or omissions by third parties.

Compensation for all such Additional Work shall be calculated at a price based on the Contractor's written estimate (lump sum, time and materials, or cost plus basis), as determined by the Parks Maintenance Supervisor. Except as set forth in Section 7A, paragraph v below, the Contractor shall not perform any such Additional Work without first obtaining express authorization from the CSD.

v. Notwithstanding the above requirement for prior authorization, when a condition exists wherein there is imminent danger of injury to the public or damage to property, the Parks and Community Services Department ("Department") may verbally authorize the work to be performed upon receiving a verbal estimate from the Contractor. However, within twenty-four (24) hours after receiving a verbal authorization, the Contractor shall submit a written estimate to the Department for approval. Whenever immediate action is required to prevent impending injury, death, or property damage to the facilities being maintained, the Department may, after reasonable attempt to notify the Contractor, cause such action to be taken by the Department or City's work force.

vi. The Contractor shall maintain as Additional Work, at a unit price comparable to turf areas described herein, additional turf areas that the Department may add to this Agreement. In the event that notification is made of a new installation at other

MV00063139

than the beginning of a monthly period, the unit cost as shall be pro-rated from the day the Contractor commences work on the additional areas.

vii. Repairs to area turf shall be considered Additional Work to the extent that the Contractor shall charge only for materials used to perform said repairs at Contractor's cost, plus a reasonable percentage of that cost, as determined by the Parks Maintenance Supervisor. For purposes of this Agreement, turf repairs must be authorized by the Parks Maintenance Supervisor or his designee prior to the Contractor commencing any repair.

viii. Except as specifically approved by subsequent action of the Department, the Parks Maintenance Supervisor may not authorize Additional Work pursuant to paragraphs iv, v, vi, and vii above in excess of the cumulative total of $148,680.00 for each contract year during the term of this Agreement.

ix. The Department shall deduct from the Contractor's monthly progress payment amounts sufficient to protect the Department from loss due to:

1. Work required under the Agreement which is: 1) not performed; 2) not performed to the standards set forth in the General or Special Provisions; or 3) is incomplete.

2. Work required under the Agreement which is not performed at or within the time(s) specified in the Exhibit A, including but not limited to the monthly work schedule, or if not so specified, within seven (7) calendar days of Contractor's receiving a Notice To Perform from the Parks Maintenance Supervisor.

3. Claims filed or reasonable evidence indicating probable filing of claims by laborers, material men, subcontractors, or third parties.

7B. NON-PERFORMANCE PENALTIES

The Contractor may become liable for payment of non-performance penalties for failure to: provide adequate communications; provide adequate work area safety; complete "specialty" operations in a timely manner as set forth in the General Provisions; submit notifications or reports required by the Agreement, or General or Special Provisions at the intervals and/or frequencies set forth therein, or; perform work required by the General or Special Provisions at the intervals and/or frequencies as set forth therein, or as set forth in Contractor's approved work schedule, or as directed by the Department. For each of the categories set forth hereinabove, the penal sum of $100 per working day will be assessed for each working day the deficiencies remain uncorrected.

If non-performance penalties are to be assessed, the Contractor will be notified immediately by facsimile transmission, or in writing, or by telephone.

The Contractor will not be assessed non-performance penalties for delay occasioned by the failure of the Department or of the owner of a utility to provide for the removal or relocation of utility facilities.

8. **NON-APPROPRIATION OF FUNDS.** Payments due and payable to Contractor for current services are within the current budget and within an available, unexhausted and unencumbered appropriation of the CSD. In the event the CSD has not appropriated sufficient funds for payment of Contractor services beyond the current fiscal year, this Agreement will cover only those costs incurred up to the conclusion of the current fiscal year and shall not be considered a breach of this Agreement.

9. **ADDITIONAL WORK/CHANGE ORDERS.**

A. If Contractor believes Additional Work is needed to complete the Scope of Services, Contractor will provide the CSD with written notification that contains a specific description of the proposed Additional Work, reasons for such additional work, and a detailed proposal regarding cost.

B. CSD may order changes in the services within the general scope of this Agreement, consisting of additions, deletions, or other revisions, and the contract sum and the contract time will be adjusted accordingly. All such changes must be authorized in writing, executed by Contractor and CSD. The cost or credit to CSD resulting from changes in the services will be determined in accordance with written agreement between the parties.

10. **FAMILIARITY WITH WORK.**

A. By executing this Agreement, Contractor represents that Contractor has:

i. Carefully investigated and considered the scope of services to be performed.

ii. Carefully considered how the services should be performed.

iii. Understands the facilities, difficulties, and restrictions attending performance of the services under this Agreement.

iv. Contractor is entering into Agreement under Contractor's own free will and volition.

v. If services involve work upon any site, Contractor warrants that Contractor has or will investigate the site and is or will be fully acquainted with the existing site conditions before commencing the services hereunder. Should Contractor discover any latent or unknown conditions that may materially affect the performance of the services, Contractor will

immediately inform CSD of such fact and will not proceed except at Contractor's own risk until written instructions are received from CSD.

11. TERMS. The CSD operates on a fiscal year basis, running from July 1st through June 30th of the following calendar year. It is the intent of the CSD to have a fully executed contract in place by July 1, 2009. The initial Contract shall be in effect through June 30, 2010 and then renewed, per agreement by both parties, for the next fiscal year starting July 1st. The agreement may be renewed at the expiration of its term, by agreement of both parties, in one-year increments at the end of each fiscal year. Renewal of the Agreement shall be accomplished through a written letter of understanding that is signed by both parties and shall extend the agreement for one year. The Contract shall remain in full force and effect for a total period of five (5) years from the date of fully executed Agreement, unless terminated by either party as stated in Section 17.

12. TIME FOR PERFORMANCE. Contractor will not perform any work under this Agreement until:

A. Contractor furnishes proof of insurance as required under Section 25 of this Agreement; and

B. CSD gives Contractor a written Notice to Proceed.

C. Should Contractor begin work in advance of receiving written authorization to proceed, any such professional services are at Contractor's own risk.

13. TIME EXTENSIONS. Should Contractor be delayed by causes beyond Contractor's control, CSD may grant a time extension for the completion of the contracted services. If delay occurs, Contractor must notify the CSD within forty-eight hours (48 hours), in writing, of the cause and the extent of the delay and how such delay interferes with the Agreement's schedule. The CSD will extend the completion time, when appropriate, for the completion of the contracted services, but there will be no increase in the amount payable to Contractor under this Agreement unless a Contract Change Order has been authorized.

14. TAXPAYER IDENTIFICATION NUMBER. Contractor will provide CSD with a Taxpayer Identification Number.

15. PERMITS AND LICENSES. Contractor, at its sole expense, will obtain and maintain during the term of this Agreement, all necessary permits, licenses, and certificates that may be required in connection with the performance of services under this Agreement, including a City of Moreno Valley business license, if required.

16. WAIVER. CSD's review or acceptance of, or payment for, work product prepared by Contractor under this Agreement will not be construed to operate as a waiver of any rights CSD may have under this Agreement or of any cause of action arising from Contractor's performance. A waiver by CSD of any breach of any term, covenant, or condition contained in this Agreement

MV00063142

will not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition contained in this Agreement, whether of the same or different character.

17. TERMINATION.

A. Either party may terminate this Agreement at any time with thirty (30) days written notice.

B. Upon receiving a termination notice, Contractor will immediately cease performance under this Agreement unless otherwise provided in the termination notice. Except as otherwise provided in the termination notice, any additional work performed by Contractor after receiving a termination notice will be performed at Contractor's own cost; CSD will not be obligated to compensate Contractor for such work.

C. Should termination occur, all work product of the Contractor, including but not limited to documents, data, studies, surveys, drawings, maps, reports and all other materials prepared by Contractor will, at CSD's option, become CSD's property, and Contractor will receive just and equitable compensation for any work satisfactorily completed up to the effective date of notice of termination, not to exceed the total costs under Section 2C. Such work product will be delivered to the CSD within thirty (30) days of notice of termination.

D. By executing this Agreement, Contractor waives any and all claims for damages that might otherwise arise from CSD's termination under this Section.

18. OWNERSHIP OF DOCUMENTS. All documents, data, studies, drawings, maps, models, photographs, reports or any other item prepared by Contractor under this Agreement are CSD'S property. Contractor may retain copies of said documents and materials as desired, but will deliver all original materials to CSD upon CSD's written notice. CSD agrees that use of Contractor's completed work product for purposes other than identified in this Agreement, or use of incomplete work product, without the prior written consent of the CONTRACTOR is at the CSD's own risk and CSD agrees to indemnity Contractor for same.

19. PUBLICATION OF DOCUMENTS. Except as necessary for performance under this Agreement, no copies, sketches or graphs of materials, including graphic art work, prepared pursuant to this Agreement, will be released by Contractor to any other person or entity without CSD's prior written consent. All press releases, including graphic display information to be published in newspapers or magazines, will be approved and distributed solely by CSD, unless otherwise provided for by written agreement between the parties.

20. INDEMNIFICATION. Contractor agrees to indemnify, save, defend, and hold harmless the CSD, the City of Moreno Valley, and the Community Redevelopment Agency of the City of Moreno Valley and their officers, agents and employees (collectively referred to in this provision as "CSD"), from and against any claim, action, damages, costs (including, without limitation, all attorney's fees and litigation costs), injuries, or liability, (collectively referred to in

this provision as "Claims), arising out of the performance of any action contemplated by this Agreement by Contractor. Should CSD be named in any suit, or should any claim be brought against it by suit or otherwise, arising out of performance by Contractor of services rendered pursuant to this Agreement, Contractor will defend CSD (at CSD's request and with counsel satisfactory to CSD) and will indemnify CSD for any judgment rendered against it or any sums paid out in settlement or costs incurred in defense otherwise; provided, however, that this indemnification and hold harmless shall not include any Claims arising from the sole negligence or willful misconduct of the CSD.

CSD agrees to indemnify, save, defend and hold harmless the Contractor and their officers, agents and employees from any and all liability, claims, damages or injuries to any person, including injury to the CSD's employees and all claims which arise from or are connected with the negligent performance or failure to perform the services or other obligations of the CSD under this Agreement, or are caused or claim to be caused by the negligent acts of the CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the CSD or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any Claims arising from the negligence or willful misconduct of the Contractor, its officers, agents or employees.

21. PUBLIC RECORDS ACT. The City of Moreno Valley is a public agency and subject to the Public Records Act under California State law. This Agreement is public record and "public records are open to inspection at all times during the office hours of the agency and every person has a right to inspect any public record, except as provided (and to receive) an exact copy" of an identifiable record unless impracticable. (Government Code § 6253).

22. ASSIGNABILITY. This Agreement is for Contractor's maintenance services. Contractor's attempts to assign the benefits or burdens of this Agreement without CSD's prior written approval are prohibited and will be null and void.

23. INDEPENDENT CONTRACTOR. The CSD and the Contractor agree that Contractor will act as an independent contractor and will have control of all work and the manner in which it is performed. Contractor will be free to contract for similar service to be performed for other employers while under contract with CSD. Contractor is not an agent or employee of CSD and is not entitled to participate in any pension plan, insurance, bonus or similar benefits CSD provides for its employees. Any provision in this Agreement that may appear to give CSD the right to direct Contractor as to the details of doing the work or to exercise a measure of control over the work means that Contractor will follow the direction of the CSD as to end results of the work only. Should any of Contractor's employees attempt to make a claim or bring a legal action against the CSD as an employee of the CSD, Contractor agrees to indemnify, save, defend, and hold harmless the CSD for any such claim or action.

24. AUDIT OF RECORDS. Contractor will maintain full and accurate records with respect to all services and matters covered under this Agreement. CSD will have free access at all reasonable times to such records, and the right to examine and audit the same and to make transcript therefrom, and to inspect all program data, documents, proceedings and activities.

MV00063144

Contractor will retain such financial and program service records for at least three (3) years after termination or final payment under this Agreement.

Audit will occur at location of Contractor and Contractor will allow access to all necessary records.

25. INSURANCE.

A. Before commencing performance under this Agreement, and at all other times this Agreement is effective, Contractor will procure and maintain the following types of insurance with coverage limits complying, at a minimum, with the limits set forth below:

Type of Insurance	Limits (combined single)
Commercial general liability:	$1,000,000 per occurrence $ 500,000 Property Damage $2,000,000 aggregate
Business automobile liability	$1,000,000
Workers' compensation	Statutory requirement.

B. Endorsement. Commercial general liability insurance will meet or exceed the requirements of ISO-CGL Form No. CG 00 01 11 85 or 88. The amount of insurance set forth above will be a combined single limit per occurrence for bodily injury, personal injury, and property damage for the policy coverage. Liability policies will be endorsed to name CSD, City of Moreno Valley, and the Community Redevelopment Agency of the City of Moreno Valley, its officials, and employees as "additional insured" under said insurance coverage and to state that such insurance will be deemed "primary" such that any other insurance that may be carried by CSD will be excess thereto. Such insurance will be on an "occurrence," not a "claims made," basis and will not be cancelable or subject to reduction except upon thirty (30) days prior written notice to CSD.

C. Professional liability coverage will be on an "occurrence basis" if such coverage is available, or on a "claims made" basis if not available. When coverage is provided on a "claims made" basis, Contractor will continue to renew the insurance for a period of three (3) years after this Agreement expires or is terminated. Such insurance will have the same coverage and limits as the policy that was in effect during the term of this Agreement, and will cover Contractor for all claims made by CSD arising out of any errors or omissions of Contractor, or its officers, employees or agents during the time this Agreement was in effect.

D. Automobile coverage will be written on ISO Business Auto Coverage Form CA 00 01 06 92, including symbol 1 (Any Auto).

E. The CSD, the City of Moreno Valley, and the Community Redevelopment Agency of the City of Moreno Valley, their officers, employees and agents shall be named as additional insured on all policies of insurance except errors and omissions and workers' compensation.

F. Contractor will furnish to CSD duly authenticated Certificates of Insurance evidencing maintenance of the insurance required under this Agreement, endorsements as required herein, and such other evidence of insurance or copies of policies as may be reasonably required by CSD from time to time. Insurance must be placed with insurers with a current A.M. Best Company Rating equivalent to at least a Rating of "A-:VII." Certificate(s) must reflect that the insurer will provide thirty (30) day notice of any cancellation of coverage.

G. Should Contractor, for any reason, fail to obtain and maintain the insurance required by this Agreement, CSD may obtain such coverage at Contractor's expense and deduct the cost of such insurance from payments due to Contractor under this Agreement or terminate.

26. USE OF SUB-CONTRACTORS. Contractor will obtain CSD's prior written approval to use any subcontractors while performing any portion of this Agreement. Such approval by CSD will not be unreasonably withheld.

27. INCIDENTAL TASKS. Contractor will meet with CSD monthly to provide status on the project, which will include a schedule update and a short narrative description of progress during the past month for each major task, a description of the work remaining and a description of the work to be done before the next schedule update.

28. NOTICES. All communications to either party by the other party will be deemed made when received by such party at its respective name and address as follows:

If to Contractor:
DLS Landscape, Inc.
1652 Plum Lane, Suite 104
Redlands, CA 92374
Attention: Daniel Sanchez

If to CSD:
Community Services District of the
City of Moreno Valley
15670 Perris Boulevard
Moreno Valley, CA 92551
Attention: Steve Kupsak

Any such written communications by mail will be conclusively deemed to have been received by the addressee upon deposit thereof in the United States Mail, postage prepaid and properly addressed as noted above. In all other instances, notices will be deemed given at the time of actual delivery. Changes may be made in the names or addresses of persons to whom notices are to be given by giving notice in the manner prescribed in this paragraph.

29. CONFLICT OF INTEREST. Contractor will comply with all conflict of interest laws and regulations including, without limitation, City of Moreno Valley's Conflict of Interest.

Code (on file in the City Clerk's Office). It is incumbent upon the Contractor to notify the CSD pursuant to Section 28 of any staff changes relating to this Agreement.

A. In accomplishing the scope of services of this Agreement, the range of duties of officers, employees and/or agents of Contractor are limited in scope; thus Contractor is not required to fully comply with the conflict of interest disclosure requirements. No disclosures are required by any officers, employees, and/or agents of Contractor, except as indicated in Subsection B.

B. In accomplishing the scope of services of this Agreement, Contractor will be performing a specialized or general service for the CSD, and there is substantial likelihood that the Contractor's work product will be presented, either written or orally, for the purpose of influencing a governmental decision. As a result, the following Contractor shall be subject to the Disclosure Category "1" of the CSD's Conflict of Interest Code:

30. SOLICITATION. Contractor maintains and warrants that it has not employed nor retained any company or person, other than Contractor's bona fide employee, to solicit or secure this Agreement. Further, Contractor warrants that it has not paid nor has it agreed to pay any company or person, other than Contractor's bona fide employee, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. Should Contractor breach or violate this warranty, CSD may rescind this Agreement without liability.

31. THIRD PARTY BENEFICIARIES. This Agreement and every provision herein is generally for the exclusive benefit of Contractor and CSD and not for the benefit of any other party. There will be no incidental or other beneficiaries of any of Contractor's or CSD's obligations under this Agreement.

32. INTERPRETATION. This Agreement was drafted in, and will be construed in accordance with the laws of the State of California.

33. JURISDICTION/VENUE. Jurisdiction shall lie exclusively in the State of California and venue shall lie exclusively in the Superior Court in and for the County of Riverside, California.

34. COMPLIANCE WITH LAW. Contractor agrees to comply with all federal, state, and local laws applicable to this Agreement.

35. RULES OF CONSTRUCTION. Each party had the opportunity to independently review this Agreement with legal counsel. Accordingly, this Agreement will be construed simply, as a whole, and in accordance with its fair meaning; it will not be interpreted strictly for or against either party.

36. SEVERABILITY. If any portion of this Agreement is declared by a court of competent jurisdiction to be invalid or unenforceable, then such portion will be deemed modified to the

extent necessary in the opinion of the court to render such portion enforceable and, as so modified, such portion and the balance of this Agreement will continue in full force and effect.

37. **AUTHORITY/MODIFICATION.** The parties represent and warrant that all necessary action has been taken by the parties to authorize the undersigned to execute this Agreement and to engage in the actions described herein. This Agreement may be modified by written amendment. CSD's executive manager, or designee, may execute any such amendment on behalf of CSD.

38. **ACCEPTANCE OF FACSIMILE SIGNATURES.** The parties agree that this Agreement, agreements ancillary to this Agreement, and related documents to be entered into in connection with this Agreement will be considered signed when the signature of party is delivered by facsimile transmission. Such facsimile signature will be treated in all respects as having the same effect as an original signature.

39. **CAPTIONS.** The captions of the paragraphs of this Agreement are for convenience of reference only and will not affect the interpretation of this Agreement.

40. **TIME IS OF ESSENCE.** Time is of the essence for each and every provision of this Agreement.

41. **FORCE MAJEURE.** Should performance of this Agreement be prevented due to fire, flood, explosion, acts of terrorism, war, embargo, government action, civil or military authority, the natural elements, or other similar causes beyond the parties' reasonable control, then the Agreement will immediately terminate without obligation of either party to the other.

42. **STATEMENT OF EXPERIENCE.** By executing this Agreement, Contractor represents that it has demonstrated trustworthiness and possesses the quality, fitness and capacity to perform the Agreement in a manner satisfactory to CSD. Contractor represents that its financial resources, surety and insurance experience, service experience, completion ability, personnel, current workload, experience in dealing with private consultants, and experience in dealing with public agencies all suggest that Contractor is capable of performing the proposed contract and has a demonstrated capacity to deal fairly and effectively with and to satisfy a public agency.

43. **PROTECTION OF RESIDENT WORKERS.** The City of Moreno Valley actively supports the Immigration and Nationality Act (INA) which includes provisions addressing employment eligibility, employment verification, and nondiscrimination. Under the INA, employers may hire only persons who may legally work in the United States (i.e., citizens and nationals of the U.S.) and aliens authorized to work in the U.S. The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verification Form (I-9). The Contractor shall establish appropriate procedures and controls so no services or products under the Contract Documents will be performed or manufactured by any worker who is not legally eligible to perform such services or employment.

EXHIBIT A
SCOPE OF SERVICES

GENERAL PROVISIONS

SCOPE OF WORK - The work to be performed under this Agreement shall include the furnishing of all labor and equipment necessary for the provision of contract mowing services within the boundaries of the various parks of the Department as determined in the resolutions of the City Council establishing said parks, and as said boundaries may have been heretofore or may be hereafter altered, and as more particularly shown on the Description of Park Locations contained in this Exhibit A.

The Contractor shall have the duty to mow, edge turf, and blow off hardscapes and gutters.

AREAS TO BE MAINTAINED - There may be medians, parkway panels, adjacent roadway slopes, open space lots and other areas of turf besides parks included within a park's boundaries.

CONTRACT SUPERVISION - The Agreement shall be administered on behalf of the Director of the Parks and Community Services Department of the City of Moreno Valley, or his designated representative(s), hereinafter referred to as "Director."

FUNCTIONS AND RESPONSIBILITIES - All work shall be performed in accordance with usual and customary horticultural practices to achieve and maintain healthy, viable turf. The Director or his designee will periodically inspect all the operations and approve or reject the work performed, and methods or materials used, and make changes in work scheduling.

The Director or his designee will decide all questions which may arise as to the manner of performance and completion per schedule, acceptable fulfillment of the Agreement by the Contractor, interpretation of the Specifications, and compensation to include completion of work by alternate sources. The Department shall manage the operation of all irrigation systems. The Department will pay the costs of water and electricity used in the sites covered by this Agreement. The Contractor shall be responsible for carefully reviewing the site(s) and verifying that all areas include the square footage noted for each location of proposed work. The Contractor shall not be relieved of his or her liability under this Agreement, nor the Department or City be held liable for any loss sustained by the Contractor as a result of any variance between conditions as referred to in the Specifications and the actual conditions revealed during the examination of the locations of the proposed work.

The Director or his designee and the Contractor shall conduct an inspection of all sites covered under this Agreement as soon as practicable after its execution, and prior to commencement of Contractor's operations. Following said inspection, the Contractor shall submit to the Director a written affidavit certifying the actual condition of the site(s) relative to Department Specifications, including but not limited to the nature and extent of any deficiencies noted by the Contractor and acknowledged by the Director. The Contractor is hereby advised that this affidavit shall serve as the benchmark for the Director's evaluation of Contractor's performance

under this Agreement. Failure to maintain site(s) up to this established standard may result in the Department deducting payment of all or part of the Contractor's compensation, as further described in Section 7A, paragraph ix, of the Agreement.

The Contractor shall adhere to the facilities, equipment and staffing schedule, and monthly and annual work schedules submitted as a part of Contractor's proposal, and made a part of this Agreement. These schedules, and any approved revisions thereto, shall be used by the Department as a basis for determining Contractor's satisfactory performance. In the absence of any specified time(s) for performance of work required under the Agreement, the Director may issue a written Notice to perform to the Contractor. The Contractor shall perform the required work within seven (7) calendar days of receipt of said Notice to Perform. Revisions to facilities, equipment, staffing, or monthly and annual work schedules shall not be implemented without the prior written approval of the Director. The Contractor shall submit proposed revisions to equipment and staffing, or the monthly work schedule in writing to the Department at the address as set forth in Section 28 of the Agreement, at least ten (10) working days prior to commencing work per the proposed revisions. Failure to submit proposed revisions to equipment, staffing, or work schedules by the time limits established hereinabove may result in the Contractor becoming liable to the Department for non-performance penalties per Section 7B of the Agreement. The above provisions shall not be construed to eliminate the Contractor's responsibility for complying with the requirement to notify the Director for Specialty type maintenance as set forth immediately hereinafter.

The Contractor shall maintain on an ongoing basis a monthly log that records all work performed by Contractor. Said log shall be in a form and content acceptable to the Director and shall be submitted to the Director monthly, along with the submission of the monthly invoice. The monthly payment for the work so requested will not be authorized until such report is received and approved by the Director or his designee. The Contractor shall perform at least one maintenance inspection weekly during daylight hours of all sites. Additionally, the Director or his designee may require Contractor to attend meetings with Department field staff at some fixed interval to review Contractor's operations and schedule such future work as may be ordered by the Director or his designee. Failure to conduct said weekly inspections or attend regularly scheduled meetings may result in the assessment of non-performance penalties per Section 7B of the Agreement. The Contractor shall maintain an office at some fixed place, and shall maintain an operable telephone thereat, listed in the telephone directory in Contractor's own name or in Contractor's firm name, and shall, at all times, employ some responsible person(s) to take the necessary action regarding all inquiries, complaints, and/or emergency calls that may be received from the Director or other authorized individuals or agencies. This person(s) shall be reachable 24 hours per day, seven days a week. During normal working hours, the Contractor's supervisor or employee designated as being responsible for providing maintenance services to the Department shall be directly available for immediate notification through some type of reliable electronic means, including, but not limited to, two-way radio, pager, or cell phone. The Contractor or his designated employee shall confirm said notification within one (1) hour of receipt. An answering service will be considered an acceptable substitute for coverage <u>only</u> during periods outside of normal working hours, provided Contractor is advised of emergency calls within one (1) hour of receipt of the call by the answering service and within 24 hours after receipt of non-emergency calls by the answering service. The above provision for Contractor's

MV00063152

communication with the Department is the minimum acceptable standard under this agreement. Failure to regularly provide said communication capability may result in the Contractor being assessed non-performance penalties, per Section 7B of the Agreement.

The Contractor shall respond to an emergency call from any of the parties listed below no later than two hours following first notification by facsimile transmission, or in writing, or by telephone. In situations involving emergency repair work after normal working hours, the Contractor shall dispatch qualified personnel and equipment to reach the site within two (2) hours of first notification. An emergency may be called by the following individuals or agencies at any time: City Manager, Director of Parks and Community Services, Parks Maintenance Supervisor, Parks Maintenance Division Manager, Police Department, or Fire Department.

Contractor's emergency response and any necessary corrective work shall be considered Additional Work as defined in Section 9 of the Agreement, unless said emergency is determined to have been caused by an act or omission attributable to Contractor.

When inclement weather renders performance per approved schedule unsafe, impractical, or liable to damage turf, the Contractor shall adjust his work force in order to accomplish those work items and shall contact Department field staff to inform them of said alternate work assignments. Failure to so advise the Department may be cause for assessment of non-performance penalties, per Section 7B of the Agreement.

For the purposes of this Agreement, "working days" shall be Monday through Friday. The hours of maintenance service shall be 7:00 a.m. to 4:30 p.m. on those days maintenance is to be provided, pursuant to the work schedule approved by the Director or his designee. Any work the Contractor proposes to perform outside of the days and hours set forth hereinabove, as well as on legal City holidays, shall not be undertaken without the prior approval of the Director or his designee.

CONTRACTOR'S STAFF - The Contractor shall provide sufficient personnel to perform all work in accordance with the Specifications set forth herein. All of the Contractor's maintenance personnel shall be supervised at the work site(s) by a qualified supervisor in the employ of the Contractor. Work site supervisors must be able to demonstrate to the satisfaction of the Director that they possess adequate technical background and communication skills. Adequate and competent supervision shall be provided for all work done by the Contractor's employees to ensure accomplishment of high quality work which will be acceptable to the Director. Any order or communication given to the work site supervisor shall be deemed to have been delivered to the Contractor. The Contractor and his employees and subcontractors, if any, shall conduct themselves in a proper and efficient manner at all times and shall cause the least possible inconvenience to the public. The Director may require the Contractor to remove from the work site any employee(s) deemed careless, incompetent, or otherwise objectionable, whose continued employment on the job is considered to be contrary to the best interest of the CSD or the City. The Contractor shall require each employee performing work under the Agreement to adhere to basic Public Works standards of working attire, including but not limited to proper shoes, other gear required by applicable safety regulations. Shirts shall be worn at all times and shall be buttoned. Approved safety vests shall be worn by Contractor's employees when working in

parks and other high traffic-hazard areas as determined by the Director. Failure to comply with the above requirements may make the Contractor liable for assessment of non-performance penalties, per Section 7B of the Agreement.

The Contractor shall establish an identification system for his personnel which clearly indicates to the public the name of the Contractor. The identification system shall be furnished at the Contractor's expense and may include appropriate attire and/or name badges as specified by the Director.

EMPLOYMENT OF APPRENTICES - The provisions of Sections 1777.5, 1777.6, and 1777.7 of the California Labor Code regarding the employment of properly registered apprentices may apply to this contract if the Contractor, or any subcontractors thereunder, employs workers in any apprenticeable craft or trade. It is the Contractor's sole responsibility to comply with the Labor Code sections cited above. Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, *ex-officio* the Administrator of Apprenticeship, San Francisco, California, or from the Division of Apprenticeship Standards and its branch offices.

COMPLAINTS - All complaints shall be responded to as soon as possible after notification; but in all cases within 24 hours, to the satisfaction of the Director or his designee. If any complaint is not satisfactorily responded to within 24 hours, the Director shall be notified immediately of the reason for not remedying the complaint followed by a written report to the Director within five (5) days. If the complaints are not remedied within the time specified and to the satisfaction of the Director or his designee, the Director or his designee may correct the specific complaint by using an alternative source. The total cost incurred by the Department to effect necessary remedies will be deducted from the payments owing to the Contractor from the Department. The Contractor shall maintain a written log of all complaints, the date and time thereof and the action taken pursuant thereto, or the reason for non-action. Said log shall be submitted to the Director as set forth above. In addition to the provisions above, in the event of a failure by the Contractor to satisfactorily remedy a complaint in a timely manner or for any other breach of this Agreement by Contractor, the Department may immediately upon written notice to the Contractor terminate this Agreement.

