

Maintaining our Moreno Valley Join the Conversation!

As we begin to return to normalcy and look to the future, the City of Moreno Valley wants your input on the best ways to maintain our basic local services and quality of life. With your continued help, we can work together to keep Moreno Valley a better place to live, work and raise a family.

Below are some key priorities identified by your neighbors in a recent community survey conducted during our most recent budget process. Now we want to hear from you! Please rank the following 6 services from 1 to 6, with 1 being the most important.

- _____ Preventing robberies and burglaries
- _____ Maintaining 911 emergency response times
- _____ Maintaining the number of fire engines in service and gang and youth violence prevention programs
- _____ Maintaining safe and clean parks and public areas
- _____ Repairing potholes and roads
- _____ Addressing homelessness

Other City services and priorities are important to me, and I would like to add this comment:
