HELP SHAPE MORENO VALLEY’S FUTURE

The 2020 Census takes place this April, and it’s important that all Moreno Valley residents be counted.

Census information helps determine how much federal funding our community receives for public safety, schools, and social services.

By law, Census information must be kept confidential by the U.S. Census Bureau. And there is no citizenship question included.

So look for your Census notification card in the mail in mid-March.

Stand up and be counted, MoVal!