SAFETY - The Contractor agrees to perform all work outlined in these Specifications in such a manner as to meet all accepted standards for safe practices and to safely maintain equipment, machines, and materials and prescribe and employ all precautions and safety procedures related to other hazards consequential to the work; and accepts additionally the sole responsibility for complying with all local, State, Federal and other legal requirements including but not limited to, full compliance with the terms of any and all applicable OSHA and Cal/OSHA Safety Orders at all times so as to protect all persons, including Contractor's employees and subcontractors, agents of the Department, City, materialmen, vendors, members of the public and others from foreseeable injury, or damage to their property. The Contractor's operations shall be conducted in such a manner as to cause the least possible obstruction and inconvenience to public traffic. The Contractor shall furnish, erect, and maintain such fences, barriers, lights and warning signs as may be deemed necessary by the Director, or any duly constituted public safety official. Contractor's work area traffic control, including but not limited to type and placement of signs,

MV00063154

barricades, and delineators, shall be in accordance with the most current edition of Caltrans' *"Traffic Manual, Chapter 5, Traffic Controls."*

Contractor's work should not encroach into open lanes of traffic between the hours of 7:00 a.m. and 8:30 a.m. or between 3:30 p.m. and 6:00 p.m.

The Contractor shall maintain all work sites free of hazards to persons or property resulting from Contractor's operations. The Contractor shall inspect all potential hazards at said areas under maintenance and keep a log indicating date inspected and action taken. Said log shall be submitted monthly to the Director or his designee as set forth above. Any hazardous condition noted by the Contractor, which is not a result of Contractor's operations, shall be immediately reported to the Director or his designee. The Contractor shall be responsible for making minor corrections including but not limited to filling holes in turf areas and replacing valve box covers, so as to protect members of the public or others from injury. The Contractor shall cooperate fully with the CSD or City in the investigation of any accidental injury or death occurring on the site, including a complete written report thereof to the Director or his designee within five (5) days following the occurrence.

Failure to comply with this section of the General Provisions may result in deduction of payment per Section 7A, paragraph ix, of the Agreement or assessment of non-performance penalties per Section 7B of the Agreement. Repeated failure to comply with this section of the General Provisions may result in contract termination, per Section 17 of the Agreement.

LICENSES AND PERMITS - The Contractor shall, without additional expense to the CSD or City, possess all licenses and permits, including but not limited to a valid City Business License, required for the performance of the work under this Agreement.

COMPLIANCE WITH THE LAW - Under the Agreement, the Contractor's performance shall comply with all applicable laws of the United States of America, the State of California, the County of Riverside, the City of Moreno Valley, and all other entities of competent jurisdiction.

CONTRACTOR'S LIABILITY - The Contractor shall be responsible for all damages to people and/or property that occur as a result of the fault or negligence attributable to Contractor in connection with the performance under this Agreement. Any and all restitution or repairs deemed necessary by the Director to remedy such damages shall be furnished and performed at the Contractor's sole expense, and shall be completed within the time limits established by the Director or his designee. Repairs made to sites and site appurtenances that are damaged as a result of Acts of God, vandalism, theft, and acts or omissions by third parties or any other occurrence not attributable to the Contractor's operations shall be repaired by the Contractor as Additional Work and compensated as defined in Section 7A, paragraphs iv, v, vii of the Agreement.

SPECIAL PROVISIONS

TURF MAINTENANCE SPECIFICATIONS

1. TURF CARE

a. All turf areas shall be mowed, edged, and trimmed every seven days, weather and site conditions permitting. Any prolonged deviation from this schedule shall require the approval of the Director or his designee. Failure to adhere to this specification without approval may result in assessment of non-performance penalties, per Section 7B of the Agreement.

b. At the discretion of the Director or his designee, turf areas may be mowed with mulching-type mowers of a type acceptable to the CSD.

c. All mowing and edging equipment shall be in proper working order; have blades properly sharpened and aligned; be thoroughly cleaned of all excess clippings, soil, and debris prior to working at each site.

d. All clippings, soil, and debris generated by mowing and edging operations shall be immediately collected, removed from the site, and disposed of in a legal manner. For the purposes of this specification, the term "site" shall include, but is not limited to hardscapes, sidewalks, curbs, and gutters.

e. Machines operating on turf known to have a disease, fungus, or insect infestation shall be sterilized with a ten percent (10%) chlorine bleach and water solution prior to working on any site.

f. Mowing height for cool season grasses shall not exceed three inches maximum, or two inches minimum, and shall be adjusted within these parameters on a seasonal basis.

g. Mowing height for warm season grasses shall not exceed 1½ inches maximum, or three-quarters of an inch minimum, and shall be adjusted within these parameters on a seasonal basis.

h. All turf borders shall be cut with a vertical blade edger. Use of string trimmers to perform this task is not acceptable.

i. Trimming around turf appurtenances (e.g., valve and meter boxes, backflow devices and controller enclosures, sprinklers) may be accomplished through the use of string trimmers.

j. Whenever trees occur in turf areas, a six-inch ring of grass shall be removed from around the trunks in order to protect the crowns from mechanical damage. These rings shall be maintained in a clean, weed free condition.

k. Renovation/thatching operations are to be considered Additional Work, per Agreement, Section 7A, paragraph iv.
   1. Have no more than one-third of living branches removed annually.
   2. Be fertilized only as directed by the Director of his designee.

MV00063156

2. DEBRIS/LITTER

a. The Contractor shall remove immediately after pruning, trimming, weeding, edging or other work required under this Agreement, all debris generated by his or her performance of the work.

b. Contractor shall make a minimum of one visitation every seven days of all sites covered under this Agreement for the express purpose of removing from both planted areas and adjacent hardscapes/walks the following items, including but not limited to: Bottles, cans, paper/plastic, cardboard, dog litter, tumbleweeds/windblown plant litter, automobile tires, or metallic items. Sites that are, in the opinion of the Director or his designee, exceptionally littered shall be cleared by Contractor before the close of business the working day following notification of the condition.

c. All hardscape areas, including but not limited to sidewalks, curbs, and gutters shall be continuously maintained in a "broom clean" condition.

d. From time to time, the Director or his designee may require Contractor to perform special clean-ups on a site-specific basis. Said special clean-ups shall be considered Additional Work per Agreement, Section 7A, paragraphs iv and v.

e. The Contractor shall dispose of all debris and litter as described in paragraphs a and b above off-site, and in a legal manner.

f. Failure to adhere to the specifications of this section of the Special Provisions may result in the assessment of non-performance penalties, per Section 7B of the Agreement.

3. GREENWASTE RECYCLING

a. The Public Resources Code (PRC), Division 30, Sections 4000 through 42055 requires that the City of Moreno Valley divert from landfills fifty percent (50%) of the solid waste, including greenwaste, generated within its jurisdiction.

b. For the purposes of this contract, materials defined as "greenwaste" shall include all plant parts (e.g., trimmings, prunings, grass clippings, etc.) removed from contract sites by the Contractor or any subcontractors thereunder, in performance of contract's Scope of Work.

c. Contractor, or any subcontractor thereunder, shall deposit all greenwaste generated in performance of contract's Scope of Work at a landscape material recycling center, or reuse said greenwaste in some manner. Contractor or any subcontractor thereunder, shall be solely responsible for all costs incurred in complying with this requirement.

d. The Contractor shall submit a Monthly Greenwaste Report as an element of Contractor's Monthly Report. The Contractor shall provide responses to all information requested therein and shall include, on a separate Monthly Greenwaste Report form, any greenwaste generated through the operations of any subcontractors performing under Contractor's Scope of Work.

e. Failure to adhere to the specifications of this section of the Special Provisions may result in the assessment of non-performance penalties, per Section 7B of the Agreement.

Report to City Council

TO: Mayor and City Council, and the Mayor and City Council, acting in their capacity as President and Board of Directors for the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: June 22, 2010

TITLE: Authorization to Close Public Streets for the Independence Day Festivities on Saturday, July 3, 2010 and Sunday, July 4, 2010.

RECOMMENDED ACTION

Staff recommends that the City Council and the Mayor and the President and Board of Directors for the Moreno Valley Community Services District:

1. Authorize the closure of the following streets between the hours of 7:00 a.m. and 12:00 noon for the purpose of conducting the Fourth of July Parade scheduled to take place on July 3, 2010.

    a. TownGate Boulevard between Frederick Street, Eucalyptus Avenue and Memorial Way;
    b. Frederick Street between Centerpointe Drive and Cactus Avenue;
    c. Cottonwood Avenue between Pan Am Boulevard and Dunhill Drive;
    d. Eucalyptus Avenue between Pan Am Boulevard and Kochi Drive;
    e. Dracaea Avenue between Pan Am Boulevard and Kochi Drive;
    f. Atlantic Circle east of Frederick Street;
    g. Brabham Street between Frederick Street and Andretti Street;
    h. TownGate Boulevard between Frederick Street and Heritage Way;
    i. Bay Avenue between Kristina Court and Courage Street;
    j. Alessandro Boulevard between Chagall Court and Elsworth Street;
    k. Alessandro Boulevard between Joy Street and Cactus Avenue;
    l. Resource Way between Frederick Street and Corporate Way;
    m. Corporate Way between Calle San Juan de Los Lagos and Resource Way;

n. Calle San Juan de Los Lagos between Frederick Street and Veterans Way;
o. Veterans Way between Cactus Avenue and Alessandro Boulevard;
p. New Hope between Veterans Way and Elsworth; and
q. Heritage Way between TownGate Boulevard and Town Circle.

2. Authorize the closure of the following streets to through traffic, to remain open only to residents, between the hours of 11:00 a.m. and 9:00 p.m. for the purpose of conducting the Fourth of July Festival and Fireworks Program scheduled to take place on July 4, 2010.

a. Petaluma Avenue between Napa Valley and Morrison Street;
b. Napa Valley between Dracaea Avenue and Petaluma Avenue;
c. Lakeport Drive at Cottonwood Avenue;
d. Burney Pass Drive between Cottonwood Avenue and Dracaea Avenue;
e. Rockport Drive between Yuba Pass Road and Morrison Street;
f. Dracaea Avenue between Morrison Street and Nason Street;
g. Letterman Street at Cottonwood Avenue;
h. Athletics Drive at Cottonwood Avenue; and
i. Mascot Lane at Dracaea Avenue.

The streets closed to through traffic are to prevent overflow parking from the fireworks program into residential areas. Also, for a short period and immediately following the fireworks display, staff recommends that the City Council authorize one-way traffic on various streets in the vicinity of Morrison Park as directed by the Moreno Valley Police Department.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

For the past 24 years, the City has sponsored the Independence Day Celebration, which includes the parade, festivities, and fireworks program. Last year's parade was a success with more than 100 entries comprised largely of local businesses, church groups, youth groups, and other non-profit organizations. The proposed parade route is similar to last year's parade route. The parade street closures are similar to the street closures for the 2009 parade route. Approximately 7,000 spectators attended the 2009 Independence Day Parade.

The Independence Day Festival and Fireworks Display were also successful in attracting an estimated 20,000 spectators to Morrison Park and Mountain View Middle School. Those in attendance enjoyed the festival atmosphere throughout the day and the excitement of the fireworks display that evening.

DISCUSSION

The 2010 Independence Day festivities this year will be a two-day celebration. Detailed below is the discussion of the events planned and street closures for the Independence Day Program activities:

1. Parade Discussion

The parade this year will take place on July 3, 2010. Similar to the 2009 parade route, staff is recommending utilizing the parking lot at Gateway Commercial Center (south of City Hall) as parade parking. Parade participants will enter north onto Veterans Way from Golden Crest or Cactus Avenue and check in near San Juan De Los Lagos. Staging for the parade will take place on Calle San Juan de Los Lagos, Corporate Way and Resource Way. The parade route will begin on Frederick Street at Alessandro Boulevard and go north on Frederick Street to TownGate Boulevard, turn west on TownGate Boulevard, turn north onto Heritage Way and disband into the parking lot located between the rear of the Mervyns store and the theater in the TownGate Shopping Center. The parade will begin promptly at 9:30 a.m. and conclude prior to 12:00 noon.

The street closures being requested will allow sufficient time for safe passage during the event for all event participants and spectators. Traffic entering and/or leaving commercial establishments will be restricted during the parade. All barricades at intersections will be removed no later than 12:00 noon. Police officers will be stationed at the following major intersections for safety purposes.

- Cactus Avenue and Frederick Street
- Alessandro Boulevard and Frederick Street
- Cottonwood Avenue and Frederick Street
- Frederick Street and TownGate Boulevard
- TownGate Boulevard and Heritage Way
- Veterans Way and Alessandro Boulevard
- Heritage Way and Town Circle

2. Festival and Fireworks Display Discussion

The second day of the festivities will continue on July 4, 2010 from 2 p.m. - 10:00 p.m. with the Family Fun Fest activities at Mountain View Middle School/Morrison Park. Similar to last year's 2009 festival, the afternoon activities will be held at Mountain View Middle School and Morrison Park. Staff is anticipating approximately 20,000 spectators to attend the festivities. The concert headliner this year is "The Beach Toys" who promises to bring back great memories with "A Tribute to the Beach Boys" and "Paperback Writer who promises to bring back great memories with "A Tribute to the Beatles". The afternoon festivities begin at 2:00 p.m., and will conclude at approximately 9:30 p.m. with the fireworks

display. Activities at the festival also include food, arts and crafts, and non-profit information booths.

Based on past years, the Moreno Valley Police Department and the Transportation Division are recommending closure of the previously mentioned streets to allow sufficient time for safe passage before, during and after the event for all event participants and spectators. All barricades at intersections will be removed no later than 10:00 p.m. Police officers will be stationed at major intersections as directed by the Moreno Valley Police Department.

As part of the Fourth of July planning process, businesses and residents that are potentially affected by the street closures will receive written notification of the street closures scheduled to take place on July 3, 2010 and July 4, 2010.

ALTERNATIVES

1. Approve street closures as outlined above.

2. Provide direction to staff on alternate parade route and/or street closures.

FISCAL IMPACT

The planning and coordinating of this event begin prior to the FY 2010/2011. Funds proposed for the Independence Day Celebration are partially allocated in the Moreno Valley Community Services District Zone A fund FY 2009/2010 and partially allocated in the proposed Moreno Valley Community Services District Zone A fund FY 2010/2011. In an effort to offset expenditures staff has been soliciting sponsors for this event.

CITY COUNCIL GOALS

Not applicable.

SUMMARY

The 2010 Independence Day festivities this year will be a two-day celebration. Staff is requesting that City Council authorize the street closures outlined above for the City's Independence Day Celebration. The parade street closures are similar to the street closures for the 2009 parade route. The parade will take place on Saturday, July 3, 2010 and will step off at 9:30 a.m. from Frederick Street, south of Alessandro Boulevard. The festival will take place on Sunday, July 4, 2010,street closures are similar to the 2009 street closures adjacent to the festival.

TITLE: AUTHORIZATION TO AWARD THE CONSTRUCTION CONTRACT FOR AUTO MALL FREEWAY PYLON SIGN PROJECT
PROJECT NO. 08-89791725

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder.

2. Authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency.

3. Authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City Attorney.

Staff recommends that the Community Redevelopment Agency:

1. Accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto.

2. Authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency.

3. Authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725)

BACKGROUND

The preliminary engineering and conceptual design plan for the Auto Mall Improvements was awarded to VA Consulting, Inc. by the City Council at its meeting on September 23, 2008. On January 13, 2009, the City Council approved the Auto Mall Improvements Project as part of the reprioritization of Capital Projects to be funded by 2007 RDA Bonds. A final conceptual plan to rejuvenate the mall was presented to the City Council Study Session on March 17, 2009 and was approved for final design. VA Consulting, Inc. was authorized to proceed with the final design plans and specifications by the City Council at its meeting on April 28, 2009. The major elements of the plan consist of sign monuments, vehicle display areas and landscaping enhancement of Auto Mall Drive. The pylon sign is the first improvement in the two-phase conceptual improvement plan.

DISCUSSION

The Moreno Valley Auto Mall is currently comprised of five (5) auto dealerships and six (6) vacant parcels. The City and the Redevelopment Agency have been working with the Auto Mall dealers to explore various ways to increase business advantages by creating attractive visual displays of dealer products and other aesthetic elements. The goal is to help provide increased awareness and interaction between prospective customers and business owners. The increase in Auto Mall business has the potential to increase additional opportunities for employment and enhance other long term related business benefits for the local community.

The pylon sign is an integral element of the conceptual plan. The sign is located on the south side of the SR60 freeway, east of Moreno Beach Drive. This project will replace the existing aged and worn freeway sign with a new up-to-date high-tech two- (2) sided sign that includes a larger video display. The sign will be, in conformance with the "Specific Plan #5 Sign", 31 feet wide and stand approximately 85 feet in height, as seen from the freeway.

The new pylon sign will enhance awareness of the Auto Mall's location from both directions of the freeway with its highly visible color video display, which measures approximately 21 feet high by 29 feet wide. To augment awareness of the Auto Mall dealers, there will be eight (8) large dealership panels below the video display.

MV00063178

This project was determined to be "Categorical Exemption" (CE) pursuant to Section 15311, "Accessory Structures" and Section 15301, "Existing Facilities", of the State CEQA Guidelines.

The project was advertised for bids on April 22, 2010. Formal bidding procedures were followed in conformance with the Public Contract Code (PCC) and the City Clerk opened bids at 2:00 p.m., on May 25, 2010, for the subject project.

Six (6) valid bids received are as follows:

	CONTRACTORS	Bid Amount
1.	**San Pedro Sign Company**	**$706, 716.00**
2.	National Sign & Marketing Corp.	$719,814.00
3.	Sign Industries, Inc.	$756,898.65
4.	YESCO	$777,915.00
5.	Flouresco Lighting & Signs	$948,769. 00
6.	Ad Art, Inc.	$1,146,180.00
	Engineer's Estimate	$1,218,200.00

Staff has reviewed the bid by San Pedro Sign Company and finds it to be the lowest responsible bidder in possession of a valid license and bid bond. No outstanding issues were identified through the review of the references submitted by San Pedro Sign Company.

The project was bid on the basis of a Base Bid and one (1) Additive Alternate "A" Bid. The Base Bid includes the design, manufacturing, and installation of the pylon sign. Additive Alternate Bid "A" includes a stone veneer base and extended sign programming maintenance warranty and service agreement. The bid documents stipulated that the low bidder would be determined on the basis of the total of the Base Bid and the Additive Alternate Bid. Staff recommends, and this Report reflects, the award of the Contract to cover the Base Bid plus the Additive Alternate Bid "A" option.

The requested subsequent assignment of the contract from the City to the Community Redevelopment Agency will obligate the RDA funds and not the General Fund.

ALTERNATIVES

1. Award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder; authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency; authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City

Attorney; accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto; authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency; authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725) *This alternative will allow for much needed improvements*.

2. Do not award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder; do not authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency; do not authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City Attorney; do not accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto; do not authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency; do not authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725) *This alternative will delay the completion of much needed improvements.*

FISCAL IMPACT

The Moreno Valley Auto Mall Improvements construction phase of this project is included in Fiscal Year 2009-2010 Budget and is funded by Fund 897 (RDA 2007 Tax Allocation Bonds). **These funds have been allocated for the Moreno Valley Auto Mall Improvements project and cannot be utilized for operational activities.** There is no impact on the General Fund.

SUMMARY

The proposed project constructs a new pylon sign for the Moreno Valley Auto Mall. The sign will enhance awareness of the Auto Mall's location from both directions of the freeway and will provide the opportunity for increased business by creating attractive aesthetic elements. The City Council is requested to approve the award of the construction to San Pedro Sign Company and the Community Redevelopment Agency is requested to accept the assignment of the construction contract to San Pedro Sign Company and to issue a Purchase Order in the amount of $812,724.

NOTIFICATION

Adjacent property owners, law enforcement, fire department and other emergency services responders in the area will be notified of the proposed construction.

Agreement No._____

AGREEMENT

PROJECT NO. ED-09-89791725

CITY OF MORENO VALLEY AUTO MALL
FREEWAY PYLON SIGN PROJECT

THIS Contract Agreement, made and entered into as of the date signed by the City Manager of the City of Moreno Valley, by and between the City of Moreno Valley, a municipal corporation, County of Riverside, State of California, hereinafter called the "City" and **San Pedro Sign Company** hereinafter called the "Contractor."

That the City and the Contractor for the consideration hereinafter named, agree as follows:

1. The written Agreement includes all of the following:
   a. Any and all Contract Change Orders issued after execution of this Agreement
   b. Addenda Nos. **2** inclusive, issued prior to the opening of the Bids
   c. The bound Bid Documents
   d. The Special Provisions which include the General Provisions and Technical Provisions, all of which are parts of this Agreement
   e. The project Plans
   f. The Standard Plans
   g. The Standard Specifications
   h. Reference Specifications, all of which are essential parts of this Agreement
   i. The Bidder's Proposal which includes the Bidder's Bond and Noncollusion Affidavit

In the event of any conflict in the provisions thereof, the terms of said Bid Documents as set forth above shall control, each over the other, in the order provided. The above items are incorporated in this Agreement as though set forth in full.

2. The Contractor shall furnish all materials, tools, equipment and labor, except as otherwise provided in the Plans or Special Provisions, and will perform all the work which is necessary to complete in a good, workmanlike and substantial manner the above said project in accordance with the Contract documents for this project, the Contract documents which are hereby specifically referred to and by such reference made a part hereof.

3. The City will pay the Contractor and the Contractor agrees to receive and accept the prices set forth in the Bid Schedule as full compensation for the work required under the bid items awarded by the City, to wit, the Base Bid Item(s) and Additive Bid Item(s) in the sum total amount of **$706,716.00,** subject to additions or reductions of the quantities of the various bid items at the unit prices bid, for furnishing all materials and for doing all the work contemplated and embraced under this Contract Agreement; for all loss or damages arising out of the nature of the work aforesaid, or from the action of the elements, or from any unforeseen difficulties or obstructions which may arise or be encountered in the prosecution of the work, until the work is accepted by the City Council; for all expenses incurred by or in consequence of the suspension or discontinuance of work; and for well and faithfully completing the work, the whole thereof, in the manner and in accordance with the Contract documents therefore and the requirements of the Engineer under them.

4. The Contractor hereby agrees to commence work pursuant to this Contract within fourteen (14) calendar days after the date of authorization specified in the Notice to Proceed. The Contractor agrees to diligently prosecute the contracted work, including corrective items of work, day to day thereafter, to completion, within **ONE HUNDRED SIXTY-FIVE (165) working days** after said date in the first "Notice to Proceed," except as adjusted by subsequent Contract Change Order(s).

5. The City and Contractor hereby agree that in case all construction called for under the Contract is

not completed within the time hereinabove specified, including City caused delays or extensions, damages will be sustained by the City and that, it is and will be impracticable or extremely difficult to ascertain and determine the actual amount of damages the City will sustain in the event of, and by reason of, such delay.

It is, therefore, agreed that such damages shall be presumed to be in the amount of $600.00 per calendar day, and that the Contractor will pay to the City, or City may retain from amounts otherwise payable to Contractor, said amount for each calendar day by which the Contractor fails to complete the work, including corrective items of work, under this Contract Agreement within the time hereinabove specified and as adjusted by Contract Change Order(s). The Contractor will not be assessed liquidated damages for delay(s) occasioned by the failure of the City or of the owner of a utility to provide for the removal or relocation of utility facilities.

6. The Contractor shall name as additional insured, the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), and shall furnish the City with a certificate of insurance evidencing liability insurance policy or policies which shall provide coverage for owned and non-owned automobiles; manufacturers and Contractor's liability; broad form property damage in any case where the Contractor has any property belonging to the City in his care, custody or control; owners and Contractor's protective liability; blanket contractual liability; products and completed operations coverage; coverage for collapse, explosion, and where any excavation, digging or trenching is done with power equipment; and shall bear an endorsement containing the following Provisions:

> Solely as respect to work done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), its officers, employees and agents, are added as additional insured under this policy and the coverage provided hereunder shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, California, the Community Redevelopment Agency of the City of Moreno Valley, and the Moreno Valley Community Services District, its officers, employees and agents; under any third party liability policy.
>
> It is further agreed that the other insurance provision(s) of the policy are amended to conform therewith.

The endorsements shall be signed by a person authorized by the insurer to bind coverage on its behalf. Insurance companies providing insurance here under shall be rated (A minus: VII - Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

The terms of the insurance policy or policies issued to provide the below insurance coverage(s) shall not be amended or canceled by the carrier without thirty (60) days prior written notice by certified or registered mail of amendments or cancellation to the City. In the event the said insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the City Clerk new evidence of insurance in the amounts established.

All liability insurance policies shall bear an endorsement or shall have an attached rider which provides that the City of Moreno Valley will be notified by certified or registered mail at least 60 days prior to the effective date of cancellation, non-renewal, or material alteration of such policy.

All liability insurance shall cover comprehensive general liability for both bodily injury (including death) and property damage, including but not limited to aggregate products, aggregate operations, aggregate

protective and aggregate contractual with the following minimum limits:

	Each Person	Each Occurrence	Aggregate
Bodily Injury	$500,000.00	$2,000,000.00	$2,000,000.00
Property Damage	---	$2,000,000.00	$2,000,000.00

A combined single limit for Bodily Injury Liability and Property Damage Liability of $2,000,000.00 for each occurrence will be considered equivalent to the above minimum limits for Comprehensive General Liability.

Property Damage Insurance shall cover full replacement value for damages to any property caused directly or indirectly by or from acts or activities of the Contractor or its sub-contractors or any person acting for the Contractor or under its control or direction.

The Contractor shall procure and maintain, at its sole expense, and throughout the term of this Contract Agreement and any extension thereof, Public Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated. Such coverage limits shall not be less than $1,000,000 combined single limit.

Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City, its officers, officials, employees and volunteers; or the contractor shall procure a bond guaranteeing payment of losses and related investigation, claim administration, and defense expenses.

The Contractor shall also furnish the City with a certificate evidencing Worker's Compensation Insurance with limits as established by the State of California.

The Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

7. The Contractor hereby agrees to provide and maintain in effect two (2) good and sufficient Surety Bonds for one hundred percent (100%) each of the contract price. The bonds shall be a "Faithful Performance Bond" which shall guarantee the faithful performance of all work and a "Labor and Materials Payment Bond" which shall secure the payment of the claims of labor, mechanics, or material for all work under the Contract pursuant to Section 3247 of the Civil Code.

8. The Contractor, the Contractor's heirs, executors, administrators, successors, or assigns guarantee that all work performed under this Contract fully meets the requirements thereof as to quality of workmanship and materials furnished. If any defects in materials or workmanship become evident within a period of one year from the date of the acceptance of the work by the City Council, the Contractor shall, at his or her own expense, make any repair(s) or replacement(s) necessary to restore the work to full compliance with the Plans and Specifications.

9. The Contractor and any agents or subcontractors of the Contractor shall pay the prevailing rates of per diem wages established by the California Department of Industrial Relations. The Contractor and any agents or subcontractors of the Contractor shall also adhere to the California Labor Code, Division 2, Part 7, "Public Works and Public Agencies," and the California Administrative Code, Title 8, Group 3, "Payment of Prevailing Wages upon Public Works," all of which are made a part of the Contract documents.

10. The Contractor agrees that he or she and its subcontractors shall maintain and keep books, payrolls, invoices of materials, records on a current basis, and recording all transactions pertaining to this Agreement in a form in accordance with generally acceptable accounting principles. Said books and records shall be made available to the City of Moreno Valley, County, the State of California, the Federal Government and to any authorized representative thereof for purposes of audit and inspection at all reasonable times and places. All such books, payrolls, invoices of materials, and records shall be retained for such periods of time as required by law, provided, however, notwithstanding any shorter period of retention, all books, records, and supporting detail shall be retained for a period of at least three years after expiration of the term of this Agreement.

11. Pursuant to California Public Contract Code Section 22300, the Contractor will be permitted the substitution of securities for any monies withheld by the City of Moreno Valley to ensure performance under Contract. At the request and expense of the Contractor, securities equivalent to the amount withheld shall be deposited with the City of Moreno Valley, or with a state or federally chartered bank as the escrow agent, who shall pay such monies to the Contractor. Securities eligible for substitution under this section shall include those listed in Section 16430 of the Government Code, bank or savings and loan certificates of deposit, interest-bearing demand deposit accounts, and standby letters of credit. The Contractor shall be the beneficial owner of any securities substituted for monies withheld and shall receive any dividends or interest thereon. The Contractor shall give the City written notice within thirty (30) days after the Contract is awarded that it desires to substitute securities for money that would ordinarily be withheld. If the substituted securities are deposited into an escrow, the escrow shall be governed by a written escrow Contract Agreement in a form which is substantially similar to the Contract Agreement set forth in Section 22300, of the Public Contract Code.

