NOTABLE CASES

Cargo Theft

On Tuesday February 18, 2025, Riverside County Deputy Sheriff assigned to the Moreno Valley Station Patrol Division investigated a theft of cargo from Mainfreight Warehousing located at 28015 Eucalyptus Avenue in the city of Moreno Valley. Deputy Keeney from the Special Teams have been investigating the recent rash of cargo thefts. Taking over the investigation, Deputy Keeney identified the truck driver, and through Citywide and Flock cameras obtained a plate of the tractor trailer in question. It was determined that the truck driver picked up the stolen cargo, but his intent was unknown, as some of these drivers are contracted by the fraudulent broker and are not aware they are stealing the freight.

While Deputy Keeney and Deputy Duran were conducting surveillance on a business related to cargo theft in Fontana, they recognized the truck driver leaving the business. It was noted that the driver had a placard on the side of his truck for a different trucking company. After a short surveillance, the truck driver was seen pulling into a truck stop only to re-emerged about 15 minutes later with a different trucking placard on the tractor trailer. CHP was contacted and assisted with a traffic stop of the driver and his tractor trailer.

After speaking with the truck driver regarding his involvement and his work with two separate dispatchers, it was determined he had knowledge of the stolen cargo for the sole purpose of re-directing it for theft and being paid cash upon delivery. The truck driver was arrested and his tractor trailer towed.

Warrants were executed on the tractor trailer, electronic devices, and information obtained through those warrants for direct evidence of cargo theft. The truck driver was identified as a suspect in 9 separate cargo theft cases in Los Angeles, San Bernardino, and Riverside County.

Deputy Keeney is inquiring with the AUSA and FBI regarding a federal criminal filing.
