

# Pee Wee & Junior

## Parent Information Packet

**Dear Parents/Guardians,**

**I would like to start by welcoming you to another fun-filled season of Pee Wee & Junior T-Ball. During this season my goal is for everyone to learn the fundamentals of the game, enjoy watching their youth being active and most importantly to have a great time. We will place emphasis on skill development rather than competition and we hope to teach the children sportsmanship and dedication.**

**Parents, please let this be a reminder to purchase a glove for your child, if they do not already have one. All other equipment will be provided by the City of Moreno Valley. Please note the success of this program relies heavily on parent participation. **If you are interested in being a volunteer coach for a team that is currently without a head coach, please give me a call.** Additionally, coaches are looking for at least one assistant coach and one team mom to help coordinate snack and keep the team updated on special events.**

**If you have any questions or concerns regarding this parent packet or during the season, please feel free to contact me. I am always happy to help.**

**Wishing You Lots of Fun,**

**Ruby Chavez  
Recreation Program Leader  
(951) 413-3692  
RubyC@Moval.org**

# **PARENTS PLEASE READ!!!**

## **JERSEY ALTERATIONS**

**Parents and Guardians, please note we will not be allow any alterations to player uniforms. This program is non-competitive and we want to focus on skill development rather than focus on team wins and losses. By adding numbers and/or names to uniforms, it adds a competitive atmosphere to the program, which takes away from your child being able to acquire the knowledge of the sport and how to work together as a team. We want to treat all teams and youth equal and ensure no one is left out. If alterations are made to your child's jersey, you will be responsible for purchasing a new one. Thank you in advance for your cooperation.**