12. The Contractor agrees to indemnify, defend, and save the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), the Moreno Valley Community Services District (CSD), its officers, agents, employees, representatives and consultants harmless from any and all liability, claims, damages or injuries to any person, including injury to the Contractor's employees and all claims which arise from or are connected with the negligent performance of or failure to perform the work or other obligations of this Contract Agreement, or are caused or claimed to be caused by the negligent acts of the Contractor its officers, agents, employees, sub-contractors or suppliers, and all expenses of investigating and defending against the same; provided, however, that this indemnification and hold harmless shall not include any claims arising from the sole negligence or willful misconduct of the City, RDA, and CSD, its officers, agents, or employees.

The obligation to indemnify, defend and hold harmless set forth herein shall include, without limitation, any and all attorney's fees incurred by the party to be indemnified, defended, or held harmless, whether in a judicial or administrative action or in arbitration, and whether the issue is between the parties or involves one or more third parties.

13. The parties do for themselves, their heirs, executors, administrators, successors and assigns agree to the full performance of all of the provisions herein contained. The Contractor may not, either voluntarily or by action of law, assign any obligation assumed by the Contractor hereunder without prior written consent of the City.

14. Should either party bring any legal or equitable action for the purpose of protecting or enforcing its rights under this Contract Agreement, the prevailing party in such action shall recover in addition to all other relief, its reasonable attorney's fees and court costs to be fixed by the court.

In addition to the foregoing award of attorney's fees, the prevailing party shall be entitled to its attorneys' fees incurred in any post judgment proceedings to enforce any judgments in connection with this Contract Agreement. The Provision is separate and several and shall survive the merge of this Provision into any judgment.

15. By my signature hereunder, as Contractor, I certify that I am aware of the Provisions of Section 3700, of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the Provisions of that code, and I will comply with such Provisions before commencing the performance of the work of this Contract.

16. The effective date of this Contract Agreement shall be the date of the Award of Contract by the City of Moreno Valley.

17. Contractors are required by law to be licensed and regulated by the Contractors' State License Board. Any questions concerning a Contractor may be referred to the Registrar, Contractors' State License Board, 3132 Bradshaw Road, Sacramento, CA 95826. Mailing address: P.O. Box 26000, Sacramento, CA 95826.

Report to City Council

TO: Mayor and City Council, and Acting in their Respective Capacities as President and Members of the Board of Directors of the Moreno Valley Community Services District

FROM: Chris A. Vogt, P.E., Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: NOTICE OF COMPLETION AND ACCEPTANCE OF THE PATRIOT PARK IMPROVEMENTS PROJECT
PROJECT NO. 08-28268628

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211.

2. Direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code.

3. Authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project.

Staff recommends that the Board of Directors:

4. Authorize the President of the Board of Directors of the Community Services District (CSD) to accept the improvements into the CSD's maintained system.

BACKGROUND

On November 10, 2009, the City Council awarded the construction contract in the amount of $246,001.41 to Desert Concepts Construction, Inc., for the Patriot Park

Improvements Project. A Purchase Order in the amount of $282,901.62 (the bid amount plus 15% contingency) was issued to the Contractor.

DISCUSSION

The project involved the construction of the Patriot Park improvements on a vacant (approximate) one-half acre CSD property located at the southeast corner of Perris Boulevard and Filaree Avenue. The park improvements included play apparatus, a decomposed granite walking path, natural turf play area, picnic tables and benches together with landscaping, irrigation, area lighting, and perimeter fencing.

There was one Contract Change Order for this project. Contract Change Order No. 1 (Final) extended the construction completion date by 4 days but there was no change in the contract amount. The improvements were completed within the extended contract time of April 27, 2010, within budget, and in accordance with the approved contract documents.

ALTERNATIVES

1. Accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211, direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., within thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project, and authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system. *This alternative will result in payment to the Contractor and acceptance of the improvements into the CSD's maintained system.*

2. Do not accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211, do not direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, do not authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., within thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project, and do not authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system. *This alternative will result in delaying payment to the Contractor, delaying acceptance of the improvements into the CSD's maintained system, and incurring extra cost to the City.*

MV00063200

FISCAL IMPACT

This project is included in the Fiscal Year 2009-2010 Capital Improvement Project Budget and is funded with Community Development Block Grant (CDBG) funds (Fund 282). Funding for maintenance is included in the Parks and Community Services District's Fiscal Year 2009/2010 budget, and proposed for the Fiscal Year 2010/2011 budget.

AVAILABLE BUDGETED FUNDS:

Fiscal Year 2009/2010 Funds (Account 282.68628)	$397,297

CONSTRUCTION RELATED COSTS:

Construction	$246,000
City Purchased Equipment and Play Apparatus for Contractor Installation	$56,000
Construction Geotechnical Services	$6,000
Construction Survey Services	$16,000
Project Administration*	$70,000
Total Construction Related Costs	$394,000

* Including: project construction management, reproduction, bid, award, and project closeout efforts

CITY COUNCIL GOALS

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

COMMUNITY IMAGE, NEIGHBORHOOD PRIDE AND CLEANLINESS:
Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts (including home rehabilitation) and neighborhood restoration.

SUMMARY

Desert Concepts Construction, Inc. has completed the Patriot Park Improvements Project. The City Council is requested to accept the work as complete, direct the City Clerk to record the Notice of Completion, authorize the release of retention to Desert Concepts Construction, Inc., and authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system.

AGENDA DATE: June 22, 2010

TITLE: PUBLIC HEARING AND ADOPTION OF RESOLUTION ESTABLISHING APPROPRIATIONS ("GANN") LIMIT FOR THE CITY OF MORENO VALLEY FOR FISCAL YEAR 2010-11

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Conduct a Public Hearing to receive public comments on the City's appropriations limit for Fiscal Year 2010-11; and

2. Adopt Resolution No. 2010-60 establishing the appropriations limit at $84,193,306 for the City of Moreno Valley for Fiscal Year 2010-11.

BACKGROUND

On November 6, 1979, California voters approved the Gann Spending Limitation Initiative (Proposition 4) establishing Article XIIIB of the State Constitution. Article XIIIB sets limits on the amount of tax revenues that the State and most local governments can appropriate within a given fiscal year. Its basic provisions are as follows:

- Each year, the State and local governments must adopt a resolution establishing an appropriations limit, also known as the "Gann Limit". Fiscal Year 1984-85 appropriations serve as the base for this limit, with adjustments being made annually to reflect increases in population, the cost of living, and financial responsibility transfers.

- Only tax proceeds are subject to the limit. Charges for services, regulatory fees, grants, loans, donations and other non-tax proceeds are not subject to the limit. Exemptions are also made for voter-approved debt, debt that existed prior to January 1, 1979, and for the cost of compliance with court or Federal government mandates.

- All tax revenues received in excess of the appropriations limit must be refunded to taxpayers within a two-year period.

- The voters may approve an increase in the appropriations limit. For the increase to remain in effect, however, it must be re-approved by voters at four-year intervals.

On June 5, 1990, California voters approved the Traffic Congestion Relief and Spending Limitation Act (Proposition 111), which made various amendments to Article XIIIB of the State Constitution. The major changes, which became effective July 1, 1990, are as follows:

- The change in the cost of living is defined to be either the change in California per capita personal income or the change in assessed valuation due to the addition of non-residential new construction. Previously, the change in the cost of living was defined as the lesser of the change in the U.S. Consumer Price Index or the change in California per capita personal income.

- The change in population is defined as either a change in the City's population or a change in the County's population, whichever is greater.

- "Qualified capital outlay projects" were added to the items exempted from the appropriations limit. Qualified capital outlay projects must have a useful life of ten or more years and a cost that equals or exceeds $100,000.

- Tax revenues received in excess of the appropriations limit must be refunded to taxpayers only if the limit is exceeded over a two-year period.

- The annual calculation of the appropriations limit must be reviewed as part of the City's annual financial audit.

DISCUSSION

The information used to calculate the City's Fiscal Year 2010-11 appropriations limit is presented in Exhibit A, Proceeds of Tax Calculation and Exhibit B, Appropriations (Gann) Limit Calculation. The City's appropriations limit for Fiscal Year 2009-10 was $85,198,650. The change factor allowed by Proposition 111 due to population and cost of living changes is 0.9882. This results in a Fiscal Year 2010-11 appropriations limit of $84,193,306.

MV00063208

As previously indicated, Proposition 111 provides several options for calculating increases in the appropriations limit. With respect to the change in population, the increase in County population was used since it was greater than the City's (+1.40% vs. +1.08%).

With respect to the change in the cost-of-living criterion, the change in California per capita personal income (-2.54%) was used, as the change in non-residential assessed valuation information is not yet available from the County.

The City's total projected revenue proceeds from the General Fund are $67,754,400. Of this amount, $50,777,288 is identified as coming from tax proceeds, while $16,977,112 is identified as coming from non-tax proceeds. Exhibit A provides a breakdown of budgeted revenues and their classification as tax proceeds or non-tax proceeds.

The Fiscal Year 2010-11 Preliminary Base Operating Budget contains appropriations subject to the limitation of $50,777,288. This amount is $33,416,018 below the City's legal appropriations limit of $84,193,306.

ALTERNATIVES

The following alternatives are available to the City Council:

1. Adopt Resolution No. 2010-60 establishing the City's Fiscal Year 2010-11 appropriations limit at $84,193,306;

2. Provide staff with further direction.

Staff recommends Alternative No. 1.

FISCAL IMPACT

There is no fiscal impact. The City is safely within its legal appropriations limit for Fiscal Year 2010-11.

SUMMARY

Each year the City is required to adopt a resolution establishing a limit on its appropriations of tax proceeds. The Traffic Congestion Relief and Spending Limitation Act (Proposition 111), approved by the voters on June 5, 1990, changed some of the factors used in the calculation of this limit. For Fiscal Year 2010-11, the City's appropriations limit is calculated to be $84,193,306. The City's Preliminary Base Operating Budget contains appropriations subject to the limit totaling $50,777,288. Therefore, the portion of the Fiscal Year 2010-11 Preliminary Base Operating Budget subject to the limit is $33,416,018 less than the City's Fiscal Year 2010-11 appropriations limit.

RESOLUTION NO. 2010-60

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, ESTABLISHING THE APPROPRIATIONS LIMIT FOR FISCAL YEAR 2010-11

WHEREAS, Article XIIIB of the California Constitution and Section 7910 of the California Government Code require that each year the City of Moreno Valley shall by resolution, establish an appropriations limit for the City for the following fiscal year; and

WHEREAS, the City Council has received the Preliminary Base Operating Budget for Fiscal Year 2010-11, a copy of which is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said budget contains the estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the City; and

WHEREAS, the City's Financial & Administrative Services Department has heretofore prepared and submitted data and documentation required for and to be used in the determination of certain matters and for the establishment of an appropriations limit for the City for Fiscal Year 2010-11 and such data and documentation has been available to the public for at least fifteen days prior to adoption of this Resolution; and

WHEREAS, the City Council has considered pertinent data and documentation and made such determinations as may be required by law, and has adopted this Resolution at a regularly scheduled meeting of the City Council; and

WHEREAS, the appropriations limit for the City of Moreno Valley for Fiscal Year 2010-11 is hereby established at $84,193,306, and the total annual appropriations subject to such limitation for Fiscal Year 2010-11 is estimated to be $50,777,288.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. That $84,193,306 is hereby established as the appropriations limit for the City of Moreno Valley for Fiscal Year 2010-11.

2. The City Council hereby adopts the findings and methods of calculations set forth in Exhibit A, the Proceeds of Tax Calculation, Exhibit B, the Appropriations (Gann) Limit Calculation, and Exhibit C, the Summary of Annual Appropriation (Gann) Limits. To the extent permitted by applicable law, the City of Moreno Valley reserves the right to change or revise any gross factors associated with the calculation of the limit established pursuant to Article XIIIB of the California Constitution if such changes or revisions would result in a more advantageous appropriation limit in the present or future.

3. Pursuant to Section 53901 of the California Government Code, by no later than August 30, 2010, the City Clerk shall file a copy of this Resolution with the Auditor of the County of Riverside.

4. Within fifteen days after the adoption of this Resolution, the City Clerk shall certify to the adoption thereof and, as so certified, cause a copy to be posted in at least three public places within the City.

BE IT FURTHER RESOLVED that this Resolution shall take effect immediately upon the date of its adoption.

APPROVED AND ADOPTED this 22nd day of June, 2010.

AGENDA DATE: June 22, 2010

TITLE: PUBLIC HEARING AND ADOPTION OF RESOLUTION ESTABLISHING APPROPRIATIONS ("GANN") LIMIT FOR THE MORENO VALLEY COMMUNITY SERVICES DISTRICT FOR FISCAL YEAR 2010-11

RECOMMENDED ACTION

Staff recommends that the Board:

1. Conduct a Public Hearing to receive public comments on the Moreno Valley Community Services District's appropriations limit for Fiscal Year 2010-11; and

2. Adopt Resolution No. CSD 2010-19 establishing the appropriations limit at $13,567,175 for the Moreno Valley Community Services District for Fiscal Year 2010-11.

BACKGROUND

On November 6, 1979, California voters approved the Gann Spending Limitation Initiative (Proposition 4) establishing Article XIIIB of the State Constitution. Article XIIIB sets limits on the amount of tax revenues that the State and most local governments can appropriate within a given fiscal year. Its basic provisions are as follows:

- Each year, the State and local governments must adopt a resolution establishing an appropriations limit, also known as the "Gann Limit". Fiscal Year 1984-85

appropriations serve as the base for this limit, with adjustments being made annually to reflect increases in population, the cost of living, and financial responsibility transfers.

- Only tax proceeds are subject to the limit. Charges for services, regulatory fees, grants, loans, donations and other non-tax proceeds are not subject to the limit. Exemptions are also made for voter-approved debt, debt that existed prior to January 1, 1979, and for the cost of compliance with court or Federal government mandates.

- All tax revenues received in excess of the appropriations limit must be refunded to taxpayers within a two-year period.

- The voters may approve an increase in the appropriations limit. For the increase to remain in effect, however, it must be re-approved by voters at four-year intervals.

On June 5, 1990, California voters approved the Traffic Congestion Relief and Spending Limitation Act (Proposition 111), which made various amendments to Article XIIIB of the State Constitution. The major changes, which became effective July 1, 1990, are as follows:

- The change in the cost of living is defined to be either the change in California per capita personal income or the change in assessed valuation due to the addition of non-residential new construction. Previously, the change in the cost of living was defined as the lesser of the change in the U.S. Consumer Price Index or the change in California per capita personal income.

- The change in population is defined as either a change in the City's population or a change in the County's population, whichever is greater.

- "Qualified capital outlay projects" were added to the items exempted from the appropriations limit. Qualified capital outlay projects must have a useful life of ten or more years and a cost that equals or exceeds $100,000.

- Tax revenues received in excess of the appropriations limit must be refunded to taxpayers only if the limit is exceeded over a two-year period.

- The annual calculation of the appropriations limit must be reviewed as part of the City's annual financial audit.

DISCUSSION

The information used to calculate the Fiscal Year 2010-11 appropriations limit for the Moreno Valley Community Services District (District) is presented in Exhibit A, Proceeds

MV00063222

of Tax Calculation and Exhibit B, Appropriations (Gann) Limit Calculation. The District's appropriations limit for Fiscal Year 2009-10 was $13,729,179. The change factor allowed by Proposition 111 due to population and cost of living changes is 0.9882. This results in a Fiscal Year 2010-11 appropriations limit of $13,567,175.

As previously indicated, Proposition 111 provides several options for calculating increases in the appropriations limit. With respect to the change in population, the increase in County population was used since it was greater than the City's (+1.40% vs. +1.08%).

With respect to the change in the cost-of-living criterion, the change in California per capita personal income (-2.54%) was used, as the change in non-residential assessed valuation information is not yet available from the County.

The total projected revenue proceeds from the District are $15,383,789. Of this amount, $3,059,579 is identified as coming from tax proceeds, while $12,324,210 is identified as coming from non-tax proceeds. Exhibit A provides a breakdown of budgeted revenues and their classification as tax proceeds or non-tax proceeds.

The Fiscal Year 2010-11 Preliminary Base Operating Budget contains appropriations subject to the limitation of $3,059,579. This amount is $10,507,595 below the District's legal appropriations limit of $13,567,175.

ALTERNATIVES

The following alternatives are available to the Board:

1. Adopt Resolution No. CSD 2010-19 establishing the District's Fiscal Year 2010-11 appropriations limit at $13,567,175.

2. Provide staff with further direction.

Staff recommends Alternative No. 1.

FISCAL IMPACT

There is no fiscal impact. The District is safely within its legal appropriations limit for Fiscal Year 2010-11.

A RESOLUTION OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ESTABLISHING THE APPROPRIATIONS LIMIT FOR FISCAL YEAR 2010-11

WHEREAS, Article XIIIB of the California Constitution and Section 7910 of the California Government Code require that each year the Moreno Valley Community Services District (District) shall by resolution, establish an appropriations limit for the District for the following fiscal year; and

WHEREAS, the City Council, acting in its capacity as the Board of Directors of the District, has received the Preliminary Base Operating Budget for Fiscal Year 2010-11, a copy of which is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said budget contains the estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the District; and

WHEREAS, the District's Financial & Administrative Services Department has heretofore prepared and submitted data and documentation required for and to be used in the determination of certain matters and for the establishment of an appropriations limit for the District for Fiscal Year 2010-11 and such data and documentation has been available to the public for at least fifteen days prior to adoption of this Resolution; and

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT DOES HEREBY RESOLVE AS FOLLOWS:

1. That $13,567,175 is hereby established as the appropriations limit for the Moreno Valley Community Services District for Fiscal Year 2010-11.

2. The District's Board of Directors hereby adopts the findings and methods of calculations set forth in Exhibit A, the Proceeds of Tax Calculation, Exhibit B, the Appropriation (Gann) Limit Calculation, and Exhibit C, the Summary of Annual Appropriation (Gann) Limits. To the extent permitted by applicable law, the

District reserves the right to change or revise any gross factors associated with the calculation of the limit established pursuant to Article XIIIB of the California Constitution if such changes or revisions would result in a more advantageous appropriations limit in the present or future.

Report to City Council

TO: Mayor and City Council

FROM: Chris A. Vogt, P.E., Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: Public Hearing for Delinquent Residential Solid Waste Accounts

RECOMMENDED ACTION

Staff recommends that the City Council, after conducting the public hearing:

1. Approve placing the submitted list of delinquent solid waste accounts, available in the City Clerk's office, on the Fiscal Year (FY) 2010/2011 Riverside County property tax roll for collection; and

2. Direct the City Clerk to file with the Riverside County Auditor a certified copy of Resolution 2007-72 and the list of delinquent solid waste accounts as required by Section 5473.4 of the California Health and Safety Code and Section 6.02.030 of the City of Moreno Valley Municipal Code.

BACKGROUND

Waste Management of the Inland Empire bills residential customers quarterly for solid waste services. Payments are made directly to Waste Management in advance for the following quarter. When a customer fails to make payment and the bill becomes more than sixty (60) days past due, the collection of the delinquent account is placed on the Riverside County property tax roll. This procedure was authorized by prior enactments of the City Council as reflected in Section 6.02.030 of the Moreno Valley Municipal Code. The option to collect delinquent payments was negotiated as part of the franchise agreement.

DISCUSSION

The City Council approved the collection of delinquent solid waste accounts through the property tax roll process on March 1, 1993. Since that time, delinquent charges have been placed on property tax bills annually in June.

Waste Management of the Inland Empire has submitted a preliminary list of approximately 7,215 delinquent accounts. This delinquent list is to be placed on the FY 2010/2011 tax roll if approved by Council. An official copy of the list is available in the City Clerk's office for public viewing. The maximum charge to be placed on the tax roll is $1,529,722,86. Although Waste Management accepted payment on delinquent accounts until June 18, 2010, there may be some additional deletions to the list or minor adjustments to the amounts prior to final submittal to the Riverside County Auditor.

As part of the notification process, Waste Management has mailed a "Notice of Delinquent Account" to the affected property owners and account holders, informing them of the intent to place all delinquent charges on the tax roll. These notifications are mailed on a quarterly basis which is over and above the minimum notification requirements as per Section 5470 of the California Health and Safety Code and the Moreno Valley Municipal Code Section 6.02.030. A public posting of the Council's action, in accordance with Section 6066 of the Government Code, is all that is required by law.

Procedurally, in order to collect these delinquent charges on the County tax roll, the City must file with the County Auditor a certified copy of Resolution 2007-72 along with the report as specified in California Health and Safety Code Section 5473.4 and Section 6.02.030 of the Moreno Valley Municipal Code.

ALTERNATIVES

1. Approve placing the submitted list of delinquent solid waste accounts, available in the City Clerk's office, on the Fiscal Year (FY) 2010/2011 Riverside County property tax roll for collection and direct the City Clerk to file with the Riverside County Auditor a certified copy of Resolution 2007-72 and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code.

2. Do not approve placing the submitted list of delinquent solid waste accounts, available in the City Clerk's office, on the Fiscal Year (FY) 2010/2011 Riverside County property tax roll for collection and do not direct the City Clerk to file with the Riverside County Auditor a certified copy of the proposed resolution and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code. *If Council does not approve the placement of the delinquent solid waste accounts on the tax roll, it could result in a net loss of revenue to the City of approximately $185,555 in franchise fees.*

FISCAL IMPACT

The City receives a 12.13% franchise fee for revenue generated from the collection of delinquent accounts at the time of collection. Placement of these delinquent charges on the County property tax roll will ensure the City receives the revenues due from this

MV00063236

source which would be approximately $185,555. This amount is deposited into the general fund. **There would be a potential increase in revenues that could impact the general fund.**

Solid waste services are exempt from Proposition 218, as stated in Section 6(c) Property Related Fees and charges. This is because the obligation to pay does not arise due to the customer owning the property, it arises because the property is used in a way which generates trash, and the customer did not choose to legally self-haul. Furthermore, the fee is not an encumbrance on the property, although delinquent fees can become the subject of a judgment lien.

CITY COUNCIL GOALS

Revenue Diversification and Preservation - Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness - Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

NOTIFICATION

A "Notice of Public Hearing" was published on June 8, 2010 and June 15, 2010, in The Press Enterprise in accordance with Section 6066 of the Government Code. A public posting of Council's action will also be done in accordance with section 6066 of the Government Code. In addition, Waste Management mailed payment requests to the attached accounts through a separate notice sent to property owners where the property could be identified as non-owner occupied. An official list of the submitted delinquent accounts is available in the City Clerk's office. This list represents the maximum charges which can be placed on the property tax roll for FY 2010/2011.

RESOLUTION NO. 2007-72

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, REPEALING, REVISING AND REENACTING THE PROVISIONS OF RESOLUTION 2005-53, AND AUTHORIZING THE COLLECTION OF DELINQUENT AND UNPAID TAXES AND CHARGES FOR SOLID WASTE COLLECTION ON THE TAX ROLL.

WHEREAS, the City Council has heretofore adopted Chapter 6.02 of Title 6 of the City of Moreno Valley Municipal Code relating to refuse collection, transfer and disposal services; and

WHEREAS, Section 6.02.030 of Chapter 6.02 provides for the collection of delinquent and unpaid fees and charges on the tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Section 5473 of the California Health and Safety Code; and

WHEREAS, said delinquent and unpaid fees and charges are those fees and charges for which services have been rendered but which have not been paid for more than sixty (60) days after the billing date; and

WHEREAS, Section 5473.10 of the Health and Safety Code provides that in addition to delinquent fees and charges, the amount collected on the tax roll may also include a 10% basic penalty for nonpayment of those fees and charges and, in addition, a penalty of 1½% per month for nonpayment of those fees, charges and the basic penalty; and

WHEREAS, it is in the best interests of the City that delinquent and unpaid fees and charges for refuse collection be collected on the tax roll; and

WHEREAS, the City Council has heretofore caused a report to be prepared, a copy of which is on file in the office of the City Clerk, which identifies each parcel of real property (without consideration of the value of said property) receiving such refuse collection services and facilities and the amount of the delinquent fees and charges for each parcel for the year which remain outstanding, computed in conformity with the charges prescribed by Chapter 6.02, and has caused notice of said report and of a public hearing thereon to be duly given; and

WHEREAS, the City Council has held said hearing, at which all persons wishing to be heard were heard, and at which hearing the City Council heard and considered all objections and protests, if any;

EXHIBIT A

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. Resolution No. 2005-53, as adopted by the City Council on June 28, 2005, is hereby repealed, the repeal to be effective only upon the date of adoption of this resolution. No action commenced pursuant to the authority granted by Resolution No. 2005-53 shall be invalidated or otherwise affected by the repeal thereof.

2. Delinquent and unpaid fees and charges for solid waste collection as set forth in said report, and herein confirmed, shall be collected on the tax roll in the same manner, by the same persons as, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Chapter 6.02 of the City of Moreno Valley Municipal Code and Section 5473 of the California Health and Safety Code.

3. On or before August 10th of each year following the final determination of the delinquent charges, the City Clerk shall file with the auditor of the County of Riverside a certified copy of this resolution together with a certified copy of said report endorsed with a statement over her signature that the report has been finally adopted by the City Council.

4. The auditor shall enter the amounts of the charges against the respective lots of parcels of land as they appear on the current assessment roll.

5. Said election to collect delinquent and unpaid fees and charges shall remain in effect until December 31, 2012, unless otherwise repealed or amended by the City Council.

APPROVED AND ADOPTED this 26th day of June, 2007.

Report to City Council

TO: Mayor and City Council

FROM: William Bopf, Interim City Manager

AGENDA DATE: June 22, 2010

TITLE: CONSIDERATION OF A REQUEST TO RECORD A COVENANT TO HOLD NINE SEPARATE PARCELS AS ONE TO ALLOW THE CITY OF MORENO VALLEY TO ISSUE A BUILDING PERMIT TO CONSTRUCT THE FOUNDATION AND SLAB FOR A 1.8 MILLION SQUARE FOOT WAREHOUSE/DISTRIBUTION CENTER BUILDING (SKECHERS) IN THE GENERAL AREA BETWEEN REDLANDS BOULEVARD AND THEODORE STREET ON THE NORTH SIDE OF EUCALYPTUS AVENUE. (PROPERTY OWNER: HIGHLAND FAIRVIEW PROPERTIES)

RECOMMENDED ACTION

Staff recommends that the City Council deny a request from Highland Fairview for a covenant to hold nine parcels as one to allow the City to issue a building permit for the Skechers warehouse/distribution center building.

ADVISORY BOARD/COMMISSION RECOMMENDATION

None.

BACKGROUND

In February 2009, the City Council approved a tentative parcel map to subdivide a 158 gross acre site (265.3 acres including offsite improvements and drainage facilities) consisting of thirteen (13) legal parcels into four (4) buildable parcels and two (2) parcels dedicated for future freeway improvements to construct a warehouse/distribution center building approximately 1.8 million square feet in floor area and related ancillary improvements. The proposed building and improvements will house a new Skechers facility.

Highland Fairview has been working toward approval and recordation of the final parcel map to allow the City to issue a building permit to begin construction on the Skechers warehouse/distribution center building. There have been a number of complications and delays outside of the control of the City and Highland Fairview which have caused the recordation of the final parcel map to take longer than anticipated.

Highland Fairview is requesting the City Council approve and accept a covenant to hold nine (9) existing parcels as one (1) and obligate the City to issue a building permit while the final parcel map is working it's way through the review and approval process and eventual recordation by Riverside County. Highland Fairview has prepared the aforementioned "Covenant and Agreement to Hold Parcels as One" instrument for the City Council's consideration and approval leading to the issuance of a building permit by the City (See Exhibit "A").

DISCUSSION

City Staff has spent a considerable amount of time evaluating Highland Fairview's request to hold the various parcels as one for the issuance of a building permit to begin construction of the Skechers warehouse/distribution center building (see Exhibit "B"). This development is subject to the Subdivision Map Act of the State of California and is required to record a final parcel map. The Subdivision Map Act provides that no person shall commence construction of any building for sale or lease for which a final map is required until the final map in full compliance with the Act and any local ordinance has been filed for recording by the county recorder of the county in which the project is located. (Government Code Section 66499.30). The City may accept a covenant such as proposed here. However, acceptance of such a covenant does not permit the City to issue a building permit allowing construction to begin prior to recordation of a final parcel map. The Moreno Valley Municipal Code expressly prohibits issuance of a building permit that is inconsistent with state or local law. (MVMC §8.14.040). The Subdivision Map Act requires that a parcel map be prepared and recorded to accomplish the proposed merger of lots requested here and the City's ordinances require that approval of a tentative and final parcel map process be followed. Therefore, a strict interpretation of the Map Act would prohibit the issuance of any building permit until a final parcel map is recorded.

The risks to the City of issuing a building permit that allows construction to begin prior to recordation of a final parcel map include both practical and legal considerations. When a building permit is issued and construction begins on a project, the developer may claim that he has obtained a vested right to complete construction regardless of whether he completes work necessary to meet the conditions of approval for the tentative parcel map. This puts the City in a very difficult position in the event that any dispute might arise regarding compliance with the conditions of approval and invites litigation to resolve the question.

MV00063244

Attorneys for Highland Fairview submitted written opinions to the City contending that the Subdivision Map Act does not apply and that through the covenant a building permit can be issued. One of those opinions contends that Highland Fairview can covenant to hold the 13 parcels that will be merged and resubdivided by the final parcel map as one parcel for purposes of issuing a building permit. The attorney cites law from the City of San Diego Municipal Code in support of this theory. Those citations are taken from San Diego's lot merger ordinance (San Diego Municipal Code Section 125.0701 *et seq*.) which tracks precisely the standards set forth in California Government Code Section 66451.11, which provides a method for local governments to compel or permit merger of **substandard** lots that were legally created in the past but that no longer meet development standards. Because this provision of law only applies to substandard lot mergers rather than to situations where a merger is being effectuated under the provisions of Government Code Section 66499.201/2, it has no relevance to the current project.

