I. INTRODUCTION

A. DESCRIPTION OF PROCEEDINGS

The City Council of the City of Moreno Valley, acting in its capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District (“CSD Board”), formed Community Facilities District No. 1 (“CFD No. 1” or “District”) to finance public services related to new parks constructed after the formation of the District and authorized the levy of a special tax onto the property tax roll of those parcels annexed into the District. Financial responsibility for maintenance of new parks is placed onto those properties that created the need for additional park facilities. The District was established under the authority of the Mello-Roos Community Facilities Act of 1982. New residential developments that benefit from new or future parks are conditioned to participate in the District. The following table provides a summary of the actions, which were taken in the formation of the District.

B. THE DISTRICT

The CSD Board formed CFD No. 1 in 2003 to finance public services for the new parks.

i. BOUNDARIES OF THE DISTRICT

The original District included five tracts identified by parcel numbers in the June 2003 Community Facilities District Report, Appendix “C,” prepared by Albert A. Webb Associates. Following the Public Hearing on July 8, 2003, the CSD Board amended the May 27, 2003 boundary map to delete two of the five identified tracts, Tentative Tracts 30708 and 29857. Tentative Tracts 31050, 30998, and 30924 formed the original District, which represented 154 dwelling units. In December 2004, Tentative Tract 30708 annexed into the District as part of Annexation No. 2004-5. Tentative Tract 29857 may be annexed into the District in the future. The parcel associated with Tentative Tract 30998 was later acquired by the Moreno Valley Unified School District and is now exempt from the special tax under the rates and method of apportionment of special tax (RMA).

ii. BOUNDARIES OF THE FUTURE ANNEXATION AREA

The boundaries of the future annexation area encompass the City boundary at the time of District formation.

iii. FUTURE ANNEXATIONS

As a requirement of development, single family and multifamily projects are conditioned to provide a funding source to support the operations and ongoing maintenance of the facilities within the District. The property owner can either annex into the District or fund an endowment to cover the future obligation for the project. The endowment would be placed into a separate trust account; the financial obligation of the parcel(s) contributing will be withdrawn and used to offset the annual special tax requirement of that parcel(s) for the District. Appendix A provides a summary of the annexations conducted since the District was formed. As of the date of this report, the endowment option has not been selected as a way to satisfy the condition of development for any project.

iv. DESCRIPTION OF SERVICES

The types of public services related to new parks to be financed from the levy of special taxes in the District, including the Future Annexation Area, are described as follows:

The maintenance and/or repair of Parks and Park Improvements, including, but not limited to, the planting, replanting, mowing, trimming, irrigation and fertilization of grass, trees, shrubs, and other ornamental plants and vegetation; the operation, maintenance, repair, and replacement of irrigation systems associated with Parks and Park Improvements; and all efforts by Park Rangers that are devoted to the maintenance of the Parks, Park Improvements, and public safety. "Parks and Park Improvements" are defined as park improvements, which are to be developed, constructed, installed, and maintained within the area of CFD No. 1 and which will be owned and operated by the CSD for the benefit of the residents of the District.

II. CFD NO. 1 FUNDED PARK FACILITIES

The following summary provides a list of the various facility types, which shall be maintained in whole or in part through the levy and collection of special taxes from CFD No. 1.

III. COMPUTATION OF THE SPECIAL TAX REQUIREMENT

The City shall levy and collect the special tax according to the RMA, which has been previously approved by the legislative body of CFD No. 1 and the qualified electors of CFD No. 1. The special tax requirement includes the costs related to maintenance and operation services for District facilities, administrative expenses, and replenishment of the contingency reserve fund for each year. Other available revenues are taken into account when calculating the special tax and may be used to offset the annual special tax requirement.

A. MAINTENANCE AND OPERATION SERVICES

The District shall provide for the ongoing maintenance of park improvements and all efforts by the Park Rangers associated with facilities described in Section II. Maintenance and Operation services are further described in Section I.B.iv: Description of Services.

B. ADMINISTRATIVE EXPENSES

Administrative expenses are those directly related to the administration of CFD No. 1. In addition, the Administrative expense includes but is not limited to costs related to the City's general administrative services, overhead for personnel support, space rent and maintenance, insurance, CSD Board support, City Manager support, purchasing, and communications.

C. RESERVE FUND

Per the RMA, a contingency reserve is to be maintained for the District in an amount equal to ten percent (10%) of the estimated costs of providing the Services and estimated Administrative Expenses for any fiscal year (FY) to provide for the payment of unexpected costs which may be incurred in the FY.

IV. SPECIAL TAX CALCULATION

A levy of special tax shall be collected annually at the same time and in the same manner as the ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as applicable for ad valorem taxes; however, the CSD Board may utilize a direct billing procedure for any special taxes that cannot be collected on the Riverside County property tax bill or may, by resolution, elect to collect the special taxes at a different time or in a different manner if necessary to meet its financial obligations.

A. SPECIAL TAX RATE

The special tax rate per dwelling unit (DU) that can be levied by the CSD Board in any FY is based upon the application of the Land Use Categories listed in Table 4 and the Special Tax Rate listed in Table 5.

*The amount applied cannot exceed the maximum special tax and per County requirements can only be an even number.

The maximum special tax rate shall be increased by the percentage increase in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics, since the beginning of the preceding FY, or by two percent (2%), whichever is greater, beginning on July 1, 2004, for FY 2004/05 and on each subsequent July 1 for the FY then commencing.

In accordance with the RMA, property classified as commercial or industrial and publicly owned or dedicated property shall be identified as exempt with regards to the special tax. Property exemption also applies to sliver parcels, common lots, open space, or any other property that cannot be developed.

B. METHOD OF APPORTIONMENT

For each FY, the CSD Board shall determine the amount of the special tax to be levied and collected to pay for (a) the estimated costs of providing the identified services, (b) the amount estimated for administrative expenses, and (c) the amount required to fund or replenish the contingency reserve (collectively defined as the "Special Tax Requirement"). The special tax shall be levied on all non-exempt parcels in the District, in an amount per DU, based on the Land Use Categories, up to the Special Tax Requirement. The amount of special tax to be levied on any parcel shall not exceed the amount determined by multiplying the DUs for the parcel by the maximum special tax rate for the FY.
