TRAFFIC TEAM

Moreno Valley Station

The Moreno Valley Station Traffic Bureau is subdivided into three teams; Commercial Vehicle Enforcement, Accident Investigations and Motor Traffic Enforcement, who collectively maintain safety for drivers on the roadways of Moreno Valley through enforcement, education and engineering. Deputies and Community Service Officers assigned to Accident Investigations are responsible for investigating traffic collisions, which include property damage only collisions, minor-injury traffic collisions, major-injury traffic collisions, fatal traffic collisions, hit-and-run collisions, and then taking appropriate enforcement actions based on the outcome of each investigation. The Commercial Vehicle Enforcement Team's responsibilities include conducting commercial vehicle compliance checks (state, federal and international laws), enforcing applicable commercial vehicle laws and municipal codes, perform roadside safety compliance checkpoints and working with allied agencies to help maintain roadway safety regionally. The Motor Enforcement Team maintains safety on the roadways within the jurisdiction of Moreno Valley through the enforcement of those violations identified as primary collision factors and by providing education to the motoring public. Collectively, the Traffic Bureau conduct school zone traffic enforcement, DUI enforcement saturation patrols, distracted driver enforcement, pedestrian safety enforcement, street racing enforcement, while also working to eliminate issues negatively affecting the quality of life for the citizens of Moreno Valley. Additionally, the Moreno Valley Traffic Bureau conducts presentations and training for the citizens of Moreno Valley to provide education in efforts to improve safety on city roadways and actively collaborates with City of Moreno Valley traffic engineers to identify traffic safety concerns throughout Moreno Valley and develop solutions.

Notable Cases

On 01/07/2026, CBAT responded to a call for service reference an elderly woman needing assistance with her son who was diagnosed schizophrenic and physically aggressive with her. CBAT arrived and contacted the subject, he appeared unkempt and was observed whispering to himself. The subject avoided eye contact and displayed an affect that fluctuated between labile and flat. The subject resides with his elderly mother who stated she locks her bedroom door due to being afraid him. Due to the subject being a large adult male, combined with his altered mental state and unpredictable behavior, there were increased safety concerns during the contact. With the assistance of an additional CBAT team, the subject was safely taken into custody without incident and transported for further mental health evaluation. Adult protective services was contacted for support of the elderly mother.