A second attorney for Highland Fairview is of the opinion that neither the Subdivision Map Act nor the California Building Code prohibits construction of a building across property lines and that the lot-tie agreement they propose is a legally permissible alternative to the parcel merger provisions of the Subdivision Map Act. In essence, the opinion is that the Subdivision Map Act is intended to prevent multiple buildings on one parcel being sold off separately and shouldn't be read to apply to situations where one building is built across multiple parcels and are bound by recorded covenant to only be sold as a whole. The attorney also opines that the provisions in the California Building Code requiring firewall protection where property lines bisect buildings are meant to apply only where the spaces on either side of the property line are intended to be separate buildings, not where they are intended to be one building. The attorney acknowledges, however, that neither the Subdivision Map Act, nor any case law, specifically authorizes a lot-tie agreement procedure for issuance of a building permit before final parcel map recordation. The attorney opines that since there are no cases finding such a procedure illegal and that both the City of Los Angeles and the City of San Diego have policies permitting such a procedure, it therefore should be considered legal and acceptable.

Generally, issuance of a building permit is the last discretionary approval prior to commencement of construction and sets the final conditions, including development fees, necessary to be met before construction begins. Where, as here, construction cannot begin until a final parcel map is recorded, in order to comply with applicable law, any building permit that is issued would necessarily have to be conditioned on first filing the final parcel map. In that Highland Fairview wants to obtain a building permit for the express purpose of beginning construction, any building permit issued permitting such construction to commence could violate provisions of both the Subdivision Map Act and the City's Municipal Code.

However, due to the complications and delays in getting the final parcel map approved and recorded, which delays are outside of the control of the City and Highland Fairview, delay in issuing a building permit may cause an economic hardship to Highland Fairview

and perhaps delay completion of construction of the Skechers warehouse/distribution center building. Therefore, staff has contacted other cities to determine alternative approaches that might accommodate Highland Fairview's request. Highland Fairview suggested that we contact the City of San Diego because they allow what Highland Fairview is requesting. After discussing this matter with the Director of Community Development Services for the City of San Diego, staff has learned that the City of San Diego allows issuance of a building permit for projects subject to the Subdivision Map Act where construction will cross property lines and easements before a final map is recorded if the following requirements have been met: (1) all lots are owned by the same entity; (2) the project has approved building plans; (3) the developer has complied with all conditions of approval for the issuance of a building permit; (4) the developer has complied with all requirements for approval of the final map except for approval and recordation; (5) the final lot configuration is shown on the map that is being processed; (6) there is in place a lot-tie agreement (covenant to hold property as one parcel); (7) all Public Improvement Agreements have been executed and the required security has been posted; (8) the holders of all easements across which construction will occur have either abandoned their easements, or give written permission for construction across their easements; and (9) the developer executes an encroachment and removal agreement.

When asked as to the legal authorization for San Diego to proceed in this manner staff was told that it is San Diego's view that if all requirements for issuance of a building permit have been complied with, and the requirements for filing a final map have been met except for the actual approval and filing, then San Diego believes that the spirit of the Subdivision Map Act has been met and the public has been protected and that a building permit can be issued. San Diego is a charter city exempt from certain state laws and has adopted a policy with procedures to implement this process. The City of Moreno Valley is a general law city subject to all state laws and has not adopted ordinances, policies or procedures to accomplish what is being requested.

Therefore, if the City Council determines that it is in the best interests of the City to accept the covenant and issue a building permit, staff recommends the following: (1) the covenant be amended to reflect issuance of a limited purpose building permit for foundation and slab construction only; (2) Highland Fairview be required to comply with the same requirements as those of the City of San Diego, namely: (a) all lots be owned by the same entity, (b) approval of separate foundation and slab only building plans, (c) compliance with all conditions of approval for the issuance of a building permit except recording of the final map, (d) compliance with all requirements for recording the final map except for actual final map approval and recordation; (e) the final lot configuration be shown on the map that is being processed, (f) there be in place a lot-tie agreement (covenant to hold property as one parcel), (g) all Public Improvement Agreements have been executed and the required security has been posted, (h) the holders of all easements across which construction will occur have either abandoned or given written permission for construction across their easements, and (i) the developer executes an encroachment and removal agreement; (3) Highland Fairview execute a written agreement accepting and committing to the requirements as outlined herein; (4)

MV00063246

Highland Fairview agrees in writing that the City is only issuing a limited purpose building permit for foundation and slab construction only; (5) Highland Fairview agrees in writing that the permit shall only be valid for one hundred twenty (120) days and that it shall automatically expire on the one hundred twenty- first (121 st) day; (6) Highland Fairview agrees in writing that the final parcel map shall be recorded before expiration of the one hundred twenty (120) days; (7) Highland Fairview agrees in writing that if the final map is not recorded within the one hundred twenty (120) days that all construction pursuant to the limited purpose building permit shall cease until the final parcel map is recorded; (8) Highland Fairview agrees in writing that if any of the installed improvements are ordered to be removed that Highland Fairview will bare sole responsibility for same without recourse against the City; (9) Highland Fairview agrees in writing that said agreement shall not be extended beyond its original term; and (10) Highland Fairview in writing to defend and indemnify the City for all costs and legal fees which may be incurred as a result of said agreement or the issuance of a limited purpose building permit for the foundation and slab only.

As submitted, staff cannot recommend that the draft Proposed Covenant to Hold Property as One (attached hereto as Exhibit A) be accepted by the City.

ALTERNATIVES

1. Deny Highland Fairview's request for a covenant to hold nine (9) parcels as one (1) for the purpose of obtaining a building permit. Staff recommends this action.
2. Take no action.
3. If the City Council determines that it is in the best interests of the City to accept the covenant and issue a building permit, the following conditions be placed on acceptance of the covenant and issuance of a building permit: (1) the covenant be amended to reflect issuance of a limited purpose building permit for foundation and slab construction only; (2) Highland Fairview be required to comply with the following requirements as a condition of acceptance of the covenant and prior to issuing a limited building permit for foundation and slab construction only: (a) proof that all lots are owned by the same entity, (b) approval of separate foundation and slab only building plans, (c) compliance with all conditions of approval for the issuance of a building permit except recording of the final map, (d) compliance with all requirements for recording the final map except for actual final map approval and recordation; (e) the final lot configuration be shown on the map that is being processed, (f) there be in place a lot-tie agreement (covenant to hold property as one parcel), (g) all Public Improvement Agreements have been executed and the required security has been posted, (h) the holders of all easements across which construction will occur have either abandoned or given written permission for construction across their easements, and (i) Highland Fairview executes an encroachment and removal agreement; (3) Highland Fairview execute a written agreement accepting and committing to the requirements as outlined herein; (4) Highland Fairview agrees in writing that the City is only issuing a limited purpose building permit for foundation and slab construction only; (5) Highland Fairview agrees in writing that the permit shall

MV00063247

only be valid for one hundred twenty (120) days and that it shall automatically expire on the one hundred twenty-first (121st) day; (6) Highland Fairview agrees in writing that the final parcel map shall be recorde d before expiration of the one hundred twenty (120) days; (7) Highland Fairview agrees in writing that if the final map is not recorded within the one hundred twenty (120) days that all construction pursuant to the limited purpose building permit shall cease until the final parcel map is recorded; (8) Highland Fairview agrees in writing that if any of the installed improvements are ordered to be removed that Highland Fairview will bare sole responsibility for same without recourse again st the City; (9) Highland Fairview agrees in writing that said agreement shall not be extended beyond its original term; and (10) Highland Fairview in writin g to defend and indemnify the City for all costs and legal fees which may be incurred as a result of said agreement or the issuance of a limited purpose building permit for the foundation and slab only.

FISCAL IMPACT

None.

NOTIFICATION

Staff has notified Highland Fairview that the City Council will discuss the subject matter at its June 22 meeting.

COVENANT AND AGREEMENT TO HOLD PROPERTY AS ONE PARCEL

The undersigned ("Owner") hereby certifies to the City of Moreno Valley (the "City") that it is the lawful owner of the real property described in **Exhibit "A"** attached hereto (the "Property"), which Property is located in the City, County of Riverside, State of California.

Owner does hereby covenant and agree with the City that the Property shall be held as one parcel and no portion less than the whole thereof will be sold, disposed of, or in any way divided or hypothecated for any purpose whatsoever other than in accordance with the California Subdivision Map Act, any other applicable State law, and the Municipal Code of the City. As a result, the Property will remain as nine (9) separate legal parcels until released as provided below.

Owner further covenants that the final map (No. 35629) covering the Property will be recorded in the office of the Riverside County Recorder no later than December 21, 2010.

This covenant and agreement shall run with the land and shall be binding upon Owner, any future owners or encumbrancers of the Property, and their respective successors, heirs and assigns. This covenant and agreement shall continue in effect until such time that the City releases the Property from the effect hereof by a written and recorded instrument, upon request of Owner and evidence that this covenant and agreement is no longer required by law.

The purpose of this covenant and agreement is to enable Owner to obtain building permits and to commence construction of buildings and other improvements on the Property.

Report to City Council

TO: Mayor and City Council Acting in their Capacity as the President and Members of the Board of Directors of the Moreno Valley Community Services District (CSD)

FROM: Chris A. Vogt, P.E., Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: PUBLIC MEETING TO CONSIDER PUBLIC COMMENTS REGARDING THE MAIL BALLOT PROCEEDINGS FOR SELECTED TRACTS FOR A PROPOSED INCREASE IN THE CSD ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE

RECOMMENDED ACTION

Staff recommends that the Mayor and City Council, acting in their capacity as President and Members of the Board of Directors of the CSD ("CSD Board"), accept public comments regarding the mail ballot proceedings for a proposed increase in the CSD Zone D annual parcel charge for Tracts 12773, 19210, 19937, 20404, 20579, 20718, 21113, 21333, 21597, 22889, 28882, 31257, 31269-1, and 32018.

ADVISORY BOARD/COMMISSION RECOMMENDATION

N/A

BACKGROUND

The Moreno Valley CSD was formed simultaneously with City incorporation in 1984. The designation of zones within the CSD was established to allocate the cost of special services to those parcels receiving the service. Each zone provides specific services to designated areas. The Zone D program provides parkway landscape maintenance at the entry of a tract, around its perimeter, or in the median adjacent to the tract.

The Moreno Valley CSD provides services through full-cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility

charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

DISCUSSION

Every year, the CSD compares the cost to provide the service to the revenue received from each tract. Higher costs for electricity, water, and labor rates have impacted the overall program costs. The CSD has determined that the annual expenditures for Tracts 12773, 19210, 19937, 20404, 20579, 20718, 21113, 21333, 21597, 22889, 28882, 31257, 31269-1, and 32018 exceed the annual parcel charge paid by the property owners. The CSD Board was informed at the April 20 Study Session of the necessity to ballot these tracts for an increase in the CSD Zone D annual charge in order to maintain services at the current standard service level.

In compliance with Proposition 218, which requires that any new or proposed increase in property-related assessments, fees, or charges be submitted to property owners for approval, mail ballot proceedings are being conducted to allow property owners within Tracts 12773, 19210, 19937, 20404, 20579, 20718, 21113, 21333, 21597, 22889, 28882, 31257, 31269-1, and 32018 the opportunity to approve or oppose the proposed increase in the CSD Zone D annual parcel charge. The proposed CSD Zone D parcel charge for each tract is listed below.

Tract	Current CSD Zone D Annual Parcel Charge*	Proposed CSD Zone D Annual Parcel Charge*
12773	$80.00	$121.00
19210	$68.00	$112.00
19937	$107.10	$157.00
20404	$97.00	$178.00
20579	$57/$106.10/$158 .10	$144.00
20718	$139.10	$234.00
21113	$57.00	$89.00
21333	$208.20	$345.00
21597	$295.20	$473.00
22889	$186.00	$313.00
28882	$103.10	$179.00
31257	$1,050.00	$1,414.00
31269-1	$295.20	$355.00
32018	$68.00	$160.00

*The CSD Zone D annual charge may be subject to an annual inflation adjustment in subsequent years based on the annual percentage change calculated for the previous calendar year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

MV00063260

Property owners are given two opportunities to address the legislative body. These two opportunities are the Public Meeting on June 22, 2010 and the Public Hearing on July 13, 2010.

If a tract approves the proposed increase by a simple majority (50%+1) of the returned valid ballots, the proposed CSD Zone D parcel charge will be levied on the 2010/11 Riverside County property tax bill. If a tract opposes the proposed increase by a simple majority of the returned valid ballots, the existing CSD Zone D parcel charge shall continue to be levied on the property tax bill, which may include an annual inflation adjustment. The CSD will evaluate the level of landscape service to be provided based on the City Council/CSD Board approved Zone D (Parkway Landscape Maintenance) Service Plan, General Management Policy #2.30.

If revenues from a tract do not support the lowest level of reduced landscape maintenance service, the property owners will be notified that the CSD is unable to provide the landscape maintenance service. Property owners may consider the option of forming a homeowners association, or other method, to continue the landscape maintenance.

ALTERNATIVES

1. **Accept public comments** regarding the mail ballot proceedings for the selected tracts for the proposed increase in the CSD Zone D annual parcel charge. *By accepting public comment, the City complies with Proposition 218 state statutes for providing public comment in a mail ballot proceeding.*

2. **Do not accept public comments** regarding the mail ballot proceedings for the selected tracts for the proposed increase in the CSD Zone D annual parcel charge. *This alternative would be contrary to state statutes.*

FISCAL IMPACT

The CSD provides services through various zones, such as Zone D (Parkway Landscape Maintenance), which are full-cost recovery programs. **The collection of the CSD Zone D annual charge is restricted for landscape maintenance services and administration of the CSD Zone D program. There is no impact on the General Fund for the operation of the CSD Zone D program.**

CITY COUNCIL GOALS

Community Image, Neighborhood Pride, and Cleanliness
Continuation of the Zone D services in the landscaped areas of the selected tracts shall allow the CSD to maintain the current appearance of the area.

Revenue Diversification and Preservation
The proposed CSD Zone D parcel charge for the selected tracts is based upon actual costs, which include maintenance and administration.

SUMMARY

The action before the CSD Board is to accept public comments regarding the mail ballot proceedings for the selected Zone D tracts.

NOTIFICATION

On May 28, 2010, a ballot packet was mailed to each property owner within the affected tracts. The packet included a cover letter, notice to property owner, 2010/11 budget, history of charges, map, CSD Zone D service levels, official mail ballot, and a postage-paid envelope for returning the ballot. A sample mail ballot packet for each tract is included as Attachments 1 through 14.

Newspaper advertising for the June 22, 2010, Public Meeting and July 13, 2010, Public Hearing was published in The Press-Enterprise on June 3, 2010. Additionally, the Public Hearing notification will be published on June 24 and again on July 1, 2010.

Subject: Mail Ballot Proceeding for Tract 12773 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 12773 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $41.00 annual increase per parcel, which is equivalent to a $3.42 increase per month. The increase will adjust the annual charge from $80.00 to $121.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 12773 at the current standard service level. The total approved charge of $121.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A. Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 12773

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 12773, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 12773:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 12773 is $121.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

2 **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

MV00063266

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $80.00 to $121.00 for FY 2010/11. The parcel charge is subject to an annual inflation adjustment.

If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

BALLOT MARKS

Appropriate ballot markings include any one of the following for either the YES/ Approved or NO/ Not Approved blank box:

A check mark substantially inside a box;

An X mark substantially inside a box;

A dot or oval mark substantially inside a box;

A completely shaded or filled mark substantially inside a box;

A line, single or dashed, or combination of lines, through the box area. Lines may be any **one of the following marks:** horizontal, vertical, or diagonal. The mark may either run from side to side or corner to corner. All valid lines must be substantially within the box area and not marking any part of another blank box on the ballot;

A circle around the box **and/ or** associated clause; or

A square or rectangle around the box **and/ or** associated clause.

Balloting marks shall not extend past one box area into any portion of another nor surround the perimeter or any portion of more than one box area. Markings that extend past one box area into any portion of another or surround the perimeter or any portion of more than one box area shall be considered invalid and not counted.

Ballot Mark Revisions (Changes)

An error or desire to revise (change) a selection made on the ballot may be completed and returned any time **prior** to the conclusion of public testimony at the Public Hearing. **The revision must be initialed by the record owner(s) of property. Initials must be clearly printed and placed at the right top corner of the revised selection.**

Subject: Mail Ballot Proceeding for Tract 19210 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 19210 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $44.00 annual increase per parcel, which is equivalent to a $3.67 increase per month. The increase will adjust the annual charge from $68.00 to $112.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 19210 at the current standard service level. The total approved charge of $112.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 19210

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 19210, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 19210:**

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. 4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% +1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $68.00 to $112.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 19287 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 19287 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $49.90 annual increase per parcel, which is equivalent to a $4.16 increase per month. The increase will adjust the annual charge from $107.10 to $157.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 19287 at the current standard service level. The total approved charge of $157.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 19937

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 19937, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL** **COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 19937:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 19937 is $157.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063286

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% +1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $107.10 to $157.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

BALLOT MARKS

Appropriate ballot markings include any one of the following for either the YES/ Approved or NO/ Not Approved blank box:

A check mark substantially inside a box;

An X mark substantially inside a box;

A dot or oval mark substantially inside a box;

A completely shaded or filled mark substantially inside a box;

A line, single or dashed, or combination of lines, through the box area. Lines may be any **one of the following marks:** horizontal, vertical, or diagonal. The mark may either run from side to side or corner to corner. All valid lines must be substantially within the box area and not marking any part of another blank box on the ballot;

A circle around the box **and/ or** associated clause; or

A square or rectangle around the box **and/ or** associated clause.

Balloting marks shall not extend past one box area into any portion of another nor surround the perimeter or any portion of more than one box area. Markings that extend past one box area into any portion of another or surround the perimeter or any portion of more than one box area shall be considered invalid and not counted.

Ballot Mark Revisions (Changes)

An error or desire to revise (change) a selection made on the ballot may be completed and returned any time **prior** to the conclusion of public testimony at the Public Hearing. **The revision must be initialed by the record owner(s) of property. Initials must be clearly printed and placed at the right top corner of the revised selection.**

Subject: Mail Ballot Proceeding for Tract 20404 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 20404 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance. Every year, the CSD compares the cost to provide the service to the revenue received for each tract. Higher costs for electricity, water, and maintenance costs have impacted the overall program costs. The CSD has determined that the annual expenses for Tract 20404 exceed the annual parcel charge paid by the property owners.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing an $81.00 increase per parcel, which is equivalent to a $6.75 increase per month. The increase will adjust the annual charge from $97.00 to $178.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 20404 at the current standard service level. The total approved charge of $178.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 20404

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 20404, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 20404:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 20404 is $178.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063296

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $97.00 to $178.00 for FY 2010/11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Appropriate ballot markings include any one of the following for either the YES/ Approved or NO/ Not Approved blank box:

A check mark substantially inside a box;

An X mark substantially inside a box;

A dot or oval mark substantially inside a box;

A completely shaded or filled mark substantially inside a box;

A line, single or dashed, or combination of lines, through the box area. Lines may be any **one of the following marks:** horizontal, vertical, or diagonal. The mark may either run from side to side or corner to corner. All valid lines must be substantially within the box area and not marking any part of another blank box on the ballot;

A circle around the box **and/ or** associated clause; or

A square or rectangle around the box **and/ or** associated clause.

Balloting marks shall not extend past one box area into any portion of another nor surround the perimeter or any portion of more than one box area. Markings that extend past one box area into any portion of another or surround the perimeter or any portion of more than one box area shall be considered invalid and not counted.

Ballot Mark Revisions (Changes)

Subject: Mail Ballot Proceeding for Tract 20579 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 20579 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing an $87.00 increase per parcel, which is equivalent to a $7.25 increase per month. The increase will adjust the annual charge from $57.00 to $144.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 20579 at the current standard service level. The total approved charge of $144.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 20579

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 20579, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 20579:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 20579 is $144.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951.413.3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of the Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063306

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $57.00 to $144.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 20718 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 20718 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $94.90 increase per parcel, which is equivalent to a $7.91 increase per month. The increase will adjust the annual charge from $139.10 to $234.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 20718 at the current standard service level. The total approved charge of $234.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 20718:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 20718 is $234.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063316

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $139.10 to $284.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 21113 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 21113 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $32.00 increase per parcel, which is equivalent to a $2.67 increase per month. The increase will adjust the annual charge from $57.00 to $89.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 21113 at the current standard service level. The total approved charge of $89.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 21113

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 21113, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL** **COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 21113:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 21113 is $89.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063326

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $57.00 to $89.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 21333 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 21333 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $136.80 increase per parcel, which is equivalent to an $11.40 increase per month. The increase will adjust the annual charge from $208.20 to $345.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 21333 at the current standard service level. The total approved charge of $345.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 21333

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 21333, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 21333:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 21333 is $345.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. Adiminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063336

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $208.20 to $345.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 21597 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 21597 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $177.80 increase per parcel, which is equivalent to a $14.82 increase per month. The increase will adjust the annual charge from $295.20 to $473.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 21597 at the current standard service level. The total approved charge of $473.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

MV00063343

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 21597

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 21597, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 21597:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 21597 is $473.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. 2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $325.20 to $473.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 28889 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 28889 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $127.00 increase per parcel, which is equivalent to a $10.58 increase per month. The increase will adjust the annual charge from $186.00 to $313.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 28889 at the current standard service level. The total approved charge of $313.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 22889

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 22889, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER 14177 FREDERICK STREET MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 22889:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 22889 is $313.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951 413 3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063356

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $186.00 to $313.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 28882 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 28882 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $75.90 increase per parcel, which is equivalent to a $6.33 increase per month. The increase will adjust the annual charge from $103.10 to $179.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 28882 at the current standard service level. The total approved charge of $179.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $103.10 to $179.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 31257 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 31257 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $364 increase per parcel, which is equivalent to a $30.33 increase per month. The increase will adjust the annual charge from $1,050 to $1,414 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 31257 at the current standard service level. The total approved charge of $1,414 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 31257

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 31257, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 31257:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 31257 is $1,414 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951.413.3480 para obtener información verbal en Español

The annual parcel charge shall be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which shall include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Property owners may submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the CSD Board of Directors.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063376

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary of the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary of the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy for Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $1,050 to $1,414 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 31269-1 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 31269-1 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $59.80 increase per parcel, which is equivalent to a $4.98 increase per month. The increase will adjust the annual charge from $295.20 to $355.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 31269-1 at the current standard service level. The total approved charge of $355.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $285.20 to $355.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Subject: Mail Ballot Proceeding for Tract 32018 Regarding a Proposed Increase in the Moreno Valley Community Services District Zone D (Parkway Landscape Maintenance) Annual Charge

Dear Property Owner:

The Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding for Tract 32018 for Zone D parkway landscape maintenance services. The mail ballot proceeding provides property owners the opportunity to submit a ballot in support or opposition to the proposed increase in the annual charge for parkway landscape maintenance.

Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

In order to maintain services at the current standard service level, it is necessary to increase the Zone D annual charge. The CSD is proposing a $92.00 annual increase per parcel, which is equivalent to a $7.67 increase per month. The increase will adjust the annual charge from $68.00 to $160.00 for fiscal year 2010/11. Future inflation adjustments will be based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Participation in this mail ballot proceeding requires that your completed ballot be returned prior to the close of the public hearing scheduled for July 13, 2010 at 6:30 p.m.

If a simple majority (50%+1) of the returned valid ballots approve the increase in the annual charge, the CSD shall continue to maintain the parkway landscape within Tract 32018 at the current standard service level. The total approved charge of $160.00 per parcel shall be placed on the 2010/11 Riverside County property tax bill.

If a majority of the returned valid ballots oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service maintenance services may be discontinued. A comparison of the three approved service levels is included with this letter.

Item No. G.2

The CSD submits for your review the enclosed Notice to the Property Owner of the Mail Ballot Proceeding, map of the affected landscaped area, history of charges, description of estimated annual costs, official mail ballot, and a postage paid envelope for returning your ballot. The Notice provides Public Meeting and Public Hearing dates, times and location, instructions for marking your ballot, and information on the services and the annual charge. If you have any questions regarding the proposed increase, please contact the Special Districts Division at 951.413.3480.

Sincerely,

Chris A Vogt, P.E.

NOTICE TO PROPERTY OWNER—MAIL BALLOT PROCEEDING REGARDING A PROPOSED INCREASE IN THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ZONE D (PARKWAY LANDSCAPE MAINTENANCE) ANNUAL CHARGE FOR TRACT 32018

I. NOTICE

This notice informs you, as the record owner(s) of property within the boundary of Tract 32018, of the proposed increase in the annual parcel charge for Zone D standard service level parkway landscape maintenance. In compliance with Proposition 218, the Moreno Valley Community Services District (CSD) is conducting a mail ballot proceeding to provide property owners the opportunity to submit a ballot in support or opposition to the proposed increase. The City Council, acting in their capacity as President and Members of the Board of Directors of the CSD, has scheduled one (1) Public Meeting and one (1) Public Hearing to accept public testimony regarding the proposed increase in the Zone D annual charge. The meetings will be incorporated into the regular meetings of the CSD Board of Directors at the time and place listed below:

PUBLIC MEETING	***TUESDAY, June 22, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
PUBLIC HEARING	***TUESDAY, July 13, 2010*** **6:30 P.M. (or as soon thereafter as the matter may be called)**
LOCATION **(FOR BOTH THE PUBLIC MEETING & PUBLIC HEARING)**	**MORENO VALLEY CITY HALL COUNCIL CHAMBER** **14177 FREDERICK STREET** **MORENO VALLEY, CA 92553**

II. BACKGROUND

The CSD was formed simultaneously with City incorporation. The CSD established benefit zones to allocate the cost of special services to those parcels receiving benefit from the program. Zone D was designated as a benefit zone that receives a specific service: parkway landscape maintenance. The CSD zones are structured to be full cost recovery programs, which include maintenance and administration costs.

III. CHARGE INFORMATION

1. **Name of the Charge for Tract 32018:**

   CSD Zone D (Parkway Landscape Maintenance) at Standard Service Level

2. **CSD Zone D Annual Parcel Charge for Tract 32018 is $160.00 per parcel**. The total parcel charges levied for the CSD Zone D program for fiscal year (FY) 2009/10 is $1,091,444.70.

Llame al 951.413.3480 para obtener información verbal en Español

The annual parcel charge may be subject to an annual adjustment based on the percentage change calculated for the previous calendar year in the Los Angeles—Riverside—Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

3. **Duration of the Proposed Charges:**

The CSD Zone D parcel charge shall be annually levied beginning with the 2010/11 Riverside County property tax bill and shall be levied each following year at the proposed rate, which may include an annual inflation adjustment.

4. **Reason for the Charge Increase:**

Proposition 218 ("The Right to Vote on Taxes Act") requires that any new or increase in a property—related charge be approved by a simple majority of affected property owners. Every effort is made to implement cost—saving measures before any increase is considered; however, when the cost exceeds the revenue, the CSD proposes an increase in the Zone D parcel charge in order to continue maintenance at the current level of service. Higher costs for electricity, water, and maintenance contracts have impacted the overall program costs. The CSD has subsidized these higher costs for several years with Zone D fund balance. A diminishing fund balance requires the CSD to ballot tracts that are not funding the full cost of maintenance.

5. **Calculation of the Charge:**

The CSD provides services through full—cost recovery programs. The annual Zone D parcel charge funds administration and service costs for the landscape maintenance, which include: mowing, trimming, pruning, weeding, fertilizing, replacing plant material(s) as necessary, removing litter, maintaining the irrigation systems, paying water and electric utility charges, staff support, and other items necessary for the satisfactory maintenance of the identified landscape areas.

IV. QUESTIONS REGARDING THESE PROCEEDINGS

If you have any questions about the proposed increase in the annual Zone D (Parkway Landscape Maintenance) parcel charge, or about the mail ballot proceeding process, please contact Special Districts, Monday through Thursday from 7:30 a.m. to 5:30 p.m. at 951.413.3480.

V. SUMMARY OF BALLOT PROCEEDINGS

Please submit the enclosed ballot to the CSD in support or opposition to the proposed increase in the Zone D annual charge. Procedures for the completion, return, and tabulation of the ballots are listed below and also on file in the Office of the Secretary of the Board of the CSD.

1. Mark the enclosed ballot in support or opposition to the proposed increase in the Zone D annual charge **by placing a mark in the corresponding box.**

MV00063396

2. **Sign your name** on the ballot. *Ballots received without signature(s) will be considered invalid and will not be counted.*

3. Mail or personally deliver your ballot in a sealed envelope to the Secretary to the CSD Board of Directors' office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage—paid envelope has been included for return of the ballot.

4. Ballot(s) must be **received** by the Secretary to the CSD Board of Directors prior to the close of the Public Hearing to be held on **Tuesday, July 13, 2010**, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:30 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

5. **Upon the close of the Public Hearing:**

   Tabulation of all returned ballots will commence once the Public Hearing is closed. All ballots received shall be tabulated under the direction of the Secretary of the CSD Board of Directors' office in compliance with the Policy For Conducting Mail Ballot Proceeding. Depending on time constrains, the official ballot results may be announced at the next regularly scheduled City Council meeting. The Secretary of the CSD Board shall inform the City Council/ CSD Board of such postponement at the close of the Public Hearing.

