#WASTEWEDNESDAY

## Backyard Composting

Composting is nature's way of recycling. Come learn how to start and maintain your own compost pile, plus the various ways to use your compost. It's great for the garden and the environment!

Class length: 1.5 hours

## Vermicomposting and Make-Your-Own Worm Bin Workshop

Compost with worms and reduce the amount of food waste you send to the landfill. You don't need a lot of space. Do it in your house or on your porch. It's fun, easy and kids love it!

Class length: 2 - 3 hours

## Green Cleaning

Reduce the amount of hazardous waste you use by learning how to make household cleaning supplies with natural materials. It's safer for households with kids and pets plus it saves you money!

Class length: 1 hour

## Garden Talk

Come learn more about gardening from a UCCE Master Gardener. Topics vary each talk. For more information about UCCE

Master Gardeners, visit <https://ucanr.edu/sites/RiversideMG/>

Class length: 1 hour

All classes are FREE and registration is not required. Class times and locations are subject to change. If you require reasonable accommodations, please call us at least one week prior to the class.

Compost bins are available for sale to Riverside County residents for \$12 per bin (limit three bins per household). Available after each Backyard Composting class and at our office in Moreno Valley from Mon – Thur, 8am – 5pm.

Each Vermicomposting class includes a Make-Your-Own-Worm-Bin workshop. Either bring your own materials from the list provided on our website or buy the materials from us for \$26 at the class. Plus, worms are provided for FREE at each workshop.

Bin sales accept cash and MC/Visa (75¢ service charge on MC/Visa).
