

Report to City Council

TO: Mayor and City Council

FROM: Marshall Eyerman, Chief Financial Officer

AGENDA DATE: May 7, 2019

TITLE: ANNUAL STATEMENT OF INVESTMENT POLICY

RECOMMENDED ACTION

Recommendation:

1. Adopt the Annual Statement of Investment Policy.

SUMMARY

California Government Code Sections 53601 and 53646, respectively, delineate the types of investments allowed, define various restrictions governing these investments and suggest a periodic review of the investment report and investment policy by the governing body of the local agency. The City's Investment Policy has established a review process whereby the Council reviews and adopts the policy annually. The policy identifies allowable investments, the reporting process related to the investments, safekeeping measures in maintaining assets and the roles of staff in the management of the investment program.

Staff recommends that the City Council review and adopt the Annual Statement of Investment Policy. There are only two minor changes to the policy which include the addition of paragraph I.D.3 which excludes funds deposited in a Voluntary Employees' Beneficiary Association (VEBA) from this policy and within Diversification and Credit Risk Management section (paragraph XII.C), the addition of additional investment types which are exempt from the 5% issuer limit described in.

The Investment Policy was scheduled for review by the Finance Subcommittee at their meeting on April 23, 2019.

DISCUSSION

The City's Investment Policy calls for the policy to be reviewed and adopted annually by the City Council. The policy was last revised in June 2016. The policy in its revised form has incorporated all of the most recent changes made to the California Government Code as well as the best practices which have been identified by the California Debt and Investment Advisory commission (CDIAC). The policy has been reviewed and certified by both the Association of Public Treasurers of the United States and Canada (APT US&C) and the California Municipal Treasurer's Association (CMTA).

The Investment Policy has been reviewed by both staff and our investment management firms, Chandler Asset Management and Insight North America. Based on this review the only changes are to add paragraph I.D.3 to exclude any funds held in deposit by a Voluntary Employees' Beneficiary Association (VEBA) from this policy and to add additional investment types to the exemption of the 5% issuer limit established in paragraph XII.C. Funds invested in a VEBA plan generally are held and administered by a third party and have different investment objectives than the general portfolio. VEBA plans should be subject to their own investment policy.

ALTERNATIVES

1. Adopt Annual Statement of Investment Policy. *Staff recommends this alternative since this will allow for the timely review and adoption of the policy for the coming fiscal year.*
2. Do not adopt Annual Statement of Investment Policy and provide staff with additional direction. *Staff does not recommend this alternative since it will not allow for a timely review and adoption process prior to the start of the new fiscal year.*

FISCAL IMPACT

No fiscal impact.

INVESTMENT POLICY

PURPOSE: The City Council of the City of Moreno Valley (City) and its related authorities and agencies recognizes its responsibility to properly direct the investments of funds under its care. It is the purpose of this policy to provide guidelines for the prudent investment of unexpended funds in a manner which allows for maximum security, while at the same time providing the best investment return to meet the daily cash flow demands of the City, and conform to all applicable statutes pertaining to the investment of public funds. In instances in which the Policy is more restrictive than Federal or State law, the Policy supersedes.

I. Scope

- A.** Investments for the City and its related authorities and agencies will be made on a pooled basis including the City of Moreno Valley the City of Moreno Valley Housing Authority, the Moreno Valley Community Services District, the Moreno Valley Public Facilities Financing Corporation, the Moreno Valley Public Financing Authority, and the Moreno Valley Industrial Development Authority. These funds are accounted for in the City's Comprehensive Annual Financial Report (CAFR) and include:

 2. Special Revenue Funds
 3. Debt Service Funds
 4. Capital Project Funds
 5. Internal Service Funds

- B.** The City Council has the authority to allow investments that do not follow this policy as long as such investments are recommended by the City Manager and City Treasurer, and expressly authorized by the City Council.
- C.** At the time this policy is adopted, the portfolio may hold investments which were made in the past and in accordance with previous policies and existing State law, but do not meet the provisions of this policy. These past investments are grandfathered as permissible investments. The City may choose to hold these investments until maturity; however, their maturity cannot be extended without the expressed authorization of the City Council.
- D.** Funds excluded from this policy
1. **Bond Proceeds.** Proceeds of debt issuance shall be invested in accordance with the City's general investment philosophy as set forth in this policy. The overriding policy for the investment of bond proceeds will be dictated by the bond documents governing such funds as long as the documents are approved by the City Council or related governing board.
 2. **Deferred Compensation Plans.** Investments related to the City's deferred compensation plans are not subject to this policy since third-party administrators manage them and the individual plan participant's direct investment and mutual fund selection. Deferred compensation plans must be approved by the City Council.
 3. **Voluntary Employees' Beneficiary Association (VEBA) plan:** Funds deposited into VEBA plans on behalf of employees are managed under a separate investment policy and are held and managed by a third party fund manager.