   If a simple majority (50% + 1) of returned ballots is marked as approved, the proposed annual Zone D parcel charge will adjust from $168.00 to $160.00 for FY 2010/ 11. The parcel charge is subject to an annual inflation adjustment.

   If a majority of the ballots returned result in a tie or oppose the increase in the annual charge, the CSD shall reduce services to a level supported by available funding. If available funding cannot support the lowest level of service, according to the CSD Zone D Policy #230, maintenance services may be discontinued.

Report to City Council

TO: Mayor and City Council

FROM: Jane Halstead, City Clerk, CMC

AGENDA DATE: June 22, 2010

TITLE: APPOINTMENTS TO THE CITY COUNCIL ADVISORY BOARDS AND COMMISSIONS

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Review the ballots for appointments to various City Council Boards and Commissions (to be provided by the City Clerk) and mark your choices where appropriate; or

2. If appointments are not made, declare the positions vacant and authorize the City Clerk to re-notice the positions as vacant.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

Applications were accepted by the City Clerk's Office to fill vacancies for the various City Council Boards and Commissions, with certain terms expiring June 30, 2010.

Members with expiring terms were notified and advised of the need to submit a new application to be considered for reappointment. Appropriate time frames with respect to posting notices of vacancies were followed.

As provided in the City's Municipal Code, the appointees will serve without compensation for designated terms.

Pursuant to Municipal Code Subsection 2.06.010(e), "Unless otherwise specifically provided by the action establishing the body or appointing its initial members, no person shall be at the same time a member of more than one citizens' advisory body created by ordinance or resolution of the City Council." This section of the code is waived for members of the Accessibility Appeals Board. George W. Brummer applied for the Parks and Recreation Commission Traffic Safety Commission.

Per the Council-adopted policy, prospective applicants are required to attend at least one meeting of their desired board or commission prior to appointment. Marie Hyte, an applicant to the Parks and Recreation Commission, is planning to attend a meeting in May.

The commissions, boards, applicants, and vacancies to be filled are as follows:

ALTERNATIVES

Members of the Council appointed boards and commissions serve in an advisory capacity to the City Council. Choosing not to appoint members to the above-mentioned boards and commissions would result in decreased participation from residents. This option is not consistent with the City Council goal of creating a positive environment for the development of Moreno Valley's future. Therefore, staff recommends that the City Council make the recommended appointments.

Report to City Council

TO: Mayor and City Council

FROM: Barry Foster, Economic Development Director

AGENDA DATE: June 22, 2010

TITLE: RESOLUTIONS TO PLACE A MEASURE RELATING TO THE TRANSIENT OCCUPANCY TAX ON THE NOVEMBER 2, 2010 GENERAL MUNICIPAL ELECTION BALLOT

RECOMMENDED ACTION

1. That the City Council consider whether to place on the ballot for the November 2, 2010 election the proposed Initiative Ordinance, "An Initiative Ordinance of the Voters of the City of Moreno Valley Amending Section 3.24.030 of the Moreno Valley Municipal Code to increase the existing transient occupancy tax rate from 8% to 11%."

2. That, if the Council decides to place such initiative on the ballot, the City Council adopt the following resolutions:

   Resolution No. 2010-61, calling and giving notice of a general municipal election on Tuesday, November 2, 2010, for the submission to the voters of the City a proposed ordinance amending the City's transient occupancy tax and requesting the County of Riverside to consolidate the City's general municipal election with the special and general municipal elections held within Riverside County on that date.

   Resolution No. 2010-62, directing the City Attorney to prepare an impartial analysis, setting priorities for filing written arguments, and providing for rebuttal arguments regarding the Moreno Valley transient occupancy tax measure.

BACKGROUND

California Revenue and Taxation Code authorizes the legislative body of any city or county in the State to levy a tax on the privilege of occupying a hotel room or other

lodging establishment for a period of 30 days or less. This tax is commonly referred to as a "transient occupancy tax" or "hotel tax" and is collected to offset costs incurred by the City to provide services such as street maintenance, traffic control, public safety, and parks to transient occupants.

The City of Moreno Valley's Transient Occupancy Tax (TOT) Ordinance was adopted by the City Council upon incorporation in 1984 and is codified as Chapter 3.24 of the Moreno Valley Municipal Code. The TOT was established at the rate of 8% and has not changed in the past 26 years.

DISCUSSION

The City's declining General Fund revenues have prompted significant staffing reductions and other expenditure reductions since the economic recession began in late 2007. Staff continues to look for ways to generate additional revenue to continue to provide essential services to the residents of Moreno Valley. Two years ago, the City Council received information from Staff regarding the merits and process of asking voters to increase the TOT rate for Moreno Valley. However, it was determined that a ballot measure to modernize the Utility Users Tax was a more pressing need for the City at that time and that an increase of the TOT would be better pursued in a later election period. Staff is now recommending a ballot measure to amend the TOT ordinance in the November 2010 election to increase the City's TOT rate and enhance general fund revenues, while keeping pace with other nearby cities' TOT rates.

The City is projected to collect approximately $400,000 in TOT revenue in FY 2009-10. Please note this is down from the $593,000 collected in FY 2007-08, which was the City's highest TOT revenue producing period. This represents just one half of one percent of the total General Fund revenues expected for the fiscal year. On average before the economic downturn—TOT revenues have typically been just slightly below 1% of total General Fund revenues. The proposed TOT increase from 8% to 11% is expected to enhance General Fund revenues by $150,000 to $250,000 per year (depending on the economy). Most importantly, the TOT revenue can be used to fund a variety of purposes to support City services including public safety, job creation, library services, and much more.

TOT is only imposed on people who occupy hotel/motel rooms in the City; it is collected by the hotels and transmitted to the City. Therefore, the proposed increase would impact only those who stay in Moreno Valley's hotels, typically travelers and visitors. There is no really impact on Moreno Valley residents unless they stay in a local hotel. The TOT is imposed on the room only; it is not applied to any other services offered by hotels such as banquet facilities, catering, food, spa, etc.

The benefits of considering an increase in the City's TOT rate include placement of greater share of tax burden in providing City services on transient travelers and visitors to the community. Using the TOT to spread out the cost of City services over a larger tax base (including visitors to Moreno Valley) actually reduces the cost of services to the

MV00063408

residents and businesses of Moreno Valley. If approved by Moreno Valley voters, the proposed increase would generate additional funds for services and operations and keep the City on pace and competitive with the TOT rates of other cities in Riverside County and Southern California:

City	TOT rate (%)
Anaheim	15
Los Angeles	14
Palm Springs	13.5
Banning	12
Ontario	11.8
Riverside	11
Norco	11
Beaumont	10
Corona	10
Hemet	10
Murrieta	10
Perris	10
Rancho Cucamonga	10
San Bernardino	10
Moreno Valley	**8**

The City currently has 11 hotels/motels ; including the recently opened Ayres Suites, along with two other hotels that have opened within the past 15 months—the Hampton Inn and LaQuinta Inn. Together, the three new hotels have added 320 additional hotel rooms—increasing the City's total rooms to 931 (a 53% increase in total rooms).

The hotel industry nationwide has not been immune to the recession and hotel occupancy rates are down along with hotel room revenues. Nationally as well as locally, both leisure and business travel is down. However, Moreno Valley has been identified as a positive location for new hotel development as evidenced by the three new hotels and several more planned projects looking to develop once the economy improves.

The City's TOT is a general tax and cannot be increased without a vote of the people pursuant to State law. If the City Council approves the proposed resolutions, a majority vote of Moreno Valley voters is required to increase the tax. The proposed ordinance amending the TOT rate is included in the attached resolution and the question submitted to the voters on the ballot would be as follows:

> "Shall the Transient Occupancy Tax assessed by the City for persons occupying hotel/motel rooms in the City of Moreno Valley be increased from eight percent (8%) to eleven percent (11%)?"

TOT ballot measures typically have a relatively high success rate. On the November, 2009 ballot, 11 California cities considered increasing their TOT and 9 of those passed. Two Riverside County cities were successful in increasing their TOT in that election –

the voters in Banning approved an increase from 6% to 12% and Norco increased their TOT rate from 8% to 11%.

ALTERNATIVES

1. Place a measure on the November 2, 2010 ballot to increase the City's TOT from 8% to 11% by adopting:

   Resolution No. 2010-61, calling and giving notice of a general municipal election on Tuesday, November, 2, 2010 for the submission to the voters of the City a proposed ordinance amending the City's transient occupancy tax and requesting the County of Riverside to consolidate the City's general municipal election with the special and general municipal elections held within Riverside County on that date; and

   Resolution No. 2010-62, directing the City Attorney to prepare an impartial analysis, setting priorities for filing written arguments, and providing for rebuttal arguments regarding the Moreno Valley transient occupancy tax measure.

2. Not place a measure on the November 2, 2010 ballot to increase the TOT.

FISCAL IMPACT

The proposed TOT increase from 8% to 11% is expected to increase General Fund revenues by $150,000 to $250,000 per year—depending on the economy. The cost to place a measure on the ballot is $5,000 and shall be funded by City Clerk's election budget.

CITY COUNCIL GOALS

Revenue Diversification and Preservation.
Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

SUMMARY

The City of Moreno Valley's Transient Occupancy Tax rate of 8% was established upon incorporation in 1984 and has not changed since that time. By approving the proposed resolutions, the City Council will place a measure on the November 2, 2010 general municipal election ballot for Moreno Valley voters to consider increasing the TOT rate to 11%.

NOTIFICATION

Staff has met with representatives from the existing hotels and motels in Moreno Valley to discuss the proposed TOT increase.

RESOLUTION NO. 2010-61

A PROPOSED RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, CALLING AND GIVING NOTICE OF A GENERAL MUNICIPAL ELECTION ON TUESDAY, NOVEMBER 2, 2010, FOR THE SUBMISSION TO THE VOTERS OF THE CITY A PROPOSED INITIATIVE ORDINANCE AMENDING THE CITY'S TRANSIENT OCCUPANCY TAX; AND REQUESTING THE COUNTY OF RIVERSIDE TO CONSOLIDATE THE CITY'S GENERAL MUNICIPAL ELECTION WITH THE GENERAL MUNICIPAL ELECTION HELD WITHIN RIVERSIDE COUNTY ON THAT DATE

WHEREAS, the City Council has determined at its regular meeting on June 22, 2010, that it should present to City voters the question of whether to amend its current Transient Occupancy Tax for the purpose of raising general fund revenue to provide essential City services for residents; and

WHEREAS, the voters of the State of California approved Proposition 218 (Article XIII C, section 2 of the California Constitution and Government Code section 53723), which authorizes the City to impose, extend or increase a general tax upon a majority of the population; and

WHEREAS, Revenue and Taxation Code section 7280 authorizes the City to levy a tax on hotels, inns, tourist homes, motels, or other lodging for the privilege of occupying a room or rooms; and

WHEREAS, in 1984 the City levied upon those occupying a room or rooms in the aforementioned hotels, inns, tourist homes, motels, or other lodging, an eight percent Transient Occupancy Tax, which has remained at the same level for over twenty-five years; and

WHEREAS, Section 2(b) of Article XIIIC of the California Constitution requires that a general tax submitted to the voters for approval shall be consolidated with the regularly scheduled general municipal election for members of the City Council.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Pursuant to the requirement of the laws of the State of California relating to general law cities, there is called and ordered to be held in the City of Moreno Valley, California on Tuesday, November 2, 2010, a General Municipal Election for the purpose of submitting to the voters of the City of Moreno Valley, a ballot measure for the purpose of approving an ordinance amending Chapter 3.24, Section 3.24.030 of the Moreno Valley Municipal Code to increase the Transient Occupancy Tax from eight percent to eleven percent. Pursuant to Government Code Section 53724(d) and

Elections Code Section 9222, it is the intent of the City Council that the measure be submitted to the voters of Moreno Valley at the afore mentioned General Municipal Election.

Section 2. The proposed ordinance is attached hereto as Exhibit "A" and incorporated herein by this reference and such ordinance shall be printed in the voter pamphlet. The question to be submitted to the voters on the ballot shall be as follows:

Shall the Transient Occupancy Tax assessed by the City for persons occupying hotel/motel rooms in the City of Moreno Valley be increased from eight percent (8%) to eleven percent (11%)?	YES
	NO

Section 3. Upon approval of the voters of the City of Moreno Valley, the Moreno Valley Municipal Code, Chapter 3.24, Section 3.24.030 shall be amended to increase the Transient Occupancy Tax from eight percent to eleven percent.

Section 4. The City Council of the City of Moreno Valley further does resolve, declare and order:

(a) That notice of time and place of holding said election is hereby given and the City Clerk is hereby authorized, instructed and directed to give such further or additional notice of said election in the time, form and manner as required by California law.

(b) That pursuant to Sections 10402 and 10403 of the Elections Code, the Riverside County Board of Supervisors is hereby requested to consent and agree to the consolidation of the General Municipal Election with the election conducted by Riverside County to be held on Tuesday, November 2, 2010.

(c) That the Riverside County Election Department is authorized to canvass the returns of the General Municipal Election. The election shall be held in all respects as if there were only one election.

(d) That the Riverside County Board of Supervisors is requested to issue instructions to the County Election Department to take any and all necessary steps for holding of this consolidated election.

(e) That the City of Moreno Valley recognizes that additional costs will be incurred by Riverside County by reason of this consolidation and agrees to reimburse Riverside County for those costs.

(f) That the City Clerk is directed to file a certified copy of this resolution with the Riverside County Board of Supervisors and with the Riverside County Election Department.

(g) That the City Council authorizes the City Clerk to administer said

election, including but not limited to, contracting with the County of Riverside to assist with conducting the election, and otherwise take all reasonably necessary steps to ensure the proper handling and conduct of the general municipal election authorized by this resolution, and all reasonable and actual election expenses shall be paid by the City upon presentation of a properly submitted bill.

(h) That this resolution shall be effective immediately upon passage and adoption.

EXHIBIT "A" PROPOSED INITIATIVE ORDINANCE

ORDINANCE NO.

AN INITIATIVE ORDINANCE OF THE VOTERS OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING SECTION 3.24.030 OF THE MORENO VALLEY MUNICIPAL CODE TO INCREASE THE EXISTING TRANSIENT OCCUPANCY TAX RATE FROM 8% TO 11%

The People of the City of Moreno Valley do ordain as follows:

SECTION 1. Tax Imposed. The Moreno Valley Municipal Code, Chapter 3.24, Section 3.24.030 is hereby amended as follows:

"Chapter 3.24: TRANSIENT OCCUPANCY TAX

Section 3.24.030. Tax imposed.

For the privilege of occupancy in any hotel, each transient is subject to, and shall pay a tax in the amount of eleven percent of the rent charged by the operator or otherwise payable by the transient. Insofar as the transient is concerned, the tax constitutes a debt owed by the transient to the operator or to the city. For the purposes of this section, the rent deemed payable on account of time-share occupancy by a transient shall be the rental value of the unit or room(s) which accommodated such occupancy, which rental value shall be computed by determining the pro rata share of the total purchase price of the time-share right or entitlement (whether or not involving an estate or any ownership in real property), which share is allocable to the period of transient occupancy currently involved, and adding thereto the total applicable operating costs including, but not limited to, the applicable real and personal property taxes, plus the total amount of any and all fees, assessments, charges and expenses (not including the previously referred to taxes) charged by the operator as attributable to the timeshare occupancy of the transient by whatever name such fees, assessments, charges or expenses may be denominated, whether "occupying fee," "maintenance or operations charge," "per diem fee," "management fee" or like name or otherwise. In making the computation referred to above of the pro rata share of the total purchase price, in any case wherein the time-share right or entitlement is in perpetuity or for life or otherwise not for a definite or ascertainable term, such proration shall be made upon an assumed term of forty (40) years."

SECTION 2. EFFECTIVE DATE: This ordinance shall be considered as adopted upon the date that the vote is declared by the City Council, and shall go into effect ten (10) days after that date, pursuant to Elections Code Section 9217.

PASSED AND ADOPTED by the voters at the municipal election of November 2, 2010.

RESOLUTION NO. 2010-62

A PROPOSED RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DIRECTING THE CITY ATTORNEY TO PREPARE AN IMPARTIAL ANALYSIS, SETTING PRIORITIES FOR FILING WRITTEN ARGUMENTS, AND PROVIDING FOR REBUTTAL ARGUMENTS REGARDING THE MORENO VALLEY TRANSIENT OCCUPANCY TAX MEASURE

WHEREAS, an election shall be held in the City of Moreno Valley, California, on November 2, 2010, at which there will be submitted to the voters a ballot measure to consider increasing the Transient Occupancy Tax for the purpose of raising general fund revenue to provide basic City services for residents; and

WHEREAS, whenever a municipal ballot measure is authorized, State law provides that the City Council may direct the City Attorney to prepare an impartial analysis and provide for the filing of written arguments for and against a measure and for rebuttal arguments to be filed with the City elections official.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The City Council directs the City Attorney to prepare an impartial analysis of the measure which would amend the current Transient Occupancy Tax ordinance by increasing the rate from eight percent (8%) to eleven percent (11%) for the aforementioned purposes. The impartial analysis shall be filed within fifteen (15) days of the adoption of this Resolution or by the date set by the City Clerk for the filing of primary arguments, whichever is later.

Section 2. The City Council authorizes members of that body, collectively or individually, to file written arguments in favor of the Transient Occupancy Tax measure specified above, accompanied by the printed name(s) and signature(s) of the author(s), and to change the argument until and including the date fixed by the City Clerk after which no arguments for or against the City measure may be submitted to the City Clerk. The City Clerk shall follow Elections Code sections 9281 through 9287 in determining the printing of all arguments in favor and against.

Section 3. If no member of the City Council files written arguments in favor of said Measure, then any voter of the City may submit an argument in favor to the City Clerk for consideration in accordance with State law.

Section 4. That the Council Members authorized to file such arguments are:

Bonnie Flickinger, Mayor

Robin N. Hastings, Mayor Pro Tem

Resolution No. 2010-62
ATTACHMENT 2 Date Adopted: June 8, 2010

William H. Batey II, Council Member

Jesse L. Molina, Council Member

Richard A. Stewart, Council Member

Section 5. Any argument filed for or against said Measure shall be filed with the City Clerk, signed, with the printed name(s) and signature(s) of the author(s) submitting it, or if submitted on behalf of an organization, the name of the organization, and the printed name and signature of at least one of its principal officers who is author of the argument.

Section 6. The City Clerk shall make the selection of arguments in accordance with the Elections code and local procedure. When the City Clerk has selected the arguments for and against the Measure which will be printed and distributed to the voters, the City Clerk shall send a copy of an argument in favor of the Measure to the authors of any argument against the measure and a copy of the argument against the measure to the authors of any argument in favor of the measure.

Section 7. The author or a majority of the authors of an argument relating to the Measure may prepare and submit a rebuttal argument not exceeding 250 words or may authorize in writing any other person or persons to prepare, submit, or sign the rebuttal. A rebuttal argument may not be signed by more than five persons. The rebuttal arguments shall be filed with the City Clerk, signed, with the printed name(s) and signature(s) of the author(s) submitting it, or if submitted on behalf of an organization, the name of the organization, and the printed name and signature of at least one of its principal officers. Any rebuttal argument must be filed within 10 days after the final date for filing direct arguments.

Section 8. Rebuttal arguments shall be printed in the same manner as the direct arguments. Each rebuttal argument shall immediately follow the direct argument which it seeks to rebut.

Section 9. The City Clerk shall cause the City Attorney's Impartial Analysis, and duly selected arguments and rebuttals, to be printed and distributed to voters in accordance with State law regarding same.

Section 10. The City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original Resolutions.

Report to City Council

TO: Redevelopment Agency Chairperson and Board of Directors

FROM: Barry Foster, Economic Development Director

AGENDA DATE: June 22, 2010

TITLE: PALM DESERT DEVELOPMENT COMPANY'S RANCHO DORADO APARTMENTS, PHASE II FINANCIAL ASSISTANCE REQUEST AND RESOLUTION FOR TAX CREDIT APPLICATION

RECOMMENDED ACTION

Staff recommends that the Redevelopment Agency Board adopts Resolution RDA 2010-03, a resolution of the Community Redevelopment Agency of the City of Moreno Valley regarding assistance to the Rancho Dorado Apartments, Phase II, proposed by Palm Desert Development Company, Inc.

BACKGROUND

Palm Desert Development Company's (PDDC) Rancho Dorado Project includes a first phase of the project which is currently under construction, of 70 units (plus one unit for the property manager), along with a second phase with 79 units. The first phase of the Rancho Dorado project also contains a community center, manager's office, computer room, laundry facilities, tot lot, pool and splash park, barbeque and other recreational areas. All major amenities, roads and landscaping for the entire project will be developed with the first phase. A unique component of the project that will come in the first phase is that 15 units will be used as Permanent Supportive Housing. These units would be reserved for formerly homeless individuals that have mental disabilities, but have demonstrated the ability to live independently. The second phase of Rancho Dorado will be comprised of fifty-four (54) two-bedroom units and twenty-four (24) three-bedroom units and one manager's unit.

In 2008, the Redevelopment Agency (RDA) adopted resolutions affirming its intention to provide financial assistance for the project. Palm Desert Development Company (PDDC) submitted applications for the additional financing necessary to complete the project to the California Tax Credit Allocation Committee (TCAC). An allocation of tax

credit financing was secured for the first phase of Rancho Dorado. The existing conditions in the financial markets make competition for TCAC funding very competitive. As a result, PDDC has not been able to attain high enough scoring for the second phase of this project- despite three attempts.

DISCUSSION

After a thorough analysis of the four projects that secured TCAC support in the previous application rounds, PDDC has determined that Rancho Dorado II would have a better chance of attaining a future allocation if the amount of the public or RDA (Agency) contribution was increased and the amount of additional financing from tax credit equity for the project is reduced. Therefore, PDDC has requested that the Agency increase its monetary funding from $4.75 million to $6.75 million. TCAC may also recognize the contributions benefiting the project through off-site electric utilities improvements recently constructed as a Capital Improvement Project through the City's Electric Utility Program, as well as the fee reductions granted for the creation of affordable housing, per the Development Impact Fee Program. These contributions will also be included on the next TCAC application further enhancing the project's scoring and thereby improving the chances to secure an allocation of tax credit financing. Submission of a Resolution outlining the RDA's conditional support (Attachment A) is required by California Tax Credit Allocation Committee to accompany the application.

PDDC will be using several types of financing for the Phase II project costs including Low- and Moderate- Income Housing Set-aside funds loan from the Moreno Valley Community Redevelopment Agency, Low-income Housing Tax Credit Equity, general partner equity, a conventional loan together with the Agency funded off-site improvements and the affordable housing fee reductions. PDDC is in the process of securing financial commitments from all of the prospective lenders for the development of Phase II of the project. The type and amount of the proposed financing attributed to the second phase of the project is shown below:

Project Financing		
Conventional Financing	**$1,829,606**	**10%**
9% Tax Credit Equity	**$9,242,933**	**49%**
RDA Funds	**$6,750,000**	**36%**
Affordable Housing Fee Reductions-City	**$991,608**	**5%**
Affordable Housing Fee Reductions-County	**$79,632**	**<1%**
General Partner Equity	**$99,029**	**<1%**
Total	**$18,992,808**	**100%**

When PDDC has secured all necessary financing for the project, an Affordable Housing Agreement which establishes and defines the responsibilities of all parties including the loan terms, occupancy requirements, allowable rents, and future maintenance and management requirements will be drafted. The drafted Agreement will be consistent

MV00063424

with past documents used for other similar affordable housing projects in Moreno Valley.

The RDA's financial assistance for Phase II of the project will include a Promissory Note secured by a deed of trust recorded against the project. The terms of the note include an interest rate of one percent per annum with a 54 year amortization. The loan structure allows for the deferral of payments under certain conditions. Annual payments will be due and payable on July 1st of each calendar year. In the event the net cash flow is insufficient to cover the payment, the shortfall amount will be deferred. When the annual cash flow increases to an amount above the required payment, the loan will be re-amortized to include the previously deferred amount. This loan structure is quite common with affordable housing projects utilizing this type of financing and has been used in Moreno Valley on a number of other RDA assisted projects including the Cottonwood Place Apartments (PDDC), Bay Family Apartments (Global Premier Development) and the Oakwood Apartments (Macfarlane Costa Housing Partners).

Affordable Housing Goals

State Redevelopment Law (Health and Safety Code Section 33413) requires that the RDA ensure that a portion of the housing developed and rehabilitated in the Redevelopment Project Area is available to households with incomes in the low and moderate income categories. The second phase of the Rancho Dorado Apartments will provide 78 units of affordable housing with recorded covenants maintaining rent affordability for 55 years. Upon completion of the second phase, the entire project will be complete and will provide a total of 150 units, or which 148 will be affordable. Because the project is situated within the Redevelopment Project Area, the RDA would get full credit for the affordable housing units created. Thus, the units would be credited toward the RDA's State-mandated affordable housing requirements. These requirements are outlined in the code section cited above which require the RDA to assist affordable housing projects within the Redevelopment Project Area. The project and its apartment units would also be applied toward the RDA's goal to assist in the development of 274 affordable housing units identified in the adopted Implementation Plan for the period of July 1, 2005 through June 30, 2010.

ALTERNATIVES

1. Adopt RDA Resolution 2010-03 which ratifies certain findings and determinations made under Resolutions 2008-11 regarding conditional financial assistance to the second phase of the Rancho Dorado Apartments known as Rancho Dorado South, and appropriate $6,750,000 from the RDA's 20% Housing Set Aside fund balance for fiscal year 2009/10. *Staff recommends this alternative because it will assist in the development of the project and the creation of additional affordable housing opportunities.*

2. Decline to adopt RDA Resolution 2010-03 which ratifies certain findings and determinations made under Resolutions 2008-11 regarding conditional financial

assistance to the second phase of the Rancho Dorado Apartments known as Rancho Dorado South, and appropriate $6,750,000 from the RDA's 20% Housing Set Aside fund balance for fiscal year 2009/10. *Staff does not recommend this alternative because declining to adopt the resolution and appropriate the funding it will prevent the Developer from applying for tax credits and jeopardize the development of the project and the creation of additional affordable housing opportunities.*

FISCAL IMPACT

PDDC has requested RDA assistance in the amount of $6,750,000. Staff proposes adoption of resolution that commits the RDA to providing assistance from the RDA's 20% Housing Set Aside funds. If approved, the funds will be appropriated in the budget for FY 2009/10 using the RDA-Housing Set Aside Fund. Please note that there will be no assistance from the City's General Fund.

Fund	Business Unit	Amount
894	RDA Affordable Housing Fund	$6,750,000

Under state law, RDA Housing Set-Aside funds are restricted for uses that only support affordable housing.

CITY COUNCIL GOALS

Community Image, Neighborhood Pride, and Cleanliness
The Rancho Dorado Apartments will promote community pride and foster an excellent image for Moreno Valley through the investment in the neighborhood and the creation of affordable housing units.

SUMMARY

In 2008, the Redevelopment Agency adopted resolutions that offered conditional financial assistance for the development of the Rancho Dorado Apartments developed by Palm Desert Development Company. The project is located near the southeast corner of John F. Kennedy Drive and Perris Boulevard. Rancho Dorado was originally proposed as a 150-unit single phase project, but changes in the financial markets made it necessary to divide the project into two phases. Phasing construction allows each phase of the project to better compete for 9% tax credit equity financing. Staff requests that the City Council and the Board of Directors of the Community Redevelopment Agency reaffirm its intention to support the project and adopt the attached resolution approving the conditional financing structure between the RDA and MV Rancho Dorado LP in providing up to $6,750,000 in gap financing assistance for the second phase of Rancho Dorado, using the RDA's 20% affordable housing set-aside funds.

RESOLUTION NO. RDA 2010-03

A RESOLUTION OF THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY SUPPORTING THE RANCHO DORADO SOUTH APARTMENTS HOUSING DEVELOPMENT, RATIFYING CERTAIN FINDINGS AND DETERMINATIONS MADE UNDER RESOLUTION NO. 2008-11 AND AFFIRMING ITS INTENTION TO PROVIDE ASSISTANCE TO MV RANCHO DORADO LIMITED PARTNERSHIP, A SUBSIDIARY OF PALM DESERT DEVELOPMENT COMPANY, INC.

WHEREAS, the California Tax Allocation Committee administers the Federal and State Tax Credits Allocation, a competitive allocation for tax credits to providers of housing units for low income households; and

WHEREAS, the California Tax Allocation Committee seeks affirmation from local Redevelopment Agencies that proposed projects will receive additional financial assistance and that they meet specific housing objectives; and

WHEREAS, Palm Desert Development Company, Inc. ("PDDC") proposed development of affordable rental units on a portion of the vacant property located generally at the southeast corner of Perris Boulevard and John F. Kennedy Boulevard; and

WHEREAS, MV Rancho Dorado Limited Partnership, a subsidiary of Palm Desert Development Company, Inc. to MV Rancho Dorado Limited Partnership, a California Limited Partnership, proposes to submit an application to develop (54) two-bedroom units and (24) three-bedroom affordable rental units and a manager's unit at the Site (the "South Project"); and

WHEREAS, the Agency has previously expressed its support for the South Project as part of and pursuant to its Resolution No. RDA 2008-11; and

WHEREAS, Agency analysis of the proposal indicates that the development would meet specified housing objectives.

