**Section 1:**

**WHEREAS**, the City of Moreno Valley has filed an application for the approval of PA11-0028 (General Plan Amendment), as described in the title of this Resolution.

**WHEREAS**, on March 14, 2013, the Planning Commission of the City of Moreno Valley held a meeting to consider the application.

**WHEREAS**, all legal prerequisites to the adoption of this Resolution have occurred.

**NOW, THEREFORE, BE IT RESOLVED**, it is hereby found, determined and resolved by the Planning Commission of the City of Moreno Valley as follows:

- A. This Planning Commission hereby specifically finds that all of the facts set forth above in this Resolution are true and correct.

2. **Health, Safety and Welfare** – The proposed use will not be detrimental to the public health, safety or general welfare.

**FACT:** The proposed changes do not have the potential of adversely affecting the public health, safety or welfare of the residents of City of Moreno Valley or surrounding jurisdictions. The Change of Zone deals with administrative matters that would not cause a physical effect on the environment.

3. **Conformance with Zoning Regulations** – The proposed Change of Zone is consistent with the purpose and intent of Title 9.

**FACT:** The Change of Zone is compatible with the purpose and intent of Title 9. As such, it furthers the specific purpose and intent of Title 9 to “implement the goals, objectives, policies and programs of the Moreno Valley General Plan and manage future growth and change in accordance with that plan.”

**Section 3:**

**WHEREAS**, the City of Moreno Valley has filed an application for the approval of PA11-0030 (Municipal Code Amendment), as described in the title of this Resolution.

**WHEREAS**, on March 14, 2013, the Planning Commission of the City of Moreno Valley held a meeting to consider the application.

**WHEREAS**, all legal prerequisites to the adoption of this Resolution have occurred.

**NOW, THEREFORE, BE IT RESOLVED**, it is hereby found, determined and resolved by the Planning Commission of the City of Moreno Valley as follows:

- A. This Planning Commission hereby specifically finds that all of the facts set forth above in this Resolution are true and correct.
- B. Based upon substantial evidence presented to this Planning Commission during the above-referenced meeting, including written and oral staff reports, and the record from the public hearing, this Planning Commission hereby specifically finds as follows:

1. **Conformance with General Plan Policies** – The amendment is consistent with the General Plan, and its goals, objectives, policies and programs, and with any applicable specific plan.

**FACT:** All of the proposed changes are consistent with, and do not conflict with the goals, objectives, policies, and programs established within the General Plan or any specific plan. The amendment creates the Mixed-Use Overlay District to replace the current Mixed Use Zoning Districts 1 and 2 (MUD1 and MUD2). The amendment also includes development standards for the Mixed Use Overlay District.

The General Plan currently references and encourages the concept of mixed use development. At this time, only limited specific plan areas within the City (Village at Sunnymead – Specific Plan 204 and the expired Moreno Highlands – Specific Plan 208) are zoned for mixed use development. The creation of the Mixed Use Overlay District will help promote the concept of mixed use in the City of Moreno Valley.

General Plan Objective 2.4 states that the City shall “Provide commercial areas within the City that are conveniently located, efficient, attractive, and have safe and easy pedestrian and vehicular circulation in order to serve the retail and service commercial needs of Moreno Valley residents and businesses.” The creation of the Mixed Use Overlay District will help meet this objective.

2. **Health, Safety and Welfare** – The proposed use will not be detrimental to the public health, safety or general welfare.

**FACT:** The proposed changes do not have the potential of adversely affecting the public health, safety or welfare of the residents of City of Moreno Valley or surrounding jurisdictions. The amendment deals with administrative matters that would not cause a physical effect on the environment.

3. **Conformance with Zoning Regulations** – The proposed amendment is consistent with the purpose and intent of Title 9.

**FACT:** The amendments to the Municipal Code provides for an internally consistent set of regulations that are compatible with the purpose and intent of Title 9. The proposed changes (creation of the Mixed Use Overlay District, deletion of the MUD1 & MUD2 and inclusion of the development standards for the Mixed Use Overlay District) eliminate conflicts or clarify the meaning of some sections of Title 9. As such, it furthers the specific purpose and intent of Title 9 to “implement the goals, objectives, policies and programs of the Moreno Valley General Plan and manage future growth and change in accordance with that plan.”

#### **Section 4:**

**WHEREAS**, the City of Moreno Valley has filed an application for the approval of PA12-0046 (General Plan Amendment), as described in the title of this Resolution.

**WHEREAS**, on March 14, 2013, the Planning Commission of the City of Moreno Valley held a meeting to consider the application.

