‘M’ LIGHTING REQUEST POLICY

PURPOSE: To establish a policy and a transparent process for lighting the ‘M’ on Box Springs Mountain.

I. INTRODUCTION

City Hall’s LED lighting system on Box Springs Mountain for the ‘M’ is designed to enhance local events and be a source of civic unity and pride. The default color will be white. Lighting the ‘M’ promotes the City, its civic institutions, state and federal holidays, and other public events of community significance and times of celebration. The City may accept community requests for special lighting to recognize a specific cause or to commemorate or enhance a specific event consistent with the purposes expressed here. Non-profit and charitable organizations can request that the ‘M’ be illuminated in specific colors to elevate awareness of their cause.

II. SUBMITTING A REQUEST

All requests must be submitted to the City, in writing, at least two weeks prior to the request start date. Requests should be submitted using this online form (http://www.moval.org/Mschedule/); a confirmation email will be sent upon receipt of the request. Questions about the form or submissions should be directed to City Hall at 951-413-3000.

The City will review each request on a first-come, first-served basis. The City will respond to each request within two weeks from the date the request is received. The City’s response is final.

If the online form is not convenient, interested parties may submit all the information on the form to ContactUs@moval.org or via mail to City Hall, Attention: M Lighting Request, 14177 Frederick St., PO Box 88005, Moreno Valley, CA 92552.

Available colors and a current schedule for lights on the ‘M’ is located at http://www.moval.org/Mschedule/

Recognition will be limited to one day. In extraordinary circumstances, the City may schedule special lighting to run more than one day.

In order to foster fairness among requests, each request must be renewed each year; requests will not be automatically carried forward to future years.

III. CRITERIA FOR REQUESTS

Requests must be consistent with the purposes of the ‘M,’ namely:

- Enhance local events
- Provide a source of civic unity and pride