NOW, THEREFORE, THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AND DETERMINE AS FOLLOWS:

Section 1. The Agency ratifies and approves its findings and determinations under Resolution No. RDA 2008-11 concerning the South Project. The Agency instructs and directs Agency staff to reserve moneys equal to the requested amount of up to $6,750,000 to MV Rancho Dorado Limited Partnership, subject to applicable legal requirements and negotiation of an Affordable Housing Agreement ("AHA") satisfactory to the Agency, for the development of (54) two-bedroom units and (24) three-bedroom units of

ATTACHMENT A

affordable multi-family rental housing on the Site, each of which shall be made available solely to very low income and low income households.

Section 2. The Agency will negotiate an AHA which complies with all requirements of the California Redevelopment Law, conditioned on the receipt by MV Rancho Dorado Limited Partnership, of low income housing tax credits for the proposed development.

The adoption of this Resolution terminates Resolution RDA 2010-01 which shall hereafter have no force or effect.

This Resolution terminates on December 31, 2010, and shall thereafter have no force or effect, unless an AHA has theretofore been approved and executed by the Agency and the MV Rancho Dorado Limited Partnership, with respect to the Site.

APPROVED AND ADOPTED this 22nd day of June, 2010.

Staff recommends that the City Council take the following actions:

1. Approve the Revised General Fund Budget Balancing Plan for Fiscal Year (FY) 2010-11, as shown in Table 1 (page 3) of this staff report;

2. Adopt Resolution No. 2010-64, approving the Operating Budget for the City of Moreno Valley for FY 2010-11, including all applicable adjustments to the Preliminary Base Operating Budget pursuant to the Schedule of Budget Appropriations (Attachment "A");

3. Acting in its capacity as the President and Board of Directors of the Moreno Valley Community Services District, adopt Resolution No. CSD 2010-20, approving the Operating Budget for the Moreno Valley Community Services District for FY 2010-11, including all applicable adjustments to the Preliminary Base Operating Budget pursuant to the Schedule of Budget Appropriations (Attachment "A");

4. Acting in its capacity as the Chairperson and Agency Members of the Community Redevelopment Agency of the City of Moreno Valley, adopt Resolution No. RDA 2010-04, approving the Operating Budget for the Community Redevelopment Agency of the City of Moreno Valley for FY 2010-11, including all applicable adjustments to the Preliminary Base Operating Budget pursuant to the Schedule of Budget Appropriations (Attachment "A").

Item No. G.6

MV00063433

BACKGROUND

On May 18, 2010, the FY 2010-11 Preliminary Base Operating Budget was presented to City Council, reflecting a projected General Fund deficit of over $17.8 million as shown below:

• Projected General Fund Operating Revenues & Other Sources	$67,754,400
• Projected General Fund Operating Expenditures	85,630,700
• Projected General Fund Operating Deficit	$17,876,300

Through the use of anticipated current year savings and a number of one-time transfers from other funds (representing a return of previous General Fund subsidies or other funding), the above deficit was reduced to approximately $11 million, after allowing for three recommended budget additions (Budget Issues).

Options for closing this remaining $11 million gap were incorporated in the FY 2010-11 Deficit Reduction Plan and summarized below:

• Potential Revenue Enhancements:	$288,400
• Potential Expenditure Reductions (net of Offsets):	13,845,734
• Potential Use of General Fund Reserves:	6,000,000
• Total Potential Solutions:	$20,134,134

Although the majority of Deficit Reduction Options (DROs) included in the Deficit Reduction Plan relate to the General Fund, the Deficit Reduction Plan also included DROs totaling $5.2 million outside of the General Fund to help offset projected operating deficits for FY 2010-11.

On May 25, 2010, the City Council provided direction to staff regarding a number of DROs to be implemented in an effort to balance the FY 2010-11 Operating Budget. On June 8, 2010, these Council-approved DROs were incorporated in a proposed Budget Balancing Plan, which was submitted for the City Council's consideration with the support of all Department Heads and the recommendation of the Interim City Manager.

DISCUSSION

On June 8, 2010, the City Council continued deliberations on the FY 2010-11 Operating Budget and Deficit Reduction Plan, giving specific consideration to the Interim City Manager's proposed Budget Balancing Plan. The Council approved the Budget Balancing Plan, after directing staff to return funding in the amount of $15,000 for the Neighborhood Clean-up Program in Districts 2 and 3. The Revised General Fund Budget Balancing Plan reflecting the City Council's direction on June 8, 2010 is summarized in Table 1 on the following page.

Table 1 - Revised General Fund Budget Balancing Plan – Fiscal Year 2010-11

Description	Item Total	Category Total	Remaining (Deficit) Surplus
Projected FY 2010-11 General Fund Operating Deficit			($17,876,300)
Budgetary Adjustments:			
- Current year savings to be carried over to FY 2010-11 (revised)	$1,020,800		
- Transfers to return previous General Fund subsidies	1,639,100		
- Other transfers	3,979,100		
		6,639,000	(11,237,300)
Budget Issues:			
- Re-establish funding for Budget Officer	(98,700)		
- Supplement Emergency Operations Grant	(43,100)		
- Increase in NPDES Regulatory Fee	(76,000)		
		(217,800)	(11,455,100)
Proceeds from Settlement of ENCO Litigation			
- Repayment of MVU start-up loan from General Fund	747,041		
- Reimbursement of General Fund legal expenses	225, 192		
		972,233	(10,482,867)
DROs approved by City Council on May 25, 2010		3,160,445	(7,322,422)
Additional staff-proposed DROs without use of reserves		2,343,740	(4,978,682)
Proposed use of reserves		5,000,000	21,318
Funding for Neighborhood Clean-up Program in Districts 2 and 3		(15,000)	6,318
Net Operating Surplus			**$6,318**

Despite the challenges that have been faced in balancing the FY 2010-11 General Fund Operating Budget, the above Budget Balancing Plan addresses these challenges in a positive manner as summarized below:

- Preserves public safety, with only minimal budgetary reductions (Police budget still increasing due to contract rate increase);
- Maintains essential City services;
- Maintains City staffing, with no lay-offs;

- Addresses the General Fund structural deficit by reducing expenditures by $5 million;
- Provides a balance between General Fund expenditure reductions ($5 million) and use of reserves ($5 million);
- Maintains General Fund contingency reserve policy at 12% of budgeted expenditures;
- Addresses operating deficits in non General Funds by implementing $5.2 million in budgetary reductions in the respective funds;
- Eliminates need to redeem RDA Bonds at the present time.

Budget Adoption Actions

Schedule of Budget Appropriations - FY 2010-11 (Attachment "A") - This schedule identifies the revenue and expenditure appropriations to be included in the FY 2010-11 Adopted Budget, identifying the adjustments to the FY 2010-11 Preliminary Base Operating Budget as presented to the City Council on May 18, 2010, based on the Council Council's direction from previous budget discussions. These adjustments coincide with the Revised Budget Balancing Plan and will enable adoption of a balanced budget for FY 2010-11.

Resolutions Adopting the FY 2010-11 Budget (Attachments "B", "C" and "D") - As a long-standing practice, each of the City's primary entities--the City, Community Services District (CSD), and Redevelopment Agency (RDA)--will adopt separate resolutions to approve their respective operating budgets.

ALTERNATIVES

1. Approve the Fiscal Year 2010-11 Operating Budget.
2. Provide staff with further direction.

Staff recommends Alternative 1.

FISCAL IMPACT

The FY 2010-11 Operating Budget provides the funding and expenditure plan for all operating funds. As such, it serves as the City's financial plan for the upcoming fiscal year. The City Council will be kept apprised regarding actual operating results through First Quarter and Mid-Year Budget Reviews occurring in November 2010 and February 2011 respectively.

AGENDA DATE: June 22, 2010

TITLE: APPROVAL OF CHECK REGISTER FOR APRIL, 2010

RECOMMENDED ACTION

Staff recommends that the City Council adopt Resolution No. 2010-57, approving the Check Register for the month of April, 2010 in the amount of $12,644,433.01.

DISCUSSION

To facilitate Council's review, the Check Register lists in alphabetical order all checks in the amount of $25,000 or greater, followed by a listing in alphabetical order of all checks less than $25,000. The Check Register also includes wire transfers, thus eliminating the need for a separate wire transfer register, as well as the fiscal year-to-date (FYTD) amount paid to each vendor.

FISCAL IMPACT

The disbursements itemized in the attached Check Register are reflected in the adopted FY 2009-10 budget. Therefore, there is no fiscal impact other than the expenditure of budgeted funds.

Report to City Council

TO: Mayor and City Council

FROM: Chris A. Vogt, Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: Waste Management of the Inland Empire FY 2010/2011 Rate Adjustment

RECOMMENDED ACTION

Staff recommends that the City Council approve the Waste Management of the Inland Empire proposed Fiscal Year (FY) 2010/2011 Rate Adjustment.

BACKGROUND

Waste Management of the Inland Empire has had an exclusive agreement with the City of Moreno Valley for the collection, transportation, recycling, and disposal of solid waste since April of 1991. The terms and conditions of the original contract were renegotiated and adopted on July 1, 2008. As part of this agreement, the Contractor Service Rates are to be adjusted annually to reflect changes in the Consumer Price Index (CPI), disposal (e.g. tipping fees or tonnage increases), changes in service, and extraordinary costs. The City Council has the authority to approve these annual rate adjustments.

DISCUSSION

The franchise agreement with Waste Management of the Inland Empire stipulates that annual CPI adjustment shall be made effective the first day of July of each calendar year and other adjustments such as tipping fees, service costs, and extraordinary costs, shall be made effective as they occur. The agreement with Waste Management states that the CPI shall be derived by multiplying the service component (Waste Management's cost to provide service to Moreno Valley) by the percentage increased or decreased in the CPI for March of the immediate preceding year. The CPI adjustment for FY 2010/2011 of 1.855% and the decrease in household disposal results in a residential service component rate increase of $0.28 per month, per home. The average

pounds per household decreased by 4% for refuse and decreased by 6% for green waste

Due to changes in the County's handling of green waste at landfills for use as alternate daily cover, Waste Management began to diversify the processing of green waste to ensure the most beneficial outcome. As such, Waste Management, Inc. now takes green waste to be processed to BP John and ultimately Colmac to be processed as transformation, the El Sobrante landfill to be used as alternative daily cover, or Synagro to be used as transformation. As a result of this shift, the cost for processing green waste resulted in an annual increase. However, Waste Management has indicated that they will absorb this additional cost and not seek adjustments to the rates for this additional expense this year.

Additionally, an additional decrease of $0.03 has been applied to the disposal component to account for the 2010 estimated annual rebate amount for the bulky item program. This rebate is administered by the Riverside County Waste Management Department under a program initiated in 1999 that provides a rebate for waste services program that include bulky item pick-up services. The net effect of the decreased pounds per household and bulky item rebate is a disposal component rate decrease of $0.30 per month, per home.

Accordingly, with a decrease in the disposal component of $0.30 and an increase in the residential service component of $0.28 per month, the new monthly residential rate reflects a total change of a decrease of $0.02 and the new rate is $21.11.

Additionally, although there has been a decrease in the total tons of commercial waste from 28,851 tons to 26,751 tons, the commercial rates have increased this year due to the increase in CPI. The attached exhibit shows details of the proposed new fees for FY 2010/2011 for all classifications.

ALTERNATIVES

1. Approve the Waste Management of the Inland Empire proposed Fiscal Year (FY) 2010/2011 Rate Adjustment.

2. Do not approve the Waste Management of the Inland Empire proposed FY 2010/2011 Rate Adjustment. *This could result in Waste Management's inability to continue to perform their service as per the contract specifications and would jeopardize the City's agreement with Waste Management.*

FISCAL IMPACT

The City receives a 12.13% franchise fee on all monies collected by Waste Management of the Inland Empire. Any increase or decrease in rates has a proportionate effect on revenues received by the City. Any decrease in the current rates would negatively affect the general fund.

CITY COUNCIL GOALS

Revenue Diversification and Preservation - Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness - Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

NOTIFICATION

Publication of the City Council Agenda.

Report to City Council

TO: Mayor and City Council, and Acting in their Respective Capacities as President and Members of the Board of Directors of the Moreno Valley Community Services District

FROM: Chris A. Vogt, P.E., Public Works Director/City Engineer

AGENDA DATE: June 22, 2010

TITLE: NOTICE OF COMPLETION AND ACCEPTANCE OF THE PATRIOT PARK IMPROVEMENTS PROJECT
PROJECT NO. 08-28268628

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211.

2. Direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code.

3. Authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project.

Staff recommends that the Board of Directors:

4. Authorize the President of the Board of Directors of the Community Services District (CSD) to accept the improvements into the CSD's maintained system.

BACKGROUND

On November 10, 2009, the City Council awarded the construction contract in the amount of $246,001.41 to Desert Concepts Construction, Inc., for the Patriot Park

Improvements Project. A Purchase Order in the amount of $282,901.62 (the bid amount plus 15% contingency) was issued to the Contractor.

DISCUSSION

The project involved the construction of the Patriot Park improvements on a vacant (approximate) one-half acre CSD property located at the southeast corner of Perris Boulevard and Filaree Avenue. The park improvements included play apparatus, a decomposed granite walking path, natural turf play area, picnic tables and benches together with landscaping, irrigation, area lighting, and perimeter fencing.

There was one Contract Change Order for this project. Contract Change Order No. 1 (Final) extended the construction completion date by 4 days but there was no change in the contract amount. The improvements were completed within the extended contract time of April 27, 2010, within budget, and in accordance with the approved contract documents.

ALTERNATIVES

1. Accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211, direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., within thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project, and authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system. *This alternative will result in payment to the Contractor and acceptance of the improvements into the CSD's maintained system.*

2. Do not accept the work as complete for the Patriot Park Improvements Project constructed by Desert Concepts Construction, Inc., 77-770 Country Club Drive, Suite D, Palm Desert, CA 92211, do not direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, do not authorize the Financial and Administrative Services Director to release the retention to Desert Concepts Construction, Inc., within thirty-five (35) calendar days after the date of recordation of the Notice of Completion, if no claims are filed against the project, and do not authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system. *This alternative will result in delaying payment to the Contractor, delaying acceptance of the improvements into the CSD's maintained system, and incurring extra cost to the City.*

MV00063632

FISCAL IMPACT

This project is included in the Fiscal Year 2009-2010 Capital Improvement Project Budget and is funded with Community Development Block Grant (CDBG) funds (Fund 282). Funding for maintenance is included in the Parks and Community Services District's Fiscal Year 2009/2010 budget, and proposed for the Fiscal Year 2010/2011 budget.

AVAILABLE BUDGETED FUNDS:

Fiscal Year 2009/2010 Funds (Account 282.68628)	$397,297

CONSTRUCTION RELATED COSTS:

Construction	$246,000
City Purchased Equipment and Play Apparatus for Contractor Installation	$56,000
Construction Geotechnical Services	$6,000
Construction Survey Services	$16,000
Project Administration*	$70,000
Total Construction Related Costs	$394,000

* Including: project construction management, reproduction, bid, award, and project closeout efforts

CITY COUNCIL GOALS

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

COMMUNITY IMAGE, NEIGHBORHOOD PRIDE AND CLEANLINESS:
Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts (including home rehabilitation) and neighborhood restoration.

SUMMARY

Desert Concepts Construction, Inc. has completed the Patriot Park Improvements Project. The City Council is requested to accept the work as complete, direct the City Clerk to record the Notice of Completion, authorize the release of retention to Desert Concepts Construction, Inc., and authorize the President of the Board of Directors of the CSD to accept the improvements into the CSD's maintained system.

AGENDA DATE: June 22, 2010

TITLE: 2010 MORENO VALLEY ELECTRIC UTILITY TEN (10) YEAR ENERGY EFFICIENCY PORTFOLIO PLAN AS REQUIRED BY ASSEMBLY BILL 2021 (AB 2021)

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Adopt the 2010 Moreno Valley Utility 10-Year Energy Efficiency Portfolio Plan as Required by AB 2021.

2. Approve Resolution 2010-58 adopting the 2010 the Moreno Valley Utility Energy Efficiency Targets.

BACKGROUND

California Assembly Bill 2021 (AB 2021) (Levine, Chapter 734, Statutes of 2006) was signed into law in September 2006. The statute requires that the California Energy Commission (CEC), in conjunction with the California Public Utility Commission (CPUC), and local publicly-owned utilities (POUs), develop statewide estimates for energy efficiency targets in a public process. AB 2021 applies to all POUs in California. Pursuant to the statute, POUs must: 1) Identify all potentially achievable, cost-effective energy efficiency savings; 2) Establish annual targets for energy efficiency savings and demand reduction over 10 years; and 3) Report targets, programs, expenditures, results and cost-effectiveness (including methodologies and independent evaluation) to governing members and to the California Energy Commission every three (3) years. POUs are mandated to consider energy efficiency as a preferred resource, estimate energy efficiency potential, and establish targets for achieving that potential.

In response to AB 2021, the members of California Municipal Utility Association (CMUA), Northern California Power Agency (NCPA), and Southern California Public Power Authority (SCPPA) joined together to collaborate on the development of individual utility energy efficiency and demand reduction targets. Initially in 2007, a total of 35 POUs, including MVU, participated in the development of the report. The collaboration included retaining Rocky Mountain Institute (RMI), an independent organization with well-accepted energy efficiency expertise in the energy industry. RMI's role was to establish a common, transparent tool used to determine utility specific energy efficiency projections. RMI's work provided the participating utilities with an independent, defensible methodology for analyzing energy efficiency potentials.

The members of CMUA, NCPA and SCPPA selected Summit Blue Consulting, LLC (now part of Navigant Consulting) as the independent consultant for developing the energy efficiency models for 2010 updates. Workshops were held in late 2009 to help individual POUs update their individual targets for energy efficiency savings. The data for all participating utilities and summaries will be included in a report presented to the CEC from the CMUA in June 2010.

DISCUSSION

The City of Moreno Valley Electric Utility (Moreno Valley Utility or MVU) was established in 2001 and began providing service to customers in 2004. Currently, MVU provides service to over 5,400 customers.

The analytical tool provided by Summit Blue Consulting, LLC was adjusted to the age of the utility and utilized various methods to update the calculations of potential energy savings. The consortium of POUs and two Joint Power Authorities, together with Summit Blue Consulting, LLC, updated methodology, and identified both potential energy efficiency targets and demand reduction targets for each of the participating agencies.

Summit Blue Consulting modified the methodology from the previous report, the 10-year targets are reported at a more specific level. To summarize, MVU's Market Energy Potential averages 26.5 MWh per year, and MVU's Market Demand Potential averages 70.9 kW per year. MVU will pursue the most cost-effective programs and target the loads with the largest potential for reductions. When compared to other established electric utilities, MVU's market potential will be lower because all the buildings in MVU service area meet Title 24 energy requirements.

ALTERNATIVES

1. Adopt 2010 MVU 10-year energy efficiency portfolio plan as required by AB 2021 and approve the proposed resolution accepting the Energy Efficiency Targets developed through a collaboration of the City of Moreno Valley Electric Utility, Summit Blue Consulting LLC, CMUA, NCPA and SCPPA. *The approval of the resolution will have no direct monetary impact to the City.*

MV00063638

2. Do not adopt 2010 MVU 10-year energy efficiency portfolio plan as required by AB 2021 and do not approve the proposed resolution accepting the Energy Efficiency Targets developed through a collaboration of the City of Moreno Valley Electric Utility, Summit Blue Consulting LLC, CMUA, NCPA and SCPPA. *This would result in the city paying an independent consultant for a study to develop energy efficiency targets completely independent of all the other Publicly-Owned Utilities in the State of California.*

FISCAL IMPACT

There is no direct fiscal impact. The cost of the CMUA report is included in the fees MVU pays for membership.

Create a positive environment for the economic development within the community.

RESOLUTION NO. 2010-58

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, TO APPROVE THE UPDATED ENERGY EFFICIENCY TARGETS FOR THE MORENO VALLEY ELECTRIC UTILITY MANDATED BY ASSEMBLY BILL 2021.

WHEREAS, the City of Moreno Valley (the "City"), a municipal corporation, is authorized pursuant to Article XI, Section 9(a) of the California Constitution to establish, purchase, and operate public works to furnish its inhabitants with light, water, power, heat, transportation, or means of communication; and

WHEREAS, on June 26, 2001, the City Council of the City of Moreno Valley approved Resolution No. 2001-33 and, as amended by Resolution 2002-46, authorized the formation of a municipally owned utility for the purpose of providing electrical power, storm water, telephone telecommunications, cable TV, water, natural gas, and sanitary sewer; and

WHEREAS, on September 26, 2006, California Assembly Bill 2021 (Levine) was signed into law which requires Publicly-Owned Utilities (POU) to identify all potentially achievable cost-effective electricity efficiency savings every three (3) years and establish annual targets for energy efficiency demand reduction for the next 10-year period; and

WHEREAS, the California Municipal Utilities Association (CMUA) in partnership with the Northern California Power Agency (NCPA) and the Southern California Public Power Authority (SCPPA) collaborated in the development of individual utility energy efficiency and demand reduction targets and submitted the initial report in 2007; and

WHEREAS, analytical methodology developed originally by Rocky Mountain Institute and followed this year by Summit Blue Consulting (Navigant Consulting) was used by the majority of POU's in California to develop individual targets of reduction and peak demand; and

WHEREAS, the City of Moreno Valley Electric Utility updated the targets set for energy efficiency savings and set achievable goals for reducing peak demand.

AGENDA DATE: June 22, 2010

TITLE: APPROVAL OF A POLICY TO ESTABLISH GUIDELINES FOR THE ETHICAL STANDARDS OF CONDUCT FOR CITY OF MORENO VALLEY OFFICIALS AND EMPLOYEES

RECOMMENDED ACTION

Staff recommends that the City Council approve the Standards of Ethics Policy regarding the conduct of City officials and employees.

BACKGROUND

At the conclusion of the fiscal year 2007-08 comprehensive audit, the City's independent auditor recommended the City adopt and implement an "ethics policy" to guide the conduct of City Officials and employees. The proposed policy was to ensure better internal control of the City's financial transactions.

DISCUSSION

The proposed "Standards of Ethics" Policy (see Exhibit "A" attached) is intended to provide general guidelines for ethical conduct, by setting forth those acts or actions that are incompatible with the best interests of the City and provide positive direction in order to prevent potential conflicts of interests and breach of ethical standards. The guiding principle to be observed is that conflicts of interests are to be avoided in the first place.

The proposed "Standards of Ethics" Policy (the "Policy") defines those individuals affected by the Policy and certain key terms and phrases as well as responsibilities of City offices, specific guidelines, conflicts of interests, procedures (i.e. here to seek advice, what to do if uncertain, how to declare a possible conflict of interest, etc.), and accountability. A number of State of California local government agencies have adopted such a policy since State legislators passed AB 1234.

ALTERNATIVES

1. Approve the proposed "Standards of Ethics" Policy (***Staff recommended action***).

2. Refer the matter back to Staff to explore other options to the proposed "Standards of Ethics" Policy.

3. Take no action. This alternative would be contrary to auditor's recommendation.

FISCAL IMPACT

The proposed Policy will have no fiscal impact on the City's budget.

SUMMARY

The City of Moreno Valley is proposing to adopt a "Standards of Ethics" Policy for the conduct of City officials and employees. The proposed Policy is a guideline to ensure those covered by the Policy minimize conflicts of interests and to recognize when such conduct is contrary to good government and practice.

STANDARDS OF ETHICS

PURPOSE: The purpose of this Administrative Policy is to establish guidelines for ethical standards of conduct which shall govern City of Moreno Valley officials and employees.

This policy is intended to provide general guidelines for ethical conduct, by setting forth those acts or actions that are incompatible with the best interests of the City and provide positive direction in order to prevent potential conflicts of interest and breach of ethical standards. The guiding principle to be observed is that conflicts of interest are to be avoided in the first instance.

DEFINITIONS: City Official : Any person holding a position by election in the service of the City, whether paid or unpaid, and members of any board, committee, or commission thereof.

Employee: Any person, other than a City official, holding a position by appointment or employment in the service of the City, whether paid or unpaid and whether full-time or part-time, career or temporary.

Conflict of Interest: A situation in which an employee or City official makes a decision, participates in making a decision, or uses his or her position to influence the outcome of a decision when it is reasonably likely that the decision will materially affect the financial interest of the employee or City official or a member of their immediate family in a manner different from the way the decision affects the public generally, whether positively or negatively.

Disclosure: Revealing and making known information and/or interest.

Financial interest: As the meaning set out in Section 87103 of the Government Code.

Official Act or Action: Refers to any legislative, administrative, appointive or discretionary act of any City employee or official performed as part of his or her City duties in the course of work performed for the City.

POLICY:

I Organizations Affected:

A. All City officials and employees and all other City of Moreno Valley entities including commissions, Redevelopment Agency and Community Services District.

II Responsibilities of City Office:

A. The policy of the City is that City officials and employees shall observe the highest standards of ethics and discharge faithfully the duties of their offices regardless of personal considerations, recognizing that the public interest must be their primary concern.

B. City officials or employees shall conduct themselves with honesty and integrity so as to maintain public confidence in their performance and public trust in the government they represent. City officials and employees should avoid any participation in transactions or services involving their City duties that could reasonably be

---

perceived to place their personal financial interests in conflict with the City's interests or result in personal financial gain or loss. They shall avoid any appearance of conflict between their City duties and their personal interests.

III **Policy Guidelines:**

A. Officials and employees of a public entity are vested with a public trust to which such individuals owe the highest degree of fidelity. The ethical operation of democratic government requires that public officials and employees be independent, impartial and responsible to the citizens. All decisions and policies must be made in the proper channels of the government structure, and public office may not be used for personal gain.

B. City officials and employees shall not perform, participate in or advise regarding any official act or action in which they know or have reason to know that they have a personal financial interest, including, but not limited to any such act that would be a conflict of interest under the California Fair Political Practices Act and/or any regulation adopted pursuant thereto. A City official or employee will excuse themselves from participating in decisions when their personal or immediate family's financial interests may be affected by their decision.

C. City officials and employees shall request, use, permit the use of City property or resources, including the work of City officials or employees, only to carry out the duties of their City employment or position, or as authorized by City ordinances, resolutions or written policies.

D. City officials and employees will treat each other and the public with patience, courtesy and civility, even when there are disagreements on what is best for the community.

E. All individuals and organizations shall receive fair and equal treatment. A City official or employee shall not grant to any member of the public or any other organization any consideration, treatment or advantage that is not available to any other member of the public or other organization except in accordance with City policies regarding partnerships, joint ventures and/or sponsorships officially recognized by the City. This provision shall not be construed to prohibit City officials and employees from responding to requests from colleagues as a matter of professional courtesy.

F. City officials and employees will promote full participation and public involvement in the City's decision-making processes and will obey and encourage compliance with all laws and regulations relating to open meetings and access to public records. All persons will be treated in a fair and equitable manner and decisions will be based on the merits of the issue. All substantive information that is relevant to a matter under consideration from sources outside the public decision-making process will be shared with all governing board members and staff. City officials and employees will contribute to a strong organization that exemplifies transparency and open communication.

G. City officials and employees will not knowingly use false or inaccurate information to support any position or opinion. All will safeguard the ability to make independent, objective, fair and impartial judgments by avoiding financial relationships and transactions that may compromise or give the appearance of compromising objectivity, independence and honesty.

H. City officials and employees should act reasonably to avoid either the actuality or the appearance of undue influence, conflicts of interest, nepotism or favoritism.

STANDARDS OF ETHICS

IV. Conflicts of Interests:

A. Specific conflicts of interest are enumerated below for the guidance of employees and City officials. This list is merely illustrative and not exclusive:

1. **Gifts and Favors.** City officials and employees shall not take special advantage of services or opportunities for personal gain, by virtue of their position with the City, which is not available to the public in general. They shall refrain from accepting any gifts, favors or promises of future benefits that would violate the law or might compromise their independence of judgment or action to give the impression of being compromised.

2. **Confidential or Privileged Information**. City officials and employees shall respect the confidentiality of information and shall refrain from disclosing confidential or privileged information without legal authority, nor use such information to advance their financial or other private interests. (Gov. Code Section 1098)

3. **Outside or Incompatible Employment**. City officials and employees are expected to devote their best efforts to the interests of the work of the City. Therefore, City officials and employees who are paid in whole or in part by the City shall not engage in or accept other employment or render services to other interests when such employment or service would be incompatible with or would create a conflict of loyalties with regard to the proper discharge of his or her official City duties.

4. **Use of Public Resources**. City officials and employees will not use public resources such as staff time, equipment, supplies or facilities for private gain or personal purposes. All will demonstrate concern for the proper use of City assets and follow established procedures for their use.

5. **Future Employment**. A former City official or employee shall not, within one year after termination of service or employment, appear before any board, commission, committee, or agency of the City in relation to any case, proceeding, application or contact in which he or she personally participated during the period of his or her service or employment, except in representation or furtherance of the interests of the City.

