

New Energy Bill Assistance for Qualified Customers

Moreno Valley Utility (MVU) has created a program to provide qualified families with a discount on their electric energy charges depending on their income and household size.

1. You may qualify for this program if you or someone in your home participates in at least one of the eligible public assistance programs. (See Section on Public Assistance Programs on the Application)... **Or**
2. You may also qualify for these programs if you meet the income guideline qualifications listed in the chart below.

To determine if you qualify using the method described in No. 1, please provide a copy of the documents you received from the Public Assistance Agency that indicates you have been accepted for the program and a current record of receipt of support.

To determine if you qualify using method described in No. 2, please provide an original Transcript of Tax Return from the IRS.

The completed application and documents of support or IRS transcript can be submitted either by mail to the Application Processing Center, via fax to (877) 349-3870 or in person at 14331 Frederick St., Suite 2, Moreno Valley, CA 92553.

For additional information, please contact our 24-hour Customer Service Center at (844) 341-6469.

Maximum Household Income

| Number of Persons in Household | Total Combined Annual Income* | |

| Each Additional Person | \$8,960 | \$8,960 to \$11,200 |

*Current Gross (before taxes) household income from all sources.

Program Details

- The MVU Energy Assistance Program is a discount program for qualified residents, providing a 18% or 30% discount on monthly energy charges depending on their income and household size.
- Program qualifications and rules are subject to change at the discretion of the utility.
- Eligibility for the program is based on the number of full-time residents in the household and the total gross income of all household members.
- Discount applies to energy charges only. Customer charges, public purpose charges, service fees and all taxes are calculated at the standard rates.
- To apply for the program, electric service must be provided in the name of the applicant.
- If applying using an original Transcript of Tax Return from the US Internal Revenue Service, a transcript is required for each member of the household. Transcripts are available free of charge by mailing a completed Form 4506-T to the IRS. Form and instructions are available at www.irs.gov.
- Applications received without the required Support Documents or Transcript of Tax Return will not be processed.
- Program enrollment is valid through June 30 of each year. Customers must reapply annually to demonstrate eligibility for the discount.
- Allow 4-6 weeks for processing of application. Once approved, the discount will apply to the next regular billing period.
- If you have any questions regarding the program, please call our 24-hour Customer Service Center toll free at (844) 341-6469.

Declaration: Please sign and date below

I state that the information I have provided in this application is true and correct. I have enclosed an original copy of the Transcript of Income Tax for each person listed above. I agree to inform Moreno Valley Utility if I no longer qualify for the discount. I understand that if I receive a discounted rate without meeting the qualifications of the program, that I will be required to pay back the discount received. **I certify the following:**

- The MVU bill is in my name
- I am not claimed on another person's income tax return
- I understand that the rate discount applies only to energy charges
- I understand that application processing will take 4-6 weeks and that the rate discount will not be applied to previous invoices
- My total household income meets the specified income levels to qualify for this program
- I understand MVU may require additional verification of income

June billing cycle and that I must re-apply for the program each year

- I understand that program funds are limited and that the program may be changed or canceled at any time at the discretion of the utility
