G. REPORTS

G1. CITY COUNCIL REPORTS ON REGIONAL ACTIVITIES

- a) Report on March Joint Powers Commission by Council Member Stewart

Council Member Stewart reported that March Joint Powers Authority offices are relocating to the East March Air Reserve Base from Ben Clark Training Center. Attended a meeting on airport noise. There is a tremendous controversy between the City of Riverside and some of the city members of March Joint Powers. Residents are vocal. Many complaints received from residents about noise are pertaining to noise caused by routine airlines flying to Ontario or L.A. airports, a noise not caused by DHL planes. JPA received a proposal from a noise consultant for a noise study that would cost about \$130,000. The JPA members take this ongoing issue seriously and work toward mitigating this problem.

- b) Report on Metrolink by Mayor Pro Tem West

Mayor Pro Tem West reported that on January 25 and 26 he attended a two-day conference in Temecula with the Board of Directors of Metrolink. The members studied the expanding of the San Jacinto line, improving the tracks and providing train service to the city of Moreno Valley. The new station in Moreno Valley will be located at the intersection of 215 Freeway and Alessandro Blvd. Received an e-mail from Transportation Commission that President Bush finalized in the budget the money needed to finish this project. The new completion target date is 2010. Also we will have the "Beach Train" on weekends. This is a great opportunity for Moreno Valley residents who would be able to take the train to Orange County and LA County.