6. **Political Activity**. A City official or employee shall not promise an appointment to any position with the City as a reward for any political activity. No official or employee shall solicit or participate in soliciting any assessment, subscription or contribution to any political party during working hours or on the premises of any governmental property owned by the City and shall at all times conform to the provisions of all applicable state and federal laws regarding political activities.

7. **Contracts with the City**. City officials and employees cannot be involved in any way, with any contract or sale in which they have a financial interest. This means that officials and employees shall not exercise any decision-making authority over, nor make any recommendations on behalf of or to the City, or otherwise participate in or attempt to influence any City decision with respect to any contract or sale involving the City if that employee is directly or indirectly financially interested in the contract or sale.

8. **Personal Investments**. It shall be improper to make personal investments which could reasonably be expected to create a conflict between private interests and public interests. If a City official or employee has a financial interest in a matter coming before him or her, or before the department in which he or she is employed, the person should disqualify themselves from any participation in the matter.

9. **Representing the Interest of Others**. City officials or employees shall not appear before any agency of the City on behalf of other interests for pay.

10. **Use of Public Resources**. Officials and employees shall not use public resources not available to the public in general, for private or political purposes. Officials and employees will use their title(s) only when conducting official City business. Public resources should only be used for a community event or activity when authorized by the City Council and/or City Manager or his or her designee and only when there is a benefit to the City for the use of such resources.

11. **Cost Control**. To effectively conserve City resources, officials and employees will attempt to use the most economical and cost efficient transportation, lodging, meals, telecommunication, and parking when traveling to conduct City business for which the City may reimburse them.

V **Procedures:**

A. Where to seek advice:

1. City officials or employees who have questions about the ethics of an action or situation should discuss the matter with their supervisors, Human Resources staff, City Manager, Assistant City Manager, Deputy City Manager or City Attorney.

B. What To Do If Uncertain:

1. An ethical issue may not arise until a situation is underway. In such cases, there may not be time to contact someone for advice. Rather than risk a violation of the ethics policy, the safest course of action for the City official or employee is simply to declare that a conflict may exist that prevents him or her from participating, then follow the procedures of this policy to receive guidance on the proper course of action.

C. How To Declare a Possible Conflict of Interest:

1. Officials or Employees who believe they may have a conflict of interest should immediately advise their supervisor, Human Resources staff, City Manager, Assistant City Manager, Deputy City Manager or City Attorney.

2. City officials or employees who believe they may have a conflict of interest should immediately announce the possible conflict in the official records of the City and refrain from any further participation in the matter.

D. How To Handle or Report a Possible Conflict of Interest:

STANDARDS OF ETHICS

1. City officials and employees have a duty to prevent and report possibly unethical or illegal action. City officials and employees who know of such action and do nothing also act unethically. Therefore, City officials and employees are obligated to counsel an official or employee who is engaged or is about to engage in unethical behavior. If counseling is not effective, City officials and employees are obligated to report the unethical behavior.

   a. City employees should notify their supervisor or other management staff within the department, Human Resources staff, City Manager, Assistant City Manager, Deputy City Manager or City Attorney. City officials should notify the City Manager, Assistant City Manager, Deputy City Manager or City Attorney.

   b. City Officials and employees shall never attempt to use their authority or influence for the purpose of intimidating, threatening, or influencing any person with the intent of interfering with the individual's duty to disclose unethical or illegal actions. Further, City officials or employees shall not attempt to use their authority or influence for the purpose of retaliation against another City official or employee who reports unethical or illegal behavior.

   c. All attempts will be made to keep confidential the identity of a City official or employee who reports unethical behavior, however, there can be no guarantees in the event of administrative, criminal or civil proceedings and/or investigations.

VI **Accountability:**

A. Adherence to the standards of ethics:

1. Will be considered in evaluating the job performance of City employees and those City officials who are subjected to performance reviews. Violations of the standards of this policy will be measured against a "reasonable person" standard. Violations of this policy may subject City officials and employees to a variety of penalties, including employee discipline or termination of employment, depending on the specifics of the situation.

Report to City Council

TO: Mayor and City Council

FROM: Kyle Kollar, Interim Community Development Director

AGENDA DATE: June 22, 2010

TITLE: Resolution to ratify the application for the Edward Byrne Memorial Justice Assistance Grant and to accept the $110,266 allocation to the City.

RECOMMENDED ACTION

Staff recommends that the City Council approve Resolution 2010-59 to ratify the application by the Code & Neighborhood Services Division for the Edward Byrne Memorial Justice Assistance Grant and to accept the $110,266 allocated to the City.

BACKGROUND

The U.S. Department of Justice, through the Office of Justice Programs, provides federal leadership for the development of the nation's ability to prevent and control crime. This is carried out through the formation of partnerships with other federal, state and local agencies. Additionally, the Office of Justice administers grants that assist states, tribes and local governments to focus on programs that address youth crime, substance abuse, family violence and other enforcement programs. The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows jurisdictions to support activities that prevent and control crime. This includes support for programs that address various enforcement needs, the prosecution of offenders, crime prevention and education of the community.

In 2010, the JAG program has allocated $110,266 to the City of Moreno Valley for programs with an emphasis on crime prevention through enforcement efforts. The Code and Neighborhood Services Division is proposing to apply for these funds to hire part time code enforcement personnel whose efforts would be primarily focused on foreclosure enforcement activities and also for the continuation of the Graffiti Tracker contract services.

DISCUSSION

The City of Moreno Valley has been heavily impacted by the foreclosure crisis for the last two years. In response to this, the City Council directed the Code and Neighborhood Services Division to assemble a proactive team of inspectors to address unmaintained foreclosed properties. The team was composed of two Building Inspectors and two Code Compliance Officers responsible for addressing property maintenance issues at affected properties.

However, the City's budget challenges have led to reduced staffing within the Division. These reductions have challenged staff's ability to pursue foreclosure compliance activities as vigilantly as before.

Therefore, staff is proposing to utilize a portion of the 2010 JAG grant funds to augment current staffing levels. Staff is recommending funds be utilized to hire two part-time officers who would be deployed to conduct proactive inspections of foreclosed properties citywide.

In addition, staff is proposing to apply the remainder of funds to continue contract services with Graffiti Tracker Incorporated (GTI).

(GTI) utilizes the combination of GPS technology and web based software to provide superior graffiti data retention services. GTI's staff analyzes photographs provided by City staff, identifies the gang moniker, categorizes, determines abatement cost and stores photographic images on their website for reference.

City personnel are able to search the organized database to determine patterns of graffiti vandalism. Determining these patterns can assist law enforcement to concentrate their resources accordingly and ultimately result in more targeted police efforts and enhanced restitution.

FISCAL IMPACT

The grant funding will provide for the hiring of part time code enforcement personnel. Grant funding would cover all costs associated with these part time personnel and/or contract services; there would be no impact on the City general fund. The grant funds would be deposited in a separate account and identified with a separate expenditure number.

STAFF RECOMMENDATION

Staff recommends that the City Council approve Resolution 2010-59 to authorize the submission of a code enforcement grant application to the U.S. Department of Justice, Bureau of Justice Assistance.

Program Narrative

The City of Moreno Valley Code and Neighborhood Services Division is responsible for the enforcement of City's municipal codes relating to neighborhood nuisances, health and safety, substandard housing, vehicle abatement, zoning/land use, illegal signs, parking control, business licenses, illegal vendors and graffiti restitution. Blight and nuisances can devalue, detract and degrade the quality of any neighborhood. The City has adopted codes that govern the use and maintenance of private property in order to enhance and protect the quality of life for all who work, live and play in Moreno Valley.

The City of Moreno Valley has been heavily impacted by the foreclosure crisis for the last two years. In response to this, the City Council directed the Code and Neighborhood Services Division to assemble a proactive team of inspectors to address unmaintained foreclosed properties. The team was composed of two Building Inspectors and two Code Compliance Officers responsible for addressing property maintenance issues at affected properties.

However, the City's budget challenges have led to reduced staffing within the Division. These reductions have challenged staff's ability to pursue foreclosure compliance activities as vigilantly as before.

Budget Review

The City of Moreno Valley's Code and Neighborhood Services Division is proposing to use JAG funds for two City programs; the foreclosure enforcement program and the graffiti abatement program.

Staff plans to utilize JAG funds to augment current staffing levels of the City's proactive foreclosure program. Code staff has researched the approximate cost for staffing and additional costs. Staff has attached all related costs such as standard equipment for field personnel and supplementary costs such as gasoline and vehicle maintenance within the Budget Detail Worksheet as per JAG requirements.

In addition, Staff is proposing to utilize funding to continue contract services with Graffiti Tracker Incorporated (GTI) for a term of seventeen (17) months. The monthly costs to GTI are constant and based upon the number of graffiti occurrences categorized and stored within their database monthly.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

A. Personnel - List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

Name/Position	Computation	Cost
Code Compliance Officer I	18 hrs. weekly X 52 weeks = 936 hrs. X 21.67 an hour	$20,283.00
Code Compliance Officer I	18 hrs. weekly X 52 weeks = 936 hrs. X 21.67 an hour	$20,283.00

SUB-TOTAL $40,566.00

B. Fringe Benefits - Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Workman's Compensation, and Unemployment Compensation.

Abstract

Applicant's Name: City of Moreno Valley, CA

Title of Project: Foreclosure Enforcement and Graffiti Abatement Program

The City of Moreno Valley's Code and Neighborhood Services Division is proposing to utilize JAG grant funds for the purpose hiring part time staff for foreclosure enforcement. The new staff members would improve code's ability to respond to unmaintained foreclosed properties. Staff is also proposing to direct funds towards the continued financial support of the City's contract graffiti retention database. The continuation of this contract is essential to the success of the City's graffiti abatement program in regards to the apprehension of graffiti vandals and restitution efforts.

Goals and Objectives:

- Create a trust fund to deposit allocated funds.
- Conduct recruitments for two part time Code Enforcement Officer I positions with an approximate start date of January 2011.
- The enforcement program implemented will focus on foreclosure enforcement activities described above in effort to reduce blight.
- Augment existing staff and better direct division focus towards property maintenance efforts in blighted residential areas.
- Utilize the graffiti categorization efforts to increase the arrest and conviction rates of graffiti vandals.
- Conduct quarterly programmatic and financial reports to assess grant objectives,and verify that grant funds are being utilized appropriately and efficiently.
- Complete the dispersing of funds in a timely manner within the four year allocation.

TITLE: AUTHORIZATION TO AWARD THE CONSTRUCTION CONTRACT FOR AUTO MALL FREEWAY PYLON SIGN PROJECT
PROJECT NO. 08-89791725

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder.

2. Authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency.

3. Authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City Attorney.

Staff recommends that the Community Redevelopment Agency:

1. Accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto.

2. Authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency.

3. Authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725)

BACKGROUND

The preliminary engineering and conceptual design plan for the Auto Mall Improvements was awarded to VA Consulting, Inc. by the City Council at its meeting on September 23, 2008. On January 13, 2009, the City Council approved the Auto Mall Improvements Project as part of the reprioritization of Capital Projects to be funded by 2007 RDA Bonds. A final conceptual plan to rejuvenate the mall was presented to the City Council Study Session on March 17, 2009 and was approved for final design. VA Consulting, Inc. was authorized to proceed with the final design plans and specifications by the City Council at its meeting on April 28, 2009. The major elements of the plan consist of sign monuments, vehicle display areas and landscaping enhancement of Auto Mall Drive. The pylon sign is the first improvement in the two-phase conceptual improvement plan.

DISCUSSION

The Moreno Valley Auto Mall is currently comprised of five (5) auto dealerships and six (6) vacant parcels. The City and the Redevelopment Agency have been working with the Auto Mall dealers to explore various ways to increase business advantages by creating attractive visual displays of dealer products and other aesthetic elements. The goal is to help provide increased awareness and interaction between prospective customers and business owners. The increase in Auto Mall business has the potential to increase additional opportunities for employment and enhance other long term related business benefits for the local community.

The pylon sign is an integral element of the conceptual plan. The sign is located on the south side of the SR60 freeway, east of Moreno Beach Drive. This project will replace the existing aged and worn freeway sign with a new up-to-date high-tech two- (2) sided sign that includes a larger video display. The sign will be, in conformance with the "Specific Plan #5 Sign", 31 feet wide and stand approximately 85 feet in height, as seen from the freeway.

The new pylon sign will enhance awareness of the Auto Mall's location from both directions of the freeway with its highly visible color video display, which measures approximately 21 feet high by 29 feet wide. To augment awareness of the Auto Mall dealers, there will be eight (8) large dealership panels below the video display.

MV00063674

This project was determined to be "Categorical Exemption" (CE) pursuant to Section 15311, "Accessory Structures" and Section 15301, "Existing Facilities", of the State CEQA Guidelines.

The project was advertised for bids on April 22, 2010. Formal bidding procedures were followed in conformance with the Public Contract Code (PCC) and the City Clerk opened bids at 2:00 p.m., on May 25, 2010, for the subject project.

Six (6) valid bids received are as follows:

	CONTRACTORS	Bid Amount
1.	**San Pedro Sign Company**	**$706, 716.00**
2.	National Sign & Marketing Corp.	$719,814.00
3.	Sign Industries, Inc.	$756,898.65
4.	YESCO	$777,915.00
5.	Flouresco Lighting & Signs	$948,769. 00
6.	Ad Art, Inc.	$1,146,180.00
	Engineer's Estimate	$1,218,200.00

Staff has reviewed the bid by San Pedro Sign Company and finds it to be the lowest responsible bidder in possession of a valid license and bid bond. No outstanding issues were identified through the review of the references submitted by San Pedro Sign Company.

The project was bid on the basis of a Base Bid and one (1) Additive Alternate "A" Bid. The Base Bid includes the design, manufacturing, and installation of the pylon sign. Additive Alternate Bid "A" includes a stone veneer base and extended sign programming maintenance warranty and service agreement. The bid documents stipulated that the low bidder would be determined on the basis of the total of the Base Bid and the Additive Alternate Bid. Staff recommends, and this Report reflects, the award of the Contract to cover the Base Bid plus the Additive Alternate Bid "A" option.

The requested subsequent assignment of the contract from the City to the Community Redevelopment Agency will obligate the RDA funds and not the General Fund.

ALTERNATIVES

1. Award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder; authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency; authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City

MV00063675

Attorney; accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto; authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency; authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725) *This alternative will allow for much needed improvements*.

2. Do not award the construction contract for the Auto Mall Freeway Pylon Sign Project to San Pedro Sign Company, 701 Lakme Avenue, Wilmington, CA 90744, the lowest responsible bidder; do not authorize the City Manager to execute the contract with San Pedro Sign Company, in the form attached hereto, and to subsequently assign said contract to the Community Redevelopment Agency; do not authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract with San Pedro Sign Company, up to but not to exceed the Purchase Order contingency of $106,008, subject to the approval of the City Attorney; do not accept the assignment of the contract with San Pedro Sign Company from the City in the form attached hereto; do not authorize the City Manager, acting in his capacity as the Executive Director of the Community Redevelopment Agency of the City of Moreno Valley, to execute the Assignment Agreement in the form attached hereto on behalf of the Community Redevelopment Agency; do not authorize the issuance of a Purchase Order to San Pedro Sign Company in the amount of $812,724 ($706,716 for the Base Bid and Additive Alternate "A" plus $106,008 for the 15% contingency) when the contract has been signed by all parties. (Account Number 897.91725) *This alternative will delay the completion of much needed improvements.*

FISCAL IMPACT

The Moreno Valley Auto Mall Improvements construction phase of this project is included in Fiscal Year 2009-2010 Budget and is funded by Fund 897 (RDA 2007 Tax Allocation Bonds). **These funds have been allocated for the Moreno Valley Auto Mall Improvements project and cannot be utilized for operational activities.** There is no impact on the General Fund.

Create a positive environment for the development of Moreno Valley's future.

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

SUMMARY

The proposed project constructs a new pylon sign for the Moreno Valley Auto Mall. The sign will enhance awareness of the Auto Mall's location from both directions of the freeway and will provide the opportunity for increased business by creating attractive aesthetic elements. The City Council is requested to approve the award of the construction to San Pedro Sign Company and the Community Redevelopment Agency is requested to accept the assignment of the construction contract to San Pedro Sign Company and to issue a Purchase Order in the amount of $812,724.

NOTIFICATION

Adjacent property owners, law enforcement, fire department and other emergency services responders in the area will be notified of the proposed construction.

AGREEMENT

PROJECT NO. ED-09-89791725

CITY OF MORENO VALLEY AUTO MALL
FREEWAY PYLON SIGN PROJECT

THIS Contract Agreement, made and entered into as of the date signed by the City Manager of the City of Moreno Valley, by and between the City of Moreno Valley, a municipal corporation, County of Riverside, State of California, hereinafter called the "City" and **San Pedro Sign Company** hereinafter called the "Contractor."

That the City and the Contractor for the consideration hereinafter named, agree as follows:

1. The written Agreement includes all of the following:
   a. Any and all Contract Change Orders issued after execution of this Agreement
   b. Addenda Nos. **2** inclusive, issued prior to the opening of the Bids
   c. The bound Bid Documents
   d. The Special Provisions which include the General Provisions and Technical Provisions, all of which are parts of this Agreement
   e. The project Plans
   f. The Standard Plans
   g. The Standard Specifications
   h. Reference Specifications, all of which are essential parts of this Agreement
   i. The Bidder's Proposal which includes the Bidder's Bond and Noncollusion Affidavit

In the event of any conflict in the provisions thereof, the terms of said Bid Documents as set forth above shall control, each over the other, in the order provided. The above items are incorporated in this Agreement as though set forth in full.

2. The Contractor shall furnish all materials, tools, equipment and labor, except as otherwise provided in the Plans or Special Provisions, and will perform all the work which is necessary to complete in a good, workmanlike and substantial manner the above said project in accordance with the Contract documents for this project, the Contract documents which are hereby specifically referred to and by such reference made a part hereof.

3. The City will pay the Contractor and the Contractor agrees to receive and accept the prices set forth in the Bid Schedule as full compensation for the work required under the bid items awarded by the City, to wit, the Base Bid Item(s) and Additive Bid Item(s) in the sum total amount of **$706,716.00,** subject to additions or reductions of the quantities of the various bid items at the unit prices bid, for furnishing all materials and for doing all the work contemplated and embraced under this Contract Agreement; for all loss or damages arising out of the nature of the work aforesaid, or from the action of the elements, or from any unforeseen difficulties or obstructions which may arise or be encountered in the prosecution of the work, until the work is accepted by the City Council; for all expenses incurred by or in consequence of the suspension or discontinuance of work; and for well and faithfully completing the work, the whole thereof, in the manner and in accordance with the Contract documents therefore and the requirements of the Engineer under them.

4. The Contractor hereby agrees to commence work pursuant to this Contract within fourteen (14) calendar days after the date of authorization specified in the Notice to Proceed. The Contractor agrees to diligently prosecute the contracted work, including corrective items of work, day to day thereafter, to completion, within **ONE HUNDRED SIXTY-FIVE (165) working days** after said date in the first "Notice to Proceed," except as adjusted by subsequent Contract Change Order(s).

5. The City and Contractor hereby agree that in case all construction called for under the Contract is

not completed within the time hereinabove specified, including City caused delays or extensions, damages will be sustained by the City and that, it is and will be impracticable or extremely difficult to ascertain and determine the actual amount of damages the City will sustain in the event of, and by reason of, such delay.

It is, therefore, agreed that such damages shall be presumed to be in the amount of $600.00 per calendar day, and that the Contractor will pay to the City, or City may retain from amounts otherwise payable to Contractor, said amount for each calendar day by which the Contractor fails to complete the work, including corrective items of work, under this Contract Agreement within the time hereinabove specified and as adjusted by Contract Change Order(s). The Contractor will not be assessed liquidated damages for delay(s) occasioned by the failure of the City or of the owner of a utility to provide for the removal or relocation of utility facilities.

6. The Contractor shall name as additional insured, the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), and shall furnish the City with a certificate of insurance evidencing liability insurance policy or policies which shall provide coverage for owned and non-owned automobiles; manufacturers and Contractor's liability; broad form property damage in any case where the Contractor has any property belonging to the City in his care, custody or control; owners and Contractor's protective liability; blanket contractual liability; products and completed operations coverage; coverage for collapse, explosion, and where any excavation, digging or trenching is done with power equipment; and shall bear an endorsement containing the following Provisions:

> Solely as respect to work done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), its officers, employees and agents, are added as additional insured under this policy and the coverage provided hereunder shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, California, the Community Redevelopment Agency of the City of Moreno Valley, and the Moreno Valley Community Services District, its officers, employees and agents; under any third party liability policy.
>
> It is further agreed that the other insurance provision(s) of the policy are amended to conform therewith.

The endorsements shall be signed by a person authorized by the insurer to bind coverage on its behalf. Insurance companies providing insurance here under shall be rated (A minus: VII - Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

The terms of the insurance policy or policies issued to provide the below insurance coverage(s) shall not be amended or canceled by the carrier without thirty (60) days prior written notice by certified or registered mail of amendments or cancellation to the City. In the event the said insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the City Clerk new evidence of insurance in the amounts established.

All liability insurance policies shall bear an endorsement or shall have an attached rider which provides that the City of Moreno Valley will be notified by certified or registered mail at least 60 days prior to the effective date of cancellation, non-renewal, or material alteration of such policy.

All liability insurance shall cover comprehensive general liability for both bodily injury (including death) and property damage, including but not limited to aggregate products, aggregate operations, aggregate

protective and aggregate contractual with the following minimum limits:

	Each Person	Each Occurrence	Aggregate
Bodily Injury	$500,000.00	$2,000,000.00	$2,000,000.00
Property Damage	---	$2,000,000.00	$2,000,000.00

A combined single limit for Bodily Injury Liability and Property Damage Liability of $2,000,000.00 for each occurrence will be considered equivalent to the above minimum limits for Comprehensive General Liability.

Property Damage Insurance shall cover full replacement value for damages to any property caused directly or indirectly by or from acts or activities of the Contractor or its sub-contractors or any person acting for the Contractor or under its control or direction.

The Contractor shall procure and maintain, at its sole expense, and throughout the term of this Contract Agreement and any extension thereof, Public Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated. Such coverage limits shall not be less than $1,000,000 combined single limit.

Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City, its officers, officials, employees and volunteers; or the contractor shall procure a bond guaranteeing payment of losses and related investigation, claim administration, and defense expenses.

The Contractor shall also furnish the City with a certificate evidencing Worker's Compensation Insurance with limits as established by the State of California.

The Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

7. The Contractor hereby agrees to provide and maintain in effect two (2) good and sufficient Surety Bonds for one hundred percent (100%) each of the contract price. The bonds shall be a "Faithful Performance Bond" which shall guarantee the faithful performance of all work and a "Labor and Materials Payment Bond" which shall secure the payment of the claims of labor, mechanics, or material for all work under the Contract pursuant to Section 3247 of the Civil Code.

8. The Contractor, the Contractor's heirs, executors, administrators, successors, or assigns guarantee that all work performed under this Contract fully meets the requirements thereof as to quality of workmanship and materials furnished. If any defects in materials or workmanship become evident within a period of one year from the date of the acceptance of the work by the City Council, the Contractor shall, at his or her own expense, make any repair(s) or replacement(s) necessary to restore the work to full compliance with the Plans and Specifications.

9. The Contractor and any agents or subcontractors of the Contractor shall pay the prevailing rates of per diem wages established by the California Department of Industrial Relations. The Contractor and any agents or subcontractors of the Contractor shall also adhere to the California Labor Code, Division 2, Part 7, "Public Works and Public Agencies," and the California Administrative Code, Title 8, Group 3, "Payment of Prevailing Wages upon Public Works," all of which are made a part of the Contract documents.

10. The Contractor agrees that he or she and its subcontractors shall maintain and keep books, payrolls, invoices of materials, records on a current basis, and recording all transactions pertaining to this Agreement in a form in accordance with generally acceptable accounting principles. Said books and records shall be made available to the City of Moreno Valley, County, the State of California, the Federal Government and to any authorized representative thereof for purposes of audit and inspection at all reasonable times and places. All such books, payrolls, invoices of materials, and records shall be retained for such periods of time as required by law, provided, however, notwithstanding any shorter period of retention, all books, records, and supporting detail shall be retained for a period of at least three years after expiration of the term of this Agreement.

11. Pursuant to California Public Contract Code Section 22300, the Contractor will be permitted the substitution of securities for any monies withheld by the City of Moreno Valley to ensure performance under Contract. At the request and expense of the Contractor, securities equivalent to the amount withheld shall be deposited with the City of Moreno Valley, or with a state or federally chartered bank as the escrow agent, who shall pay such monies to the Contractor. Securities eligible for substitution under this section shall include those listed in Section 16430 of the Government Code, bank or savings and loan certificates of deposit, interest-bearing demand deposit accounts, and standby letters of credit. The Contractor shall be the beneficial owner of any securities substituted for monies withheld and shall receive any dividends or interest thereon. The Contractor shall give the City written notice within thirty (30) days after the Contract is awarded that it desires to substitute securities for money that would ordinarily be withheld. If the substituted securities are deposited into an escrow, the escrow shall be governed by a written escrow Contract Agreement in a form which is substantially similar to the Contract Agreement set forth in Section 22300, of the Public Contract Code.

12. The Contractor agrees to indemnify, defend, and save the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley (RDA), the Moreno Valley Community Services District (CSD), its officers, agents, employees, representatives and consultants harmless from any and all liability, claims, damages or injuries to any person, including injury to the Contractor's employees and all claims which arise from or are connected with the negligent performance of or failure to perform the work or other obligations of this Contract Agreement, or are caused or claimed to be caused by the negligent acts of the Contractor its officers, agents, employees, sub-contractors or suppliers, and all expenses of investigating and defending against the same; provided, however, that this indemnification and hold harmless shall not include any claims arising from the sole negligence or willful misconduct of the City, RDA, and CSD, its officers, agents, or employees.

The obligation to indemnify, defend and hold harmless set forth herein shall include, without limitation, any and all attorney's fees incurred by the party to be indemnified, defended, or held harmless, whether in a judicial or administrative action or in arbitration, and whether the issue is between the parties or involves one or more third parties.

13. The parties do for themselves, their heirs, executors, administrators, successors and assigns agree to the full performance of all of the provisions herein contained. The Contractor may not, either voluntarily or by action of law, assign any obligation assumed by the Contractor hereunder without prior written consent of the City.

14. Should either party bring any legal or equitable action for the purpose of protecting or enforcing its rights under this Contract Agreement, the prevailing party in such action shall recover in addition to all other relief, its reasonable attorney's fees and court costs to be fixed by the court.

In addition to the foregoing award of attorney's fees, the prevailing party shall be entitled to its attorneys' fees incurred in any post judgment proceedings to enforce any judgments in connection with this Contract Agreement. The Provision is separate and several and shall survive the merge of this Provision into any judgment.

15. By my signature hereunder, as Contractor, I certify that I am aware of the Provisions of Section 3700, of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the Provisions of that code, and I will comply with such Provisions before commencing the performance of the work of this Contract.

16. The effective date of this Contract Agreement shall be the date of the Award of Contract by the City of Moreno Valley.

17. Contractors are required by law to be licensed and regulated by the Contractors' State License Board. Any questions concerning a Contractor may be referred to the Registrar, Contractors' State License Board, 3132 Bradshaw Road, Sacramento, CA 95826. Mailing address: P.O. Box 26000, Sacramento, CA 95826.

Report to City Council

TO: Mayor and City Council, and the Mayor and City Council, acting in their capacity as President and Board of Directors for the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: June 22, 2010

TITLE: Authorization to Close Public Streets for the Independence Day Festivities on Saturday, July 3, 2010 and Sunday, July 4, 2010.

RECOMMENDED ACTION

Staff recommends that the City Council and the Mayor and the President and Board of Directors for the Moreno Valley Community Services District:

1. Authorize the closure of the following streets between the hours of 7:00 a.m. and 12:00 noon for the purpose of conducting the Fourth of July Parade scheduled to take place on July 3, 2010.

    a. TownGate Boulevard between Frederick Street, Eucalyptus Avenue and Memorial Way;
    b. Frederick Street between Centerpointe Drive and Cactus Avenue;
    c. Cottonwood Avenue between Pan Am Boulevard and Dunhill Drive;
    d. Eucalyptus Avenue between Pan Am Boulevard and Kochi Drive;
    e. Dracaea Avenue between Pan Am Boulevard and Kochi Drive;
    f. Atlantic Circle east of Frederick Street;
    g. Brabham Street between Frederick Street and Andretti Street;
    h. TownGate Boulevard between Frederick Street and Heritage Way;
    i. Bay Avenue between Kristina Court and Courage Street;
    j. Alessandro Boulevard between Chagall Court and Elsworth Street;
    k. Alessandro Boulevard between Joy Street and Cactus Avenue;
    l. Resource Way between Frederick Street and Corporate Way;
    m. Corporate Way between Calle San Juan de Los Lagos and Resource Way;

n. Calle San Juan de Los Lagos between Frederick Street and Veterans Way;
o. Veterans Way between Cactus Avenue and Alessandro Boulevard;
p. New Hope between Veterans Way and Elsworth; and
q. Heritage Way between TownGate Boulevard and Town Circle.

