### MEMORANDUM

---

To: Launa Jimenez, Chief Financial Officer/City Treasurer  
From: Annabelle Wang, Financial Operations Division Manager  
Date: August 27, 2024  
Subject: Payment Register for July 2024

---

The Payment Register is an important report providing transparency of financial transactions and payments for City activity for review by the City Council and the residents and businesses in Moreno Valley. This report will be included in a future City Council agenda as an additional means of distributing this report.

The Payment Register lists in alphabetical order all checks and wires in the amount of \$25,000 or greater, followed by a listing in alphabetical order of all checks and wires less than \$25,000. The Payment Register also includes the fiscal year-to-date (FYTD) amount paid to each vendor.

Staff will continue to publish the Payment Register on the City's website within thirty (30) days of the end of the month and will include this register in a future City Council agenda for distribution purposes for Council to receive and file.

Additionally, all fiscal year payments will be presented to City Council for approval annually in the form of an audited annual comprehensive financial report.