**WHEREAS**, all legal prerequisites to the adoption of this Resolution have occurred.

**NOW, THEREFORE, BE IT RESOLVED**, it is hereby found, determined and resolved by the Planning Commission of the City of Moreno Valley as follows:

A. This Planning Commission hereby specifically finds that all of the facts set forth above in this Resolution are true and correct.

B. Based upon substantial evidence presented to this Planning Commission during the above-referenced meeting, including written and oral staff reports, and the record from the public hearing, this Planning Commission hereby specifically finds as follows:

1. **Conformance with General Plan Policies** – The amendment is consistent with the General Plan, and its goals, objectives, policies and programs, and with any applicable specific plan.

**FACT:** PA12-0046 (General Plan Amendment) will change the land use designation of Assessor's Parcel Number (APN) 485-220-041, which is located at the southwest corner of Gentian Avenue and Perris Boulevard. The 21.47 acre parcel's land use is currently Residential 5 (R5) and the proposed change is to Commercial (C).

The parcels directly to the west and southwest are part of the request for both land use and rezoning to Residential 30 (R30). The parcels directly south are currently Commercial and included an approved shopping center (PA06-0123), Home Depot and a Farmer Boys restaurant.

There is no development application associated with the proposed land use change. The proposed zoning would permit development of a commercial shopping center, which would support the neighboring proposed high density housing.

Changing the land use of 21.47 acres to commercial uses along Perris Boulevard consistent the goals of the Alessandro Boulevard Corridor Plan though was not an original part of the vision plan. Perris Boulevard is a similar to Alessandro Boulevard as an important regional transportation link for Moreno Valley. Perris Boulevard is ideal to provide a mix of retail and multiple density housing opportunities to promote pedestrian-oriented development. The land use change to Commercial is also consistent with the General Plan and would not be in conflict with the goals, objectives, policies or programs of the General Plan.

2. **Health, Safety and Welfare** – The proposed use will not be detrimental to the public health, safety or general welfare.

**FACT:** The proposed amendment to the General Plan does not have the potential of adversely affecting the public health, safety or welfare of the residents of City of Moreno Valley or surrounding jurisdictions. The amendment deals with administrative matters that would not cause a physical effect on the environment.

**Section 5:**

**WHEREAS**, the City of Moreno Valley has filed an application for the approval of PA12-0047 (Change of Zone), as described in the title of this Resolution.

**WHEREAS**, on March 14, 2013, the Planning Commission of the City of Moreno Valley held a meeting to consider the application.

**WHEREAS**, all legal prerequisites to the adoption of this Resolution have occurred.

**NOW, THEREFORE, BE IT RESOLVED**, it is hereby found, determined and resolved by the Planning Commission of the City of Moreno Valley as follows:

- A. This Planning Commission hereby specifically finds that all of the facts set forth above in this Resolution are true and correct.
- B. Based upon substantial evidence presented to this Planning Commission during the above-referenced meeting, including written and oral staff reports, and the record from the public hearing, this Planning Commission hereby specifically finds as follows:
  - 1. **Conformance with General Plan Policies** – The amendment is consistent with the General Plan, and its goals, objectives, policies and programs, and with any applicable specific plan.

**FACT:** PA12-0047 (Change of Zone) will change the zoning designation of Assessor's Parcel Number (APN) 485-220-041, which is located at the southwest corner of Gentian Avenue and Perris Boulevard. The 21.47 acre parcel's land use is currently Residential 5 (R5) and the proposed change is to Community Commercial (CC).

The parcels directly to the west and southwest are part of the request for both land use and rezoning to Residential 30 (R30). The parcels directly south are currently Community Commercial and included an approved shopping center (PA06-0123), Home Depot and a Farmer Boys restaurant.

2. **Health, Safety and Welfare** – The proposed use will not be detrimental to the public health, safety or general welfare.

**FACT:** The proposed changes do not have the potential of adversely affecting the public health, safety or welfare of the residents of City of Moreno Valley or surrounding jurisdictions. The Change of Zone deals with administrative matters that would not cause a physical effect on the environment.

As such, it furthers the specific purpose and intent of Title 9 to “implement the goals, objectives, policies and programs of the Moreno Valley General Plan and manage future growth and change in accordance with that plan.”

**BE IT FURTHER RESOLVED** that the Planning Commission **HEREBY APPROVES** Resolution No. 2013-08, recommending that the City Council approve PA11-0028 (General Plan Amendment), PA11-0029 (Change of Zone), PA11-0030 (Municipal Code Amendment), PA12-0046 (General Plan Amendment) and PA12-0047 (Change of Zone) as described in the title of this resolution.