2. Authorize the closure of the following streets to through traffic, to remain open only to residents, between the hours of 11:00 a.m. and 9:00 p.m. for the purpose of conducting the Fourth of July Festival and Fireworks Program scheduled to take place on July 4, 2010.

a. Petaluma Avenue between Napa Valley and Morrison Street;
b. Napa Valley between Dracaea Avenue and Petaluma Avenue;
c. Lakeport Drive at Cottonwood Avenue;
d. Burney Pass Drive between Cottonwood Avenue and Dracaea Avenue;
e. Rockport Drive between Yuba Pass Road and Morrison Street;
f. Dracaea Avenue between Morrison Street and Nason Street;
g. Letterman Street at Cottonwood Avenue;
h. Athletics Drive at Cottonwood Avenue; and
i. Mascot Lane at Dracaea Avenue.

The streets closed to through traffic are to prevent overflow parking from the fireworks program into residential areas. Also, for a short period and immediately following the fireworks display, staff recommends that the City Council authorize one-way traffic on various streets in the vicinity of Morrison Park as directed by the Moreno Valley Police Department.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

For the past 24 years, the City has sponsored the Independence Day Celebration, which includes the parade, festivities, and fireworks program. Last year's parade was a success with more than 100 entries comprised largely of local businesses, church groups, youth groups, and other non-profit organizations. The proposed parade route is similar to last year's parade route. The parade street closures are similar to the street closures for the 2009 parade route. Approximately 7,000 spectators attended the 2009 Independence Day Parade.

The Independence Day Festival and Fireworks Display were also successful in attracting an estimated 20,000 spectators to Morrison Park and Mountain View Middle School. Those in attendance enjoyed the festival atmosphere throughout the day and the excitement of the fireworks display that evening.

DISCUSSION

The 2010 Independence Day festivities this year will be a two-day celebration. Detailed below is the discussion of the events planned and street closures for the Independence Day Program activities:

1. Parade Discussion

The parade this year will take place on July 3, 2010. Similar to the 2009 parade route, staff is recommending utilizing the parking lot at Gateway Commercial Center (south of City Hall) as parade parking. Parade participants will enter north onto Veterans Way from Golden Crest or Cactus Avenue and check in near San Juan De Los Lagos. Staging for the parade will take place on Calle San Juan de Los Lagos, Corporate Way and Resource Way. The parade route will begin on Frederick Street at Alessandro Boulevard and go north on Frederick Street to TownGate Boulevard, turn west on TownGate Boulevard, turn north onto Heritage Way and disband into the parking lot located between the rear of the Mervyns store and the theater in the TownGate Shopping Center. The parade will begin promptly at 9:30 a.m. and conclude prior to 12:00 noon.

The street closures being requested will allow sufficient time for safe passage during the event for all event participants and spectators. Traffic entering and/or leaving commercial establishments will be restricted during the parade. All barricades at intersections will be removed no later than 12:00 noon. Police officers will be stationed at the following major intersections for safety purposes.

- Cactus Avenue and Frederick Street
- Alessandro Boulevard and Frederick Street
- Cottonwood Avenue and Frederick Street
- Frederick Street and TownGate Boulevard
- TownGate Boulevard and Heritage Way
- Veterans Way and Alessandro Boulevard
- Heritage Way and Town Circle

2. Festival and Fireworks Display Discussion

The second day of the festivities will continue on July 4, 2010 from 2 p.m. - 10:00 p.m. with the Family Fun Fest activities at Mountain View Middle School/Morrison Park. Similar to last year's 2009 festival, the afternoon activities will be held at Mountain View Middle School and Morrison Park. Staff is anticipating approximately 20,000 spectators to attend the festivities. The concert headliner this year is "The Beach Toys" who promises to bring back great memories with "A Tribute to the Beach Boys" and "Paperback Writer who promises to bring back great memories with "A Tribute to the Beatles". The afternoon festivities begin at 2:00 p.m., and will conclude at approximately 9:30 p.m. with the fireworks

MV00063699

display. Activities at the festival also include food, arts and crafts, and non-profit information booths.

Based on past years, the Moreno Valley Police Department and the Transportation Division are recommending closure of the previously mentioned streets to allow sufficient time for safe passage before, during and after the event for all event participants and spectators. All barricades at intersections will be removed no later than 10:00 p.m. Police officers will be stationed at major intersections as directed by the Moreno Valley Police Department.

As part of the Fourth of July planning process, businesses and residents that are potentially affected by the street closures will receive written notification of the street closures scheduled to take place on July 3, 2010 and July 4, 2010.

ALTERNATIVES

1. Approve street closures as outlined above.

2. Provide direction to staff on alternate parade route and/or street closures.

FISCAL IMPACT

The planning and coordinating of this event begin prior to the FY 2010/2011. Funds proposed for the Independence Day Celebration are partially allocated in the Moreno Valley Community Services District Zone A fund FY 2009/2010 and partially allocated in the proposed Moreno Valley Community Services District Zone A fund FY 2010/2011. In an effort to offset expenditures staff has been soliciting sponsors for this event.

CITY COUNCIL GOALS

Not applicable.

SUMMARY

The 2010 Independence Day festivities this year will be a two-day celebration. Staff is requesting that City Council authorize the street closures outlined above for the City's Independence Day Celebration. The parade street closures are similar to the street closures for the 2009 parade route. The parade will take place on Saturday, July 3, 2010 and will step off at 9:30 a.m. from Frederick Street, south of Alessandro Boulevard. The festival will take place on Sunday, July 4, 2010,street closures are similar to the 2009 street closures adjacent to the festival.

TITLE: APPROVE AND AUTHORIZE EXECUTION OF AMENDMENT TO LAKE OR STREAMBED ALTERATION AGREEMENT WITH THE CALIFORNIA DEPARTMENT OF FISH & GAME AND AUTHORIZE PURCHASE ORDER FOR SR-60/NASON STREET INTERCHANGE IMPROVEMENT PROJECT -- PROJECT NO. 98-25897

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Adopt Resolution No. 2010-63, which approves and authorizes the execution of an Amendment to Lake or Streambed Alteration Agreement with the California Department of Fish and Game (CDFG).

2. Authorize the issuance of a purchase order to the Santa Ana Watershed Association (SAWA) for $250,125 ($217,500 plus 15% contingency) for environmental mitigation associated with the SR-60/Nason Street Interchange Improvement Project (Account No. 125.89720).

3. Authorize the Public Works Director/City Engineer to execute the amendment regarding the Lake or Streambed Alteration Agreement.

BACKGROUND

The overall purpose of the Route 60/Nason Street Interchange Improvement Project is to improve the Route 60/Nason Street interchange ramps through reconstruction and realignment, while providing a design that will accommodate future ultimate bridge widening improvements needed to serve anticipated future traffic demand.

On October 30, 2003, Caltrans and the Federal Highway Administration (FHWA) approved a Categorical Exception/Categorical Exclusion (CE/CE) requiring the City to mitigate the permanent impact to 0.58 acres of California Department of Fish and Game (CDFG) jurisdictional drainages and habitat due to the proposed construction.

On April 11, 2006, the City Council adopted Resolution No. 2006-40, approving and authorizing execution of an "Agreement Regarding Proposed Stream or Lake Alteration" with the California Department of Fish and Game (CDFG). The agreement is required as part of the environmental mitigation for the Route 60/Nason Street Interchange Improvement project. Additionally the City Council authorized the Public Works Director to execute the "Agreement Regarding Proposed Stream or Lake Alteration," including any minor amendments. The Council further authorized the Public Works Director to execute a conservation easement deed at a future date.

On December 8, 2009, the City Council authorized the issuance of a purchase order to the San Jacinto Basin Resource Conservation District (SJBRCD) to develop a conservation easement deed agreement and to fund an endowment to maintain and monitor the mitigation area to be constructed by the City for the project. The issuance of a purchase order not to exceed $345,000 was authorized for this purpose. Negotiations were initiated between the City and SJBRCD.

Project plans are 100% complete. Environmental permits for construction have been submitted to and/or received by the appropriate agencies. Utility relocation that must be completed in advance of the interchange construction has been completed. Right-of-way acquisition has also been completed.

DISCUSSION

According to the April 11, 2006 Agreement, the City was required to mitigate permanent impacts resulting from the project by creating a wetland and riparian habitat mitigation area with native riparian plant species and by removing all non-native plants in a designated area of 0.58 acres located north of State Route 60 and east of Nason Street. The area is designated as Open Space/Park area and is owned by the City. The City was required to construct the mitigation area during project construction. Plans and specifications have been completed and are contained within the 100% plans.

Once the mitigation area was to have been constructed and the construction warranty period was completed, the City was required to ensure long-term maintenance to protect the riparian habitat on the site in perpetuity. The City was required to place a conservation easement on the site. The area was to be restricted to habitat protection only and was not allowable as a park or recreation site. The SJBRCD was designated as the appropriate entity to hold the easement and maintain the area. However, during negotiations, it became apparent that the City and SJBRCD would not be able to reach agreement on terms for the proposed Conservation Easement Deed (agreement), including complete, exclusive, cost-effective, long-term maintenance of the area by

MV00063708

SJBRCD. After several months of negotiations, the City approached CDFG and the other resource agencies to evaluate more viable options.

As a result, a new, more viable opportunity for mitigation became available. The City will pay mitigation fees to SAWA to remove tamarisk and invasive plants necessary to enhance wetlands and wildlife habitats at an offsite location in the Badlands area of the San Jacinto Basin. SAWA, a CDFG-sanctioned entity, conducts an in-lieu fee program associated with environmental mitigation efforts. The benefits to the City in paying a fee to SAWA are the elimination of the long-term maintenance burden on the City for the on-site riparian area, the contribution of funds to an established conservation program, and a substantial reduction in the project mitigation cost. Upon payment of the mitigation fee, the resource agencies' concurrence to proceed with construction is achieved. CDFG is expected to issue an amendment that stipulates use of the in-lieu fee program for off-site mitigation. The City Council is requested to authorize the Public Works Director to execute the Amendment to Lake or Streambed Alteration Agreement.

SAWA has provided an estimate of $217,500 based upon the acreage of impacts and a pre-set fee structure. A contingency of up to 15% is included in the event of adjustments. The City Council previously authorized the issuance of a purchase order not to exceed $345,000 for the establishment of the SJBRCD endowment and associated set-up costs. A new purchase order in the amount of $250,125 is requested using the funds released by closing the purchase order with SJBRCD. This action represents a cost savings of approximately $100,000 as well as relief from additional long-term maintenance responsibilities and costs.

ALTERNATIVES

1. Adopt Resolution No. 2010-63, which approves and authorizes the execution of an Amendment to Lake or Streambed Alteration Agreement with the California Department of Fish and Game (CDFG), authorize the issuance of a purchase order to the Santa Ana Watershed Association (SAWA) for $250,125 ($217,500 plus 15% contingency) for environmental mitigation associated with the SR-60/Nason Street Interchange Improvement Project (Account No. 125.89720), and authorize the Public Works Director/City Engineer to execute the amendment regarding the Lake or Streambed Alteration Agreement. *This alternative will enable the City to amend the "Agreement Regarding Proposed Stream or Lake Alteration" with CDFG.*

2. Do not adopt Resolution No. 2010-63, which approves and authorizes the execution of an Amendment to Lake or Streambed Alteration Agreement with the California Department of Fish and Game (CDFG), do not authorize the issuance of a purchase order to the Santa Ana Watershed Association (SAWA) for $250,125 ($217,500 plus 15% contingency) for environmental mitigation associated with the SR-60/Nason Street Interchange Improvement Project (Account No. 125.89720), and do not authorize the Public Works Director/City Engineer to execute the amendment regarding the Lake or Streambed Alteration

Agreement. *This alternative would not allow the City to amend its "Agreement Regarding Proposed Stream or Lake Alteration" with CDFG.*

FISCAL IMPACT

The project is currently funded using federal funds and matching Measure "A" funds (Fund 125). The City has successfully obtained approximately $7.4 million of federal funds, portions of which have been used for design and right-of-way. Remaining construction funding consists of Surface Transportation Program funds, Transportation Efficiency Act of the 21st Century demonstration funds and DIF Interchange funds. It is anticipated the balance of construction will be funded using Measure "A" funds.

All funding sources for this project (Measure "A," Surface Transportation Program, Transportation Efficiency Act, and DIF Interchange funds) are restricted for capital improvements related to transportation projects or for the SR-60/Nason Interchange and cannot be utilized for operational activities. The allocated amounts below are specifically designated for the SR-60/Nason Interchange Improvements Project. There is no impact to the General Fund.

FY 2009/10 BUDGETED FUNDS

TEA 21 Demonstration Funds (125.66929)	$ 4,500,000
STPL Discretionary Funds (125.67029)	$ 1,770,000

CITY COUNCIL GOALS

ADVOCACY:

Develop cooperative intergovernmental relationships and be a forceful advocate of City policies, objectives and goals to appropriate external governments, agencies and corporations.

MV00063710

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

SUMMARY

The City is amending the Lake or Streambed Alteration Agreement entered into with the California Department of Fish and Game. The amendment will allow the City to participate in an in-lieu fee program administered by the Santa Ana Watershed Association. The Council is asked to adopt a resolution authorizing the Public Works Director/City Engineer to execute the Amendment to Lake or Streambed Alteration Agreement and authorize the payment of in-lieu mitigation fees. This action represents a cost savings of approximately $100,000 to the project as well as relief from additional long-term maintenance responsibilities.

RESOLUTION NO. 2010-63

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING AND AUTHORIZING EXECUTION OF THE AMENDMENT TO LAKE OR STREAMBED ALTERATION AGREEMENT BETWEEN THE STATE OF CALIFORNIA, ACTING BY AND THROUGH THE DEPARTMENT OF FISH & GAME, AND THE CITY OF MORENO VALLEY FOR PROJECT NO. 98-25897

WHEREAS, the environmental document for the State Route 60/Nason Street Interchange Improvements requires mitigation for the permanent impact to 0.58 acres of CDFG jurisdictional drainages and habitat by onsite creation of a minimum of 0.58 acres of wetland and riparian habitat within the City of Moreno Valley Open Space/Park area adjacent to the project site, located north of State Route 60 off ramp and east of Nason Street;

WHEREAS, ensuring compliance with the environmental document is made available through an agreement between the State of California and the City of Moreno Valley; and

WHEREAS, the City desires to amend the Lake or Streambed Alteration Agreement entered into on April 11, 2006, Notification No. 6-2003-015 (Revision 6), by submitting an application to participate in an in-lieu fee program instead of constructing a mitigation area adjacent to the project site, located north of State Route 60 off ramp and east of Nason Street.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS: The Amendment to Lake or Streambed Alteration Agreement, Notification No. 6-2003-015 (Revision 6), between the State of California, acting by and through the Department of Fish and Game, and the City of Moreno Valley, for Project No. 98-25897, provides compliance with the environmental document for individual project and said Amendment to Lake or Streambed Alteration Agreement, Notification No. 6-2003-015 (Revision 6) is hereby approved and the Public Works Director shall execute the same on behalf of the City.

ORDINANCE NO. 811

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING CHAPTER 11.04 OF THE CITY OF MORENO VALLEY MUNICIPAL CODE, RELATING TO DRINKING IN PUBLIC AND TRESPASSING OFFENSES AND AMENDING SECTION 6.04.080 RELATING TO NOTICE OF NUISANCE VIOLATIONS

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1. MUNICIPAL CODE AMENDED:

1.1 Chapter 11.04 of the Moreno Valley Municipal code is hereby amended by adding new Section 11.04.065 to read as follows:

"Section 11.04.062 – Drinking in Public.

A. No person shall drink any beverage containing an alcoholic content in excess of one percent by volume upon any public street, sidewalk, alley, park, playground, recreation area or other public place within the City where such premises have not been licensed by the Alcohol, Beverage and Control Department of the State of California, for sale of alcoholic beverages to be consumed on the premises; or upon any private property which is open to the public view without the consent of the owner or person in lawful possession or control of said property.

B. Pursuant to California Business and Professions Code Section 25620, no person shall be in possession of any bottle, can or other receptacle containing an alcoholic beverage which has been opened, or a seal broken, or the contents of which have been partially removed upon any public street, sidewalk, alley, park, playground, recreation area or other public place within the City where such premises have not been licensed by the Alcohol, Beverage and Control Department of the State of California, for sale of alcoholic beverages to be consumed on the premises; or upon any private property which is open to the public view without the consent of the owner or person in lawful possession or control of said property. A violation of this section shall be an infraction.

C. Pursuant to California Penal Code Section 647e, no person shall be in possession of any bottle, can or other receptacle containing an alcoholic beverage

MV00063717

which has been opened, or a seal broken, or the contents of which have been partially removed upon the posted premises of, including the posted parking lot immediately adjacent to, any retail package off-sale alcoholic beverage licensee licensed pursuant to Division 9 of the California Business and Professions Code, or upon any public sidewalk immediately adjacent to the licensed and posted premises. A violation of this section shall be an infraction.

D. A violation of this section may be enforced by the filing of a criminal misdemeanor or infraction citation, or through the issuance of civil citations pursuant to Chapter 1.10 of this Code."

SECTION 2. MUNICIPAL CODE AMENDED:

2.1 Chapter 11.04 of the Moreno Valley Municipal code is hereby amended by adding new Section 11.04.090 to read as follows:

"Section 11.04.090 – Trespass Upon Private Property.

A. Definitions.

1. As used in this Section, "Posted Property" means any property at each corner of which, and at each identifiable road, trail or driveway entering the property, and at intervals of not less than three per mile, a sign of not less than 1 square foot in size is posted and visible containing in legible print not less than two inches in height, the words "PRIVATE PROPERTY – NO TRESPASSING" or words of similar meaning or effect.

2. As used in this Section, "Owner" shall mean the owner of record, the owner's agent, or a lessee or tenant in lawful possession.

B. No person shall remain upon any private property or business premises, after being notified by the owner or by a peace officer acting at the request of the owner to remove therefrom. The owner may make a written request for peace officer assistance in the enforcement of this Section. Such a request shall cover a period of not more than one year and shall specify specific dates, times and locations for which enforcement is requested. Furthermore, the request shall identify any individuals authorized by Owner to be on the premises. During such times and dates, a peace officer may act to remove a trespasser without the necessity of the Owner making a separate request on each occasion when peace officer assistance in dealing with a trespasser is requested.

C. No person, without permission, expressed or implied, from the Owner, shall enter upon private property or business premises after having been notified by the Owner to keep off or keep away therefrom.

D. No person shall enter or remain upon posted property without the permission, expressed or implied, of the Owner of such posted property or premises.

E. This Section shall not apply in any of the following circumstances:

1. Where its application results in or is coupled with any acts prohibited by the Unruh Civil Rights Act or any other provision of law relating to prohibited discrimination against any person on account of color, race, religion, sexual orientation, creed, ancestry or national origin;

2. Where its application results in, or is coupled with, any act prohibited by Section 356 of the California Penal Code or any other provision of law relating to duties of innkeepers and common carriers;

3. Where its application would result in an interference with or inhibition of peaceful labor picketing or other lawful labor activities;

4. Where its application would result in an interference with or inhibition of any other exercise of a constitutionally protected right of freedom of speech; or,

5. Where the person who is upon another's private property or business premises is there under claim or color of legal right."

SECTION 3. MUNICIPAL CODE AMENDED:

2.1 Chapter 11.04 of the Moreno Valley Municipal code is hereby amended by adding new Section 11.04.100 to read as follows:

"Section 11.04.100 – Trespass Upon Public Property.

A. As used in this Section, "City" shall mean the City of Moreno Valley, the Moreno Valley Redevelopment Agency, Community Service Districts and any other public agency formed and/or by the City of Moreno Valley.

MV00063719

B. No person shall remain upon any public park, playground, recreation facility, open space, library, or any other property owned, operated or maintained by the City, after having been found to have violated any City ordinance, resolution, policy, rule or regulation, where that person has been given a warning by authorized City personnel or a peace officer to cease the violation, and where that person continues the violation and has been asked to leave the premises.

B. Any person who has been found by authorized City personnel or a peace officer to have violated any ordinance, resolution, rule or regulation of the City may be banned by said personnel, or a peace officer provided that the violation relates to the facility from which the person has been banned. The violator must be personally served with a letter advising of the ban. The letter shall contain notice of the rule or regulation that was broken and state a specific location from which the individual shall be banned and state a time period, not exceeding one year that the ban will be in effect.

C. No person shall enter or remain upon any City owned or controlled public park, playground, recreation facility, open space, library, or any other property owned, operated or maintained by the City after having been banned therefrom.

D. This Section shall not apply in the following circumstances:

1. Where its application results in or is coupled with any acts prohibited by the Unruh Civil Rights Act or any other provision of law relating to prohibited discrimination against any person on account of color, race, religion, sexual orientation, creed, ancestry or national origin;

2. Where its application would result in an interference with or inhibition of peaceful labor picketing or other lawful labor activities;

3. Where its application would result in an interference with or inhibition of any other exercise of a statutory or constitutional right' or,

4. Where it is necessary for the person to enter City owned or controlled property from which that person has been banned in order to conduct City business but only for as long as necessary to conduct said City business."

SECTION 4. MUNICIPAL CODE AMENDED:

4.1 Chapter 6.04 of the Moreno Valley Municipal code is hereby amended by amending Section 6.04.080 to read as follows:

"Section 6.04.080 - Notification of nuisance.

A. When the city manager or authorized representative thereof determines that any condition on property within the city constitutes a nuisance as declared in Section 6.04.040, such person shall give written notice to abate to responsible person(s), as identified on public records or tax rolls, ordering the abatement of said nuisance.

B. The notice to abate shall contain the following information:

1. The name of the record owner of the property;

2. The date of the inspection;

3. The date of the violation(s);

4. The street address, assessor's parcel number or other definite description of the location where the violation(s) exist;

5. The code sections violated;

6. A description of the condition of the property creating the nuisance;

7. A list of necessary corrections to bring the property into compliance;

8. A reasonable time limit for correction based upon the nature of the nuisance;

9. A reference to the potential consequences for failure to abate the nuisance by the specified time period;

10. An order prohibiting the continuation or repeated occurrence of the nuisance;

11. The name and signature of the enforcement officer; and,

12. Notice of the right to appeal.

C. Notice required by this chapter may be served in any of the following manners:

1. Personal service on the responsible person;

MV00063721

2. Regular mail addressed to the responsible person, at the address shown on the last available assessment roll, or as otherwise known or posting in a conspicuous place on the premises or abutting the right-of-way;

3. Insertion of a legal advertisement at least once a week for a period of two weeks in a newspaper of general circulation in the city. The newspaper advertisement shall be a general notice that property in the city has been posted and contain a general statement of the effect of such postings.

D. Failure of any person to receive a copy of any notice issued pursuant to this chapter shall not affect the validity of any proceedings or actions taken under this chapter.

E. Nothing in this chapter shall be construed or interpreted to require the issuance of a notice to abate as a prerequisite to the issuance of an administrative citation or the filing of any civil action or criminal complaint."

SECTION 5. EFFECT OF ENACTMENT:

5.1 Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

SECTION 6. NOTICE OF ADOPTION:

6.1 Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be publicly posted in three places within the city.

SECTION 7. EFFECTIVE DATE:

7.1 This ordinance shall take effect thirty days after the date of its adoption.

12.14.010 Intent and purpose.

A. It is the intent of this chapter to prescribe the basic regulations for the operation of an official Rotational Tow Service Program in police emergency situations, removal of illegally parked, vehicles that are being operated contrary to law, and/or in the removal of vehicles which are apparently abandoned, or involved in an accident, or which constitute an obstruction to traffic because of mechanical failure.

B. The intent of this chapter is to also establish regulations and procedures for the abatement of abandoned, inoperative and dismantled vehicles as set forth in chapter 11.24 of this code.

C. It is the purpose of the City Council in enacting the ordinance codified in this chapter to provide a fair and impartial means of distributing requests for towing services among qualified firms, and to ensure that such service is prompt and reasonably priced, and in the best interests of the public as well as the interest of efficient policing operations for the removal of such vehicles from public streets.

12.14.020 Definitions.

Unless the context in which used requires otherwise, the following words and variant thereof, shall have the following meanings:

"Response Time" means the period of time between when an Operator is notified by the City or Police Department of a call to the arrival of the Tow Truck at the location requested.

"Rotational Tow Service Program" means the City's official program of selecting Tow Operators to assist the Police Department and City in removing vehicles from the public right-of-way and private property as set forth in this chapter.

"Suspension" means the removal of an Operator from the City's Tow rotation list for a specified period of time regardless of any contract period or time.

"Termination" means the permanent removal of a Tow Operator from the City's Rotation Tow List for the remainder of the term of the Tow Service Agreement and disqualification from any further participation in the City's Rotation Tow Service Program.

"Tow Car" or "Tow Truck" is a motor vehicle which has been altered or designed and equipped for and exclusively used in the business of towing vehicles by means of a crane, towbar, towline or dolly or is otherwise exclusively used to render assistance to other vehicles and in compliance with section 615 of the California Vehicle Code. Also includes slide-back carriers and wheel-lift vehicles.

"Tow Operator" or "Business" means a company approved by the City to remove, impound and store vehicles in association with the City's Rotational Tow Service Program.

"Tow Service Agreement" means a document which sets forth the terms and conditions of an agreement between the City and Operator on the tow rotation list.

"Vehicle Recovery Operation" means an operation involving the process of uprighting an overturned vehicle or returning a vehicle to a normal position on the roadway which requires the use of auxiliary equipment due to the size or location of the vehicle. This will normally be limited to operations requiring a Class B, C, or D Tow Truck(s).

12.14.030 City business license and permits required.

A. No firm may participate in the assignment of service calls on a rotational basis by the Police Department or the City unless it has a valid City business license to do business as a Tow Operator in the City as set forth in this code.

B. No person shall operate a Tow Truck as part of the City's Rotational Tow Service in the City unless he or she holds a valid Tow Truck Driver's Permit issued by the City.

MV00063728

C. Only those Tow Operators or Businesses approved by the City and possessing a valid Tow Operator's Permit and Tow Service Agreement shall be permitted to remove, tow, impound and/or store a vehicle as part the City's Rotational Tow Service Program.

12.14.040 Selection of towing services.

A. The City Manager or his/her designee shall solicit proposals from Tow Operators to participate in the City's Rotational Tow Service Program. The proposals shall be accompanied by the fee as established by resolution of the City Council. The fee is not refundable.

B. Proposals submitted by Tow Operators shall be evaluated by City staff and presented to the City Council for approval

C. The term of a Tow Service Agreement shall not exceed five (5) years. Tow Operators not participating in the process will not be eligible to participate in the City's Rotational Tow Service until the City establishes an open enrollment period. The enrollment period shall be open for at least 30 days.

D. Only those Tow Operators who enter into a contractual agreement with the City shall be permitted and be required to affix a decal or other permanent marking "Official Police and City of Moreno Valley Rotational Tow Service" to permitted Tow Trucks. Tow truck and/or other vehicles owned and operated by the Tow Operators that have not been inspected and approved by the City to participate in the City's Rotational Tow Service Program shall not, in any way, maintain a decal or other markings or advertisement that the vehicle or vehicles are part of the Program.

E. Tow Operators applying for the City's Rotational Tow Service shall have a minimum of three (3) verifiable years of for-hire towing experience, as an owner or principal, prior to the final filing date of an enrollment period in order to qualify for the program. The City shall verify that a Tow Operator meets the minimum three (3) years of experience.

F. A Tow Operator or Business not having a valid Tow Operator Permit or Tow Services Agreement shall be prohibited from participating in the City's Rotational Tow Service Program. Any tow person violating this chapter shall be guilty of a misdemeanor and shall be prosecuted either criminally or civilly pursuant to Chapter 1.10, Civil Citations, of the Moreno Valley Municipal Code.

G. Tow Operators who enter into a contractual agreement with the City shall deposit with the City the fee established by resolution of the City Council to cover its costs to administer the terms and conditions of the Tow Service Agreement and the regulations of this chapter. A Tow Operator that fails to deposit with the City the required funds as set forth in the resolution of the City Council shall be in violation of this chapter and shall be prosecuted accordingly.

12.14.050 Rotation Tow lists.

A. For operational reasons, the Police Department and City shall maintain the same rotation tow lists where practical and establish policies and procedures as to fairly distribute calls to the Tow Operators or Businesses approved by the City to participate in the Rotational Tow Service Program. Each list will include the same Tow Operators as approved by the City Council and have a valid Tow Service Agreement.

B. Nothing shall prohibit a Class B, Class C or Class D operator from maintaining a place on a lighter class rotation list. (See Section 12.14.080 for description of classifications.)

Regardless of the class of Tow Truck used in response to a call from the City, charges to the vehicle's registered owner or his/her authorized agent shall not be more than the class of vehicle towed or serviced, except when recovery operations require a larger class of truck.

C. If two or more Tow Operators are called to the same incident, distribution of the vehicles shall be at the discretion of the Police Department or City.

The Police Department may direct a Tow Operator to move vehicles to help clear a roadway or for lifesaving operations. Tow Operators shall provide the requested assistance at no cost to the City.

D. At the direct request from an owner of a vehicle or his/her authorized agent, a police officer may contact any Tow Business for services unless said request would be in violation of local, state or federal law or regulation or cause a delay in protecting the public's general health and safety. If an owner of a vehicle or his/her authorized agent request a tow service of their choosing, they assume full responsibility for any fees for service the owner's tow service may impose.

E. After any type of major collision, the Police Department shall have the authority to order any Tow Operator to tow vehicles to any location necessary for investigative purposes.
